The 15-Minute Prayer Solution-Gary Jansen 2015-11-29 What might happen if you gave just ONE PERCENT of your day to God? I don't have time to pray. I don't know how to pray. I don't know what to pray for. Perhaps you identify with one or all of these statements; most people do. But with Gary Jansen's The 15-Minute Prayer Solution, anyone can learn to turn those "I don't" statements into "I do" declarations— and be transformed in the process. Drawing on spiritual practices from the Christian tradition throughout the centuries, Jansen offers numerous and wide-ranging prayer exercises that can be completed in less than fifteen minutes. The Jesus Prayer, lectio divina, the Examen, imaginative prayer, and many more ways to joyfully encounter the Living God are explained. Deeply personal stories, thought provoking modern-day parables, and even humorous anecdotes bring spiritual ideas down to earth, revealing the practical side of prayer. And, as Jansen himself discovered, if you're willing to take just fifteen minutes a day to pray, you may soon find that the entirety of your life has become a prayer, a relentless desire to place God at the center of everything. Now in paperback: Gary Jansen's bestselling Exercising Your Soul retitled, repackaged and revised!

The Pit and the Pendulum-Edgar Allan Poe 2020-08-26 It is almost impossible to escape the Spanish Inquisition alive. However, Edgar Allan Poe's unnamed narrator, after suffering innumerable tortures upon his body and soul in the hands of his tormenters, sees the light of the day at the very end of his sanity's tether. Even despite the lack of supernatural elements, "The Pit and the Pendulum" (1842) has enjoyed and influenced several notable movie adaptations. Animations such as The "Flinstones", TV series like "Crime Scene Investigation", to films like Roger Corman's "The Pit and the Pendulum" (1961), starring Vincent Price and some torture methods found in the "Saw" franchise, the story's famous pendulum scene is a rather fruitful source of inspirations. Yet, despite the terrific torments, the story focuses primarily on how terror is implicitly depicted through the workings of the mind. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1845), "The Black Cat" (1843), and "The Gold-Bug" (1843).
