A Trick of the Light-Louise Penny 2011-08-30 A New York Times Notable Crime Book and Favorite Cozy for 2011 A Publishers Weekly Best Mystery/Thriller books for 2011 "Penny has been compared to Agatha Christie [but] it sells her short. Her characters are too rich, her grasp of nuance and human psychology too firm..." --Booklist (starred review) "Hearts are broken," Lillian Dyson carefully underlined in a book. "Sweet relationships are dead." But now Lillian herself is dead. Found among the bleeding hearts and lilacs of Clara Morrow's garden in Three Pines, shattering the celebrations of Clara's solo show at the famed Musée in Montreal. Chief Inspector Gamache, the head of homicide at the Sûreté du Québec, is called to the tiny Quebec village and there he finds the art world gathered, and with it a world of shading and nuance, a world of shadow and light. Where nothing is as it seems. Behind every smile there lurks a sneer. Inside every sweet relationship there hides a broken heart. And even when facts are slowly exposed, it is no longer clear to Gamache and his team if what they've found is the truth, or simply a trick of the light.

A Trick of Light and Shadow-Kristian Bland 2018-05-28 What you are about to read is not a story. There is no beginning, middle, or end. What follows is nothing more than a series of journal entries involving shadow people, sleep paralysis, and crippling fear. It's not pretty, it doesn't follow story logic, and nothing works out well in the end.You've been warned.

The Beautiful Mystery-Louise Penny 2013-07-02 When the choir director of a monastery in Québec is murdered, Chief Inspector Armand Gamache and Jean-Guy Beauvoir of the Sûreté du Québec are challenged to find the killer in a cloistered community that has taken a vow of silence.

A Trick of the Light-Carolyn Polizzoto 2001 My memories are at odds with the photo albums. Family snaps generally show smiling faces. The crying child is edited out before the photo is taken, the camera put down, the child comforted. Cleaned up, wiped down; if all else fails, the camera can be put away for another day. Videos are different. The genre of the home video seems to admit - indeed it seems to favour - crying children, toddlers tripping over, dogs grabbing ice-creams from wavering hands. It seems to be allowed in the world of moving film for a child to choose to cry. Not in the world of the family snap, though; and certainly not in the fifties.

A Trick of Sunlight-Dick Davis 2006-05-30 In his new collection of poems, Dick Davis, the acclaimed author of Belonging, addresses themes that he has long worked with—travel, the experience of being a stranger; the clash of cultures, the vagaries of love, the pleasures and epiphanies of meaning that art allows us. But A Trick of Sunlight introduces a new theme that revolves around the idea of happiness—is it possible, must it be illusory, is its fleetingness an essential part of its nature so that disillusion is inevitable? Many of the poems are shaded by the poet’s awareness of growing older, and by the ways that this both shuts down many of life’s possibilities and frees us from their demands. The levity of some verses here is something of a departure for Davis, but his insights can be mordant too, revealing darknesses as often as they invoke frivolity. As Davis’s readers have come to expect, the poems in A Trick of Sunlight. aim at the aesthetic satisfactions that accompany accurate observations expressed with wit, intelligence, and grace. But they achieve as well an immediacy and rawness of vision that seem to belie his careful craft.

A Trick of the Dark-B.R. Collins 2010-09-06 Zach and his sister Annis have been uprooted by their parents from their comfortable home to a remote and half-built barn in France. Zach is being removed from his 'bad-influence' friends, their parents are trying to salvage their marriage and still remain on speaking terms whilst the bitterness of their father's affair bubbles underneath the surface. And Annis - Annis just keeps going, keeping her head down, trying to keep it together. So far so normal. And then Zach, uncommunicative and contrary as ever these days, defies everything their parents have said and makes his way to the unsafe ruined building at the edge of their new garden, and leans up against the wall. The wall bulges, totters - and suddenly collapses on top of him. Annis, horrified, sees him crumpled on the ground. Desperate, she races towards him, not daring to think anything at all. She sees him, on the ground, broken, silent, not there any more. And then, unbelievably, he moves. Zach moves. Zach, in an extraordinary and instinctive decision, has broken his bond with his own soul, the essence of himself. By doing so he has cheated death. By doing so he has also cheated life. He is unable to touch any human person again. And the essence of himself, his 'other', his soul, is chasing him, determined to rejoin what should rightfully be together. Zach is on the run, from himself, whom he can never escape, from death, but also from the life that he can never enjoy again. Perhaps only a sister can help him now.

Chief Inspector Armand Gamache has come not to join the revels but to recover from an investigation gone hauntingly wrong. But violent death is inescapable, even in the apparent sanctuary of the Literary and Historical Society— where an obsessive historian’s quest for the remains of the founder of Quebec, Samuel de Champlain, ends in murder. Could a secret buried with Champlain for nearly 400 years be so dreadful that someone would kill to protect it? Although he is supposed to be on leave, Gamache cannot walk away from a crime that threatens to ignite long-smoldering tensions between the English and the French. Meanwhile, he is receiving disquieting letters from the village of Three Pines, where beloved Bistro owner Olivier was recently convicted of murder. On Green Dolphin Street-Sebastian Faulks 2014-09-03 Focusing on a richly significant time in our recent past, Sebastian Faulks, the bestselling author of Birdsong and Charlotte Gray, has written his first novel set in America. The year is 1960—a fascinating moment of transition in our country, when the comfortable Eisenhower years were drawing to a close and the ruthlessly competitive Nixon/Kennedy presidential campaign signaled the beginning of a starkly different decade. Mary van der Linden has recently moved from London to Washington, D.C., with her two children and her loving, admired husband, Charlie, who is posted to the British Embassy. Nearly forty, Mary has spent a lifetime as a loyal daughter, wife and mother. But in this year of so much change, she feels compelled to break away from her familiar world and is drawn to the freedom of New York City, which is effervescent with parties, jazz, three- martini lunches, girls in their summer dresses and men in their Sinatra hats and big ties. Greenwich Village is still charmingly bohemian, and Miles Davis’s hit tune “On Green Dolphin Street” is playing everywhere. Mary finds a hotel room in New York and then finds a lover, while back in Washington her husband drinks to forget the demands of his job, the absence of his wife and the Cold War paranoia that has overtaken the capital. Faulks breaks new ground with this novel: It is a love story, not a war story, and it is set in America rather than France. Yet readers of his two previous bestselling novels will recognize the close focus of the historical setting, the unforgettable characters and the gathering emotional power of the narrative. On Green Dolphin Street is a dramatic, tremendously moving novel that is certain to extend the American audience for this prodigiously talented author’s work.

A Rule Against Murder-Louise Penny 2009-01-20 "What happened here last night isn't allowed," said Madame Dubois. It was such an extraordinary thing to say it stopped the ravenous Inspector Beauvoir from taking another bite of his roast beef on baguette. "You have a rule against murder?" he asked. "I do. When my husband and I bought the Bellechasse we made a pact...Everything that stepped foot on this land would be safe." It is the height of summer, and Armand and Reine-Marie Gamache are celebrating their wedding anniversary at Manoir Bellechasse, an isolated, luxurious inn not far from the village of Three Pines. But they're not alone. The Finney family—rich, cultured, and respectable—has also arrived for a celebration of their own. The beautiful Manoir Bellechasse might be surrounded by nature, but there is something unnatural looming. As the heat rises and the humidity closes in, some surprising guests turn up at the family reunion, and a terrible summer storm leaves behind a dead body. It is up to Chief Inspector Gamache to unearth secrets long buried and hatreds hidden behind polite smiles. The chase takes him to Three Pines, into the dark corners of his own life, and finally to a harrowing climax.

But when the boy disappears, the villagers are faced with the possibility that one of his tall tales might have been true. And so begins a frantic search for the boy and the truth. What they uncover deep in the forest sets off a sequence of events that leads to murder, leads to an old crime, leads to an old betrayal. Leads right to the door of an old poet. And now it is now, writes Ruth Zardo. And the dark thing is here. A monster once visited Three Pines. And put down deep roots. And now, Ruth knows, it is back. Everything Is Illuminated-Jonathan Safran Foer 2013-09-03 "Imagine a novel as verbally cunning as A Clockwork Orange, as harrowing as The Painted Bird, as exuberant and twee as Candide, and you have Everything Is Illuminated . . . Read it, and you'll feel altered, chastened — seared in the fire of something new." — Washington Post With only a yellowing photograph in hand, a young man — also named Jonathan Safran Foer — sets out to find the woman who might or might not have saved his grandfather from the Nazis. Accompanied by an old man haunted by memories of the war, an amorous dog named Sammy Davis, Junior, and the unforgettable Alex, a young Ukrainian translator who speaks in a sublimely butchered English, Jonathan is led on a quixotic journey over a devastated landscape and into an unexpected past. As their adventure unfolds, Jonathan imagines the history of his grandfather's village, conjuring a magical fable of startling symmetries that unite generations across time. As his search moves back in time, the fantastical history moves forward, until reality collides with fiction in a heart-stopping scene of extraordinary power. “A rambunctious tour de force of inventive and intelligent storytelling. . . Foer can place his reader’s hand on the heart of human experience, the transcendent beauty of human connections. Read, you can feel the life beating.” — Philadelphia Inquirer
