Global Bible Commentary-Daniel Patte 2004-10-01 The Global Bible Commentary invites its users to expand their horizon by reading the Bible with scholars from all over the world and from different religious persuasions. These scholars have approaches and concerns that often are poles apart. Yet they share two basic convictions: biblical interpretation always matters; and reading the Bible "with others" is highly rewarding. Each of the short commentaries of the Global Bible Commentary is a readily accessible guide for reading a biblical book. Written for undergraduate and seminary students and their teachers, as well as for pastors, priests, and Adult Sunday School classes, it introduces the users to the main features of the biblical book and its content. Yet each short commentary does more. It also brings us a precious gift, namely the opportunity of reading this biblical book as if for the first time. By making explicit the specific context and the concerns from which she/he reads the Bible, the scholar points out to us the significance of aspects of the biblical text that we simply took for granted or overlooked. Need more info? Download Global Bible Commentary Marketing Brochure PDF Free Adobe Acrobat Reader! If any book demonstrates the value of cultural criticism and the importance of particularity in interpretation, this is it! Scholars from diverse social locations in every continent bring their distinctive context to bear on the act of interpreting. In so doing, they shed eye-opening light on the biblical texts. The resulting critical dialogue with the Bible exposes the oppressive as well as the liberating dynamics of the texts while at the same time showing how the Bible might address the social, political, cultural, and economic dynamics of our world today. This collection can change the way you read the Bible—scholars and students, clergy and laity alike. -David Rhoads, Professor of New Testament, Lutheran School of Theology, Chicago, IL Contributors: Daniel Patte, Professor of New Testament and Early Christianity at

Hooked On The Book-Liz Hagler 2012-06-01 The story focuses around a boy named Patrick. One day he was so bored that he even picked up his Bible. "Why would anyone read this?" he wonders. "Good question!" boomed a deep voice. "Let the adventure begin!" Suddenly he is yanked off of his bed and into the first book in the Bible called Genesis. So goes the tale as he bounces into each book of the bible learning from the characters the Big Idea of each of their books. This book is not another children's Bible storybook but a book about the Big Idea of each of the Bible books. It comes with a bookmark so the kids can check off the books as they journey with Patrick book by book. "Hooked On The Book" will give kids the framework for all of the Bible stories that they will learn in their lifetime.

Jonah in the Shadows of Eden-Yitzhak Berger 2016-07-04 Yitzhak Berger advances a distinctive and markedly original interpretation of the biblical book of Jonah that resolves many of the ambiguities in the text. Berger contends that the Jonah text pulls from many inner-biblical connections, especially ones relating to the Garden of Eden. These connections provide a foundation for Berger's reading of the story, which attributes multiple layers of meaning to this carefully crafted biblical book. Focusing on Jonah's futile quest and his profoundly troubled response to God's view of the sins of humanity, Berger shows how the book paints Jonah as a pacifist no less than as a moralist.

Parallel Bible-PR-Am/NKJV-Hendrickson Bibles 2008-10 Complementary translations encourage in-depth study of the Scriptures Bible study leaders, Scripture students, preachers, and people curious to see their favorite biblical texts in different translations will benefit from this volume. FEATURES - 9.4 point type - Black letter text NEW KING JAMES VERSION Completely updated, this translation remains faithful to the accuracy and beauty of the KJV, yet uses contemporary, readable language. AMPLIFIED BIBLE Displaying additional words that communicate shades of meaning in the original text, this translation expands the reader's understanding of the Scriptures. Adobe Creative Suite 2 Bible-Ted Padova 2006 Adobe's Creative Suite 2 bible brings together Adobe Bridge, Photoshop, Illustrator, InDesign, GoLive, Acrobat Professional, and Version Cue in one volume.

Nomadic Text-Brennan W. Breed 2014-05-13 Brennan W. Breed claims that biblical interpretation should focus on the shifting capacities of the text, viewing it as a dynamic process rather than a static product. Rather than seeking to determine the original text and its meaning, Breed proposes that scholars approach the production, transmission, and interpretation of the biblical text as interwoven elements of its overarching reception history. Grounded in the insights of contemporary literary theory, this approach alters the framing questions of interpretation from "What does this text mean?" to "What can this text do?"

The Bible Cause-John Fea 2016-03-03 Endorsed in its time by Francis Scott Key, John Jay, and Theodore Roosevelt, the American Bible Society (ABS) is a seminal institution for American Protestants. The group was founded in 1816 with the goal of distributing free copies of the Bible in local languages throughout the world. Today, the ABS is a Christian ministry based in Philadelphia with a \$300 million endowment and a mission to engage 100 million Americans with the Bible by 2025. In The Bible Cause, noted historian of American religion John Fea demonstrates how the ABS's primary mission - to place the Bible in the hands of as many people as possible - has caused the history of the organization to intersect at nearly every point with the history of the United States. For the last two hundred years, the ABS has steadily increased its influence both at home and abroad, working with all Christian denominations in the US and internationally, aligning itself whenever possible with the gatekeepers of American religious culture. Over the years ABS Bibles could be found in hotel rooms, bookstores, and airports; on steam boats, college and university campuses; the Internet; and even behind the Iron Curtain. Its agents, Bibles in hand, could be found on the front lines of every American military conflict from the Mexican-American War to the Iraq War. However and wherever the United States developed, the ABS was there. Throughout the last two centuries ABS has never wavered in its mission, and its commitment to be the guardian of a Christian civilization has been proven many times over.
