Early Film Theories in Italy, 1896-1922-Francesco Casetti 2017 This collection for the first time brings together scholars to explore the ways that various people and groups in Italian society reacted to the advent of cinema. Looking at the responses of writers, scholars, clergymen, psychologists, philosophers, members of parliament, and more, the pieces collected here from that period show how Italians developed a common language to describe and discuss this invention that quickly exceeded all expectations and transcended existing categories of thought and artistic forms. The result is a close-up picture of a culture in transition, dealing with a "scandalous" new technology that appeared poised to thoroughly change everyday life.

Transgressions-Ingereth Macfarlane 2007-12-01 "This volume brings together an innovative set of readings of complex interactions between Australian Aboriginal people and colonisers. It has its origins in 2003 when Mark Hannah, then a doctoral student in the Centre for Cross Cultural Research at The Australian National University, invited a group of early career scholars to meet in Canberra. They brought their diverse social science and humanities backgrounds to the uncovering of creative Indigenous responses to the colonial encounter in Australia, and fresh ways of writing about these. Their studies were focused in diverse parts of Australia and on different time periods, but shared a common interest in developing critical re-assessments of Australian colonial and anti-colonial histories. Their meeting encouraged face-to-face exchanges that could short-circuit the isolation often experienced by cross-disciplinary, original scholars. It also emphasised writerly aspects of creative thinking, promoting the portrayal of character, alternative prose styles and inventive narrative forms. The authors' responses to

But once they find their man, Precious begins to sense that something is not right. To make matters worse, shortly before their departure Mma Makutsi's fiancé, Phuti Radiphuti, suffers a debilitating accident, and when his aunt moves in to take care of him, she also pushes Mma Makutsi out of the picture. Could she be trying to break up the relationship? Finally, a local priest and his wife independently approach Mma Ramotswe with concerns of infidelity, creating a rather unusual and tricky situation. Nevertheless, Precious is confident that with a little patience, kindness and good sense things will work out for the best, something that will delight her many fans.
