American Accent Training-Ann Cook 2012 Directed to speakers of English as a second language, a multi-media guide to pronouncing American English uses a "pure-sound" approach to speaking to help imitate the fluid ways of American speech.

The American Accent Guide- 2008

American Accent Training-Ann Cook 2000 Directed to speakers of English as a second language, a multi-media guide to pronouncing American English uses a "pure-sound" approach to speaking to help imitate the fluid ways of American speech.

Pronouncing American English-Orion 1998 This second edition provides extensive activities to help college-bound students develop clear speech and appropriate intonation. -- Vowels, consonants, stress, and intonation -- Recognition and production activities -- Paired communicative practice -- Sounds in isolation, sentences, dialogues, and rhymes

Mastering the American Accent with Downloadable Audio-Lisa Mojsin 2016-09-15 Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. Mastering the American Accent is an easy-to-follow approach for reducing the accent of non-native speakers of English. Well-sequenced lessons in the book correspond over eight hours of downloadable audio files covering the entire text. The audio program provides clear models (both male and female) to help coach a standard American accent. The program is designed to help users speak Standard American English with clarity, confidence, and accuracy. The many exercises in the book concentrate on topics such as vowel sounds, problematic consonants such as V, W, TH, the American R and T and others. Correct lip and tongue positions for all sounds are discussed in detail. Beyond the production of sounds, the program provides detailed instruction in prosodic elements such as syllable stress, emphasis, intonation, linking words for smoother speech flow, common word contractions, and much more. Additional topics that often confuse ESL students are also discussed and explained. They include distinguishing between casual and formal speech, homophones (e.g., they're and there), recognizing words with silent letters (e.g.,

comb, receipt), and avoiding embarrassing pronunciation mistakes, such as mixing up "pull" and "pool." Students are familiarized with many irregular English spelling rules and exceptions, and are shown how such irregularities can contribute to pronunciation errors. A native language guide references problematic accent issues for 13 different language backgrounds.

The American Accent Guide-Beverly a. Lujan 2015-01-01 This is the 3rd edition of the world-acclaimed The American Accent Guide. The American Accent Guide provides comprehensive training on the standard American accent. The materials for this program consist of a book and accompanying streaming audio. The book provides a link and an access code for the audio, which can then be streamed on any digital device. The methods and principles of this program are based on the belief that an efficient way to become a clear and effective speaker in a non-native language is to gain an understanding of the phonology (sound system) of that language. The American Accent Guide addresses the entire sound system of American English and gives thorough attention to each of its elements. These elements are: Intonation Stress Rhythm Individual vowel sounds Individual consonant sounds The program found in The American Accent Guide addresses each of these elements through a variety of engaging, interactive exercises that use everyday language in situations ranging from casual to technical and from informal to professional. The American Accent Guide is divided into eight sections, each of which contains its own numbering sequence and audio. Each section addresses a complete and distinct aspect of the American accent, so the student can potentially study each part independently. Although each section is complete in and of itself, exercises do reinforce skills addressed in previous sections. This makes studying the program in the order presented the most effective way to both understand the concepts and practice and improve one's accent. By the end of the course, learners will possess a clear idea of how to process the American accent and have the basic speaking tools required to express it. They will also be prepared to continue building their accent skills through purposeful listening to the way that native speakers of American English communicate. Who is The American Accent Guide for? Typical users of The American Accent Guide include universities, colleges, language schools, speech-language pathologists, ESL instructors, and individual learners. The program is appropriate for students representing all foreign language backgrounds, given that they possess at least a low-intermediate command of the English language. The Approach The American Accent Guide introduces the elements of American English speech in the most logical sequence, integrating each of them into natural contexts. It takes a highly complex accent system and makes it easy to understand. While practicing new speech patterns, the learner gains awareness of the underlying rules of the American English sound system. These insights facilitate continued improvement and increased fluency in standard American English. The Dialect The dialect used in The American Accent Guide is standard American English, sometimes referred to as "General American." This accent is heard widely throughout parts of the United States and Canada; it is the preferred standard in North American news media and movies. Exercises in The American Accent Guide reflect the communication style of American culture, and they incorporate common idioms and colloquialisms used frequently in everyday situations. The Audio The American Accent Guide is accompanied by clear audio featuring a mix of male and female speakers of standard American English. Audio track markers are easily located in small circles throughout the text. The entire book is available in audio form, and the program can be followed using the audio independently should the student wish to use it that way. Changes to the New Edition This new 3rd edition of The American Accent Guide builds upon the successes of the previous editions. It includes revisions with new ideas, more exercises, and a new, expanded section on the topic of word stress." American Accent Training-Ann Cook 2009 Directed to speakers of English as a second language, a multi-media guide to pronouncing American English covers grammar, vocabulary, pronunciation, reading, writing, and listening comprehension.

The American Accent Guide, 3rd Edition-Beverly A. Lujan Lingual Arts 2016-01-04

Get Rid of Your Accent-Linda James 2006

Manual of American English Pronunciation-Clifford Holmes Prator 1985

American Accent Drills for British and Australian Speakers-Amanda Quaid 2020-03-11 American Accent Drills for British and Australian Speakers provides a comprehensive guide to learning a "General American" accent, made specifically for native English speakers. Unlike most American accent guides, which are geared toward ESL learners, this handbook covers only the shifts that English speakers need to make - nothing more, nothing less. In addition to vowel and consonant drills, it covers the finer points of American intonation and elision, features that often elude English speakers of other dialects. Finally, it provides exercises for "owning" the dialect, finding authenticity and making it work for each individual actor in their own way. This is an excellent resource for students of speech and dialects, actors from the UK, Australia, and New Zealand, and advanced ESL learners who need to use an American accent on screen or on stage. American Accent Drills for British and Australian Speakers also includes access to downloadable audio files of the practice drills featured in the book, to help students practice and perfect their American accent.

English the American Way: A Fun ESL Guide to Language and Culture in the U.S. (with Embedded Audio & MP3)-Sheila MacKechnie Murtha 2015-01-04 REA's English the American Way: A Fun ESL Guide to Language and Culture in the U.S. with Embedded Audio & Mp3 Download Helps English Language Learners Improve Their Skills A fun guide to everything American for the English language learner! Authored by seasoned ESL instructors, this handy guidebook is perfect for people who already have a good grasp of English, but want to improve how they speak the language as it is spoken in the United States. Written in a lighthearted and easy-to-follow style, this book is a great resource for people of all ages and all nationalities. Each unit introduces commonly used phrases, vocabulary, and verbs, and offers sample dialogs to illustrate everyday American life. Sentence completions, quizzes, tips, and illustrations make learning fun. Individual units cover topics essential to the mosaic of American life: making friends, basic skills, driving, dining out, dealing with money, home life, emergency situations, doctor visits, handling a job interview, and more. To improve your pronunciation, listen to the embedded audio that accompanies this e-book or download the Mp3. The audio contains all the dialogues and pronunciation pointers found in the book so you can listen along and practice your speaking skills as you read. The dialogues are read by native speakers and are a great way to work on accent reduction. If you're looking for a fun and easy way to improve your English language skills, this is the book for you!

Improve Your Spoken English and Pronunciation-Jolinda Osborne 2011-06-01 Improve Your Spoken English and Pronunciation: American Accent for Success in Business This comprehensive instructional workbook comes with SEVEN HOURS OF FREE, DOWNLOADABLE AUDIO. The course is designed to teach foreign-born students and professionals already functioning in English how to speak clearly, correctly, and confidently. The book provides detailed instruction on the pronunciation of all of the sounds of standard American English. Extensive exercises include contrast pairs (to help speakers distinguish between sounds), along with business vocabulary words and sentences, workplace dialogues, and common idiomatic expressions. Key pronunciation rules are explained. Numerous opportunities are provided to refine intonation and inflection, minimize nervousness, and develop a natural American speech pattern. Included in the book is a guide to the most problematic sounds for non-native speakers, organized by 22 first languages. The free audio download in convenient MP3 format includes instruction and all of the workbook exercises, taught by the author.

Perfecting Your English Pronunciation-Susan Cameron 2011-09-02 Reduce your accent when pronouncing English, with the expertise from an acclaimed specialist in the area Developed by acclaimed speech consultant and accent specialist Susan Cameron, Perfecting Your English Pronunciation features her successful method, which focuses on the anatomical placement of sound and on the musculature used in articulation. Where other accent reduction/English pronunciation products rely on solely mimicking of audio sounds, this work focuses visually, audibly, and narratively on the physical ability to speak English, noting that many sounds of English may be difficult for you because some tongue positions used in English may not be used in your native language. The 45-minute DVD introduces you to mouth and jaw exercises to prepare you for English, then demonstrates mouth formations and tongue placement using other nonnative speakers like you. You will see and hear how English sounds--enabling you to become more and more comfortable conversing with native English speakers as you go through the program.

The Columbia Guide to Standard American English-Kenneth G. Wilson 1996-08-30 In the most reliable and readable guide to effective writing for the Americans of today, Wilson answers questions of meaning, grammar, pronunciation, punctuation, and spelling in thousands of clear, concise entries. His guide is unique in

presenting a systematic, comprehensive view of language as determined by context. Wilson provides a simple chart of contexts—from oratorical speech to intimate, from formal writing to informal—and explains in which contexts a particular usage is appropriate, and in which it is not. The Columbia Guide to Standard American English provides the answers to questions about American English the way no other guide can with: * an A-Z format for quick reference; * over five thousand entries, more than any other usage book; * sensible and useful advice based on the most current linguistic research; * a convenient chart of levels of speech and writing geared to context; * both descriptive and prescriptive entries for guidance; * guidelines for nonsexist usage; * individual entries for all language terms. A vibrant description of how our language is being spoken and written at the end of the twentieth century—and how we ourselves can use it most effectively—The Columbia Guide to Standard American English is the ideal handbook to language etiquette: friendly, sensible, and reliable.

Pronounce it Perfectly in English-Jean Yates 2005

Speak English Like an American-Amy Gillett 2004 The audio CD contains all of the dialogues in the book.

How to Do Standard English Accents-Edda Sharpe 2012 An essential accent resource for students and amateur dramatists alike. Includes free downloadable recordings.

Accents & Dialects for Stage and Screen-Paul Meier 2012

American Accent Training With Audio-Ann Cook 2018-03-21 Optimized for use as an eBook, American Accent Training is a great training tool for classroom or for personal use! In recent years, this title has gained wide respect as a self-teaching program, but more and more speech trainers, teachers, and speech therapists report that they are also using it as a valuable teaching tool in their speech classes. This new edition now comes with audio. The program goes where no American accent training tool has gone before, providing highly innovative instruction for both students and business people. The structure of the book has been reorganized, offering students a much more clear and direct sequence of lessons and a path to better understanding. The downloadable audio component features professional male and female voices that have been carefully selected to represent authentic American pronunciation and intonation. Pronunciation exercises encompass all vowel sounds, consonants, blends, and diphthongs Emphasis on linking, or phonetically transcribed sound liaisons, help students "see" the correct sounds. Designed for foreign-born students and business people working, traveling, or studying in the United States and Canada. Supplementary materials include detailed nationality guides for 11 languages (Chinese, Japanese, Indian, Spanish, French, German, Russian, Korean, Arabic, the U.S. Southern accent, and African languages). More valuable features include access to a comprehensive website, and referral to a qualified telephone analyst for an individual diagnostic speech analysis.

More Speak English Like an American-Amy Gillett 2009 More Speak English Like an American brings you another 300+ idioms and expressions you need to know. Maybe you have already read Speak English Like an American. But this is not a necessary requirement. You can start with this new book, if you like, and work back. This popular ESL book features a new story and new American English idioms and expressions. In More Speak English Like an American, you'll follow the story of an American business as its employees come up with new product ideas, travel to China, throw themselves into office romances, and have exciting adventures. This book contains dozens of exercises and includes hundreds of usage examples, including some from American newspapers. Complete with illustrations and an audio CD of all the dialogues. Most books teach classroom English. When it comes to everyday life, this can seem unreal. And make you seem unreal. Our emphasis is on helping you talk, sound, and think like a native speaker. We also help you pick up more native English from movies and TV, newspapers, books, and the Internet. More Speak English Like an American helps you recognize and understand idioms whenever you see or hear them.

How to Speak Midwestern-Edward McClelland 2016 Pittsburgh toilet, squeaky cheese, city chicken, shampoo banana, and Chevy in the Hole are all phrases that are familiar to Midwesterners but sound foreign to anyone living outside the region. This book explains not only what Midwesterners say but also how and why they say it and covers such topics as: the causes of the Northern cities vowel shift, why the accents in Fargo miss the nasality that's a hallmark of

Minnesota speech, and why Chicagoans talk more like people from Buffalo than their next-door neighbors in Wisconsin. Readers from the Midwest will have a better understanding of why they talk the way they do, and readers who are not from the Midwest will know exactly what to say the next time someone ends a sentence with "eh?".

Word by Word-Steven J. Molinsky 2008-02-01 Parallel title in Russian (Cyrillic) also present.

Practically Speaking-Troy Mackinder 2008-04-01 "For Australian and New Zealand actors to learn the Standard American Accent."--Provided by publisher.

Perfect Pronunciation-Alison Kimble-Fry 2010 This book offers an entirely fresh approach on how to improve the clarity and quality of English pronunciation.

Written by a speech pathologist, rather than a language specialist. The DVD is designed on a 'listen and repeat' basis. It allows the student to compare their sound production with that of the coach across words, phrases and sentences. There is a separate set of exercises for each of the 33 Sound Guides.

Mastering the American Accent-Lisa Mojsin 2009 Exercises present tricky vowel and consonant sounds and demonstrate correct syllable stress and rhythm.

Provides tools to change your accent quickly, including lists of important rules and exceptions. For speakers whose native languages are Chinese, Farsi, Filipino, French, German, Indian, Indonesian, Japanese, Korean, Portuguese, Russian, Spanish, or Vietnamese.

Clear Speech Teacher's resource book-Judy B. Gilbert 1993-08-27 Clear Speech, Second Edition, is a highly successful and innovative pronunciation course for intermediate and advanced students of English. The Teacher's Resource Book contains an overview of the book, and contains invaluable, creative ideas for presenting the teaching points, as well as theoretical background. In addition, it contains a suggestions for additional activities, and an exercise answers.
