Which Church Are You?-Dr. Darrow Perkins Jr. Th.D. 2017-02-14 Church today is nothing like it was when I was growing up in Baton Rouge and New Orleans, Louisiana, during the 70s and 80s; and I understand that as times change, things change. One of the biggest changes that the church has gone through is the lack of commitment to its given mandate and ministries. There are so many distractions today that people tend to work God into their personal schedules, instead of working their schedules around God and His ministry. This book addresses the challenges and issues of the seven churches of Asia Minor in Revelation Chapters 2 and 3 and speaks how we can strive to be the church that Jesus is coming back to receive unto Himself.

Finding God in Alcoholics Anonymous-Michael 2009-12-02 Many people hurt and have suffered needlessly under the umbrella of Christianity. They have been prejudiced into believing false doctrines of a punishing, controlling, and absentee God who is waiting to zap you when you least expect it. These rubs always push people away. People know in their heart who God is and who He is not. Believing in a loving Father who doesn't want to control your will makes sense to most. God wants us to make our own decisions. The atheist and agnostic would gladly follow biblical teachings if they heard the truth. Unfortunately, we all limit ourselves and God by unhealthy beliefs. God takes our pain, guilt, and fear when we search for a better way of life and find the path that allows us to go boldly before Him. Relief will come. The hole in the gut closes. Fear and anger vanish and the truth sets you free. The old timers of Alcoholics Anonymous had discovered a new outlook that today is lost. We too need to let go of past thinking patterns that hinder us and search for something that works by doing what Wilson instructed us to do: "Seek God." This book doesn't have all the answers. What it does is start people on the ultimate truth—through scripture—of what the Bible teaches and what God's will is for our lives. Prove it out for yourself. Study to show thyself approved.

The God Chasers-Tommy Tenney 1999-02-28 A God chaser is a person whose passion for God's presence presses him to chase the impossible in hopes that the uncatchable might catch him. A child chases a loving parent until, suddenly, the strong arms of the father enfold the chaser. The pursuer becomes the captive; the pursued the captor. Paul put it this way: "I chase after that I may catch that which apprehended me" (Phil. 3:12). Job was a God chaser. He said, "Oh that I knew where I might find Him!" David was one; he said, "My soul followeth hard after Thee." Paul was one too: "That I may know Him..." The passionate paths of God chasers can be traced across the pages of history from Moses the stutterer, David the singer, and Paul the itinerant preacher, to contemporaries like A.W. Tozer, Leonard Ravenhill, and countless others who share one common bond: an insatiable hunger to know their Lord. These are people whose relentless, passionate pursuit of Christ often made them appear foolish in the eyes of others. Yet, having tasted His goodness and glimpsed the invisible, they could be satisfied with nothing less. Add your name to the list...become a God chaser. Who know? You might be one whom He catches.

Interpreting the Bible and the Constitution-Jaroslav Pelikan 2008-10-01 Both the Bible and the Constitution have the status of "Great Code," but each of these important texts is controversial as well as enigmatic. They are asked to speak to situations that their authors could not have anticipated on their own. In this book, one of our greatest religious historians brings his vast knowledge of the history of biblical interpretation to bear on the question of constitutional interpretation. Jaroslav Pelikan compares the methods by which the official interpreters of the Bible and the Constitution—the Christian Church and the Supreme Court, respectively—have approached the necessity of interpreting, and reinterpreting, their important texts. In spite of obvious differences, both texts require close, word-by-word exegesis, an awareness of opinions that have gone before, and a willingness to ask new questions of old codes, Pelikan observes. He probes for answers to the question of what makes something authentically "constitutional" or "biblical," and he demonstrates how an understanding of either biblical interpretation or constitutional interpretation can illuminate the other in important ways.

Hall Jr., PhD 2017-09-24 The purpose of this work is to show that Christ-Centered recovery through biblical counseling produces genuine change in the heart of the addict. It proves that the only way for the addict to be free is to find a power, a power that is beyond themselves, that can free them from addiction. That power, is the power of the Holy Ghost, the power of the risen indwelling presence of Jesus Christ. But the only way that this power can rest upon them, the only way it can deliver them, is for them to confess their weakness and inability to resolve the dilemma of addiction on their own.
