The Mammoth Book of Ghost Stories by Women-Marie O'Regan 2012-10-18 25 chilling short stories by outstanding female writers. Women have always written exceptional stories of horror and the supernatural. This anthology aims to showcase the very best of these, from Amelia B. Edwards's 'The Phantom Coach', published in 1864, through past luminaries such as Edith Wharton and Mary Elizabeth Braddon, to modern talents including Muriel Gray, Sarah Pinborough and Lilith Saintcrow. From tales of ghostly children to visitations by departed loved ones, and from heart-rending stories to the profoundly unsettling depiction of extreme malevolence, what each of these stories has in common is the effect of a slight chilling of the skin, a feeling of something not quite present, but nevertheless there. If anything, this showcase anthology proves that sometimes the female of the species can also be the most terrifying . . .

My Beautiful Despair-Kim Kierkegaardashian 2018-07-31 “Reflective maxims on life, death, sin, and emptiness, salted with luxury accessories of the Kardashian lifestyle...@KimKierkegaard is dross turned gold, redemption through absurdity in a hundred and forty characters.” -The New Yorker In “the ultimate meeting of the sublime with the ridiculous” (London Evening Standard) My Beautiful Despair blends the existential philosophy of Søren Kierkegaard with the superficial musings of Kim Kardashian West, based on the popular Twitter feed @KimKierkegaard. Kierkegaardashian shares thoughts on fashion, beauty, brunch, and the relentless waves of existential dread that wash over us day after day. A sample of the revelations include: - I have majorly fallen off my workout-eating plan! AND it's summer. But to despair over sin is to sink deeper into it. - Obsessed with protecting your skin, lips, hair & face from the sun? Close the cover of the coffin tight, really tight, and be at peace. - I like my men like I like my coffee: a momentary comfort in the midst of all my suffering. - What is the operation by which a self relates itself to its own self, transparently? Selfie. - What if everything in life were a misunderstanding, what if laughter were really tears? Scared LOL!! - I've been going to bed a little bit earlier each night, to get a taste of death. In an age where the line between news and entertainment is blurrier than ever before, and the difference between a celebrity and the leader of the free world is nil, Kierkegaardashian's insights perfectly reflect our absurd, hilarious, and deeply disturbing new era. @KimKierkegaard has been admired, praised, and adored in The New Yorker, The Washington Post, The New York Times, Financial Times, The Economist, New York, Buzzfeed, and more, and has amassed nearly a quarter of a million Twitter followers, including J.K. Rowling and Anna Kendrick. Now in a humorous, illustrated gift book, perfectly suited for our existential times, Kierkegaardashian's philosophical insights are juxtaposed for the

Miracle Creek-Angie Kim 2019-04-16 WINNER OF THE EDGAR AWARD FOR BEST FIRST NOVEL The "gripping... page-turner" (Time) hitting all the best of summer reading lists, Miracle Creek is perfect for book clubs and fans of Liane Moriarty and Celeste Ng How far will you go to protect your family? Will you keep their secrets? Ignore their lies? In a small town in Virginia, a group of people know each other because they're part of a special treatment center, a hyperbaric chamber that may cure a range of conditions from infertility to autism. But then the chamber explodes, two people die, and it's clear the explosion wasn't an accident. A powerful showdown unfolds as the story moves across characters who are all maybe keeping secrets, hiding betrayals. Chapter by chapter, we shift alliances and gather evidence: Was it the careless mother of a patient? Was it the owners, hoping to cash in on a big insurance payment and send their daughter to college? Could it have been a protester, trying to prove the treatment isn't safe? "A stunning debut about parents, children and the unwavering hope of a better life, even when all hope seems lost" (Washington Post), Miracle Creek uncovers the worst prejudice and best intentions, tense rivalries and the challenges of parenting a child with special needs. It's "a quick-paced murder mystery that plumbs the power and perils of community" (O Magazine) as it carefully pieces together the tense atmosphere of a courtroom drama and the complexities of life as an immigrant family. Drawing on the author's own experiences as a Korean-American, former trial lawyer, and mother of a "miracle submarine" patient, this is a novel steeped in suspense and igniting discussion. Several of them, including maid Annie Hebley, guest Mark Fletcher, and millionaires Madeleine Astor and Benjamin Guggenheim, are convinced there's something sinister--almost otherworldly--afloat. But before they can locate the source of the danger, as the world knows, disaster strikes. Years later, Annie, having survived that fateful night, has attempted to put her life back together. Working as a nurse on the sixth voyage of the Titanic's sister ship, the Britannic, newly refitted as a hospital ship, she happens across an unconscious Mark, now a soldier fighting in World War I. At first, Annie is thrilled and relieved to learn that he too survived the sinking, but soon, Mark's presence awakens deep-buried feelings and secrets, forcing her to reckon with the demons of her past--as they both discover that the terror may not yet be over. Brilliantly combining the supernatural with the height of historical disaster, *The Deep* is an exploration of love and destiny, desire and innocence, and, above all, a quest to understand how our choices can lead us inexorably toward our doom.
