Excerpt: Accessories are items that appear in the Animal Crossing series. In Animal Forest and Animal Crossing, all characters can have a hat that has the pattern of one of their designs; males have a viking helmet, while females have cone-shaped "princess" hat. In Animal Crossing: Wild World, the player can buy hats from the Able Sisters. Once the player has obtained a hat, it can be ordered from Tom Nook's Catalog in Wild World. In this list, the item is listed with a hyphen and then the Bell price. (Example: Heart hairpin- 160) Note: Feathers can only be obtained by donating certain amounts to Boondox (Wild World). Bedhead only occurs in Animal Crossing: City Folk when you do not visit your town for at least one week. To remove bedhead, you will have to go to Shampooole, which can be found in the City, and get a new haircut, or you can hide it with a hat, a wig, or by wearing a Mii Mask. (Though some hats still show bedhead coming out the sides/back of them.) You will have to spend 3,000 Bells to get a new haircut. If you choose to keep your bedhead, villagers will comment on your messy hair. Bedhead will happen to anyone, with any hair color or hair style. The only characters that seem to di...

Into the Wild-Jon Krakauer 2009-09-22 In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. His name was Christopher Johnson McCandless. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and , unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interst that borders on obsession, he searches for the clues to the dries and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naivet , pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity , and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page. From the Trade Paperback edition.

Play Anything-Ian Bogost 2016-09-13 How filling life with play--whether soccer or lawn mowing, counting sheep or tossing Angry Birds--forges a new path for creativity and joy in our impatient age Life is boring: filled with meetings and traffic, errands and emails. Nothing we'd ever call fun. But what if we've gotten fun wrong? In Play Anything, visionary game designer and philosopher Ian Bogost shows how we can overcome our daily anxiety; transforming the boring, ordinary world around us into one of endless, playful possibilities. The key to this playful mindset lies in discovering the secret truth of fun and games. Play Anything, reveals that games appeal to us not because they are fun, but because they set limitations. Soccer wouldn't be soccer if it wasn't composed of two teams of eleven players using only their feet, heads, and torsos to get a ball into a goal; Tetris wouldn't be Tetris without falling pieces in characteristic shapes. Such rules seem needless, arbitrary, and difficult. Yet it is the limitations that make games enjoyable, just like it's the hard things in life that give it meaning. Play is what happens when we accept these limitations, narrow our focus, and, consequently, have fun. Which is also how to live a good life. Manipulating a soccer ball into a goal is no different than treating ordinary circumstances--like grocery shopping, lawn mowing, and making PowerPoints--as sources for meaning and joy. We can "play anything" by filling our days with attention and discipline, devotion and love for the world as it really is, beyond our desires and fears. Ranging from Internet culture to moral philosophy, ancient poetry to modern consumerism, Bogost shows us how today's chaotic world can only be tamed--and enjoyed--when we first impose boundaries on ourselves.

The Grapes of Wrath-John Steinbeck 2006-03-28 The Pulitzer Prize-winning epic of the Great Depression, a book that galvanized--and sometimes outraged--millions of readers. First published in 1939, Steinbeck's Pulitzer Prize-winning epic of the Great Depression chronicles the Dust Bowl migration of the 1930s and tells the story of one Oklahoma farm family, the Joads--driven from their homestead and forced to travel west to the promised land of California. Out of their trials and their repeated collisions against the hard realities of an America divided into Haves and Have-Nots evolves a drama that is intensely human yet majestic in its scale and moral vision, elemental yet plainspoken, tragic but ultimately stirring in its human dignity. A portrait of the conflict between the powerful and the powerless, of one man's fierce reaction to injustice, and of one woman's stoical strength, the novel captures the horrors of the Great Depression and probes into the very nature of equality and justice in America. At once a naturalistic epic, captivity narrative, road novel, and transcendental gospel, Steinbeck's powerful landmark novel is perhaps the most American of American Classics. This Centennial edition, specially designed to commemorate one hundred years of Steinbeck, features french flaps and deckle-edged pages. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Urban Dog-Cis Frankel 2000 Owning a dog in the city has a completely different set of challenges than owning a dog in a rural or suburban setting. The city is full of distractions for your dog such as congestion, noise, crowds of people, cars, buses, bicycles, rollerbladers, trash, sewers, alleys, roadways and other dogs. Where you can exercise your dog is limited, and maneuvering a dog through city streets and across busy roadways is often hazardous. Rat poison sprinkled in alleyways, garbage thrown on the sidewalk and around garbage bins, and city puddles filled with unknown substances are all threats to your dog's health. In this book, Cis Frankel, an urban dog trainer best known for training Oprah Winfrey's cocker spaniel, teaches owners what is proper dog etiquette in urban areas and explains how to deal with the specific difficulties of training and living with a dog in the city.

A Patriot's History of the United States-Larry Schweikart 2004-12-29 For the past three decades, many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for

instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of "dead white men." As a result, more emphasis is placed on Harriet Tubman than on George Washington; more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. A Patriot's History of the United States corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long-overdue acknowledgment of America's true and proud history.

Exit West-Mohsin Hamid 2018-02-27 "In a country teetering on the brink of civil war, two young people meet-sensual, fiercely independent Nadia and gentle, restrained Saeed. They embark on a furtive love affair, thrust into premature intimacy by the unrest roiling their city. When it explodes, turning familiar streets into a patchwork of checkpoints and bomb blasts, they begin to hear whispers about doors--doors that can whisk people far away, if perilously and for a price. As violence and the threat of violence escalate, Nadia and Saeed decide that they no longer have a choice. Leaving their homeland and their old lives behind, they find a door and step through. An epic compressed into a slender page-turner, Exit West is both completely of our time and for all time."--

The Journal of William de Rubruck-William de Rubruck 2014-06-17 The Journal of William de Rubruck: Account of the Mongols. William of Rubruck (1220-1293) was a Flemish Franciscan missionary and explorer. His account is one of the masterpieces of medieval geographical literature comparable to that of Marco Polo and Ibn Battuta. William accompanied King Louis IX of France on the Seventh Crusade in 1248. On May 7, 1253, on Louis' orders, he set out from Constantinople on a missionary journey to convert the Tatars to Christianity. He actually followed the route of the first journey of the Hungarian Friar Julian. With William's party were Bartolomeo da Cremona, an attendant called Gosset, and an interpreter named in William's report Homo Dei, meaning "man of God", perhaps representing the Arabic Abdullah, "servant of God." After reaching the Crimean town of Sudak, William continued his trek with oxen and carts. Nine days after crossing the Don he met Sartaq Khan, ruler of the Kipchak Khanate. The Khan sent William on to his father, Batu Khan, at Sarai near the Volga. Five weeks later, after the departure from Sudak, he reached the encampment of Batu Khan, Mongol ruler of the Volga River region. Batu refused conversion but sent the ambassadors on to the Great Khan of the Mongols, Möngke Khan. He and his travelling companions set off on horseback on September 16, 1253 on a 9,000 km journey to the court of the Great Khan at Karakorum. Upon arrival they were received courteously, and he was given an audience on January 4, 1254.

Inferno-Dante Alighieri 2017-06-21 Inferno is the first part of Dante Alighieri's 14th-century epic poem Divine Comedy. It is followed by Purgatory and Paradise. The Inferno tells the journey of Dante through Hell, guided by the ancient Roman poet Virgil. In the poem, Hell is depicted as nine concentric circles of suffering located within the Earth; it is the "realm ... of those who have rejected spiritual values by yielding to bestial appetites or violence, or by perverting their human intellect to fraud or malice against their fellowmen." As an allegory, the Divine Comedy represents the journey of the soul toward God, with the Inferno describing the recognition and rejection of sin. The poem begins on the night of Maundy Thursday on March 24 (or April 7) 1300 A.D., shortly before dawn of Good Friday. The narrator, Dante himself, is thirty-five years old, and thus "midway in the journey of our life" (Nel mezzo del cammin di nostra vita) - half of the Biblical lifespan of seventy (Psalm 89:10, Vulgate; Psalm 90:10, KJV). The poet finds himself lost in a dark wood (selva oscura), astray from the "straight way" (diritta via, also translatable as "right way") of salvation. He sets out to climb directly up a small mountain, but his way is blocked by three beasts he cannot evade: a lonza (usually rendered as "leopard" or "leopon"), a leone (lion), and a lupa (she-wolf). The three beasts, taken from the Jeremiah 5:6, are thought to symbolize the three kinds of sin that bring the unrepentant soul into one of the three major divisions of Hell. According to John Ciardi, these are incontinence (the she-wolf); violence and bestiality (the lion); and fraud and malice (the leopard); Dorothy L. Sayers assigns the leopard to incontinence and the she-wolf to fraud/malice. It is now dawn of Good Friday, April 8, with the sun rising in Aries. The beasts drive him back despairing into the darkness of error, a "lower place" (basso loco) where the sun is silent (l sol tace). However, Dante is rescued by a figure who announces that he was born sub Iulio (i.e. in the time of Julius Caesar) and lived under Augustus: it is the shade of the Roman poet Virgil, author of the Aeneid, a Latin epic.

The Dreamer-Pam Munoz Ryan 2012-03-01 A fictionalized biography of the Nobel Prize-winning Chilean poet Pablo Neruda.

Male Roles, Masculinities and Violence-Expert Group Meeting on Male Roles and M 2000 This book is based on an expert group meeting entitled 'Male Roles and Masculinities in the Perspective of a Culture of Peace', which was organised by UNESCO in Oslo, Norway in 1997, the first international discussion of the connections between men and masculinity and peace and war. The group consisted of researchers, activists, policy makers and administrators and the aim of the meeting was to formulate practical suggestions for change. Chapters in the book consist of both regional case studies and social science research on the connections of traditional masculinity and patriarchy to violence and peace building. The Culture of Peace initiatives in this book show how violence is ineffective, and the book contests the views in the socialisation of boy-children that aggressiveness, violence and force are an acceptable means of expression.
