Education in Bhutan-Matthew J. Schuelka 2016-09-16 Bhutan is a country in the Himalayas with a relatively new education system and a unique governmental philosophy known as Gross National Happiness. This book explores the history, culture, challenges, and opportunities of schooling in Bhutan. It discusses topics including historical perspectives on Buddhist monastic education, the regional and international influence on educational development, traditional medical education, higher education, and the evolution of Bhutanese educational policy, to name but a few. It also investigates contemporary challenges to schooling in Bhutan such as adult education, inclusive education, early childhood education, rurality, and gender. Throughout the book, the developmental philosophy of Gross National Happiness is explored as a novel and culturally vital approach to education in Bhutan. The majority of the authors are prominent Bhutanese scholars and educational leaders, with select non-Bhutanese international scholars with strong links to Bhutan also contributing. This book is a valuable resource not only for those specifically interested in education in Bhutan, but for anyone with an interest in South Asian studies, general Asian studies, educational development, comparative education, Buddhist education, and the Gross National Happiness development philosophy.

English Portuguese Bible No4-TruthBeTold Ministry 2017-08-12 This publication contains Bible in Basic English (1949) (The Old Testament and The New Testament) and Biblia Almeida Recebida 1848 (The Old Testament and The New Testament) translation. It has 173,746 references and shows 2 formats of The Bible. It includes Bible in Basic English and Almeida Recebida 1848 (The Old Testament and The New Testament) formatted in a read and navigation friendly format, or the Navi-format for short. Here you will find each verse printed in parallel in the bbe-par order. It includes a full, separate and not in parallel, copy of the Bible in Basic English and Almeida Recebida 1848 (The Old Testament and The New Testament), built for text-to-speech (tts) so your device can read The Bible out loud to you. How the general Bible-navigation works: A Testament has an index of its books. The TTS format lists books and chapters after the book index. The Testaments reference each other in the book index. Each book has a reference to The Testament it belongs to. Each book has a reference to the previous and or next book. Each book has an index of its chapters. Each chapter has a reference to the book it belongs to. Each chapter reference the previous and or next chapter. Each chapter has an index of its verses. Each chapter in TTS reference same chapter in the Navi-format. Each verse is numbered and reference the chapter it belongs to. Each verse starts on a new line for better readability. In the TTS format the verse numbers are not shown. Any reference in an index brings you to the location. The Built-in table of contents reference all books in all formats. We believe we have built one of the best if not the best navigation there is to be found in an ebook such as this! It puts any verse at your fingertips and is perfect for the quick lookup. And the combination of Bible in Basic English and Almeida Recebida 1848 and its navigation makes this ebook unique. Note that Text-To-Speech (TTS) support varies from device to device. Some devices do not support it. Others support only one language and some support many languages. The language used for TTS in this ebook is English.

The Asian American Educational Experience-Don T. Nakanishi 1995 The contributions to The Asian American Educational experience examine the most significant issues and concerns in the education of Asian Americans. Contributors, all leading experts in their fields, provide theoretical discussions, practical insights and recommendations, historical perspectives and an analytical context for the many issues crucial to the education of this diverse population–controversies in higher education over alleged admissions quotas, stereotypes of Asian American students as "whiz kids", Asian Americans as the "model minority", bilingual education, education of refugee and immigrant populations, educational quality and equity. Special emphasis is given to both the historic debates which have shaped the field, and the concerns and challenges facing educators of Asian American students at both the K-12 and university level.

New Interchange Level 2 Student's Book 2-Jack C. Richards 1997-11-13 New Interchange is a multi-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. The Level 2 Student's Book builds on the foundations established in Level 1 for accurate and fluent communication, extending grammatical, lexical, and functional skills. Beautiful color photographs and illustrations facilitate the teaching of new vocabulary. The New Interchange series teaches students to use English for everyday situations and purposes related to school, work, social life, and leisure. As with the other levels of New Interchange, a complete set of ancillaries, including a video program, is available to make classes interesting and productive.

Long Walk to Freedom-Nelson Mandela 2008-03-11 The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

Ikigai-Héctor García 2017-08-29 *Los Angeles Times bestseller* “If hygge is the art of doing nothing, ikigai is the art of doing something—and doing it with supreme focus and joy.” —New York Post Bring meaning and joy to all your days with this internationally bestselling guide to the Japanese concept of ikigai (pronounced ee-key-guy)—the happiness of always being busy—as revealed by the daily habits of the world’s longest-living people. What’s your ikigai? “Only staying active will make you want to live a hundred years.” —Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world’s longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—the place where passion, mission, vocation, and profession intersect—means that each day is infused with meaning. It’s the reason we get up in the morning. It’s also the reason many Japanese never really retire (in fact there’s no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they’ve found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world’s Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn’t want to find happiness in every day?
