How To Feminize Your Body-Martine M Song 2020-02-17 The topic is male-to-female transformation. Some people call it makeover, that works too. The text is written predominantly from the view that you are new to crossdressing and feminisation but want to develop a female persona of some kind be it permanent or just for a temporary indulgence. If you are an old hand then you may also find a few helpful tips or insights that will further enhance your look, style, or dressing technique. An assumption is that you were not socialised as a girl. As a result, we need to revisit and spend time on all the little things females seem to find so natural and take for granted. Getting in touch with your femininity is a mixture. An ensemble if you will of lots of things. When you see an ultra-feminine woman, the way she acts and dresses, the way she walks and talks, and oozes sensuality you know there is something more going on than just putting on a dress. Part I considers what you want to achieve with your girl time. We look at what makes us physically one sex or another and how flexible and open this is to change. Then we move onto how to treat your body right and indulge in all those little things that make a woman feminine. In Part 2 we go on to consider ways to sculpt or contour your body so that it remains in proportion but more idealistically female. We look at boobs, butts, and tucking. In Part 3 we move onto dressing the body. We consider the wonderful world of sexy lingerie and underwear and how the right materials and textures can give you that lovely feminine feel. Then we look at clothes and how the right cut and hang of materials as well as patterning and combinations can flatter your figure. And, finally we consider movement and deportment. In particular, how to walk in those ultimate expressions of female sexuality your heels. ****The material is arranged into nine helpful chapters that not only produce a more female appearance but also develop feminine traits and work on your socialisation into female ways. We also give you a shopping list for the things you need at each stage. Chapter 1 looks at why people dress and the idea of being feminine. Chapter 2 considers the limits of biology and how easy it is to physically change from male to female. Chapter 3 looks at ways to pamper your body and get that healthy smooth skinned look. Chapter 4 considers body types and how you can use foundation wear to get your female proportions just right. Chapter 5 is all about breasts and how to design your perfect female boobs. Chapter 6 does the same for bottom shapes and how to pad and tuck to get that all girl profile. Chapter 7 looks at lingerie and the essentials for your intimate wardrobe. Chapter 8 shows you how to dress right for your body type and get the best look you can with your proportions. We consider cuts of clothes and the type of shoes that every girl should know about. Chapter 9 is all about posture and deportment. We show you how to walk properly in your heels and develop the essential movements that will mark you out as female.

Her new job as a personal maid is turning out to be a lot dirtier than she anticipated. This complete trilogy brings you on Nicky's journey from an innocent, naive young woman to a humiliated, submissive exhibitionist. ~~~~~ Excerpt ~~~~~ "Don't move unless I tell you to," he said simply as he grasped the thick ropes in his hand. I couldn't help but wonder how he was going to tie me up. Unquestioningly, I stood still as each piece of rope was bound across me. At first, I stared at him and watched how he expertly tied the knots around my body, but my focus is soon diverted to the way the ropes felt as they were wrapped around me. I could feel each fiber of the rope against my skin, every intake of breath making the rope dig in just a little deeper, then loosen as I exhaled. Instead of feeling panicked, I got calmer and breathed deeper as he wound the rope over my wrists and ankles, keeping it tightly around my body, but with loose bits that hung from it. I knew he wanted to tie me to something but didn't know what exactly. He took more and more control of my body with each layer that he added, and my flesh belonged to him. It was no longer about what I was ready to give, but how much. He pushed me forward until I was leaning against something soft, my stomach pressing against the cushion. I looked down and saw a flat, thin surface in front of me, only about a palm's width wide. He tugged the rope on my left ankle to indicate I should move it. I hesitated for a second, and then complied. Without saying a word, he bound my hands with ropes to the bars on the mechanism he had placed me onto. He bent me over and tied me legs spread apart, with a good four feet between them. The silence rang in my ears and I knew I should feel uncomfortable, but I was oddly calmed by the ropes bound around me. The lack of choice made me free unencumbered. I was leaning against a long cylindrical cushion with four legs, each holding one of my limbs, trapping me. My wrists and ankles were tied firmly to the legs of the odd furniture, making me look as if I was offering myself to whomever decided to come into the room. There was nothing graceful about my position, but that didn't matter. The inability to move my hands and legs trapped me in the position. I was afraid that if I struggled, I would fall off the contraption completely. I couldn't see him as he stepped behind me, but I could feel his warm breath against my skin.

All characters are 18 or older. Lacey Everette is preparing for the presentation of her life. In one swoop she can impress her handsome older boss and show up her arrogant but sexy alpha male business rival at a competing company. But the pressure is reawakening old insecurities and she borrows what she thinks are a friend's anti-anxiety pills only to quickly discover herself undergoing a much more powerful transformation than she ever bargained for. When the pills backfire and the sharp young professional finds herself rapidly transforming into a voluptuous and helplessly horny bimbo, she'll have to try to make it through the presentation without making too much of a spectacle of herself. But her act is far from

perfect, and it isn't long before she's starting to get an entirely different kind of attention from the men she originally thought to awe with her business savvy, and getting as much as she can take. Excerpt: "Lacey," he said, sounding a little surprised, "I wouldn't have thought you'd be one to get so dolled up for a trial." He ran his glittering amber eyes over me in appreciation. "You must be desperate if you come looking like this to try to distract me. But don't worry, I can enjoy the view and run circles around your proposal all at the same time." I blushed in spite of myself but recovered quickly. "I always knew you were a pig, Derren. You don't have to go out of your way to prove it each time we see each other." He grinned. "Oh, but you really have no idea," he said low enough that he was sure we wouldn't be overheard. "That's all I want, Lacey: a chance to show you just how depraved I can be. One night, me, you, and a pair of handcuffs." He gestured at my chest. "Bring those juicy things, too, if you don't mind. I don't know where you usually hide them." "A pair of handcuffs?" I asked, doing my best to sound amused instead of intrigued. "I suppose you know you're not man enough to handle me unless you can tie me down." He laughed. "You misunderstand. The handcuffs aren't for anything sexual. They're to keep you from chasing after me when I leave." Unable to come up with a good response, I gave him a sarcastic smile and pushed past him to join the defense table. As I went to sit down, I realized with a flush of resentful embarrassment that I was wet. Derren Alcross had gotten me wet, and he probably had known he was doing it, too. I forced myself not to look over at his lithe, confident form sitting down at the table across from me. It doesn't matter if you're attracted to him, I told myself. That won't stop you from beating him. Nothing about his dark, handsome face or his suave confidence or the way I found myself imagining him standing hungrily over me, powerless in handcuffs - none of that would distract me, I told myself.
