voice in an empty room is enough to make a man question his sanity. Worse is when that ex insists she shouldn't have died. Broken cop Jake Carrigan has no interest in delving into a past full of heartache and regrets. But he can't deny she still matters, even if she's simply a voice in his head. Hannah Dixon is having a hard time believing she's dead. How can she be when she feels so much inside? She can see Jake, can talk to him, but she can't touch him. And right now, touching Jake is all she wants. Jake's probe into Hannah's death stirs up a sinister psychic link, something dark that will stop at nothing to keep its secrets. To protect her own heart, Hannah left Jake once. Can she leave him again to protect his life?

The Good Neighbor-Maxwell King 2018-09-04 Fred Rogers (1928-2003) was an enormously influential figure in the history of television and in the lives of tens of millions of children. As the creator and star of Mister Rogers' Neighborhood, he was a champion of compassion, equality, and kindness. Rogers was fiercely devoted to children and to taking their fears, concerns, and questions about the world seriously. The Good Neighbor, the first full-length biography of Fred Rogers, tells the story of this utterly unique and enduring American icon. Drawing on original interviews, oral histories, and archival documents, Maxwell King traces Rogers's personal, professional, and artistic life through decades of work, including a surprising decision to walk away from the show to make television for adults, only to return to the neighborhood with increasingly sophisticated episodes, written in collaboration with experts on childhood development. An engaging story, rich in detail, The Good Neighbor is the definitive portrait of a beloved figure, cherished by multiple generations.

The Blood Chalice-Jody Groebner 2015-06-11 The Blood Chalice is set in the beautiful St. Croix Forest in Minnesota, Abby Clark's life quickly unravels as her past reveals itself in extraordinary ways. With the impassioned pull of a new love, Joseph Littlecreek, life becomes a succession of eerie perilous events. Joseph and his family live on the neighboring Mille Lacs Band of Ojibwe Indian Reservation in the Aazhoomog District. Abby learns that the Littlecreek's harbor a secret that lays a path of danger and deception. Abby knows she must survive this time...but can she?

The Age of the Viking-Wesley Miller 2016-03-12 The age of the

Viking draws to a close... ...a new age begins. Riley had always dreamed of adventures, particularly the Old Norse legends his best friend and roommate Conor always told him about. He wanted nothing more than to get away from the orphanage, to escape to a world of magic and heroes. But when an ordinary field trip goes horribly wrong, Riley discovers that a world of magic and heroes exists right under his nose, and that Conor doesn't just know about it; he is at the center of it. Conor spirits Riley and their mutual friend Valerie off to Midpoint, the world of the Sentinels. It is there that Riley learns that the "myths" Conor had told him - Odin, Thor, the Nine Realms, and countless others - are all very real. But where there are heroes, so too are there villains. Morunya Durmacil, the fallen power from the earliest days of Creation, the reason all intelligent beings fear the dark, is stirring from his exile in the Void at long last. And it can be no coincidence that the Shard of Earth, the relic that keeps the Nine Realms in balance by simply existing, appears to have been stolen. Riley and a few unlikely new friends embark on a quest to find the stolen treasure. But the Enemy has not been idle: the world of Fjallfit, home of the last Vikings, is being threatened with destruction. And though Riley and the others are determined to both save the Vikings and recover the Shard, the odds are not in their favor. Riley must come to terms with who he truly is and become a sorcerer, or more than one civilization will be destroyed. And amidst prophetic guarantees of death and loss, there remains one question: Who stole the Shard to begin with?

Blood Bond-Shannon K. Butcher 2018-10-23 Justice has never known freedom. She woke up ten years ago, naked and alone with no memory of who or what she was. Since then, she's been a prisoner, compelled by powers she doesn't understand. She's roamed the country, doing whatever the fates demanded of her, good or bad. Completely alone. Until now. Ronan is starving to death. Like all the Sanguinar, his survival depends on finding the dwindling traces of blood left behind by an ancient, magical race. Weeks ago, Justice saved his life and since then, it's been her blood he craves, her face he dreams about. As evil closes in on all sides, threatening the only stronghold the Sentinels have to protect them, Ronan must find a way to gain Justice's trust and free her from the dark powers that control her. Because if he can't, the next person

she is compelled to kill may be him.

Collateral Blood-Marianne Morea 2016-07-06 Julian Trevelyan lost his heart to a dark haired beauty on the wind-swept shores of Ireland, but when a rival had her and her people burned inside a church, he lost his soul to darkness. Literally. He's finally learned to live again- as much as a vampire can- but a chance meeting on a moonlit beach one hundred and fifty years later brings it all back again. Only this time there's more to the collateral blood spilled than what he thinks. Can he help solve who's behind the bloodshed and save the woman he loves or will the damage be more than either can bear?

Christian Science Sentinel- 1920

Blood Lust-Alexandra Ivy 2016-06-01 Blessed and cursed by their hidden abilities, the Sentinels have no choice but to live, and love, on the edge of humanity... The Sentinel assassin, Bas, is facing the greatest challenge of his outcast existence. His young daughter, Molly, has been kidnapped. But her disappearance has brought the return of her mother, Myst, whom Bas has never forgotten--or forgiven. Haunted by a vision that she's destined to create a weapon that will destroy thousands, Myst was never impulsive--until she met the irresistibly handsome Bas. But with the Brotherhood, the enemy of the high-bloods hunting for her, Myst had to stay on the run, to keep her child, and the world, safe. Now, with the most important thing in both their lives at stake, she and Bas must embark on a treacherous journey to save Molly, to confront the truth of Myst's fate--and to face their fierce desire for one another. Praise for Blood Assassin "Ivy knocks it out of the park...A strong paranormal romance with an excellent backdrop of intrigue and supernatural war." --Fresh Fiction "Riveting. . .engrossing." --RT Book Reviews

Wraithling Born-C. Bratton 2015-02-06 Follow an epic journey of fantasy and adventure as Scholar and Artist hunt the origins of the elusive Djinn. Trekking across exotic lands and over raging seas to the volcanic island home of demons of smoke and ash, will they survive finding what they are both seeking so desperately?

Lotus Blood-Dean Norton 2015-10-26 Nam wants her Mum back. Simple. Okay, so her Mum's dead, which is a problem, but Nam died as well when the earthquake and tsunami smashed their hotel in Thailand. Nam didn't just see her Mum after they died; they fought

His Dark Empire-M. R. Forbes 2015-08-03 A wizard without family... A warrior without memory... A world without hope... One thousand years ago, the world was broken and reborn beneath the boot of a

nameless, ageless tyrant. He erased all history of the time before, enslaving the people and hunting those with the power to unseat him. The power of magic. Eryn is such a girl. Born with the Curse, she fights to control and conceal it to protect those she loves. But when the truth is revealed, and his soldiers come, she is forced away from her home and into the company of Silas, a deadly fugitive tormented by a fractured past. Silas knows only that he is a murderer who once hunted the Cursed, and that he and his brothers butchered armies and innocents alike to keep the deep, dark secrets of the time before from ever coming to light. Secrets which could save the world. Or destroy it completely.

BEHOLD! Born Unto You-Joan M. Geisler 2013-09 If you love the work of John Maxwell, Max Lucado, Joyce Meyer and Chuck Swindoll, then you will love this new book. If you remember how you felt when Linus told Charlie Brown the meaning of Christmas then this book is for you. You know the story...but do you really? What happened after Mary said "Yes"? How long did it take Mary and Joseph to travel from Nazareth to Bethlehem? Imagine how devastated Joseph must have felt when he was unable to find a room at the inn for the Son of God to be born? How would you have felt? Be captivated as you travel back in time. Be inspired by the extraordinary faith of the ordinary people whom God chose to bring His most precious gift to mankind. These were real people with real lives, with real emotions. They were no different than you and me.

Flutter-Amanda Hocking 2016-05-03 Being undead doesn't make life any easier for Alice Bonham. Her younger brother's love life is heating up, while hers is... more complicated. Mae is falling apart, her best friend Jane is addicted to vampire bites, and if Alice doesn't get her bloodlust under control, someone will end up dead. Alice volunteers for a rescue mission with Ezra. But going up against a pack of rabid vampires might be too much, even for him.

David Doc Branigan-Logan Carrington 2012-10-03 David, "Doc" Branigan, a man who wasn't afraid to earn his wealth, even though he inherited millions. The restlessness he struggled with nearly every day kept leading him to temptations he knew better than to divulge in. When his sister Elisse, begged him to come home, it was only then he learned what she had been trying to teach him for years.

A Very Levet Christmas-Alexandra Ivy 2014-10-01 A gargoyle of Levet's charm and intelligence should not be facing a solitary Christmas. True, he may appear a little unconventional—not to mention unconventionally little—even for a gargoyle. But what Levet lacks in height he makes up for in loyalty, and being banned from the festivities surrounding the Queen of Weres' new pups is quite unfair. So when a beautiful Christmas angel begs for help in fulfilling her duties, Levet has nothing better to do than agree. Armed with a magical wand, Levet confronts Damon, a pureblood Were intent on seizing the throne. Challenging the King will put the pups at risk—and drive away Damon's potential mate, Gia. Who better to convince Damon to choose love, not war, than a gargoyle expert in amour? With a little magic, and a lot of Levet, this may yet be a truly wonderful Christmastime... Praise for Alexandra Ivy "Ivy always packs her books with buckets of action, emotion and sexy sizzle. Another winner!"—RT Book Reviews on *Devoured by Darkness* "Ivy's fans will be invested in the development of romances introduced between supporting characters as well as further building of this conflicted universe."--Publishers Weekly on *Born in Blood*

Boundaries-Douglas B. Carlyle 2013-08 *Boundaries* is a disturbing story about the blurred lines between love and betrayal, freedom and control, fantasy and treachery, good and evil, past and future. Diane Alders is a successful, workoholic sales executive in the medical field who has a void in her heart as a result of the tragic death of her husband seven years ago. Mickey Rollins is a genius and entrepreneur about to introduce a revolutionary new therapy that will 'repair' injured or impaired brains. Their sputtering romance hits full speed when Mickey invites Diane to accompany him on a lavish and bizarre vacation to the exotic South Seas intended to stretch their senses, fulfill wild dreams, and bring them closer together. Disaster strikes, and it is Diane who becomes Mickey's first human test subject. There's a catch...the healing process requires a surrogate, and Mickey chooses their mutual friend, lover and temptress—the beautiful Suki. The resurrection of Diane that transpires is not only a transfer of physical and cerebral attributes, but a blending of relationships, feelings, and emotions, drawing many into the fray, ending as shockingly as it begins.

Opposites-TM. Smith 2013-06 *** NOTE *** This is the 2nd edition of Opposites, originally published in 2013 under the same title and Author. The book has been thoroughly edited with errors and unnecessary content removed, and new content included. In the year 2081, our planet survived global warming on an apocalyptic scale. When the dust settled and the water receded, Dr. Anthony Smith, one of only a few hundred survivors of GWI, started society anew. Having come to the conclusion that injudicious breeding played a huge role in the destruction of Earth as we knew it in the twenty first century, he worked closely with other survivors to isolate the Dionysus gene: the gene has the ability to manipulate human DNA to ensure that all male children be born gay, and all female children be born lesbians. A new society was born. In the year 2300 Dr. Smith's descendants are ushering in the twenty fourth century having maintained control of the government that still rules society. Twins, Aiya and Aiyan, are preparing to meet their matches and take control of House Gaeland, the current ruling House. But not everything is as it seems. Love is Love... it knows no gender and doesn't conform to restrictions or boundaries. Aiyan has found his soul mate in Kaden, the prince of House Devi, that he is matched with and eventually marries. But when the person Aiya falls in love with tests the boundaries put in place after GWI, all hell breaks loose. And in the midst of one secret unraveling, another will emerge. There is a growing anomaly that threatens to destroy over two hundred years of progression. This anomaly is known as Opposites. *WARNING* Opposites is an Adult Dystopian majorly M/M novel that contains explicit sexual content and relationships between gay, lesbian and straight couples. There are brief scenes of violence.

Super Shorts-Martin Von Cannon 2017-06-09 What does a henchman do to change jobs? How does a universal translator deal with hand-to-hand-combat? Where do the super powered get their uniforms cleaned? There's a short story for each of these and more. This collection of stories is full of quick to read stories and cover the other aspects of super-powered life. Who cleans up after super fights? What if a team-mate is fed up and wants to change sides? Tired of the clichéd heroes? Peel the pages of this book and get lost in different lives. Try the sample and see if Super Shorts fit you.

Bloodlust-Helen Harper 2014-02-14 Life's no fun being a dragon, especially when you are forced into responsibilities that involve trying to keep the peace between an array of shifters, mages and faeries in order to bring down the scariest and deadliest foe the Otherworld has ever seen. And that's not to mention the fact that your own soul mate hates your guts... Mack Smith, a fiery Draco Wyr, is battling to come to terms with her emotions, her heritage and her true capabilities. All she has to do is defeat Endor, win back Corrigan and live happily ever after. From the streets of London and Russia, to the beaches of Cornwall, will she be able to ever win the day?

No Daffodils, No Clouds-Tom Lyford 2012-07-01 No Daffodils, No Clouds, like Tom Lyford's earlier poetry books, is a compendium of baby boomer Americana. The table of contents listing, with everything from "Brat Packs" and "Idiots' Guide to Wormholes" to "A Terrible Thing to Waste" and "Poem Nazis," reads like the big board of Alex Trebeck's Jeopardy categories. Allow Tom Lyford to personally introduce you to his unwitting mentors Janis Joplin, Bob Dylan, Tom Waits, Leonard Cohen, Stephen King, J. D. Salinger, and Ray Bradbury. Accept the tokens he offers for passage back through the Twilight Zone turnstile to relive those sights and sounds and smells of your '50s and '60s drive-in movie theater and roller skating pavilion. Contemplate his long view as to where we've been, and where we're headed. But you'll discover no "wandering lonely as a cloud" or "host of daffodils" here. Why? Because legions of Wordsworth wannabes have been doing that since 1802. What you will find, however, is a lot of humor and heart. You'll find accessible poems that you can understand. And you'll even find creative illustrations...

The British Flag & Christian Sentinel- 1870

Half-Blood (a Covenant Novel)-Jennifer L. Armentrout 2014-08-14

HALF-BLOOD is the unputdownable first book in the acclaimed Covenant series from #1 New York Times bestselling Jennifer L. Armentrout. This special paperback edition also includes the prequel novella DAIMON. The Hematoi descend from the unions of gods and mortals, and the children of two Hematoi - pure-bloods - have godlike powers. Children of Hematoi and mortals - well, not so much. Half-bloods only have two options: become trained Sentinels

who hunt and kill daimons or become servants in the homes of the pures. Seventeen-year-old Alexandria would rather risk her life fighting than waste it scrubbing toilets, but she may end up slumming it anyway. There are several rules that students at the Covenant must follow. Alex has problems with them all, but especially rule #1: Relationships between pures and halves are forbidden. Unfortunately, she's crushing hard on the totally hot pure-blood Aiden. But falling for Aiden isn't her biggest problem - staying alive long enough to graduate the Covenant and become a Sentinel is. If she fails in her duty, she faces a future worse than death or slavery: being turned into a daimon, and being hunted by Aiden. And that would kind of suck.

Promptings-Kimberly Malkogainnis 2016-11-01 Do you frequently find yourself asking, "Why?" This book will, prayerfully, prompt you to see God acting in every circumstance in your life, from the mundane to the monumental; to appreciate that the Creator does, indeed, cause "all things [to] work for good to them that love God, to them who are called according to His purpose." (Romans 8:28) Through prose and poems based on personal experiences, the author shares pieces of her journey through faith-building events. If you have trouble focusing on God and His agenda, this book will sharpen your vision and lead you to reconsider God's purpose for the events in which you may find yourself involved on a daily basis.

Morton Hall-Elizabeth Cleghorn Gaskell 2006-01-01 It is a short story by Mrs. Gaskell. In the novel she explores different kinds of love, and her observations about human nature are as acute here as in her longer works. In this particular attempt she especially identifies motherhood and mother's feelings for her children. An awakening attempt!

Medical Sentinel- 1922

The River Where Blood Is Born-Sandra Jackson-Opoku 2009-07-08 This astonishing novel takes us on a journey along the river of one family's history, carving a course across two centuries and three continents, from ancient Africa into today's America. Here, through the lives of Mother Africa's many daughters, we come to understand the real meaning of roots: the captive Proud Mary, who has been savagely punished for refusing to relinquish her child to slavery; Earlene, who witnesses her father's murder at the hands of the Ku

Klux Klan; Big Momma, a modern-day matriarch who can make a woman of a girl; proud and sassy Cinnamon Brown, whose wild abandon hides a bitter loss; and smart, ambitious Alma, who is torn between the love of a man and the song of her soul. In *The River Where Blood Is Born*, the seen and unseen worlds are seamlessly joined--the spirit realms where the great river goddess and ancestor mothers watch over the lives of their descendants, both the living and those not yet born. Stringing beads of destiny, they work to lead one daughter back to her source. But what must Alma sacrifice to honor the River Mother's call?

Pets as Sentinels, Forecasters and Promoters of Human Health-M.

Ramiro Pastorinho 2019-11-30 This book provides an up-to-date

overview of the current knowledge and research concerning

domestic pets as sentinels, forecasters and promoters of human

health. Written by leading specialists in the fields of medicine,

veterinary, environment, analytical chemistry, sociology and

behavioral science, this volume provides a comprehensive

understanding of the capabilities of pets in what regards to human

health. The first seven chapters are devoted to the use of pets as

sentinels for their human companions, in terms of exposure to

different classes of environmental chemicals. The following five

chapters address the use of pets as models for human diseases and

promoters of human health. The final two chapters highlight the

psycho-social and psychophysiological aspects of human-animal

interactions. The book offers an integrated approach to the One

Health concept, providing, in a truly holistic manner, tools to assess

the equilibrium between the environment, men and animals. This

exercise will highlight and reshape our position towards the planet

that despite being "a microscopic dot on a microscopic dot lost in

the unimaginable infinity of the Universe" is still our own. At the

end of the day, pets will always be there to help us.
