Slaying at Old Mill-Dan Bradley 2009 With the night came the travellers. Then the screams of death as the sun rose. The bodies were found, then the realisation that this was no random murder. Old Mill was your typical small town. The folks were happy and friendly, everyone knew each other...or so they thought. One of them was different, hidden in their own world of darkness, hungry for blood. The murders started on a peaceful warm night, no one heard the screams of death, but the whole town would experience the terror that was to follow. And now the memory of the terror will live on in your mind as you try to put this nerve shattering thriller down. Figuring out this killer is murder... Do you think you can survive the Old Mill Killer?

Parable of the Forgotten-Simon Fenn 2010 Jarvis Langton is an unborn-again Christian living on the fringe. He's not big on life and has tried to finish his own twice. Still, most mornings, he quite likes to sun himself at Sydney's Royal Botanic Gardens. One morning he notices something winking at him from a nearby bush. When he investigates he finds the dead body of his friend, Lady; a Thai transvestite. Jarvis is not someone with his thoughts lined up in any reasonable order. It takes him a while to work out Lady must have been murdered. It takes him longer to decide he's going to find her killer - but once he does, the premonition that finding Lady's murderer will bring him his own end, happens in an instant. "Parable of the Forgotten is a first class, no rest-stop, brilliant, whirly gig!" Dr She Mackenzie Hawke, University Of Sydney.

Arduino for Musicians-Brent Edstrom 2016-04-22 Arduino, Teensy, and related microcontrollers provide a virtually limitless range of creative opportunities for musicians and hobbyists who are interested in exploring "do it yourself" technologies. Given the relative ease of use and low cost of the Arduino platform, electronic musicians can now envision new ways of synthesizing sounds and interacting with music-making software. In Arduino for Musicians, author and veteran music instructor Brent Edstrom opens the door to exciting and expressive instruments and control systems that respond to light, touch, pressure, breath, and other forms of real-time control. He provides a comprehensive guide to the underlying technologies enabling electronic musicians and technologists to tap into the vast creative potential of the platform. Arduino for Musicians presents relevant concepts, including basic circuitry and programming, in a building-block format that is accessible to musicians and other individuals who enjoy using music technology. In addition to comprehensive coverage of music-related concepts including direct digital synthesis, audio input and output, and the Music Instrument Digital Interface (MIDI), the book concludes with four projects that build on the concepts presented throughout the book. The projects, which will be of interest to many electronic musicians, include a MIDI breath controller with pitch and modulation joystick, "retro" step sequencer, custom digital/analog synthesizer, and an expressive MIDI hand drum. Throughout Arduino for Musicians, Edstrom emphasizes the convenience and accessibility of the equipment as well as the extensive variety of instruments it can inspire. While circuit design and programming are in themselves formidable topics, Edstrom introduces their core concepts in a practical and straightforward manner that any reader with a background or interest in electronic music can utilize. Musicians and hobbyists at many levels, from those interested in creating new electronic music devices, to those with experience in synthesis or processing software, will welcome Arduino for Musicians.

Lonestar Homecoming-Colleen Coble 2010-04-11 For most, it's the safest place on earth. For Gracie, it's the last place she wants to be...and the one place she must return. With nothing but five dollars and the wedding dress she's wearing, Gracie Lister flees with her daughter by train to West Texas, to the town she ran away from so long ago. There they find refuge in the home of Michael Wayne--devoted single father, seasoned soldier--who gives Gracie a job caring for his two children and the hiding place she needs from her former fiancé. Michael and Gracie aren't looking for love, but it finds them right away. And then trouble comes to call in the form of Gracie's ex-fiancé who is now on the FBI's most-wanted list. Together, Michael and Gracie must find the strength they need to protect their newly forged family. "Colleen weaves intrigue and God's love into a story full of carefully crafted characters. If you're looking for an awesome writer, I highly recommend her!" --Tracie Peterson, best-selling author of Dawn's Prelude, Song of Alaska Series "Colleen is a master storyteller." --Karen Kingsbury, best-selling author of Shades of Blue

Guide to British Prose Fiction Explication-Lynn Beene 1997 An unannotated bibliography of criticism, mostly journal articles, of prose written during the past two centuries by selected authors either from Britain or clearly part of British culture, including Scot Walter Scott, New Zealander Katherine Mansfield, and Canadian Margaret Atwood. The works cited range from contemporary professional reviews to semiotic interpretations, from New Critical approaches to new historicist readings, from linguistic subtleties to cross-cultural estimations. The arrangement descends from prose author, to title of work, and finally critic. No index. Annotation copyrighted by Book News, Inc., Portland, OR

Love on the Line-Laurie Lewis 2019-03-06 "Whenever love is on the line, we'll always choose us." It was an easy promise for Matt and Mikaela Grayken to make. After all, Matt fell in love with Mikaela the first time he saw her across a room, serving her cancer patients. Mikaela crossed an ocean to find Matt's birth sister Kate, whose stem cells could save his life. That's the kind of love they share. In their quest to defy the limits of Matt's health and return a bit of the good they've known, they embrace grand, miraculous opportunities. But these opportunities bring new stress that threatens Matt's health while also entwining the Graykens in the lives of complicated people who will challenge their bond, putting to test the promise they made, to choose each other when love is on the line. Love on the Line, Great Expectations Love Stories: The Graykens, Book Two, is the highly anticipated sequel to Love on a Limb.
