Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954- 2003

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986- 2003

Beyond Neutrality-Bernard Mayer 2004-04-26 In this thought-provoking, passionately written book, Bernard Mayer—an internationally acclaimed leader in the field—dares practitioners to ask the hard questions about alternative dispute resolution. What's wrong with conflict resolution? Why aren't more individuals and organizations using conflict resolution when they have a problem? Why doesn't the public know more about it? What are the limits of conflict resolution? When does conflict resolution work and when does it not? Offering a committed practitioner's critique of the profession of mediation, arbitration, and alternative dispute resolution, Beyond Neutrality focuses on the current crisis in the field of conflict resolution and offers a pragmatic response.

Conflict Resolution Education-Donna K. Crawford 1996 Developed for educators, juvenile justice practitioners, and others in youth-serving organizations to heighten awareness of conflict resolution education and its potential to help settle disputes peacefully in a variety of settings. The guide provides background information on conflict resolution education; an overview of four widely used, promising, and effective approaches; and guidance on how to initiate and implement conflict resolution education programs in various settings. Includes curriculum resources, reading list, glossary and assessment forms. Charts and tables.

Negotiation and Dispute Resolution-Beverly J. DeMarr 2011-12-27 Includes bibliographical references and index.

The Handbook of Conflict Resolution Education-Richard J. Bodine 1998 Based on the principles of cooperation and problem solving, conflict resolution helps students solve problems themselves by identifying underlying needs and finding solutions that meet everyone's interests to the fullest extent possible. With an easy-to-use workbook format.

Getting to Yes-Roger Fisher 1991 Describes a method of negotiation that isolates problems, focuses on interests, creates new options, and uses objective criteria to help two parties reach an agreement

Conflict Without Chaos-Bob Greenwald 2008 This book is a valuable resource for anyone involved as an intermediary or as a party to interpersonal or group conflict. It offers a unique perspective based on some two decades of field experience intervening in adversarial confrontation. It is a worthy text or reference source for students, researchers, and higher education faculty engaged in the study of alternative dispute resolution processes, communication methodology, or initiatives in peacemaking/reconciliation. Beyond academic applications, this work has critical relevance to administrators and senior staff working for agencies and institutions dealing with community dispute settlement, local government operations, corrections, law enforcement, and education, among other groupings responsible for maintaining stable relationships among constituents, clients, or other segments they serve.

The Foundation Grants Index 1996-Linda G. Tobiasen 1995-12

The Martindale-Hubbell Law Directory- 1999

Just Solutions-American Bar Association 1994 Topics covered include legal assistance, equal access, alternative dispute resolution programs, crime prevention programs, alternative sentencing, diversion programs, victims' assistance, domestic violence, legal information hotlines, citizen involvement.

Sources of Operating Grants-Shelby Rogers 1997 At last! This one-of-a-kind resource helps you quickly locate hard-to-find funding for regular personnel, administrative, and other non-program-related operating expenses. You get basic how-to help on the fundamentals of fundraising, plus profiles of more than 550 private-sector funders who each give multiple awards totaling more than \$55,000 annually. Funder profiles include: name, address, telephone number, and e-mail address; primary contact name; eligibility requirements; application information; geographic restrictions giving properties; samples of recent grants awarded; financial information; and names of directors, officers, and trustees (when available). Also includes a comprehensive appendix of additional sources of grant-winning help, including funding directories, books and periodicals on grant writing, and computer products that can help you win more grants.

Managing Conflict Resolution-Sean McCollum 2009 Discusses different types of conflict, offers exercises to assess individual responses to conflict, and presents advice for developing healthy, mature conflict resolution skills.

Directory of Alternative Dispute Resolution Organizations in the United States-

An Encyclopedic Dictionary of Conflict and Conflict Resolution, 1945-1996-John E. Jessup 1998 Rather than mark the end of conflict, the end of World War II began a half century of ideological, political, military, economic struggles, and many with century-old antecedents. This work brings together in encyclopedic format most of the major events of the last half century that can be classified as

conflict. While war is the ultimate conflict, the volume includes assassinations, coups, insurgency, terrorism, massacres, and genocide. It provides detailed information on the people, places and events that have produced conflict and its resolution since 1945. Many entries trace the antecedents of events back through history to illustrate continuity and change. The troubled Middle East and Africa, for instance, are seen today as the result of tensions that have developed over decades, of colonialism, exploitation, and ethno-religious antagonism. The reader will be able to understand the backgrounds of the individual players and gain a better understanding of why conflicts occur and how they can be resolved.

Becoming a Mediator-Peter Lovenheim 2002-03-07 Most mediators feel that helping people end conflicts is special work, and, they're sustained by rewards beyond money, praise, or fame. But with no obvious career path and no prescribed courses to take or degrees to earn, how does one become a mediator? Whatever your background-whether in law, social work, teaching, psychology, business, homemaking, or parenting-you can become a mediator and find a satisfying career says Peter Lovenheim. Becoming a

Mediator shows you how, offering a practical, nuts-and-bolts guide to breaking into the field and a no-nonsense approach to the reality of current professional opportunities. Drawing from the experiences of actual mediators, as well as from his own many years of work as an attorney and mediator, Lovenheim not only provides a vital resource but also conveys the sense of mission mediators feel for this emerging new profession.

The Foundation 1000, 2001-2002-Francine Murray 2001-11  
Systematic Analysis in Dispute Resolution-Stuart S. Nagel 1991  
Editors Nagel and Mills, along with their contributors, explore the theory and practice of this technique. They demonstrate how to clarify, understand and develop the various options available under alternative dispute resolution, and how to evaluate the probable outcomes.
