Awakening Pure Worship-Jeff Deyo 2018-09-18 Find Your Way to Greater Closeness with God Jeff Deyo invites you into a conversation about worship in a book that was written for anyone seeking to experience the Lord in a deeper way. Does God’s presence seem distant? Do you have a friend who has grown numb to the things of God? Have you given up on hearing God’s voice in the way so many authors and preachers talk about? Are you ready to awaken your life to a vibrant, one-on-one relationship with the Father once and for all? This is your moment. Your hope is about to be restored as you consider these questions and more: Are we truly present in God’s presence? Do we encounter songs, artists, and atmospheres without encountering God Himself? What do we do when we lose the emotion that often surrounds worshiping God? Why are so many of us tempted to put ministry for God above intimacy with God? Are we unintentionally worshipping the image of a false god when we cherry-pick easy-to-swallow scriptures about God’s character? Can the good work of serving the poor and moving in the supernatural cause us to miss the one thing? Do we allow potential embarrassment to keep us from loving and worshiping God extravagantly? Shift your perspective on relationship with God from obligation to invitation and rediscover authentic worship that reaches from the secret place to the marketplace. The Church Awakening-Charles R. Swindoll 2010-09-08 In THE CHURCH AWAKENING, Charles Swindoll discusses the challenges, struggles, and priorities of the church in the twenty-first century. He reveals the problems inherent in the entertainment-based postmodern church and shows how a return to biblical teaching will restore its strength and impact. Now being replaced by a feel-good message instead of what Christians need to know to stand strong in a world that's lost its way--Swindoll exposes the problems of--and solutions for--the postmodern evangelical church. Just as he opened readers' eyes with his bold statements in The Grace Awakening, now he offers a straightforward volume revealing how to reestablish a life-altering church with Christ as Lord and Master. Illuminating and empowering, THE CHURCH AWAKENING will ignite a revolution in the way Christians "do church" for years to come. The Historian's Awakening: Reading Kate Chopin's Classic Novel as Social and Cultural History-Bernard Koloski 2018-11-16 The Historian's Awakening is a full commentary on the text (included) that provides social and cultural history context, discussions of the author and her times as well as valuable insight into historical forces that shaped people's lives. • Introduces the novel with essays on the life and times of the author by a leading Chopin scholar • Includes two hundred annotations • Illustrates that understanding nineteenth-century women's struggles, like that of Edna Pontellier in The Awakening, demands attention to more than the usual focus on the oppression of women by men • Shows that Edna's struggle is defined by the conventions of upper-class people in the 1880s and 1890s, is intensified by obligations imposed upon wealthy women, and results in a severe discontent that haunts people in modern societies, even today • Offers readers a deeper and more rewarding reading of The Awakening Before I Wake-Dee Henderson 2011-07-22 The sheriff of Justice, Illinois, is hunting a killer. Women visiting town are being murdered, tourists in nice hotels, money still in their billfolds, jewelry still on the dresser. Quiet kills—they go to sleep and never awaken. The sheriff is not pleased to find the new detective in town, Rae Gabriella, working the case on behalf of one of the families. She's staying in the same hotel as one of the victims—and her looks suggest she could be the next victim. Wonderstruck-Margaret Feinberg 2012-12-01 We Were Created for Wonder!You were created and destined to experience wonder. Woven into the fabric of our humanity is an innate ability and desire for the wonder of God. It's felt in the moments when you watch the sun melt behind the horizon, when you reach out to cradle a baby and smell the sweet scent of new life, when you can't help but smile as you witness two wrinkled souls renew their vows to each other. Such moments remind us we were made for something more than deadlines and debt, carpools and coffee breaks. Yet despite such wondrous moments, we can still find ourselves going through the motions of faith. Whether you're A long time follower of Jesus or still figuring Him out. Unemployed, overly-employed, or an entrepreneur. A creator, innovator, or conformist. Grumpy, ebullient, grey-haired or bed-head. An average Joe or have-a-gym-membership-but-never-go. A superhero (of any era), supermom, superdad, super grand, super great grand, or don't feel particularly super at all No matter who you are or where you've been-if you've lived a life where you've seen it all, done it all, or feel like you're past it all-God still longs to take your breath away. Isaiah 29:4 records God's desire for you: "Therefore once more I will astound these people with wonder upon wonder." Do you see it? God is busting at the seams to display His glory, power, and might in your life. And He wants to give you the greatest gift of all-Himself. Yet why do we pass by the wonder of God unaware? An Awakened Heart (Orphan Train)-Jody Hedlund 2017-04-04 Trying to heal the ache she feels in her empty life, wealthy Christine Pendleton decides to volunteer at Centre Street Chapel. Ministering to one of the most deprived parts of New York City, the chapel aims at making a difference in the lives of the impoverished immigrants flooding the city. After seeing firsthand the hopelessness of the poor women and orphans, Christine is convinced more can be done to help them. Guy Bedell has been serving at the chapel and pouring his heart out for the people he's grown to care about. When Christine begins to challenge his methods and offers a new vision for reaching out to the community, can he trust that perhaps God has bigger plans in store for him--plans that may include this feisty socialite? Spirituality and the Awakening Self-David G. PhD Benner 2012-02-01 Being human is a lifelong journey of becoming. This journey defines our humanity, for it is a journey toward our source and our fulfillment, described in Christian theology as union with God. If we remain open to God as our sense of self awakens, we experience a deeper consciousness of being in him. The self that emerges during this process is larger, more enlightened, and whole. David Benner, who has spent thirty-five years integrating psychology and spirituality, presents psychological insights in a readable fashion to offer readers a deeper understanding of the self and its spiritual development. Drawing on a broad range of Christian traditions, Benner shows that the transformation of self is foundational to Christian spirituality. This book will appeal to readers interested in a psychologically grounded, fresh exploration of Christian spirituality; professionals engaged in pastoral care, counseling, and spiritual direction; and students in ministry development and spiritual formation courses. Questions and answers for individual or group use are included at the end of each chapter. Awakened Imagination-Neville Goddard 2019-03-09 In Awakened Imagination, he expounds upon his belief that Christ is within each of us and can help us achieve our desires through imaginative effort. Using short quotations from the Bible and from Blake, Yeats, Emerson, Lawrence, Quintillian, Hermes, and the Hermetica, Neville reveals the Power that makes the achievement of aims, the attainment of desires, inevitable; showing that the Christ is the human imagination. "I want this book to be the simplest, clearest, frankest work I have the power to make it. Truth depends upon the intensity of the imagination, not upon external facts. Facts are the fruit bearing witness of the use or misuse of the imagination. Man becomes what he imagines. He has a self-determined history. Imagination is the way, the truth, the life revealed."—Neville Goddard Record of Christian Work-Alexander McConnell 1906 Includes music. Coming Clean-Seth Haines 2015-10-27 "I suppose we're all drunk on something." Seth Haines was in the hospital with his wife, planning funeral songs for their not-yet two-year-old, when he made a very conscious decision: this was the last day he ever wanted to feel. So he asked his sister to smuggle in some gin, and his addiction began. But whether or not you've ever had a drop to drink in your life, we're all looking for ways to stop the pain. Like Seth, we're all seeking balms for the anxiety of what we believe is an absent God--whether it's through people-pleasing, shopping, the internet, food, career highs, or even good works and elite theology. We attempt to anesthetize our anxiety through addiction--any old addiction. But it often leaves us feeling even more empty than before. In Coming Clean, Seth Haines writes rawly through the first 90 days of a work of sobriety, illuminating how to face the pain we'd rather run from, and even more importantly, how Jesus meets us there. Because it is only when we face our anxieties with the tenacity and tenderness of Christ's passion that we truly discover that we are indeed clean, surrendered, and whole. The self is a relation which relates itself to its own self, or it is that in the relation [which accounts for it] that the relation relates itself to its own self; the self is not the relation but [consists in the fact] that the relation relates itself to its own self.
