John Deere Two-Cylinder Collectibles : Collector's Reference Guide-Greg Stephen Two classic love stories in a keepsake edition that will heat up your winter! The Winter Soldier Everyone in Jacobsville, Texas, steered clear of taciturn Cy Parks-everyone but the spirited Lisa Monroe, who electrified the formidable loner with her tantalizing kisses. Their fiery passion escalated when the soldier returned from the line of duty-and claimed Lisa as his bride, to shield her from a revenge-seeking desperado. Clearly Cy was getting mighty possessive of this enchanting woman who needed the type of safeguarding only he could provide. But who would protect the beguiling bride from him...? Cattleman's Pride He was strong, seductive and set in his ways. She was shy, unassuming and achingly innocent. Yet when Jordan made it his personal crusade to help Libby hold on to her beloved homestead, everyone in Jacobsville knew it was just a matter of time before wedding bells

chimed. But a cattleman's pride was a force to be reckoned with. Could Libby accomplish what no woman had before and tame this Long, Tall Texan's restless heart?

The Tractor in the Haystack-Scott Garvey For the aficionado of farm equipment, or the scion of an old farming family nostalgic for the old days, or the grown-up boy who still loves a classic piece of old-time machinery, the vintage tractor can be a thrilling find like no other. This book tells dozens of stories of such discoveries, of the treasured old tractor parked in a shed since 1927, of the pristine model unearthed at an estate sale, of the broken-down old beauty stashed in a barn where generations of children have made their secret hideaways. These are the classic tractors that are often as hard to find as a needle in a haystack—but far more fun to discover, as all of these delightful stories make abundantly clear.
