So, with you require the books swiftly, you can straight get it. Its so utterly easy and fittingly fats, isnt it? You have to favor to in this ventilate

Dictionary of the History of Science-William F. Bynum 2014-07-14 For readers interested in the development of major scientific concepts and the role of science in the western world, here is the first conceptually organized historical dictionary of scientific thought. The purpose of the dictionary is to illuminate this history by providing a concise, single volume reference book of short historical accounts of the important themes, ideas, and discoveries of science. Its conceptual approach differentiates the dictionary from previous reference works such as books of scientific biography and makes it a convenient manual both for the general reader and for scientists interested in the origin of concepts in their own and other scientific fields. Originally published in 1982. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Dictionary of Concepts in History-Harry Ritter 1986 Identifies the development and contemporary use of the significant concepts in history.

Historical Dictionary of Ancient India-Kumkum Roy 2009 India's history and culture is ancient and dynamic, spanning back to the beginning of human civilization. Beginning with a mysterious culture along the Indus River and in farming communities in the southern lands of India, the history of India is punctuated by constant integration with migrating peoples and with the diverse cultures that surround the country. Placed in the center of Asia, history in India is a crossroads of cultures from China to Europe, as well as the most significant Asian connection with the cultures of Africa. The Historical Dictionary of Ancient India provides information ranging from the earliest Paleolithic cultures in the Indian subcontinent to 1000 CE. The ancient history of this country is related in this book through a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on rulers, bureaucrats, ancient societies, religion, gods, and philosophical ideas.

A Dictionary of Book History-John Feather 1988

Historical Dictionary of India-Surjit Mansingh 2006-05-09 The Republic of India is the second most populous, the seventh largest by geographical area, and has the fourth largest economy in terms of purchasing power parity in the world. While it has always been an important country, it has often been neglected. Of late, however, there has been much talk of the 'new' India, one with greater economic dynamism, a more active foreign policy, and the emergence of a huge middle class. With over a hundred new cross-referenced dictionary entries-the majority of which pertain to the last decade-and updating others, the second edition of the Historical Dictionary of India illustrates the rapidly evolving situation without neglecting the country's ancient past. The chronology has been brought up to date, the introduction expanded, and the bibliography includes numerous new titles.

A Dictionary of World History-Thomas Edmund Farnsworth Wright 2015 As well as over 4000 clear and concise entries, this dictionary also contains biographies of key figures in world history. Other useful features include, subject entries on religious and political movements, maps, and full international coverage.

Historical Dictionary of the Philippines-Artemio R. Guillermo 2011-12-16 The Historical Dictionary of the Philippines, Third Edition contains a chronology, an introductory essay, an extensive bibliography, and several hundred cross-referenced dictionary entries.

A Dictionary of British History-John Cannon 2009-05-21 This reference covers all aspects of the history of Britain from 55 BC to the present day. Over 3600 entries describe the people and events that have shaped domestic, political, social and cultural life in Britain over the past two millennia.

A Dictionary of the History of Medicine-Anton Sebastian 2018-02-06 This is a unique, extensively illustrated dictionary of terms, people, events, and dates spanning the entire history of medicine. It is a monumental work of scholarship totaling some 700 double-column pages with a large number of rare and exceptional illustrations from many original sources painstakingly compiled over years of far-searching inquiry involving more than 5,000 books and hundreds of journals. It is a major resource of hard-to-find information about notable medical figures, instruments, conditions, procedures, and dates and a storehouse of captivating anecdotes and background material. The book contains a wealth of material for concise historical introductions to a broad range of subjects and is the sine qua non authority on both well and little known facts of medical history. With this single volume-an unprecedented tour de force representing more than 7,000 hours of exhaustive research-clinicians and researchers from all fields of medicine can quickly and easily find authoritative, detailed definitions and descriptions, with dates, of medical terms and of the people and events contributing to the development of medicine from earliest times to the present day. The entries range widely from such as abacterial pyuria to zygote, including Latin and Greek origins of terms, compact biographies with dates, eponymic information of all kinds, and rarely seen drawings and photographs of antique medical instruments and little-known conditions.

Historical Dictionary of the Republic of Cameroon-Mark Dike DeLancey 2010-05-03 Cameroon is a country endowed with a variety of climates and agricultural environments, numerous minerals, substantial forests, and a dynamic population. It is a country that should be a leader of Africa. Instead, we find a country almost paralyzed by corruption and poor management, a country with a low life expectancy and serious health problems, and a country from which the most talented and highly educated members of the population are emigrating in large numbers. Although Cameroon has made economic progress since independence, it has not been able to change the dependent nature of its economy. The economic situation combined with the dismal record of its political history, indicate that prospects for political stability, justice, and prosperity are dimmer than they have been for most of the country's independent existence. The fourth edition of the Historical Dictionary of the Republic of Cameroon has been updated to reflect advances in the study of Cameroon's history as well as to provide coverage of the years since the last edition. It relates the turbulent history of Cameroon through a chronology, an introductory essay, a bibliography, and over 600 cross-referenced dictionary entries on significant persons, events, places, organizations, and other aspects of Cameroon history from the earliest times to the present.

Historical Dictionary of Byzantium-John H. Rosser 2012 The Byzantine Empire dates back to Constantine the Great, the first Christian ruler of the Roman Empire, who, in 330 AD, moved the imperial capital from Rome to a port city in modern-day Turkey, which he then renamed Constantinople in his honor. From its founding, the Byzantine Empire was a major anchor of east-west trade, and culture, art, architecture, and the economy all prospered in the newly Christian empire. As Byzantium moved into the middle and late period, Greek became the official language of both church and state and the Empire's cultural and religious influence extended well beyond its boundaries. In the mid-15th century, the Ottoman Turks put an end to 1,100 years of Byzantine history by capturing Constantinople, but the Empire's legacy in art, culture, and religion endured long after its fall. In this revised and updated second edition of the Historical Dictionary of Byzantium, author John H. Rosser introduces both the general reader and the researcher to the history of the Byzantine Empire. This comprehensive dictionary includes detailed, alphabetical entries on key figures, ideas, places, and themes related to Byzantine art, history, and religion, and the second edition contains numerous additional entries on broad topics such as transportation and gender, which were less prominent in the previous edition. An expanded introduction introduces the reader to Byzantium and a guide to further sources and suggested readings can be found in the extensive bibliography that follows the entries. A basic chronology and various maps and illustrations are also included in the dictionary. This book is an excellent access point for students, researchers, and anyone wanting to know more about Byzantium.

Historical Dictionary of Ethiopia-David H. Shinn 2013-04-11 The Historical Dictionary of Ethiopia, Second Edition covers the history of Ethiopia through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has several hundred cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent access point for students, researchers, and anyone wanting to know more about Ethiopia.

A Dictionary of American History-Thomas L. Purvis 1997-05-05 This book is concise, easy -to-use guide to the individuals, peoples, parties, movements, events, decisions and wars that have shaped the history of the United States.

The Dictionary of Fashion History-Valerie Cumming 2010-09-01 - What is an earthquake gown? - Who wore eelskin masher trousers? - What did the word "dudes" mean in the 16th century? A Dictionary of English Costume by C. Willett Cunnington, Phillis Cunnington and Charles Beard was originally published in 1960. A monumental achievement and encyclopaedic in scope, it was a comprehensive catalogue of fashion terms from the mid-medieval period up to 1900. It was reissued and updated several times, for the last time in 1976. For decades it has served as a bible for costume historians. The Dictionary of Fashion History completely updates and supplements the Cunningtons' landmark work to bring it up to the present day. Featuring additional terms and revised definitions, this new edition represents an essential reference for costume historians, students of fashion history, or anyone involved in creating period costume for the theatre, film or television. It also is fascinating reading for those simply interested in the subject. Clear, concise, and meticulous in detail, this essential reference answers countless questions relating to the history of dress and adornment and promises to be a definitive guide for generations to come.

Historical Dictionary of Ukraine-Ivan Katchanovski 2013-07-11 The Historical Dictionary of Ukraine, Second Edition covers the history of Ukraine and its struggles through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 700 cross-referenced entries on population, geography, economy, politics, and culture; descriptions of institutions, cultural monuments, political parties, battles and wars; and biographical sketches of key individuals in politics, the arts and sciences, the church, and the military. This book is a vital reference tool for any researcher interested in the history of Ukraine.

Historical Dictionary of Librarianship-Mary Ellen Quinn 2014-05-08 Although the history of librarianship as an organized profession dates only as far back as the mid-19th century, the history of libraries is much older, and people have been engaged in pursuits that we recognize as librarianship for many thousands of years. This book traces librarianship from its origins in ancient times through its development in response to the need to control the flood of information in the modern world to the profound transformations brought about by the new technologies of the late 20th and early 21st centuries. The Historical Dictionary of Librarianship focuses on librarianship as a modern, organized profession, emphasizing the period beginning in the mid-19th century. Author Mary Ellen Quinn relates the history of this profession through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 300 cross-referenced entries on important personalities, libraries around the world, and notable organizations and associations. This book is an excellent access point for students, researchers, and anyone wanting to know more about librarianship.

Historical Dictionary of Algeria-Phillip C. Naylor 2015-05-07 This fourth edition of Historical Dictionary of Algeria covers its history through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 700 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture.

Historical Dictionary of Iraq-Edmund A. Ghareeb 2004-03-18 Iraq, the land of Hamurabi and Harun al-Rashid, has played a long and unique role in the history of human civilization. The oldest civilization known to man evolved on the shores of its twin rivers, the Tigris and the Euphrates. The great cities of antiquity-Uruk, Ur, Akkad, Babylon, Basra, Mawsil, and Baghdad-were major centers of high culture and political power for much of the course of human history. This reference begins with the earliest civilizations and covers the many periods that followed, ranging from the history of ancient Mesopotamia to the Abbasid Empire to present-day Iraq. Included are a historical overview; a country profile; a review of the economy, oil, fauna, and political institution; coverage of the Iran-Iraq War; and coverage of the Kuwait invasion and the second Gulf War and other conflicts. The major ethnic groups such as the Kurds, the Turkumans and the Assyrians, Islam and Muslim sects, Christianity and Christian sects, as well as other religious groups are profiled. Dictionary entries also highlight the main political, religious, and ideological parties, groups, and organizations; major historical personalities; languages; literature; and cultural elements. A broad range of topics, both ancient and modern, are dealt with throughout the introduction and the dictionary, and a comprehensive bibliography complements this extensive historical reference.

Biographical Dictionary of the History of Technology-Lance Day 2002-09-11 This Biographical Dictionary seeks to put the world of technology in the context of those who have made the most important contribution to it. For the first time information has been gathered on the people who have made the most significant advances in technology. From ancient times to the present day, the major inventors, discoverers and entrepreneurs from around the world are profiled, and their contribution to society explained and assessed. Structure The Dictionary presents descriptive and analytical biographies of its subjects in alphabetical order for ease of reference. Each entry provides detailed information on the individual's life, work and relevance to their particular field. * in the first part of the entry, the information will include the dates and places of the subject's birth and death, together with their nationality and their field of activity * in the main body of the entry there follows an account of their principal achievements and their significance in the history of technology, along with full details of appointments and honours * finally an annotated bibliography will direct the reader to the subject's principal writings and publications and to the most important secondary works which the reader can consult for further information. Special Features: * The first work in existence to examine technologists in detail * Contains over 1,500 entries giving detailed information * Extensive cross-references enable the reader to compare subjects and build up a picture of technological advance ^ * Figures drawn from fields such as Aeronautics, Telecommunications, Architecture, Photography and Textiles Historical Dictionary of Sri Lanka-Patrick Peebles 2015-10-22 The Historical Dictionary of Sri Lanka contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 700 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent access point for students, researchers, and anyone wanting to know more about Sri Lanka.

Historical Dictionary of France-Gino Raymond 2008-10-23 From the construction of Notre Dame and the Eiffel Tower to the Fall of the Bastille and the Declaration of the Rights of Man and the Citizen to NapolZon Bonaparte's defeat at Waterloo to Albert Camus' L'Etranger and the existentialism of Jean-Paul Sartre, France has been a part of some of the greatest and most memorable events in human history. Author Gino Raymond relates the history of these events in the second edition of the Historical Dictionary of France. Through a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on kings, politicians, authors, architects, composers, artists, and philosophers, a thorough history of France is presented.

Historical Dictionary of Brussels-Paul F. State 2015-04-16 This second edition of Historical Dictionary of Brussels covers its history through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has over 900 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent access point for students, researchers, and anyone wanting to know more about Brussels.

Historical Dictionary of Namibia-Victor L. Tonchi 2012-08-31 The Historical Dictionary of Namibia covers the history of Namibia through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has several hundred cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent access point for students, researchers, and anyone wanting to know more about Namibia.

Historical Dictionary of the Friends (Quakers)-Margery Post Abbott 2011-12-01 The expanded second edition of the Historical Dictionary of the Friends (Quakers) relates the history of the Friends through a chronology, an introductory essay, an extensive bibliography, and over 700 cross-referenced dictionary entries on concepts, significant figures, places, activities, and periods. This book is an excellent access point for scholars and students, who will find the overviews and sources for further research provided by this book to be enormously helpful.

Historical Dictionary of Malawi-Owen J. M. Kalinga 2012 Malawi, established as the British protectorate of Nyasaland in 1891, gained its independence in 1964 and moved immediately into three decades of one-party rule. Since the mid-1990s, however, the country has held multi-party elections, as directed by its constitution, and President Bingu wa Mutharika is currently serving his second term. The fourth edition of the Historical Dictionary of Malawi, now newly expanded and updated, covers a wide range of areas in Malawi history, including the rise and fall of state systems, religious and socio-political movements, the economy, environment, transportation, war, disease, and natural sciences. Author Owen J. M. Kalinga charts developments from pre-history to the post-Banda Malawi, from Tom Bokwito to James Sangala, and from the UMCA mission at Magomero to the second term of Bingu wa Mutharika's presidency, paying particular attention to the individuals, groups, communities, and forces that have molded this South African country. The dictionary itself contains over 1,000 cross-referenced entries on crucial aspects of Malawi history, and it is the most extensive single-volume reference work on Malawi available. In addition to the dictionary entries, Kalinga provides a chronology containing important dates and events and an informative bibliographical section organized by subject. The final part of the bibliography gives the reader a list of current and obsolete newspapers and periodicals related to Malawi, an ideal resource for further research. This newly updated edition is an excellent access point for students, researchers, and anyone wanting to know more about Malawi. Historical Dictionary of the Puritans-Charles Pastoor 2007-06-12 Members of the Church of England until the mid-16th century, the Puritans thought the Church had become too political and needed to be 'purified.' While many Puritans believed the Church was capable of reform, a large number decided that separating from the Church was

their only remaining course of action. Thus the mass migration of Puritans (known as Pilgrims), to America took place. Although Puritanism died in England around 1689 and in America in 1758, Puritan beliefs, such as self-reliance, frugality, industry, and energy remain standards of the American ideal. The Historical Dictionary of Puritans tells the story of Puritanism from its origins until its eventual demise. This is done through a chronology, an introduction, a bibliography, and several hundred cross-referenced dictionary entries on important people, places, and events.

Dictionary of the History of Ideas: Abstraction in the formulation of concepts, to Design argument-Philip Paul Wiener 1973

Historical Dictionary of Spain-Angel Smith 2017-12-15 Since Spain's transition to democracy there has been rapid economic modernization, the establishment of a functioning liberal democracy, and a cultural renaissance. One area in which ordinary Spaniards have noted a massive change since the 1970s has been in the transformation of the road and rail networks, and also in local amenities—from sporting facilities to centers for the aged. Also impressive is the cleanliness of Spanish cities and the efforts put into town planning. And from the 1980s the country also built a successful public health system. As a result, for the first time since the 19th century Spaniards can largely look toward the West without any sense of inferiority (though, in recent years, confidence has been hit by the deep recession of 2008–2011 and the constant corruption scandals). This third edition of Historical Dictionary of Spain contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 700 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about Spain.

Historical Dictionary of Hinduism-Bruce M. Sullivan 1997 Presents the Hindu religious tradition's major events, individuals, texts, sects, and concepts in the context of its historical development through various periods.

Historical Dictionary of Burma (Myanmar)-Donald M. Seekins 2006-08-21 Burma (Myanmar) is a country in crisis, and a political resolution to its problems of national unity seems unlikely to occur in the near future. The purpose of the Historical Dictionary of Burma (Myanmar) is to explain in depth the country's political crisis, while also providing detailed historical background. While paying much attention to the personalities and events of the 1962-1988 Burma Socialist Programme Party (BSPP) period, the dictionary focuses on the events, institutions, and personalities of 1988, when a nationwide movement for democracy resulted in the collapse of the BSPP regime, and the post-1988 period, when Burma was ruled by a military junta, the State Law and Order Restoration Council, which, after 1997, changed its name to the State Peace and Development Council.

Historical Dictionary of Guinea-Thomas O'Toole 2005-03-16 Thoroughly updated and extensively revised, this 4th edition provides a very solid and substantial guide to a better understanding of this richly endowed but poorly understood nation. Students and others seeking information about the country will find an introductory narrative accounting of Guinea's political and economic history, a chronology that spans the earliest known history of the area to the present day Republic of Guinea, 400 dictionary entries covering the personalities and events that made contemporary Guinea, and an extensive bibliography of current publications.

Historical Dictionary of the Civil Rights Movement-Christopher M. Richardson 2014-06-11 The second edition of Historical Dictionary of the Civil Rights Movement is a guide to the history of the African-American struggle for equal rights in the United States. This dictionary has over 500 cross-referenced entries on important personalities, significant legal cases, local struggles, forgotten heroes, and prominent women in the Movement.

Dictionary of the History of Ideas: Psychological ideas, to Zeitgeist- 1973

Historical Dictionary of the Bengalis-Kunal Chakrabarti 2013-08-22 The Historical Dictionary of the Bengalis provides an overview of the Bengalis across the world from the earliest Chalcolithic cultures to the present. This is done through a chronology, an introductory essay, and an extensive bibliography. The dictionary section has over 750 cross-referenced dictionary entries on politicians, educators and entrepreneurs, leaders of religious and secular institutions, writers, painters, actors and other cultural figures, and more generally, on the economy, education, political parties, religions, women and minorities, literature, art and architecture, music, cinema and other major sectors. This book is an excellent access point for students, researchers, and anyone wanting to know more about the Bengalis.

Historical Dictionary of Malaysia-Ooi Keat Gin 2017-12-18 Malaysia is one of the most intriguing countries in Asia in many respects. It consists of several distinct areas, not only geographically but ethnically as well; along with Malays and related groups, the country has a very large Indian and Chinese population. The spoken languages obviously vary at home, although Bahasa Malaysia is the official language and nearly everyone speaks English. There is also a mixture of religions, with Islam predominating among the Malays and others, Hinduism and Sikhism among the Indians, mainly Daoism and Confucianism among the Chinese, but also some Christians as well as older indigenous beliefs in certain places. This second edition of Historical Dictionary of Malaysia contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 500 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about Malaysia.

Historical Dictionary of Malta-Uwe Jens Rudolf 2010-04-27 This second edition of the Historical Dictionary of Malta compiles the unusually rich and long history of the islands comprising the country of Malta. This is done through a chronology, an introductory essay, a bibliography, and hundreds of cross-reference dictionary entries describing all of the major places, persons, institutions, and events that have shaped the history of the archipelago.

American Dictionary of Printing and Bookmaking-Wesley Washington Pasko 1894

Historical Dictionary of the Netherlands-Joop W. Koopmans 2007-05-22 The Netherlands, frequently but erroneously called Holland, is one of the most densely populated countries in the world. In the past few decades, it has been undergoing many transformations made possible by its dynamic and fast-moving political landscape. It has shifted from fierce nationalism toward a self-image of tolerance and permissiveness: the national identity and self-consciousness has slowly eroded through decolonization and immigration. Unfortunately, several murders of prominent, controversial politicians have started yet another shift away from tolerance, and economic stagnation has bred pessimism. Nonetheless, despite many trials and tribulations, there has been real progress, and the Dutch have perhaps done a better job of coming to terms with their limitations than many others in the world. The second edition of the Historical Dictionary of the Netherlands contains more than 700 cross-referenced dictionary entries on individual topics spanning the Netherlands' political, economic, and social system along with short biographies on important figures who have shaped the Netherlands' history. Supplementing the entries are a list of acronyms and abbreviations, a chronology, an introduction, appendixes, and a bibliography, making this a superb quick reference on the Netherlands.

Historical Dictionary of Golf-Bill Mallon 2011-01-21 Historical Dictionary of Golf—through a chronology, an introductory essay, a bibliography, photos, and over 300 cross-referenced dictionary entries on people, places, teams, and terminology of the game—is a comprehensive history of golf.

Historical Dictionary of Kosova-Robert Elsie 2004 Historical Dictionary of Kosova presents the region in a broader framework, focusing not only on the many issues that are still worthy of attention, but also on its rich culture and long history. A European country of more than two million people, it is a land of poets and writers, painters and sculptors, scholars and artists. Its features include finely ornamented Ottoman mosques and old Orthodox churches and monasteries, oriental bazaars, battlefields, and breathtaking landscapes. Kosova is also a country with substantial natural resources and a young and optimistic population intent on keeping its homeland free and, at the same time, making it an integral part of Europe. In this dictionary, readers can find more than 370 entries that profile historical and contemporary public figures and political leaders, as well as individuals who have made notable contributions to the arts and scholarship. The entries are complemented by an introductory essay, chronology, and extensive bibliography. A large portion of the material in this dictionary has never appeared in English, enabling readers of all levels to discover new information and making Kosova much more accessible.
