Doms of Dark Haven-Cherise Sinclair 2012 "Three women, three Doms. One extraordinary night. Welcome to Dark Haven, and may all of your darkest wishes come true..." MET HER MATCH (A HAWKEYE STORY) by Sierra Cartwright Highly trained Mira Araceli can hold her own in the toughest parts of the world, but not, it seems, against her secret crush, Torin Carter. She'd fallen for her Hawkeye instructor years before, and to him, she'd been just another recruit; fresh, green, idealistic. Torin, with his dark Irish good looks and fierce temper, doesn't want a partner, any partner, and especially not Mira. But assignments are assignments, and he takes his responsibilities seriously. So when the beautifully submissive Mira crawls into his bedroom, a leather belt between her teeth, he calls on all his resolve to send her away. Unsatisfied, Mira ups the stakes and finds another dom to play with at Dark Haven. Beyond furious, Torin storms into Master Xavier's club and claims his rights to dominate Mira. For the first time in her life, she's met her match. EDUCATING EVANGELINE by Belinda McBride "This isn't what she came here for!" Pursued by a group of mysterious hunters, Evangeline Jones was desperate for sanctuary when she ducked into the doorway of Dark Haven. Instead of safety, she discovers a decadent, sensual world that challenges her very outlook on life. Harte Sommers is charmed by the little wolf with the pink streak in her ebony hair. As alpha of the Napa pack, he sometimes feels that he's alone at the top. When he meets Eva, he knows he might not be able to keep his wild little wolf at his side, but his heart tells him that his lonely days might be at an end. SIMON SAYS: MINE by Cherise Sinclair With an empty nest and divorce in hand, Rona decides it's time to explore the fantasies that nourished her through a long, tedious marriage to a man whose idea of outrageous sex was leaving the lights on. At the top of her fantasy list is touring Dark Haven, the BDSM club, but she isn't prepared for the effect of a powerful Dom. When Master Simon takes control and introduces her to toys and sensations she's never felt before, she realizes he could fulfil every fantasy on her list all by himself. But she's vowed to never get trapped in a relationship again. One of the most popular Doms in Dark Haven, Master Simon has had his fill of eager, shallow, young subs. Rona is older, intelligent, independent...and sweetly submissive. After an evening of intense pleasure and despite her obvious attraction, she refuses to see him again. He needs a way to change her mind. She's not the first sub he's taken on a journey of exploration, but he's beginning to think she might be the last. "Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Anal play/intercourse, strong BDSM theme and elements to include exhibitionism and voyeurism."

Dom's of Dark Haven-Cherise Sinclair 2012 "Three women. One night. Four Doms to rope them up, ride them hard, and brand their hearts. It's Western Night at Dark Haven." A GOOD sub WOULD by Sierra Cartwright Shelby, a wanna-be sub, hasn't found a Dom strong enough to push past her need to be in control. Her experiences as a sub have been yawn-inducing. She's fantasized plenty, though, about Trevor Lawton, one of Dark Haven's legendary, mouthwateringly firm Doms. As the stakes get higher at the charity poker match, Dom Trevor Lawton is fascinated by the woman kneeling across the table from him. Problem is, she's not a good sub. Oh, she tries, and she's lovely. But she's not very good at following orders. The woman needs a firm, unyielding hand...his. HUNTING HOLLY by Belinda McBride When Holly left the Truckee pack, she left her family, her safety, and the two men she loved. Now she's in San Francisco training as a Domme at Dark Haven. She thinks she's found herself, but tonight, Tex and Hunter have found her. And they are not happy with their little wolf. She's been keeping secrets from them. Tonight, someone's gonna beg. "Additional Publisher's Warning: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: anal play/intercourse, caning, sensory deprivation." WELCOME TO THE DARK SIDE by Cherise Sinclair Real Doms terrify her, so Summer plays with lightweights only. And only in the safety of her club, Dark Haven. But on Western Night, the tough cop who wins her in a sub-roping game is as powerful as they come. Virgil's first taste of BDSM was disturbingly enticing. Hoping to burn out his interest, he visits an infamous San Francisco club, where he wins himself the prettiest little sub he's ever seen. He's in a quandary. A man shouldn't render a woman helpless, let alone spank her ass. But the nervous little submissive clearly loves being in his ropes. Her need to be controlled is as powerful as his need to control. So he indulges himself, and her. That one night could be the beginning, but instead it's the end. She won't play outside the club and he lives too far to come play. He'll just have to find a way to forget her...or get her in his ropes to stay. "Publisher's Note: All of the stories within this anthology contain explicit sexual content, graphic language, and situations that some readers may find objectionable: strong BDSM theme and elements (including/not limited to: bondage and spanking)."

Called "the father of the modern action novel," FIRST BLOOD changed the genre. Although the book and the film adaptation have similarities, they are very different, especially its unexpected ending and its greater intensity. If you've only experienced the film, you're in for a surprise. Once they were soldiers. Rambo, the ragged kid whose presence in town is considered a threat. And Teasle, the Chief of Police of Madison, Kentucky. Both have been trained to kill: Rambo in Vietnam, Teasle in Korea. They learned different military tactics, different ways of death and survival in two different wars. Now, without warning, they are enemies in a civilian combat that becomes a chase through the woods and mountains and caves above the town. As we follow them, we understand that once a man has been trained as a killer, perhaps he is changed forever. Award-winning FIRST BLOOD was published in 1972, was translated into 26 languages, and has never been out of print. It was one of the first novels to deal with post-traumatic stress disorder. David's novelizations for RAMBO (FIRST BLOOD PART II) and RAMBO III are available as e-books. They're quite different from the films and include revealing introductions. When Johnny comes marching home this time, watch out." —The New York Times Sunday Book Review "A first-rate thriller." —Newsweek "One of the finest chase novels you will ever read." —Minneapolis Tribune "A terrific thriller." —Saturday Review "One hell of a hard, fast novel." —John D. groundbreaking scientific evidence behind the only diet that can prevent and reverse many of the causes of disease-related death. The vast majority of premature deaths can be prevented through simple changes in diet and lifestyle. In *How Not to Die*, Dr. Michael Greger, the internationally-renowned nutrition expert, physician, and founder of NutritionFacts.org, examines the fifteen top causes of premature death in America—heart disease, various cancers, diabetes, Parkinson's, high blood pressure, and more—and explains how nutritional and lifestyle interventions can sometimes trump prescription pills and other pharmaceutical and surgical approaches, freeing us to live healthier lives. The simple truth is that most doctors are good at treating acute illnesses but bad at preventing chronic disease. The fifteen leading causes of death claim the lives of 1.6 million Americans annually. This doesn't have to be the case. By following Dr. Greger's advice, all of it backed up by strong scientific evidence, you will learn which foods to eat and which lifestyle changes to make to live longer. History of prostate cancer in your family? Put down that glass of milk and add flaxseed to your diet whenever you can. Have high blood pressure? Hibiscus tea can work better than a leading hypertensive drug—and without the side effects. Fighting off liver disease? Drinking coffee can reduce liver inflammation. Battling breast cancer? Consuming soy is associated with prolonged survival. Worried about heart disease (the number 1 killer in the United States)? Switch to a whole-food, plant-based diet, which has been repeatedly shown not just to prevent the disease but often stop it in its tracks. In addition to showing what to eat to help treat the top fifteen causes of death, *How Not to Die* includes Dr. Greger's Daily Dozen—a checklist of the twelve foods we should consume every day. Full of practical, actionable advice and surprising, cutting edge nutritional science, these doctor's orders are just what we need to live longer, healthier lives.

But Margery never lost her resolve to help the sick. The village she'd hoped to serve as banfasa, caring for the ill and injured, is long gone. Humans captured the young shifters and killed the adults. Finally rescued, she has a chance at her dreams—at least for meaningful work. With her leg crippled and her face scarred, she knows she has no hope of ever finding love. Tynan is ready to find their mate. After years away from his littermate as a police officer among humans, Tynan is finally home, a beta in the wolf pack, and serving his people as a law officer. Assigned as Margery's mentor in the pack, he patiently works to earn the skittish little wolf's trust. Her captivity has left her with problems, including a fear of uniforms. But he's a fixer at heart—and he's starting to want more from the gentle female than just friendship. Donal has no intention of making a family. Separated from his littermate for years, Donal has remained unmated, devoting his energies to healing. Believing ugly rumors about their new neighbor—a banfasa—he won't have her in his clinic or his life—no matter what his newly returned brother wants. But a feral shifter's attack on Tynan shows Margery in a whole different light. She's levelheaded, compassionate, sweet—and far too appealing. What male could resist her? But even as the brothers work to win their mate, cruel forces move to crush their entire clan.

Living with a Black Dog-Matthew Johnstone 2012-03-01 This second book from Matthew Johnstone, author of I Had a Black Dog, is an equally touching and beautifully illustrated book, written for those who care for those suffering from depression - friends, family members, colleagues, and even therapists. Using wonderful illustrations and the image of Churchill's infamous 'black dog', Matthew and his wife Ainsley offer a moving, inspirational and often humorous portrait of life with depression - not only for those suffering from it themselves, but for those close to them. Living with a Black Dog speaks directly to the carer and offers practical and sometimes tongue-in-cheek tips on helping the depression sufferer, such as 'Socks have little do with mental health. If people could just 'snap out of it' they would.' and 'Encourage any form of regular exercise. Fitness robs the Dog of its power'. Based on their own experiences, Matthew and his wife Ainsley treat the subject of depression sympathetically, hopefully and, most importantly, humorously.
