Wheels of Change-Sue Macy 2017-02-07 Explore the role the bicycle played in the women's liberation movement.

Spanish for Children-Julia Kraut 2009-03-31 Imagine having an energetic and passionate Spanish teacher walk right into your home and sit down to teach your students. That can virtually happen when children learn with Spanish for Children author Julia Kraut on the corresponding DVD and Chant CD set. Pronunciation will become a breeze and don't be surprised to hear even your youngest children picking up the catchy chants and songs. Each lesson (average length 15 minutes), corresponds to the weekly chapter in the Primer, and features Julia and her students chanting their weekly grammar charts and vocabulary, with visual images of the words. Following the vocabulary lesson, Julia Kraut carefully and thoroughly explains Spanish grammar, with the goal of teaching students to create their own sentences, and express exactly what they need to say, rather than simply mimicking common phrases.

The Code Book-Simon Singh 2011-01-26 In his first book since the bestselling Fermat's Enigma, Simon Singh offers the first sweeping history of encryption, tracing its evolution and revealing the dramatic effects codes have had on wars, nations, and individual lives. From Mary, Queen of Scots, trapped by her own code, to the Navajo Code Talkers who helped the Allies win World War II, to the incredible (and incredibly simple) logistical breakthrough that made Internet commerce secure, The Code Book tells the story of the most powerful intellectual weapon ever known: secrecy. Throughout the text are clear technical and mathematical explanations, and portraits of the remarkable personalities who wrote and broke the world's most difficult codes. Accessible, compelling, and remarkably far-reaching, this book will forever alter your view of history and what drives it. It will also make you wonder how private that e-mail you just sent really is.

The Most Dangerous Game-Richard Connell 2020-04-21 From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired the movie The Hunt. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale “has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill” (The Telegraph). “[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted.” —Criterion

The Good Garden-Katie Smith Milway 2020-04-07 Maria’s family are poor Honduran farmers, growing barely enough to eat. Then a new teacher comes to town and shows Maria sustainable farming practices that yield good crops. An inspiring story, based on actual events, that shows us how farms and hopes are transformed as good gardens begin to grow.

College Prep Algebra-Ron Larson 2015

Enrique's Journey-Sonia Nazario 2007-01-02 An astonishing story that puts a human face on the ongoing debate about immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more—the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject.

Enrique's Journey recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: “This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one.” Praise for Enrique’s Journey “Magnificent . . . Enrique’s Journey is about love. It’s about family. It’s about home.”—The Washington Post Book World “[A] searing report from the immigration frontlines . . . as harrowing as it is heartbreaking.”—People (four stars) “Stunning . . . As an adventure narrative alone, Enrique’s Journey is a worthy read. . . . Nazario’s impressive piece of reporting [turns] the current immigration controversy from a political story into a personal one.”—Entertainment Weekly “Gripping and harrowing . . . a story begging to be told.”—The Christian Science Monitor “[A] prodigious feat of reporting . . . [Sonia Nazario is] amazingly thorough and intrepid.”—Newsday

The Play of Daniel Keyes' Flowers for Algernon-Bert Coules 1993 This is a powerful dramatisation of Daniel Keyes's perceptive and sad novel. Charlie is a retarded adult who desperately wants to be able to read and write. He undergoes a brain operation which increases his intelligence. Yet such an operation begs many questions--can Charlie's emotional development keep pace with the intellectual? How do the psychiatrists and psychologists view Charlie--as a man or as the subject of an experiment like the mouse, Algernon? And the biggest question of all--will the operation be successful?

Into the Wild-Jon Krakauer 2009-09-22 In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. His name was Christopher Johnson McCandless. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and , unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interst that borders on obsession, he searches for the clues to the dries and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity , and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page. From the Trade Paperback edition.

Angela's Ashes-Frank McCourt 1996 The author recounts his childhood in Depression-era Brooklyn as the child of Irish immigrants who decide to return to worse poverty in Ireland when his infant sister dies. 40,000 first printing. \$35,000 ad/promo. First serial, The New Yorker.

Seedfolks-Paul Fleischman 2013-07-30 ALA Best Book for Young Adults • School Library Journal Best Book • Publishers Weekly Best Book • IRA/CBC Children's Choice • NCTE Notable Children's Book in the Language Arts A Vietnamese girl plants six lima beans in a Cleveland vacant lot. Looking down on the immigrant-filled neighborhood, a Romanian woman watches suspiciously. A school janitor gets involved, then a Guatemalan family. Then muscle-bound Curtis, trying to win back Lateesha. Pregnant Maricela. Amir from India. A sense of community sprouts and spreads. Newbery-winning author Paul Fleischman uses thirteen speakers to bring to life a community garden's founding and first year. The book's short length, diverse cast, and suitability for adults as well as children have led it to be used in countless one-book reads in schools and in cities across the country. Seedfolks has been drawn upon to teach tolerance, read in ESL classes, promoted by urban gardeners, and performed in schools and on stages from South Africa to Broadway. The book's many tributaries—from the author's immigrant grandfather to his adoption of two brothers from Mexico—are detailed in his forthcoming memoir, No Map, Great Trip: A Young Writer's Road to Page One. "The size of this slim volume belies the profound message of hope it contains." —Christian Science Monitor And don't miss Joyful Noise: Poems for Two Voices, the Newbery Medal-winning poetry collection!

Because of Winn-Dixie-Kate DiCamillo 2009-09-08 A classic tale by Newbery Medalist Kate DiCamillo, America's beloved storyteller. One summer's day, ten-year-old India Opal Buloni goes down to the local supermarket for some groceries – and comes home with a dog. But Winn-Dixie is no ordinary dog. It's because of Winn-Dixie that Opal begins to make friends. And it's because of Winn-Dixie that she finally dares to ask her father about her mother, who left when Opal was three. In fact, as Opal admits, just about everything that happens that summer is because of Winn-Dixie. Featuring a new cover illustration by E. B. Lewis and an excerpt of Kate DiCamillo's newest novel, Raymie Nightingale.

Saxon Algebra 1-Saxon Publishers 2008 Algebra 1 covers all the topics in a first-year algebra course and builds the algebraic foundtion essential for all students to solve increasingly complex problems.
