Michael Gear and Kathleen O'Neal Gear take us to the Chesapeake Bay of six hundred years ago, when the unprovoked and brutal murder of a young woman on the eve of her wedding threatens to turn the entire Algonquin Nation against itself in a brutal war that could destroy them as a people. No ordinary woman, Red Knot was the heir to the Greenstone Clan and the future leader of the independent villages. Her death has shattered all alliances and left a power void that several ambitious clan chiefs see as their destiny to fill. The very air vibrates with the drums and war cries of the rallying warriors. Into the eye of this brewing storm steps the bitter old man they call *The Panther*. Feared as a sorcerer, *The Panther* is the only one with the power to demand to be heard by all. The Singing Sword-Jack Whyte 2002-05-17 We know the legends: Arthur brought justice to a land that had known only cruelty and force; his father, Uther, carved a kingdom out of the chaos of the fallen Roman Empire; the sword *Excalibur*, drawn from stone by England's greatest king. But legends do not tell the whole tale. Legends do not tell of the despairing Roman soldiers, abandoned by their empire, faced with the choice of fleeing back to Rome, or struggling to create a last stronghold against the barbarian onslaughts from the north and east. Legends do not tell of Arthur's great-grandfather, Publius Varrus, the warrior who marked the boundaries of a reborn empire with his own

shed blood; they do not tell of Publius's wife, Luceia, British-born and Roman-raised, whose fierce beauty burned pale next to her passion for law and honor. With *The Camulod Chronicles*, Jack Whyte tells us what legend has forgotten: the history of blood and violence, passion and steel, out of which was forged a great sword, and a great nation. The Singing Sword continues the gripping epic begun in *The Skystone*: As the great night of the Dark Ages falls over Roman Britain, a lone man and woman fight to build a last stronghold of law and learning—a crude hill-fort, which one day, long after their deaths, will become a great city . . . known as Camelot. Sun Born-W. Michael Gear 2016-10-18 An old enemy has returned to Cahokia with vengeance in his heart. Will the empire's living god choose to save his city? A thousand years ago, the mighty Cahokian civilization dominated the North American continent. At the heart of the empire stood a vast city, teeming with tens of thousands of residents, traders, and travelers. The city of Cahokia sent settlers and priests throughout the continent, from Wisconsin to the Gulf of Mexico, carrying word of the power of their gods. People who wouldn't bow to that power were conquered or slaughtered. Power rested in one being, Morning Star, a god resurrected in the body of a living man. A new threat has come to the city, emissaries from a civilization that rivals and perhaps even surpasses that of Cahokia. It soon becomes apparent to the gods-possessed Lady Night Shadow Star, human sister of Morning Star, that her people could be conquered by this technologically advanced culture. With the fate of their cosmos as a wager, the people of Cahokia are faced with a battle between the gods. Morning Star is unwilling—or unable—to fight to defend his people. Who then, will save them? 1356-Bernard Cornwell 2013-01-08 Bernard Cornwell, the "master of martial fiction" (Booklist), brings Thomas of Hookton from the popular Grail Quest series into a new adventure in 1356, a thrilling stand-alone novel. On September 19, 1356, a heavily outnumbered English army faced off against the French in the historic Battle of Poitiers. In 1356, Cornwell resurrects this dramatic and bloody struggle—one that would turn out to be the most decisive and improbable victory of the Hundred Years' War, a clash where the underdog English not only captured the strategic site of Poitiers, but the French King John II as well. In the vein of Cornwell's bestselling *Agincourt*, 1356 is an action-packed story of danger and conquest, rich with military strategy and remarkable characters—both villainous and heroic—transporting readers to the front lines of war while painting a vivid picture of courage, treachery, and combat.

Empire of Silver-Jin Xu 2021-02-23 An award-winning scholar and teacher explores how Shakespeare's greatest characters were built on a learned sense of empathy While exploring Shakespeare's plays with her students, Paula Marantz Cohen discovered that teaching and discussing his plays unlocked a surprising sense of compassion in the classroom. In this short and illuminating book, she shows how Shakespeare's genius lay with his ability to arouse empathy, even when his characters exist in alien contexts and behave in reprehensible ways. Cohen takes her readers through a selection of Shakespeare's most famous plays, including *Hamlet*, *Othello*, *King Lear*, and *The Merchant of Venice*, to demonstrate the ways in which Shakespeare thought deeply and clearly about how we treat "the other." Cohen argues that only through close reading of Shakespeare can we fully appreciate his empathetic response to race, class, gender, and age. Wise, eloquent, and thoughtful, this book is a forceful argument for literature's power to champion what is best in us.

War of the Wolf-Bernard Cornwell 2018-10-02 Bernard Cornwell's epic story of the making of England continues in this eleventh installment in the bestselling Saxon Tales series—"like *Game of Thrones*, but real" (The Observer)—the basis of the hit Netflix television series *The Last Kingdom*. His blood is Saxon His heart is Viking His battleground is England "Perhaps the greatest writer of historical adventure novels today" (Washington Post), Bernard Cornwell has dazzled and entertained readers and critics with his page-turning bestsellers. Of all his protagonists, however, none is as beloved as Uhtred of Bebbanburg. The old enemy comes from Wessex where a dynastic struggle will determine who will be the next king. In this new chapter of the Saxon Tales series—a rousing adventure of courage, treachery, duty, devotion, majesty, love and battle, as seen through the eyes of a warrior straddling two worlds—Uhtred returns to fight once again for the destiny of England.

The Kingdom of Jerusalem, also known as Outremer, is the land far beyond the sea. Baptized in blood when the men of the First Crusade captured Jerusalem from the Saracens in the early twelfth century, the kingdom defined an utterly new world, a land of blazing heat and a medley of cultures, a place where enemies were neighbors and neighbors became enemies. At the helm of this growing kingdom sits young Baldwin IV, an intelligent and courageous boy committed to the welfare and protection of his people. But despite Baldwin's dedication to his land, he is afflicted with leprosy at an early age and the threats against his power and his health nearly outweigh the risk of battle. As political deception scours the halls of the royal court, the Muslim army--led by the first sultan of Egypt and Syria, Saladin--is never far from the kingdom's doorstep, and there are only a handful Baldwin can trust, including the archbishop William of Tyre and Lord Balian d'Ibelin, a charismatic leader who has been one of the few able to maintain the peace. Filled with drama and battle, tragedy and romance, Sharon Kay Penman's latest novel brings a definitive period of history vividly alive with a tale of power and glory that will resonate with readers today.
