A Barker Family Christmas-Juliana Stone 2018 Spending Christmas with the Barker triplets just might be the craziest idea ever... Christmas in New Waterford might never be the same again. With Shane and Bobbi on the outs, Logan and Billie adjusting to sleepless nights and a baby who's now mobile, things are bad enough. But with newly minted Hollywood superstar, Betty, planning a wedding in town, the potential for disaster is high. Their gramps has been sidelined by a fall and their father is ailing, so can these triplets get it together—and more importantly—get along? Or will they kill each other before the turkey is served? It just might take a miracle for them to survive the holidays without any injuries. With Matt Hawkins and a Simon or two along for the ride, this Christmas will be full of tears, laughs, reflection—and if Betty has her way—a wedding.

Leah's Journey-Gloria Goldreich 2012-05-17 Winner of the National Jewish Book Award of 1979, this classic novel of love and war is now available in ebook format for the first time! Violence shattered her golden world, and Leah's journey began... It swept her from the burning villages of old Russia to the tenements of New York, from the glittering showrooms of Paris to the settlements of war-torn Israel. It brought her marriage to a man who yearned for her sweet, denied love - and passion for a man who yearned only for danger. It gave her a son born of shame, and a daughter born to destiny. It tested her love in the shadow of the Depression and the hell of the Nazi fury... And then Leah's journey brought her home.

Letters to Dr. Wiggly-Ellen Krumholz Mandel 2016-12-02 When Ellen Mandel's friend underwent a double mastectomy for stage-two breast cancer, she needed all the support she could get. Ellen, ever caring, answered the call. Some send flowers to sick friends. Others (Ellen included) send teddy bears. But no one needs as many teddy bears as Ellen delivered, no matter how ridiculous their costumes might be. Realizing her friend was in danger of disappearing beneath an avalanche of plush toys, Ellen switched tactics and began sending funny stories instead. A cross between a clumsy Calamity Jane (yes, you read that right) and Gracie Allen, Ellen had plenty of material for her hilarious, life-affirming vignettes. She wrote of her wonderful (if slightly crazy) family and the trials of growing up as a young baby boomer. She sent reports on the antics of her grandchildren and her own attempts to survive as a self-confessed "technological imbecile" in the modern world. Mostly, she just made her friend laugh. Letters to Dr. Wiggly collects Ellen's tales into one funny, poignant, and always-loving collection. Walk a few miles in Ellen's shoes-the road's sometimes rocky, but the trip's always hilarious.

Zompoc Survivor-Ben Reeder 2015-07-24 Dave Stewart has survived the inferno of Kansas City and come out the other side. To the rest of the world his fate is uncertain, and by now even Agent Keyes knows better than to assume he's dead. As Keyes and his rogue DHS agents continue their search for him, Dave knows that Plan A, as usual, won't work. His only chance is to keep moving until he can find a safe way to make contact with Nate Reid and figure out his next move. As Dave's odyssey across a zombie infested America continues, he encounters the best and the worst in his fellow survivors. He will find new allies, learn more about the true nature of the Asura virus, and his role in even bigger designs than he ever imagined. But, in a land filled with enemies both living and dead, is all the skill, wit and courage in the world enough to help him survive? Or will this be Dave Stewart's last journey?

Switch Back-Steve K. S. Grey 2015-10-28 For Steve Grey growing up, abuse and uncertainty was all he ever knew. Pulled out of a difficult family upbringing when he was only a child, Steve jumped from children's home to children's home, rarely ever escaping the after-effects of the trauma that defined much of his early years. Unfortunately, the type of suffering Grey endured doesn't just get to be wiped away, as Switch Back examines how his childhood abuse also manifested itself in his adult life in ways he could have never imagined. In a personal collection of memoirs, Grey recites the most pivotal moments of his challenging upbringing, focusing on the developments that occurred from childhood, and the reverberations that are still felt to this very day. Through musings and reflections, the heart-breaking story of Switch Back delves into some of the darkest times of Grey's life, yet the optimism in which these traumatic episodes are discussed makes for a truly inspirational tale of personal drive and discovery. With Switch Back, author Steve Grey dives deep into harrowing personal experiences, offering insight for those who may have suffered through similar episodes. While difficult to overcome at the time, Grey has since moved past the memories that haunted him in much of his developing life, with a new-found goal to use those same experiences to make sure abuse like this never happens again. With this novel, Grey offers a hand to anyone who has found themselves in a similar situation, primed with one key message in particular: you are not alone.

Comrade Obama and the "Che" Francisco-Julio Camino 2016-06-09 Was it foreseeable in twentieth century, that a communist militant trained in the "cadre schools" of the belligerent American left, would ever be president of this country? And that a Catholic bishop and adherent to the "Theology of Liberation" would come to sit on the throne of St. Peter in Rome? Or was it predictable that there would be a flourishing capitalist economy in Red China's south, dominated by the Communist Party? Or Russian President identified with the cultural values of Western and Christian heritage, even as the West has been an enemy to Russia as nation? However, all of this has happened in the twenty first century. Because the West has abandoned its principles and values, building on old classic economic Marxism, today reinforced with terrible "cultural Marxism." Find out about these events, unpredictable until just a few years ago. Read this book, and share it with your family, friends and acquaintances.

Family Secrets-Carolyn Digh Griffin 2017-04-20 Faith Simpson, a New York Police Department detective, grew up in North Carolina and was summoned back to her little hometown of Mint Hill for the reading of her great-aunt's will and to settle her estate. Faith's parents were tragically killed in a car accident when she was a child. Because there were no living relatives other than her great-aunt, she went to live with her at O'Gallagher Estate in the little town of Mint Hill. There she experienced isolation, mental abuse, and loneliness. Her only contact with the outside world was her friends at school. Because of the stipulations and demands of the will, Faith was forced to resign her position as a police officer and remain at her Aunt Irma's huge estate. The entire storyline revolves around a secret her parents and her great-aunt hid from her. That skeleton in Faith's closet involved her true parentage, a murder, and years of deceit and greed. Her quest for the truth took her across the Atlantic Ocean to Ireland to unravel the mystery of her life. Through Forrest Strongbow, a handsome young Native American man, and other friends, she was able to confront her problems. As a result, her faith in God was renewed and strengthened.
