Thinking Outside the Girl Box-Linda Spatig 2014-01-06 Thinking Outside the Girl Box is a true story about a remarkable youth development program in rural West Virginia. Based on years of research with adolescent girls — and adults who devoted their lives to working with them — Thinking Outside the Girl Box reveals what is possible when young people are challenged to build on their strengths, speak and be heard, and engage critically with their world. Based on twelve years of field research, the book traces the life of the Lincoln County Girls' Resiliency Program (GRP), a grassroots, community nonprofit aimed at

helping girls identify strengths, become active decision makers, and advocate for social change. In the late 1990s and early 2000s, the GRP flourished. Its accomplishments were remarkable: girls recorded their own CDs, published poetry, conducted action research, opened a coffeehouse, performed an original play, and held political rallies at West Virginia's State Capitol. The organization won national awards, and funding flowed in. Today, in 2013, the programming and organization are virtually nonexistent. Thinking Outside the Girl Box raises pointed questions about how to define effectiveness and success in community-based programs and provides practical insights for anyone working with youth. Written in an accessible, engaging style and drawing on collaborative ethnographic research that the girls themselves helped conduct, the book tells the story of an innovative program determined to challenge the small, disempowering "boxes" girls and women are so often expected to live in.

Box Girl-Sarah Withrow 2014-06-06 Gwen's mother ran away five years ago. Now Gwen is receiving postcards from her that promise a reunion -- postcards with French stamps and no return address. But then Gwen meets Clara, the new girl in the grade eight class, who behaves oddly and is determined to befriend Gwen. But, even though Gwen is drawn to her, the more she finds out about Clara's life, the less she wants to tell about her own. In Gwen and Clara, Sarah Withrow has created two utterly believable thirteen-year-olds who struggle to sort out their place with friends, school and family.

Box Girl-Lilibet Snellings 2014-03-18 A whip-smart account of the author's turbulent 20s, told in a "self-effacing and wryly humorous young voice in the tenor of Sloan Crosley and Lena Dunham" (Booklist). When 22-year-old Lilibet Snellings moved to Los Angeles on a whim, she unintentionally became a "slash" to keep her head above water—a writer/waitress/actress/Box Girl. One night each week, Lilibet would go to The Standard Hotel in West Hollywood, don a pair of white boy shorts with a matching tank, touch up her lip gloss, and crawl into a giant glass case behind the front desk. There, she could do whatever she wanted—check email, catch up on reading, even sleep—as long as she ignored the many hotel guests who would point and ask the staff, "Is she allowed to use the bathroom?" (Yes.) Dog-paddling through her twenties, Snellings resisted financial bailouts (for the most part) from her parents, while pondering her peculiar position as a human art installation. Was she a piece of art or a piece of ass? Was she allowed to read both Walt Whitman and US Weekly as she lounged in an oversized, waterless aquarium behind a hotel concierge desk? From misinterpreting a modeling agency interview as a talent audition, to avoiding Bond-girl-style deaths at New Year's Eve parties, Snellings shares and laughs at her many mishaps while living in LA. "One part Joan Didion, one part Holly Golightly, Lilibet Snellings has given us, in Box Girl, a hilarious and utterly original account of coming of age in L.A." —Dana Goodyear

Pride of Family-Carole Ione 2007-12-18 “From the moment I read the words [my great-grandmother] Frances Anne Rollin wrote in Boston on January 1, 1868—“The year renews its birth today with all its hopes and sorrows”—she became my beacon, the foremother who would finally share with me our collective past . . . —From the Preface Originally published to rave reviews, *Pride of Family* is the dazzling true story of an upper middle-class African American clan—and four generations of extraordinary women. Carole Ione, rebel daughter from a long line of rebel daughters, traces her heritage from her mother, Leighla, a sad and lovely journalist, actress, and composer; to glamorous grandmother Be-Be, the popular restaurateur and former showgirl; to upright great-aunt Sistonie, one of Washington’s first black female physicians; and, finally, to great-grandmother Frances Anne Rollin, the indomitable feminist-abolitionist. It is through her great-grandmother’s brilliant diaries that Ione finds enlightenment—a deep connection to the women she cherishes and the proud, glorious history they share.

Colleen Stan: The Simple Gifts of Life-Jim B. Green 2009-03-02 Throughout my captivity, I was never told what was going to happen next or why. This lack of knowledge was used by Master to maintain a continuous element of fear and control over me. Anytime I was taken out of the box, I never knew what to expect. Fear of the unknown was always with me as I was kept in the dark both physically and mentally. This lack of knowledge may have been a good thing in one sense. If I had known the length of my entombment after returning from Riverside, I'm not sure I would have survived. Of course, I'm not sure

even Master knew how long he was going to keep me in the box. A few days passed then a few more. Then weeks passed followed by months. Months slowly turned into years. I would spend the next three years of my life (1981-1984) in the box sleeping, dreaming, and praying. I have to assume my lengthy confinement in the box came about because Master was concerned he had given me too much freedom. Maybe he felt he was losing control of his slave. Too many neighbors had seen me, and questions about my status in the Hooker household were surely to arise. A fast thinking family member in Riverside may have copied down his vehicle tag number. What if the police knocked on his door one day looking for Colleen Stan? What if they searched the mobile home? Would anyone think to look under a waterbed for the girl in the box? Master wanted to keep me out of sight until the heat had passed. The other reason for putting me into storage was Ma'am. I'm sure she wanted me out of her life, out of her children's lives, and out of her husband's life. Master was not ready to let his slave go. Cloistering was the only answer. My daily routine soon became predictive as I was allowed out late in the evening after the girls had gone to bed. I emptied my bedpan, drank a large glass of water, and ate cold leftovers in the front bathroom. Sometimes the leftovers were true leftovers that had been out all day and the family didn't want.

Thinking Out of the Box: Unconventional Psychotherapy-Seymour Hoffman 2015-02-13 The author, a clinical psychologist who has worked in a variety of mental health facilities in the U.S. and Israel for over half a century, has shared with us in this book case studies of unconventional psychological treatment interventions such as the use of "phantom" consultants, clergymen, humor and a projective test, in dealing with challenging cases. Several articles present innovative approaches to supervision and the creative use of a mobile chair in therapy. The interventions and rationale of the treatment of the patients, that include both adults and children with a variety of pathologies and symptoms in different formats, are clearly presented. Some unconventional ideas and suggestions presented in the book, such as the dialectical cotherapy treatment approach and the use of a mobile chair in the treatment room, may possibly startle and shock the conventional therapist. Several of the articles were previously published in professional journals in the U. S., UK and Israel and slightly revised. It is hoped that this volume will encourage greater open-mindedness, flexibility and creativity on the part of clinical psychology students, trainees, beginning and seasoned psychotherapists, and expand their armamentarium of psychological tools,

Random Family-Adrian Nicole LeBlanc 2012-10-23 Random Family tells the American outlaw saga lurking behind the headlines of gangsta glamour, gold-drenched drug dealers, and street-corner society. With an immediacy made possible only after ten years of reporting, Adrian Nicole LeBlanc immerses the reader in the mind-boggling intricacies of the little-known ghetto world. She charts the tumultuous cycle of the generations, as girls become mothers, mothers become grandmothers, boys become criminals, and hope struggles against deprivation. Two romances thread through Random Family: the sexually charismatic nineteen-year-old Jessica's dizzying infatuation with a hugely successful young heroin dealer, Boy George, and fourteen-year-old Coco's first love with Jessica's little brother, Cesar, an aspiring thug. Fleeing from family problems, the young couples try to outrun their destinies. Chauffeurs whisk them to getaways in the Poconos and to nightclubs. They cruise the streets in Lamborghinis and customized James Bond cars. Jessica and Boy George ride the wild adventure between riches and ruin, while Coco and Cesar stick closer to the street, all four caught in a precarious dance between life and death. Friends get murdered; the DEA and FBI investigate Boy George's business activities; Cesar becomes a fugitive; Jessica and Coco endure homelessness, betrayal, the heartbreaking separation of prison, and throughout it all, the insidious damage of poverty. Together, then apart, the teenagers make family where they find it. Girls look for

Both find that love is the only place to go. A gifted prose stylist and a profoundly compassionate observer, Adrian Nicole LeBlanc has slipped behind the cold statistics and sensationalism surrounding inner-city life and come back with a riveting, haunting, and true urban soap opera that reveals the clenched grip of the streets. *Random Family* is a compulsive read and an important journalistic achievement, sure to take its place beside the classics of the genre.

The one and only Fannie Flagg, beloved author of Fried Green Tomatoes at the Whistle Stop Cafe, Can't Wait to Get to Heaven, and I Still Dream About You, is at her hilarious and superb best in this new comic mystery novel about two women who are forced to reimagine who they are. Mrs. Sookie Poole of Point Clear, Alabama, has just married off the last of her daughters and is looking forward to relaxing and perhaps traveling with her husband, Earle. The only thing left to contend with is her mother, the formidable Lenore Simmons Krackenberry. Lenore may be a lot of fun for other people, but is, for the most part, an overbearing presence for her daughter. Then one day, quite by accident, Sookie discovers a secret about her mother's past that knocks her for a loop and suddenly calls into question everything she ever thought she knew about herself, her family, and her future. Sookie begins a search for answers that takes her to California, the Midwest, and back in time, to the 1940s, when an irrepressible woman named Fritz takes on the job of running her family's filling station. Soon truck drivers are changing their routes to fill up at the All-Girl Filling Station. Then, Fritz sees an opportunity for an even more groundbreaking adventure. As Sookie learns about the adventures of the girls at the All-Girl Filling Station, she finds herself with new inspiration for her own life. Fabulous, fun-filled, spanning decades and generations, and centered on a little-known aspect of America's twentieth-century story, The All-Girl Filling Station's Last Reunion is another irresistible novel by the remarkable Fannie Flagg. "A big part of writing involves grappling with the terrors and discouragements that come when you have writing skills but can't project yourself or your work into the future," says Rember. "My hope is that MFA in a Box will help writers balance the despair of writing with the joy of writing. It's a book designed to help you to find the courage to put truth into words and to understand that writing is a life-and-death endeavor -- but that nothing about a life-and-death endeavor keeps it from being laugh-out-loud funny."
