The Fallen Stone-Terri McFaddin-Solomon 2015-01-08 "This is a God-inspired read filled with deep, rich insights. It is fast paced, entertaining and thoughtful. I know first hand that as a creative writer, Terri is a never-ending source of God-ideas." Philip Bailey, Lead singer, Earth, Wind and Fire "The FALLEN STONE reaffirms Terri McFaddin-Solomon as a creative poet. This story is filled with sound teaching woven into an allegorical tale of faith and restoration." Bishop Joseph L. Garlington, Sr. Presiding Bishop Reconciliation - International Network of Churches and Ministries WHEN YOU HIT ROCK BOTTOM, THERE'S NO PLACE TO GO BUT UP! Peak was once a proud mountaintop, but after facing a series of brutal storms he ends up at rock bottom in broken pieces. As Peak

struggles to overcome bitterness and renew his faith, he discovers that, even after being reduced to a small, insignificant stone, God has called him to a powerful purpose that will be remembered for generations to come.

Wisconsin Birdlife-Samuel D. Robbins 1991 As initially planned in 1939 by Owen J. Gromme, then curator of birds at the Milwaukee Public Museum, Wisconsin Birdlife would not only describe and document every species of bird known to have visited this state, but would also depict each species with his own original paintings. During the next two decades, Gromme concentrated primarily on the latter, resulting in the separate publication in 1963 of his now classic Birds of Wisconsin. Work on the present volume was assumed in the late 1960s by Samuel D. Robbins, whose labors of more than 20 years give us a veritable encyclopedia of the state's ornithological knowledge. A complement and supplement to field guides, picture books, and recordings, the book is designed to enlarge the reader's understanding and appreciation of statewide history, abundance, and habitat preference of every species reliably recorded in Wisconsin. The volume opens with a summary of the ornithological history of the state and an exposition of its ecological setting. The heart of Wisconsin Birdlife ensues: detailed accounts of nearly 400 species, with information on status (population and distribution), habitat, migration dates, breeding data, and wintering presence, followed by extensive discussion and commentary. Dr. James Hall Zimmerman, Senior Lecturer in Landscape Architecture at the University of Wisconsin-Madison, provides a special discussion of bird habitats for the book. In addition, Wisconsin Birdlife features a comprehensive status and seasonal distribution chart, a detailed habitat preference chart, and an exhaustive bibliography. The ultimate resource, Wisconsin Birdlife belongs within easy reach of everyone from armchair appreciators and casual birdwatchers to ardent birders and professional ornithologists.

Fearless-Tracey Ward 2015-01-03 My name is Nick Carver and I have a superpower. Be jealous. Be very, very jealous. I've only begun to touch the edges of the power lying coiled inside of me. No one knows what I'm capable of. Of how far I can go, least of all me

That should scare me but it doesn't because let's be honest, nothing does. Not even the fact that I'm dying. Again. She saved me once before, I have every faith she can save us all now. If there's one thing in this world I wholeheartedly believe in, it's Alex. You're probably wondering how we got here. How we went from a frozen island halfway between Russia and a polar bear's butt to this deadly tropical paradise in French Polynesia. How we formed our gang of misfit, pissed-off superheroes that got us here. How after everything we've been through I've ended up right back where I started - gasping my last breathes alone in the cold. I'll gladly tell you, but listen close. Pay attention. I don't have a lot of time...

Sleepless-Tracey Ward 2013-08-14 My name is Alex Mills and I have a superpower. Don't be jealous, it sucks. I can't control it. My mind is a mutinous SOB that takes over when I go to sleep. I'm just a girl trying to get some shut eye while it decides to throw a rager that can land me just about anywhere in the world. The base of the Eiffel Tower. The shore on the coast of Ireland. The third baseline at Wrigley Field. Sounds exciting and fun right? Wrong. My not so superpower is unpredictable, uncontrollable and annoying as hell. It's also how I met Nick. Every cloud has a silver lining. Nick is mine. Nick is extraordinary as well. He can't feel fear. Never has, never will. It's worked out for him enlisting in the military, but where it's not helpful is with his social skills. Nick is cold, distant and apathetic. He's also my hero. And if he's to be believed, I'm his. I first met him when he died and that wasn't even the weirdest moment of our relationship. Neither is this moment here and now, trapped together in an island prison on the Behring Sea. It's a long, strange story between his death and this prison. One full of sheep, docks, Jabberwocks and a very special stone. I could tell it to you if you'd like to hear it. I've got time...

Afraid to Fly-S. L. Jennings 2015-06-02 Dominic Trevino had been called a lot of things. Manwhore. Womanizer. Slut. But he was most notoriously known as Dirty Dom. Because that was who he was...for the most part. It just wasn't all he was. His tortured past was as stained as his licentious reputation, and that was exactly how he'd designed it. It was the only way he knew how to cope with the ghosts that still kept him caged in horror and self-loathing. But the day Raven came tearing into his life-her temper as hot as her teeny tiny shorts-he knew he could never be placated with faceless hook-ups again. Still, he couldn't let her see who-and what-he really was inside. Raven freed him from his past...freed him from his pain. She saved him. Even though she didn't believe he was even worth saving. From the author of New York Times bestseller, *Fear of*

Falling, comes a full-length, spin-off standalone about unbreakable friendships, the power of healing, and learning to love through forgiveness.
