Hard-Core Romance-Eva Illouz 2014-05-22 From its beginnings in Twilight fan-fiction to its record-breaking sales as an e-book and paperback, the story of the erotic romance novel Fifty Shades of Grey and its two sequels is both unusual and fascinating. Having sold over seventy million copies worldwide since 2011, E. L. James's lurid series about a sexual ingénue and the powerful young entrepreneur who introduces her to BDSM sex has ingrained itself in our collective consciousness. But why have these particular novels--poorly written and formulaic as they are--become so popular, especially among women over thirty? In this concise, engaging book, Eva Illouz subjects the Fifty Shades cultural phenomenon to the serious scrutiny it has been begging for. After placing the trilogy in the context of best-seller publishing, she delves into its remarkable appeal, seeking to understand the intense reading pleasure it provides and how that resonates with the structure of relationships between men and women today. Fifty Shades, Illouz argues, is a gothic romance adapted to modern times in which sexuality is both a source of division between men and women and a site to orchestrate their reconciliation. As for the novels' notorious depictions of bondage, discipline, and sadomasochism, Illouz shows that these are as much a cultural fantasy as a sexual one, serving as a guide to a happier romantic life. The Fifty Shades trilogy merges romantic fantasy with self-help guide--two of the most popular genres for female readers. Offering a provocative explanation for the success and popularity of the Fifty Shades of Grey novels, Hard-Core Romance is an insightful look at modern relationships and contemporary women's literature.

Filthy Shades of Gray-Steve Roach 2014-07-18 FILTHY SHADES OF GRAY a.k.a. The Pervert and the Slag When Anna helps her best friend Kit by interviewing local high-flying fruit stall owner Chris Gray, the last thing she expects is to become embroiled in a filthy new relationship based almost entirely on perverted sex. But this is exactly what happens. As Anna copes with the rather mundane life-tasks of finishing college, moving to a new flat and attempting to find a job, she embarks upon a series of escalating sexual encounters involving her disgusting new boyfriend and his outrageous sexual appetites. 'Filthy Shades of Gray' is a ripping piss-take of the wildly popular 'Fifty Shades of Grey', and will appeal to fans of the original (and also to those that couldn't bring themselves to read it). Reviews for the Kindle Version: I found this parody to be absolutely hilarious. There is a scene at the beginning of chapter 2 that had me about ready to have a stroke I was laughing so hard. AMAZON US REVIEW I read this book because I love a good parody, and I wasn't disappointed. Some of the more graphic passages were pretty out there, but all in all a great effort from Mr. Roach. I'll be first in line to read his sequels. AMAZON US REVIEW I am a broad minded avid reader of all sorts of weird books but this book is as disturbing as the film a clockwork orange was when it came out years ago.... the dangerous work of a seriously warped mind. AMAZON UK REVIEW For the most part I found this book filthy, disgusting and hilarious. However, as the book went on I found the filthy and disgusting content went from funny to making me sick in my mouth. AMAZON UK REVIEW I cried with laughter, this book was IMO HILARIOUS....until I hit chapter 16. Then the laughter stopped! I found it shocking, disturbing and in some parts couldn't believe what I was reading. AMAZON UK REVIEW

Fifty Shades of Grass-L.O.L. James 2012-11-01 Christina is trying to use Dave’s love of sport to get him into bed, but of course he has no clue and is just “stoked” he’s found a girl who adores talking about bouncers, behinds, and superb ball handling as much as he does. Fifty Shades of Blokes is a series for us guys who just don't get all the fuss about this Fifty Shades malarkey. When handyman, Dave Woode, does some weekend work for young entrepreneur, Christina Grey, he encounters a woman who is beautiful, brilliant, and desperate to try out a 'bit of rough'. The unworldly, innocent Dave - like almost every man before him - has no idea what’s going on, and believes Christina simply shares his passions for sports, DIY and gardening. The series follows the young couple as they embark on a passionate, double-entendre filled exploration of balls, power tools and spreading a bit of seed around. With every story written the way men would like it - incredibly short - the Fifty Shades of Blokes trilogy won't 'possess you' or 'obsess you', but it is quite obviously a parody that will leave you asking: • How do men and women ever get together? • How many men are really as simple as Dave? • What does it say about our sex lives when 'the real books' sell a million copies a week? N.B. This series is intended for immature audiences.
