Day by Day Armageddon: Grey Fox-J.L. Bourne 2013-10-09 Time is a very fluid thing; no one really has a grasp on it other than maybe how to measure it. As the maestro of the Day by Day Armageddon Universe, I have the latitude of being in control of that time. I can adjust the slider either direction, moving the timeline back and forth along the continuum. This is one of the perks of creation, the benefit in constructing something (albeit small) from nothing. Sort of makes you wonder what the maestro of the universe is up to, no? You have again stumbled upon a ticket with service through the apocalyptic wastes, but this time the

train is a little bit older, a little more beat up, and maybe a little wiser. Keep your doors locked.

The Ghost Runner-Bill Jones 2013-03-05 The incredible, inspiring, and heartbreaking story of a phenomenal long-distance runner's race against insurmountable odds and his own demons. John Tarrant was one of the best runners the world has ever seen. With a strange, loping gate and a nearly fanatical determination, he dominated the field and crushed ultra-long distance records for 40 and 100 miles. As a teenage boxer in the 1950s, Tarrant received £17 payment for a match, a pittance that would haunt him for the rest of his life by compromising his amateur athlete status. He would spend his career fighting the rule that banned him from competing, gatecrashing races, and running without a number. Dubbed "the Ghost Runner," he would again and again defy the odds, making history without officially being recognized for his achievements. This is the captivating story of his lifelong struggle for victory, acceptance, and justice, from his difficult start as a poor child in WWII England to his fight to legitimize interracial races in Apartheid South Africa. Based on accounts from family, friends, and competitors and told with brutal honesty, Bill Jones uncovers one of the greatest untold sports stories of our time and documents the life of a man who simply would not be stopped. "Jones tells the story very well . . . restores his legend while revealing his very human frailties." —Kirkus Reviews

Ghost Boy-Martin Pistorius 2013-11-19 New York Times bestseller. They all thought he was gone. But he was alive and trapped inside his own body for ten years. In January 1988 Martin Pistorius, aged twelve, fell inexplicably sick. First, he lost his voice and stopped eating. Then he slept constantly and shunned human contact. Doctors were mystified. Within eighteen months he was mute and wheelchair-bound. Martin's parents were told an unknown degenerative disease left him with the mind of a baby and less than two years to live. Martin was moved to care centers for severely disabled children. The stress and heartache shook his parents' marriage and their family to the core. Their boy was gone. Or so they thought. Ghost Boy is the heart-wrenching story of one boy's return to life through the power of love and faith. In these pages, readers see: A parent's resilience. The consequences of misdiagnosis. Abuse at the hands of cruel caretakers. The unthinkable duration of Martin's mental alertness betrayed by his lifeless body. We also see a life reclaimed—a business created, a new love kindled—all from a wheelchair. Martin's emergence from his own darkness invites us to celebrate our own lives and fight for a better life for others.

An instant New York Times bestsellerAn instant IndieBound bestsellerThe #1 Kids' Indie Next PickA Walter Award winner Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death.

The Works of Thomas Goodwin: The work of the Holy Ghost in our salvation-Thomas Goodwin 1863

Mother Leakey and the Bishop-Peter Marshall 2008-10-09 Halloween 1636: sightings of the ghost of an old woman begin to be reported in the small English coastal town of Minehead, and a royal commission is sent to investigate. December 1640: a disgraced Protestant bishop is hanged in the Irish capital, Dublin, after being convicted of an 'unspeakable' crime. In this remarkable piece of historical detective work, Peter Marshall sets out to uncover the intriguing links between these two seemingly unconnected events. The result is a compelling tale of dark family secrets, of efforts to suppress them, and of the ways in which they finally come to light. It is also the story of a shocking seventeenth-century Church scandal which cast its shadow over religion and politics in Britain and Ireland for the best part of three centuries, drawing in a host of well known and not-so-well-known characters along the way, including Jonathan Swift, Samuel Taylor Coleridge, and Walter Scott. A fascinating story in its own right, Mother Leakey and the Bishop is also a sparkling demonstration of how the telling of stories is central to the way we remember the past, and can become part of the fabric of history itself.

Days in Mary Hill and the Parent Ghost-Stacy - Ann Vousden 2013-05-30 This is a delightful little tale about a ghost in a small village in the mountains of Jamaica, who wants to lend the children a helping hand, and can think of no better way to do it than to appear to them in the guise of a friend or neighbour, and impart the knowledge that they need at any particular time. We find, for instance, that the youngsters suddenly have a thorough knowledge of hurricane wind speeds and ocean currents, and along the way we are given a glimpse of village life and interactions between people.

Her Fearful Symmetry-Audrey Niffenegger 2009-10-06 Another brilliant, original and moving novel from the author of The Time Traveler's Wife. Julia and Valentina Poole are normal American teenagers — normal, at least, for identical “mirror” twins who have no interest in college or jobs or possibly anything outside their cozy suburban home. But everything changes when they receive notice that an aunt whom they didn't know existed has died and left them her amazing flat in a building by Highgate Cemetery in London. They feel that at last their own lives can begin ... but they have no idea that they've been summoned into a tangle of fraying lives, from the OCD-suffering crossword setter who lives above them to their aunt's mysterious and elusive lover who lives below them, and even to their aunt herself, who never got over her estrangement from the mother of the girls — her own twin — and who can't even seem to quite leave her flat.... From the Hardcover edition.

So... I Met a Ghost-Paul McAvoy 2013-10 When my parents split up I started drawing pictures of gravestones in a church near my dad's (I know it is weird, get over it), and here is where I met Beth. But I soon found that Beth was no ordinary girl, but she was in fact a ghost. I am not talking creepy ghost, the kind that puts a curse on you, but just an ordinary person really. I soon learned she was being chased by some nasty piece of work, and I soon realised there was only me who would be able to help her. Not only was I going to try to save her from her hunter, but also try to help her move on, go into the light, and all that. Not much to ask, seeing as I was a teenager, was it! In the process I would learn that the 'unknown' was pretty clear, and that some men can be more evil than anything conjured up by the wildest of imaginations. So... I met a Ghost is a sometimes creepy, sometimes funny short novel for young adults by author Paul McAvoy. A page-turner... you will not want to draw breath until the last page is read..
