Long Way Down-Jason Reynolds 2017-10-24 "An intense snapshot of the chain reaction caused by pulling a trigger." —Booklist (starred review) "Astonishing." —Kirkus Reviews (starred review) "A tour de force." —Publishers Weekly (starred review) A Newbery Honor Book A Coretta Scott King Honor Book A Printz Honor Book A Los Angeles Times Book Prize Winner for Young Adult Literature Longlisted for the National Book Award for Young People's Literature Winner of the Walter Dean Myers Award An Edgar Award Winner for Best Young Adult Fiction Parents' Choice Gold Award Winner An Entertainment Weekly Best YA Book of 2017 A Vulture Best YA Book of 2017 A BuzzFeed Best YA Book of 2017 An ode to Put the Damn Guns Down, this is New York Times bestselling author Jason Reynolds's electrifying novel that takes place in sixty potent seconds—the time it takes a kid to decide whether or not he's going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

The Literary Essay-Lucy Calkins 2013 This series of books is designed to help upper elementary teachers teach a rigorous yearlong writing curriculum. Blue Lipstick-John Grandits 2007-05-21 A 15-year-old girl named Jessie voices typical—and not so typical—teenage concerns in this unique, hilarious collection of poems. Her musings about trying out new makeup and hairstyles, playing volleyball and cello, and dealing with her annoying younger brother are never boring or predictable. Who else do you know who designs her own clothes and writes poetry to her cat? Jessie's a girl with strong opinions, and she isn't shy about sharing them. Her funny, sarcastic take on high school life is revealed through concrete poetry: words, ideas, type, and design that combine to make

pictures and patterns. The poems are inventive, irreverent, irresistible, and full of surprises—just like Jessie—and the playful layout and ingenious graphics extend the wry humor.

How It Feels to Be Colored Me-Zora Neale Hurston 2015-05-31 One of the most important essays about the African-American experience in the United States is Zora Neale Hurston's *How It Feels To Be Colored Me*, originally published in *The World Tomorrow* in May 1928. Hurston's was an original voice in the first half of the 20th century. As she reflects on her early childhood in an all-black Florida town, and her first experiences in later life feeling "different," Hurston largely focuses on the similarities we all share and on her own self-respect and identity. "Through it all, I remain myself." This short work is part of Applewood's "American Roots" series, tactile mementoes of American passions by some of America's most famous writers and thinkers.

Miller's unconventional approach dispenses with drills and worksheets that make reading a chore. Instead, she helps students navigate the world of literature and gives them time to read books they pick out themselves. Her love of books and teaching is both infectious and inspiring. The book includes a dynamite list of recommended "kid lit" that helps parents and teachers find the books that students really like to read.

The Spider and the Fly-Tony DiTerlizzi 2012 "'Will you walk into my parlour,' said the Spider to the Fly..." is easily one of the most recognized and quoted first lines in all of English verse. This enduring verse from Mary Howitt dates back to the nineteenth century, but its warning - to beware the wiles of flattery - remains today as relevant as ever. Now in its tenth year, celebrated artist Tony DiTerlizzi, drawing inspiration from his love of classic Hollywood horror movies of the 1920s and 1930s, shines a cinematic spotlight on Mary Howitt's warning, written to her own children about those who use sweet words to hide their not-so-sweet intentions. Snow Falling on Cedars-David Guterson 2009-08-17 He saw the soft cedars of San Pedro Island, its high, rolling hills, the low mist that lay in long streamers against its beaches, the whitecaps riffling its shoreline. The moon had risen already behind the island - a quarter moon, pale and indefinite, as ethereal and translucent as the wisps of cloud that travelled the skies. A fisherman is found dead in the net of his boat off the coast of a North American island. When a local Japanese-American man is charged with his murder, it becomes clear that what is at stake is more than one man's guilt. For on San Pedro, memories grow as thickly as cedar trees - memories of a charmed romance between a white boy and a Japanese girl. Above all, the island is haunted by what happened to its Japanese residents during the Second World War, when an entire community was sent into exile while its neighbours watched.

Foster's classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes, and contexts—that shows you how to make your everyday reading experience more rewarding and enjoyable. How to Read Literature Like a Professor helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate professional reader: the college professor. What does it mean when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. How to Read Poetry Like a Professor-Thomas C. Foster 2018-03-27 From the bestselling author of How to Read Literature Like a Professor comes this essential primer to reading poetry like a professor that unlocks the keys to enjoying works from Lord Byron to the Beatles. No literary form is as admired and feared as poetry. Admired for its lengthy pedigree—a line of poets extending back to a time before recorded history—and a ubiquitous presence in virtually all cultures, poetry is also revered for its great beauty and the powerful emotions it evokes. But the form has also instilled trepidation in its many admirers mainly because of a lack of familiarity and knowledge. Poetry demands more from readers—intellectually, emotionally, and spiritually—than other literary forms. Most of us started out loving poetry because it filled our beloved children's books from Dr. Seuss to Robert Louis Stevenson. Eventually, our reading shifted to prose and later when we encountered poetry again, we had no recent experience to make it feel familiar. But reading poetry doesn't need to be so overwhelming. In an entertaining and engaging voice, Thomas C. Foster shows readers how to overcome their fear of poetry and learn to enjoy it once more. From classic poets such as Shakespeare, Samuel Taylor Coleridge, and Edna St. Vincent Millay to later poets such as E.E. Cummings, Billy Collins, and Seamus Heaney, How to Read Poetry Like a Professor examines a wide array of poems and teaches readers: How to read a poem to understand its primary meaning. The different technical elements of poetry such as meter, diction, rhyme, line structures, length, order, regularity, and how to learn to see these elements as allies rather than adversaries. How to listen for a poem's secondary meaning by paying attention to the echoes that the language of poetry summons up. How to hear the music in poems—and the poetry in songs! With How to Read Poetry Like a Professor, readers can rediscover poetry and reap its many rewards.
