House Arrest-K.A. Holt 2015-10-06 Timothy is on probation. It's a strange word—something that happens to other kids, to delinquents, not to kids like him. And yet, he is under house arrest for the next year. He must check in weekly with a probation officer and a therapist, and keep a journal for an entire year. And mostly, he has to stay out of trouble. But when he must take drastic measures to help his struggling family, staying out of trouble proves more difficult than Timothy ever thought it would be. By turns touching and funny, and always original, House Arrest is a middlegrade novel in verse about one boy's path to redemption as he navigates life with a sick brother, a grieving mother, and one tough probation officer.

Home Before Dark-Riley Sager 2020-06-30 In the latest thriller from New York Times bestseller Riley Sager, a woman returns to the house made famous by her father's bestselling horror memoir. Is the place really haunted by evil forces, as her father claimed? Or are there more earthbound—and dangerous—secrets hidden within its walls? What was it like? Living in that house. Maggie Holt is used to such questions. Twenty-five years ago, she and her parents, Ewan and Jess, moved into Baneberry Hall, a rambling Victorian estate in the Vermont woods. They spent three weeks there before fleeing in the dead of night, an ordeal Ewan later recounted in a nonfiction book called House of Horrors. His tale of ghostly happenings and encounters with malevolent spirits became a worldwide phenomenon, rivaling The Amityville Horror in popularity—and skepticism. Today, Maggie is a restorer of old homes and too young to remember any of the events mentioned in her father's book. But she also doesn't believe a word of it. Ghosts, after all, don't exist. When Maggie inherits Baneberry Hall after her father's death, she returns to renovate the place to prepare it for sale. But her homecoming is anything but warm. People from the past, chronicled in House of Horrors, lurk in the shadows. And locals aren't thrilled that their small town has been made infamous thanks to Maggie's father. Even more unnerving is Baneberry Hall itself—a place filled with relics from another era that hint at a history of dark deeds. As Maggie experiences strange occurrences straight out of her father's book, she starts to believe that what he wrote was more fact than fiction.
Inquiring about Communities-B. Robert Tabachnick 1972
