History of the Huguenot Emigration to America-Charles Washington Baird 1885

The Huguenot Sword-Shawn Lamb 2011-10 For Faith. For Friendship. For Freedom. In the time of Louis XIII and Cardinal Richelieu, when being a Protestant could mean death, The Huguenot Sword roamed the streets of Paris by night, defending those faithful to the young heretical religion. The nobility scorned them as ruffians, to the oppressed Protestants they were saviors, but to the Cardinal Guards they were a pestilence needing to be terminated. The situation becomes desperate when those in power launch a bold plan to destroy the group. One wrong move can be fatal. But the ordeal of Paris pales in comparison to the possible annihilation of their faith and people at the battle of La Rochelle.

Child Prophets of the Huguenots-Francois Maximilien Mission 2017-04-14 First published in London in 1707, this book is a collection of testimonies about the "small prophets of the Cevennes," these young boys and girls, sometimes infants who called the Protestant people to repentance and later on to resistance. This book highlights a little known prophetic movement which took place between 1688 and 1702 in the South of France (Drome, Vivarais, Cevennes and Bas Languedoc). These witnesses, who were also fighters, affirm their unwavering convictions and tell how they became prophetic, and how their prophetic gift led them to take arms to fight for their freedom of conscience. Many of them went into exile in England, Switzerland, Holland and Germany.

The Refugees-Arthur Conan Doyle 2016-03-31 This early work by Arthur Conan Doyle was originally published in 1893 and we are now republishing it with a brand new introductory biography. Arthur Conan Doyle was born in Edinburgh, Scotland, in 1859. It was between 1876 and 1881, while studying medicine at the University of Edinburgh, that he began writing short stories, and his first piece was published in Chambers's Edinburgh Journal before he was 20. In 1887, Conan Doyle's first significant work, A Study in Scarlet, appeared in Beeton's Christmas Annual. It featured the first appearance of detective Sherlock Holmes, the protagonist who was to eventually make Conan Doyle's reputation. A prolific writer, Conan Doyle continued to produce a range of fictional works over the following years. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

The Athenaeum- 1906

The New York of Yesterday-Hopper Striker Mott 1908

Memories of Carolinian Immigrants-Andreas Lixl 2009-05-16 This is a book about identity and remembrance. This anthology presents personal narratives and historical photographs that illuminate the diversity of immigrant experiences in North and South Carolina since 1700. The broad focus of the book encompasses all walks of life and documents three centuries of social, political, artistic, and cultural history. The chapters follow historical timelines starting with colonial experiences leading up to the American Revolution, followed by immigrant accounts before and during the Civil War, experiences in the New South, and memories of twentieth century immigrants and the most recent arrivals. The common denominators of the autobiographies, diaries, and letters hinge on the confluence of American patriotism and immigrant pride, coupled with old world loyalties and new world ambitions that reflect the demographic shift from European to Asian and Hispanic immigrants in the American Southeast.
