International Labour Law Reports, Volume 38-Jane Aeberhard-Hodges 2019-11-14 The International Labour Law Reports is a series of annual publications of labour law judgements by the highest courts in a number of jurisdictions. ILLR is intended primarily for the use of judges, labour law practitioners, industrial relations specialists and students who need or desire ready access to authoritative information of a comparative nature on problems arising in the field of labour law and industrial relations. Each judgement reprinted in ILLR is accompanied by Headnotes and in practically all cases by an Annotation which sets forth, among other things, the legal issues involved, the basic facts of the case (if not included in the judgement itself), the relevant statutory provisions and judicial precedents, the labour law and industrial relations context in which the case arose and the significance of the judgement in the development of the law. As a rule, judgements are printed in extenso; editorial discretion has been relied upon to delete or to summarize portions of judgements that are purely technical or only of marginal interest. This volume covers the period 1 October 2017 to 30 September 2018. The International Labour Law Reports is also available online.

Handbook of International Law-Anthony Aust 2005-10-27 A concise account of international law by an experienced practitioner, this book explains how states and international organisations, especially the United Nations, make and use international law. The nature of international law and its fundamental concepts and principles are described. The difference and relationship between various areas of international law which are often misunderstood (such as diplomatic and state immunity, and human rights and international humanitarian law) are clearly explained. The essence of new specialist areas of international law, relating to the environment, human rights and terrorism are discussed. Aust's clear and accessible style makes the subject understandable to non-international lawyers, non-lawyers and students. Abundant references are provided to sources and other materials, including authoritative and useful websites.

International Labour Law Reports-Alan Gladstone 2006-10 The International Labour Law reports is a series of annual publications of labour law judgements by the highest courts in a number of jurisdictions. I.L.L.R. is intended primarily for the use of judges, labour law practitioners, industrial relations specialists and students who need or desire ready access to authoritative information of a comparative nature on problems arising in the field of labour law and industrial relations. Each judgement reprinted in I.L.L.R. is accompanied by Headnotes and in practically all cases by an Annotation which sets forth, among other things, the legal issues involved, the basic facts of the case (if not included in the judgement itself), the relevant statutory provisions and judicial precedents, the labour law and industrial relations context in which the case arose and the significance of the judgement in the development of the law. Violence, Desire, and the Sacred, Volume 2-Scott Cowdell 2014-01-30 This collection of state of the art interpretations of the thought of René Girard follows on from the volume Violence, Desire, and the Sacred: Girard's Mimetic Theory Across the Disciplines (2012). The previous collection has been acclaimed for demonstrating and showcasing Girard's mimetic theory at its inter-disciplinary best by bringing together scholars who apply Girard's insights in different fields. This new volume builds on and extends the work of that earlier collection by moving into new areas such as psychology, politics, classical literature, national literature, and practical applications of Girard's theory in pastoral/spiritual care, peace-making and religious thought and practice.

The Law And Practice Of The International Court, 1920-2005-Shabtai Rosenne 2006 The popularity of his monumental and definitive works have established Shabtai Rosenne as the undisputed expert on the International Court of Justice s law and practice. His broad exchange of correspondence and extensive conversations with members of the Court and its Registrars, as well as with other friends who know the Court and its practices well, and his experience in the Court and in the UN, especially the General Assembly and the Security Council, led him to undertake this major reconstruction of this work in the previous edition. Now divided into several substantive volumes, the work addresses: The Court as one of the principal organs, and as the principal judicial organ of the United Nations. Diplomats and legal advisers who have to deal with matters relating to the Court on a political level, in different organs of the United Nations and in other offices will appreciate the full discussion of the diplomatic, political, and administrative aspects of the Court s affairs. Jurisdiction and the treatment of jurisdictional matters by the Court. This volume also includes the Court s advisory jurisdiction; the advisory work has related to very difficult legal issues in matters of major political import. The Court s procedure.All of these arenas have undergone significant recent changes. The work s practical features include the English text of the Charter of the United Nations, the Statute of the Court, the Practice Directions, and the 1978 Rules of the Court, together with a full set of indexes. The Fourth Edition (updated until 31 December 2005) of The Law and Practice of the International Court is an essential component of all international law libraries and an indispensable work for those practicing in the field, all of whom will appreciate access to the most recent work on the Court from this expert author.
