The Rise and Fall of the Confederate Government-Jefferson Davis 1881 A history of the Confederate States of America and an apologia for the causes that the author believed led to and justified the American Civil War.

Jefferson Davis, American-William James Cooper 2001 An engaging portrait of the Southern soldier-statesman who led the Confederacy retraces his evolution from a reluctant supporter of secession to his eventual total embrace of an independent Southern Confederacy. Reprint. 30,000 first printing.

The Death and Resurrection of Jefferson Davis-Donald E. Collins 2005 When the Civil War ended, Jefferson Davis had fallen from the heights of popularity to the depths of despair. In this fascinating new book, Donald E. Collins explores the resurrection of Davis to heroic status in the hearts of white Southerners culminating in one of the grandest funeral processions the nation had ever seen. As schools closed and bells tolled along the thousand mile route, Southerners appeared en masse to bid a final farewell to the man who championed Southern secession and ardently defended the Confederacy.

Jefferson Davis-William C. Davis 1996 A biography of Jefferson Davis: statesman, Mexican war hero, and President of the Confederate States of America.

A Short History of the Confederate States of America-Jefferson Davis 1890

Jefferson Davis: His Rise and Fall-Allen Tate 1929 Written early in Tate's career, this study of the Confederacy's fallen leader is highly critical of his flaws yet ultimately sympathetic to the Southern cause. Allen Tate (1899-1979), a major American poet and a leading New Critic, was the author of many works of criticism and poetry as well as a Civil War novel, The Fathers, and Stonewall Jackson.

Prison Life of Jefferson Davis-John Joseph Craven 1867

Embattled Rebel-James M. McPherson 2015-09 History has not been kind to Jefferson Davis. His cause went down in disastrous defeat and left the South impoverished for generations. If that cause had succeeded, it would have torn the United States in two and preserved the institution of slavery. Many Americans in Davis's own time and in later generations considered him an incompetent leader, if not a traitor. Not so, argues James M. McPherson. In Embattled Rebel, McPherson shows us that Davis might have been on the wrong side of history, but it is too easy to diminish him because of his cause's failure. In order to understand the Civil War and its outcome, it is essential to give Davis his due as a military leader and as the president of an aspiring Confederate nation. Davis did not make it easy on himself. His subordinates and enemies alike considered him difficult, egotistical, and cold. He was gravely ill throughout much of the war, often working from home and even from his sickbed. Nonetheless, McPherson argues, Davis shaped and articulated the principal policy of the Confederacy with clarity and force: the quest for independent nationhood. Although he had not been a fire-breathing secessionist, once he committed himself to a Confederate nation he never deviated from this goal. In a sense, Davis was the last Confederate left standing in 1865. As president of the Confederacy, Davis devoted most of his waking hours to military strategy and operations, along with Commander Robert E. Lee, and delegated the economic and diplomatic functions of strategy to his subordinates. Davis was present on several battlefields with Lee and even took part in some tactical planning; indeed, their close relationship stands as one of the great military-civilian partnerships in history. Most critical appraisals of Davis emphasize his choices in and management of generals rather than his strategies, but no other chief executive in American history exercised such tenacious hands-on influence in the shaping of military strategy. And while he was imprisoned for two years after the Confederacy's surrender awaiting a trial for treason that never came, and lived for another twenty-four years, he never once recanted the cause for which he had fought and lost.--Publisher.

The Rise and Fall of the Confederate Government (1)-Jefferson Davis 2009-12 Volume: 1 General Books publication date: 2009 Original publication date: 1881 Original Publisher: D. Appleton and Co. Subjects: Confederate States of America United States Biography

After Secession-Paul D. Escott 1992-08-01 The secession of the southern states from the Union was not merely a culmination of certain events; it was also the beginning of the trial of Confederate nationalism. The slaveholding elite which had led the South out of the Union now had to solidify its support among the nonslaveholding small farmers, a class that constituted the bulk of the white population. But Jefferson Davis and the new government were greatly hampered in their bid for widespread public support, partially because of the same force that had resulted in secession -- the strong states' rights predisposition of many southerners and their opposition to a strong central government -- and partially because of the great social and economic gap that separated the governed from the governors. In After Secession Paul Escott focuses on the challenge that the South's widespread political ideals presented to Jefferson Davis and on the way growing class resentments among citizens in the countryside affected the war effort. New material is included on Jefferson Davis and his policies, and interesting new interpretations of the Confederate government's crucial problems of decision making and failure to respond to the common people are offered. The result is both a fresh look at the pivotal role that strong leadership plays in the establishment of a new nation and a revealing study of how Jefferson Davis' frustrations increasingly affected the quality of his presidency.

The Papers of Jefferson Davis-Jefferson Davis 1995 ?

Jefferson Davis-Allen Tate 1998-07-21 Written early in Tate's career, this study of the Confederacy's fallen leader is highly critical of his flaws yet ultimately sympathetic to the Southern cause.

The Rise and Fall of the Confederate Government (Complete)-Jefferson Davis 1963 A duty to my countrymen; to the memory of those who died in defense of a cause consecrated by inheritance, as well as sustained by conviction; and to those who, perhaps less fortunate, staked all, and lost all, save life and honor, in its behalf, has impelled me to attempt the vindication of their cause and conduct. For this purpose I have decided to present an historical sketch of the events which preceded and attended the struggle of the Southern States to maintain their existence and their rights as sovereign communities--the creators, not the creatures, of the General Government. The social problem of maintaining the just relation between constitution, government, and people, has been found so difficult, that human history is a record of unsuccessful efforts to establish it. A government, to afford the needful protection and exercise proper care for the welfare of a people, must have homogeneity in its constituents. It is this necessity which has divided the human race into separate nations, and finally has defeated the grandest efforts which conquerors have made to give unlimited extent to their domain. When our fathers dissolved their connection with Great Britain, by declaring themselves free and independent States, they constituted thirteen separate communities, and were careful to assert and preserve, each for itself, its sovereignty and jurisdiction. At a time when the minds of men are straying far from the lessons our fathers taught, it seems proper and well to recur to the original principles on which the system of government they devised was founded. The eternal truths which they announced, the rights which they declared "unalienable," are the foundation-stones on which rests the vindication of the Confederate cause. He must have been a careless reader of our political history who has not observed that, whether under the style of "United Colonies" or "United States," which was adopted after the Declaration of Independence, whether under the articles of Confederation or the compact of Union, there everywhere appears the distinct assertion of State sovereignty, and nowhere the slightest suggestion of any purpose on the part of the States to consolidate themselves into one body. Will any candid, well-informed man assert that, at any time between 1776 and 1790, a proposition to surrender the sovereignty of the States and merge them in a central government would have had the least possible chance of adoption? Can any historical fact be more demonstrable than that the States did, both in the Confederation and in the Union, retain their sovereignty and independence as distinct communities, voluntarily consenting to federation, but never becoming the fractional parts of a nation? That such opinions should find adherents in our day, may be attributable to the natural law of aggregation; surely not to a conscientious regard for the terms of the compact for union by the States.

Jefferson Davis Gets His Citizenship Back-Robert Penn Warren 2013-12-06 In 1979 Robert Penn Warren returned to his native Todd County, Kentucky, to attend ceremonies in honor of another native son, Jefferson Davis, president of the Confederacy, whose United States citizenship had just been restored, ninety years after his death, by a special act of Congress. From that nostalgic journey grew this reflective essay on the tragic career of Jefferson Davis -- "not a modern man in any sense of the word but a conservative called to manage what was, in one sense, a revolution." Jefferson Davis Gets His Citizenship Back is also a meditation by one of our most respected men of letters on the ironies of American history and the paradoxes of the modern South.

Private Letters, 1823-1889-Jefferson Davis 1966 Selected from 1000 letters most of which have not been published before.

Recollections of the Civil War-Charles Anderson Dana 1898

Trust Fund Babies-Jean Stone 2008-12-10 Jean Stone, the bestselling author of *Off Season*, weaves the extraordinary story of three cousins bound forever by the family fortune they share—and the family secrets they don't dare reveal.... Mary Beth, Nikki, and Gabrielle have little in common except the vast Atkinson fortune they inherited. Growing up amidst the splendor of Manhattan town houses and summers on Martha's Vineyard, they've all learned the hard way that money can buy everything—except happiness. Marked by a summer tragedy they've all tried to forget, each woman has struggled to find her own way to cope with the secrets of her past. Now Mary Beth is a pillar of the New York social scene, buying designer clothing and priceless jewels that even she cannot afford. Nikki searches for peace on the Vineyard, pouring her inheritance into endless charity work. And Gabrielle hoards her money in a Swiss bank account, safe from the husband who knows nothing of her wealth. But when their trusted executor disappears with their money, the cousins come together once again to find him. For each woman, regaining her fortune has a different meaning—and will come at a different price. And in the end they'll learn that no one's secrets can stay hidden forever—not even the truth of what really happened that terrible day so many summers ago.... From the Paperback edition.

Bloody Crimes-James L. Swanson 2010-09-28 In *Bloody Crimes*, James L. Swanson—the Edgar® Award-winning, New York Times bestselling author of *Manhunt*—brings to life two epic events of the Civil War era: the thrilling chase to apprehend Confederate president Jefferson Davis in the wake of the Lincoln assassination and the momentous 20 -day funeral that took Abraham Lincoln's body home to Springfield. A true tale full of fascinating twists and turns, and lavishly illustrated with dozens of rare historical images—some never before seen—*Bloody Crimes* is a fascinating companion to Swanson's *Manhunt* and a riveting true-crime thriller that will electrify civil war buffs, general readers, and everyone in between.

A Shattered Nation-Anne S. Rubin 2009-11-20 Historians often assert that Confederate nationalism had its origins in pre-Civil War sectional conflict with the North, reached its apex at the start of the war, and then dropped off quickly after the end of hostilities. Anne Sarah Rubin argues instead t

Jefferson Davis, Unconquerable Heart-Felicity Allen 1999 Preeminent Civil War historian Frank Vandiver always longed to see an interpretive biography of Jefferson Davis. Finally, more than twenty years after Vandiver expressed that wish, publication of *Jefferson Davis, Unconquerable Heart* makes such an interpretive biography available. Felicity Allen begins this monumental work with Davis's political imprisonment at the end of the Civil War and masterfully flashes back to his earlier life, interweaving Davis's private life as a schoolboy, a Mississippi planter, a husband, a father, and a political leader. She follows him from West Point through army service on the frontier, his election to the U.S. House of Representatives, his regimental command in the Mexican War, his service as U.S. secretary of war and senator, and his term as president of the Confederate States of America. Although Davis's family is the nexus of this biography, friends and enemies also play major roles. Among his friends intimately met in this book are such stellar figures as Andrew Jackson, John C. Calhoun, Zachary Taylor, Franklin Pierce, Albert Sidney Johnston, and Robert E. Lee. With the use of contemporary accounts and Davis's own correspondence, *Jefferson Davis, Unconquerable Heart* casts new light upon this remarkable man, thawing the icy image of Davis in many previous accounts. Felicity Allen shows a strong, yet gentle man; a stern soldier who loved horses, guns, poetry, and children; a master of the English language, with a dry wit; a man of powerful feelings who held them in such tight control that he was considered cold; and a home-loving Mississippian who was drawn into a vortex of national events and eventual catastrophe. At all times, "duty, honor, country" ruled his mind. Davis's Christian view of life runs like a thread throughout the book, binding together his devotion to God, his family, and the land. *Jefferson Davis, Unconquerable Heart* brings Davis to life in a way that has never been done before. The variety of his experience, the breadth of his learning, and the consistency of his beliefs make this historical figure eminently worth knowing.

Confederate Citadel-Mary A. DeCredico 2020-04-22 Richmond, Virginia: pride of the founding fathers, doomed capital of the Confederate States of America. Unlike other Southern cities, Richmond boasted a vibrant, urban industrial complex capable of producing crucial ammunition and military supplies. Despite its northerly position, Richmond became the Confederacy's beating heart -- its capital, second-largest city, and impenetrable citadel. As long as the city endured, the Confederacy remained a well-supplied and formidable force. But when Ulysses S. Grant broke its defenses in 1865, the Confederates fled, burned Richmond to the ground, and surrendered within the week. *Confederate Citadel: Richmond and Its People at War* offers a detailed portrait of life's daily hardships in the rebel capital during the Civil War. Here, barricaded against a siege, staunch Unionists became a dangerous fifth column, refugees flooded the streets, and women organized a bread riot in the city. Drawing on personal correspondence, private diaries, and newspapers, author Mary A. DeCredico spotlights the human elements of Richmond's economic rise and fall, uncovering its significance as the South's industrial powerhouse throughout the Civil War.

Bring the Jubilee-Ward Moore 2019-08-14 "One of the most ingenious parallel world stories ever written." — Richard A. Lupoff What if Robert E. Lee won the Battle of Gettysburg and his army went on to capture Philadelphia? What if the United States government was forced to recognize Confederate independence? In this acclaimed work of alternative history, the wealthy and prosperous Confederacy is a superpower, locked into a bitter struggle with its European rival, the German Union. The United States, conversely, is utterly destitute, a sinkhole of lawlessness and corruption. Technology, too, has taken a different turn, as the twentieth-century world travels by stagecoach, communicates by telegraph, and reads by gaslight. But when a young inventor who's experimenting with time travel encounters an amateur historian, the stage is set for a return to a critical point in American history.

The Real Jefferson Davis-Landon Knight 2019-12-13 "The Real Jefferson Davis" by Landon Knight. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Varina-Charles Frazier 2018 "Her marriage prospects limited, teenage Varina Howell agrees to wed the much-older widower Jefferson Davis, with whom she expects the secure life of a Mississippi landowner. Davis instead pursues a career in politics and is eventually appointed president of the Confederacy, placing Varina at the white-hot center of one of the darkest moments in American history"--

The Life of Jefferson Davis-Frank Alfriend 2008-11-04

Jeff Davis's Own-James R. Arnold 2000-09-27 Presents the history of the Second Cavalry, a division of the U.S. Army formed to quell the Native American warriors attacking frontier settlements in Texas and Mexico.

Senators of the United States- 1995

The Art of Monitoring-James Turnbull 2014-12 A hands-on and introductory guide to the art of modern application and infrastructure monitoring and metrics. We start small and then build on what you learn to scale out to multi-site, multi-tier applications. The book is written for both developers and sysadmins. We focus on building monitored and measurable applications. We also use tools that are designed to handle the challenges of managing Cloud, containerised and distributed applications and infrastructure. In the book we'll deliver: * An introduction to monitoring, metrics and measurement. * A scalable framework for monitoring hosts (including Docker and containers), services and applications built on top of the Riemann event stream processor. * Graphing and metric storage using Graphite and Grafana. * Logging with Logstash. * A framework for high quality and useful notifications * Techniques for developing and building monitorable applications * A capstone that puts all the pieces together to monitor a multi-tier application.

Leaders of the American Civil War-Charles F. Ritter 1998 Covering both the great military leaders and the critical civilian leaders, this book provides an overview and a professional assessment of their accomplishments.

Joseph E. Johnston: A Civil War Biography-Craig L. Symonds 1994-06-17 "Riveting. . . A thoughtful biography." —New York Times Book Review General Joseph E. Johnston was in command of Confederate forces at the South's first victory—Manassas in July 1861—and at its last—Bentonville in April 1865. Many of his contemporaries considered him the greatest southern field commander of the war; others ranked him second only to Robert E. Lee. But Johnston was an enigmatic man. His battlefield victories were never decisive. He failed to save Confederate forces under siege by Grant at Vicksburg, and he retreated into Georgia in the face of Sherman's march. His intense feud with Jefferson Davis ensured the collapse of the Confederacy's western campaign in 1864 and made Johnston the focus of a political schism within the government. Now in this rousing narrative of Johnston's dramatic career, Craig L. Symonds gives us the

first rounded portrait of the general as a public and private man.

The Reader's Companion to American History-Eric Foner 2014-01-14 An A-to-Z historical encyclopedia of US people, places, and events, with nearly 1,000 entries "all equally well written, crisp, and entertaining" (Library Journal). From the origins of its native peoples to its complex identity in modern times, this unique alphabetical reference covers the political, economic, cultural, and social history of America. A fact-filled treasure trove for history buffs, The Reader's Companion is sponsored by the Society of American Historians, an organization dedicated to promoting literary excellence in the writing of biography and history. Under the editorship of the eminent historians John A. Garraty and Eric Foner, a large and distinguished group of scholars, biographers, and journalists—nearly four hundred contemporary authorities—illuminate the critical events, issues, and individuals that have shaped our past. Readers will find everything from a chronological account of immigration; individual entries on the Bull Moose Party and the Know-Nothings as well as an article on third parties in American politics; pieces on specific religious groups, leaders, and movements and a larger-scale overview of religion in America. Interweaving traditional political and economic topics with the spectrum of America's social and cultural legacies—everything from marriage to medicine, crime to baseball, fashion to literature—the Companion is certain to engage the curiosity, interests, and passions of every reader, and also provides an excellent research tool for students and teachers.

Jefferson Davis, Confederate President-Herman Hattaway 2002 An account of the Jefferson Davis presidency takes a look at the diplomatic, domestic, and military affairs that consumed this embattled man during his tumultuous tenure as president of the Confederacy.

An Honorable Defeat-William C. Davis 2002 A study of the final days of the Confederacy at the end of the Civil War focuses on two men--Jefferson Davis, the autocratic president of the Confederate States, and his affable, practical Secretary of War, General John C. Breckinridge--who played key roles in the Confederate government. Reprint. 50,000 first printing.

The Jefferson Davis Coloring Book-Ernesto Caldeira 1982-06 Through the 31 line illustrations and brief historical narrative, children are able to follow the life of Jefferson Davis—from Rosemont, his boyhood home in Woodville, Mississippi, to his marriage to Virginia Howell. This book describes his terms as a member of the House of Representatives and Senate, and his role in the drama of the Civil War as president of the Confederacy. The Jefferson Davis Coloring Book is an ideal way for children to learn about this important figure in American and Southern history. Both his political successes and failures, and his personal hopes and tragedies are recorded for the enjoyment of any aspiring historian. Ernesto Caldeira was a partner in preserving Rosemont and opening the former Davis home to the public as a museum. He spent ten years researching material on Davis and compiling a genealogy of Davis' descendants.

First Lady of the Confederacy-Joan E. CASHIN 2009-06-30 When Jefferson Davis became president of the Confederacy, his wife, Varina Howell Davis, reluctantly became the First Lady. Pro-slavery but also pro-Union, Varina Davis was inhibited by her role as Confederate First Lady and unable to reveal her true convictions. Cashin offers a splendid portrait of a fascinating woman who struggled with the constraints of her time and place.

Jefferson Davis, Ex-president of the Confederate States of America-Varina Davis 1890

Founding Brothers-Joseph J. Ellis 2003-12-16 In this landmark work of history and winner of the Pulitzer Prize, Joseph J. Ellis explores how a group of greatly gifted but deeply flawed individuals—Hamilton, Burr, Jefferson, Franklin, Washington, Adams, and Madison—confronted the overwhelming challenges before them to set the course for our nation. The United States was more a fragile hope than a reality in 1790. During the decade that followed, the Founding Fathers—re-examined here as Founding Brothers—combined the ideals of the Declaration of Independence with the content of the Constitution to create the practical workings of our government. Through an analysis of six fascinating episodes—Hamilton and Burr's deadly duel, Washington's precedent-setting Farewell Address, Adams' administration and political partnership with his wife, the debate about where to place the capital, Franklin's attempt to force Congress to confront the issue of slavery and Madison's attempts to block him, and Jefferson and Adams' famous correspondence—Founding Brothers brings to life the vital issues and personalities from the most important decade in our nation's history.

U.S. History-P. Scott Corbett 2017-12-19 Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Architects of Intelligence-Martin Ford 2018-11-23 Book Description How will AI evolve and what major innovations are on the horizon? What will its impact be on the job market, economy, and society? What is the path toward human-level machine intelligence? What should we be concerned about as artificial intelligence advances? Architects of Intelligence contains a series of in-depth, one-to-one interviews where New York Times bestselling author, Martin Ford, uncovers the truth behind these questions from some of the brightest minds in the Artificial Intelligence community. Martin has wide-ranging conversations with twenty-three of the world's foremost researchers and entrepreneurs working in AI and robotics: Demis Hassabis (DeepMind), Ray Kurzweil (Google), Geoffrey Hinton (Univ. of Toronto and Google), Rodney Brooks (Rethink Robotics), Yann LeCun (Facebook), Fei-Fei Li (Stanford and Google), Yoshua Bengio (Univ. of Montreal), Andrew Ng (AI Fund), Daphne Koller (Stanford), Stuart Russell (UC Berkeley), Nick Bostrom (Univ. of Oxford), Barbara Grosz (Harvard), David Ferrucci (Elemental Cognition), James Manyika (McKinsey), Judea Pearl (UCLA), Josh Tenenbaum (MIT), Rana el Kaliouby (Affectiva), Daniela Rus (MIT), Jeff Dean (Google), Cynthia Breazeal (MIT), Oren Etzioni (Allen Institute for AI), Gary Marcus (NYU), and Bryan Johnson (Kernel). Martin Ford is a prominent futurist, and author of Financial Times Business Book of the Year, Rise of the Robots. He speaks at conferences and companies around the world on what AI and automation might mean for the future.

Secession on Trial-Cynthia Nicoletti 2017-10-19 This book focuses on the post-Civil War treason prosecution of Confederate President Jefferson Davis, which was seen as a test case on the major question that animated the Civil War: the constitutionality of secession. The case never went to trial because it threatened to undercut the meaning and significance of Union victory. Cynthia Nicoletti describes the interactions of the lawyers who worked on both sides of the Davis case - who saw its potential to disrupt the verdict of the battlefield against secession. In the aftermath of the Civil War, Americans engaged in a wide-ranging debate over the legitimacy and effectiveness of war as a method of legal adjudication. Instead of risking the 'wrong' outcome in the highly volatile Davis case, the Supreme Court took the opportunity to pronounce secession unconstitutional in Texas v. White (1869).
