Killing Rocks-DD Barant 2010-12-28 FBI profiler Jace Valchek's ticket home from the twisted parallel universe where she's been called to duty hinges on the capture of serial killer Aristotle Stoker—and an alliance with a sorcerer known as Asher. The problem: Asher has joined forces with some of the most dangerous creatures Jace has ever encountered. The solution: There is none, without Asher's help... Jace's goal seems simple enough—to get her man, like always. But just hours after she arrives in Vegas, she's abducted...and she isn't even sure who the real enemy is. Now Jace has to wonder if she's the predator or the prey in a very dangerous game that could change not only her fate, but the world's... Meanwhile, a serial killer is still on the loose. In Killing Rocks, the third installment in DD Barant's fantasy-mystery series The Bloodhound Files, the stakes are higher than ever, and time has already run out...

Better Off Undead-DD Barant 2011-10-04 Dark magic, unknown enemies, monsters of every stripe—FBI profiler Jace Valchek has seen it all. In this bizarre parallel universe, shape-shifting werewolves and blood-thirsty vampires don't even warrant a raised eyebrow. That is, until Jace has to face what life might look like as one of them ... It starts off as just another run-of-the-mill assignment: to track down the rogue don of a mafia werewolf family before he upsets the delicate balance of the underworld. But Jace wasn't counting on being bitten...and soon she's fighting the growing wolf inside her with a startling antidote—vampirism. Stopping a bloody gangland war won't be easy when Jace is feeling some new, and very inhuman, desires ... In Better Off Undead, Book 4 in The Bloodhound Files, DD Barant takes Jace farther than ever before ... and the result is "A stellar addition to an already outstanding series" (RT Book Reviews).

Dying Bites-DD Barant 2009-06-30 DD Barant launches The Bloodhound Files with Dying Bites—a "fresh and original take on urban fantasy" (Romantic Times) with a heroine who's "remarkable, strong-willed and smart" (Publishers Weekly). Her job description is the "tracking and apprehension of mentally-fractured killers." What this really means in FBI profiler Jace Valchek's brave new world—one in which only one percent of the population is human—is that a woman's work is never done. And reality is getting stranger every day... Jace has been ripped from her reality by David Cassius, the vampire head of the NSA. He knows that she's the best there in the business, and David needs her help in solving a series of gruesome murders of vampires and werewolves. David's world—one that also includes lycanthropes and golems—is one with little knowledge of mental illness. An insane serial killer is a threat the NSA has no experience with. But Jace does. Stranded in a reality where Bela Lugosi is a bigger box office draw than Bruce Willis and every full moon is Mardi Gras, Jace must now hunt down a fellow human before he brings the entire planet to the brink of madness. Or she may never see her own world again...

Back from the Undead-DD Barant 2012-03-27 Back from the Undead DD Barant Another work day, another case for the Bloodhound Files. But this time, Jace is truly stumped: How is she, a mere human, supposed to penetrate the dark heart of a child-trafficking ring of pire orphans—one that turns out to be part of a blood-farm operation, in the crime-ridden border city of Vancouver, British Columbia? Jace is in over her head. But with the help of her former lover,

Tanaka—whose family is one of the last samurai clans left in Japan—she stands a chance at seeking justice for the condemned children... Until the Yakuza tries to put an end to Jace's investigation. Jace risks more than death—this time, it's the fate of her very soul that's in danger . . .

Death Blows-DD Barant 2010-03-30 FBI profiler Jace Valchek was pulled into this parallel realm to hunt for Aristotle Stoker, a human serial killer who preys on vampires and werewolves. Now she works for the National Security Agency of the Unnatural States of America—and her boss is a vampire. At a bizarre crime scene, Jace finds a bloodsucker murdered by magic, fried to the bone and dressed in the costume of the comic book hero the Flash—a character who isn't supposed to exist here. Comic books have been outlawed for their powers, including crossover spells like the one that transported Jace to this world. Soon, she's following a trail of dead bodies into the sinister underworld of black-market comics—where a deranged madman gives new meaning to the term "super-villain"... Death Blows is a fast-paced, exciting follow-up to Dying Bites—DD Barant and The Bloodhound Files just keep getting better, and Jace Valchek's world keeps getting stranger ...

Kill You Twice-Chelsea Cain 2012-08-07 Nothing makes Portland detective Archie Sheridan happier than knowing that Gretchen Lowell—the serial killer whose stunning beauty is belied by the gruesome murders she's committed—is locked away in a psych ward. Archie can finally heal from the near-fatal physical and emotional wounds she's inflicted on him and start moving on with his life. To this end, Archie throws himself into the latest case to come across his desk: A cyclist has discovered a corpse in Mount Tabor Park on the eastern side of Portland. The man was gagged, skinned, and found hanging by his wrists from a tree. It's the work of a killer bold and clever enough to torture his victim for hours on a sunny summer morning in a big public park and yet leave no trace. And then Archie gets a message he can't ignore—Gretchen claims to have inside knowledge about this grisly murder. Archie finally agrees to visit Gretchen, because he can't risk losing his only lead in the case. At least, that's what he tells himself . . . but the ties between Archie and Gretchen have always been stronger, deeper, and more complex than he's willing to admit, even to himself. What game is she playing this time? And even more frightening, what long-hidden secrets from Gretchen's past have been dredged up that someone would kill to protect? At once terrifying and magnetic, "Beauty Killer" Gretchen Lowell returns with a vengeance in Kill You Twice, Chelsea Cain's latest razor-sharp psychological thriller.

Undead to the World-DD Barant 2012-11-27 Undead to the World A Bloodhound Files novel from DD Barant Jace's return to Kansas is an instant reminder that there really is no place like home. The tavern is still brimming with losers, practical jokers, and motorcycle chicks. Even the town's only Goth is still wearing eyeliner. But just as Jace is about to click her heels and hightail out of there, she's roped into a brand-new case. Somebody is possessed. And the bodies are piling up... They call him the Gallowsman. According to legend, he was sentenced to hang—though his crimes still have not been specified. When he was strung up to die, his spirit stuck around waiting for people to hang themselves...so he could steal their bodies. Now, with the undead rising up and going on a rampage, Jace must put her own neck on the line. Can she get the Gallowsman to give up the ghost?

Shakespeare's Champion-Charlaine Harris 2015-12-22 Shakespeare, Arkansas, is a small Southern town with plenty of secrets, and Charlaine Harris's Lily Bard, fresh from her acclaimed debut in Shakespeare's Landlord, is just one more of its residents—albeit one harboring a few secrets of her own—with a desire to live quietly. Lily keeps to herself, between her job as a cleaning woman for several townspeople and her visits to the gym, where she's a devotee of karate and bodybuilding. These two pursuits seem a bit odd for the petite Southern woman, but as work and play, they keep her focused and balanced. When a fellow gym member is found dead after a workout with a barbell across his throat, Lily wants to believe it's an accident. But looking at the incident against the background of other recent events in Shakespeare, including a few incidents that appear to be racially motivated, she's afraid it could be a part of something much, much bigger—and more sinister...in Shakespeare's Champion.

The Most Dangerous Game-Richard Connell 2020-04-21 From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired the movie The Hunt. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale “has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill” (The Telegraph). “[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted.” —Criterion

The Midnight Assassin-Skip Hollandsworth 2016-04-05 A New York Times bestseller, The Midnight Assassin is a sweeping narrative history of a terrifying serial killer--America's first--who stalked Austin, Texas in 1885. In the late 1800s, the city of Austin, Texas was on the cusp of emerging from an isolated western outpost into a truly cosmopolitan metropolis. But beginning in December 1884, Austin was terrorized by someone equally as vicious and, in some ways, far more diabolical than London's infamous Jack the Ripper. For almost exactly one year, the Midnight Assassin crisscrossed the entire city, striking on moonlit nights, using axes, knives, and long steel rods to rip apart women from every race and class. At the time the concept of a serial killer was unthinkable, but the murders continued, the killer became more brazen, and the citizens' panic reached a fever pitch. Before it was all over, at least a dozen men would be arrested in connection with the murders, and the crimes would expose what a newspaper described as "the most extensive and profound scandal ever known in Austin." And yes, when Jack the Ripper began his attacks in 1888, London police investigators did wonder if the killer from Austin had crossed the ocean to terrorize their own city. With vivid historical detail and novelistic flair, Texas Monthly journalist Skip Hollandsworth brings this terrifying saga to life.

Killing the Rising Sun-Bill O'Reilly 2016-09-13 The powerful and riveting new book in the multimillion-selling Killing series by Bill O'Reilly and Martin Dugard Autumn 1944. World War II is nearly over in Europe but is escalating in the Pacific, where American soldiers face an opponent who will go to any length to avoid defeat. The Japanese army follows the samurai code of Bushido, stipulating that surrender is a form of dishonor. Killing the Rising Sun takes readers to the bloody tropical-island battlefields of Peleliu and Iwo Jima and to the embattled Philippines, where General Douglas MacArthur has made a triumphant return and is plotting a full-scale invasion of Japan. Across the globe in Los Alamos, New Mexico, Dr. J. Robert Oppenheimer and his team of scientists are preparing to test the deadliest weapon known to mankind. In Washington, DC, FDR dies in office and Harry Truman ascends to the presidency, only to face the most important political decision in history: whether to use that weapon. And in Tokyo, Emperor Hirohito, who is considered a deity by his subjects, refuses to surrender, despite a massive and mounting death toll. Told in the same page-turning style of Killing Lincoln, Killing Kennedy, Killing Jesus, Killing Patton, and Killing Reagan, this epic saga details the final moments of World War II like never before.

Not a Gentleman's Work-Gerard Koeppel 2020-06-16 The true story of the most notorious crime in American nautical history -- a uniquely grotesque triple murder -- and the long journey to truth. The Herbert Fuller, a three-masted sailing ship loaded with New England lumber, left Boston bound for Buenos Aires on July 8, 1896 with twelve people on board: captain and owner Charles Nash, his wife and childhood sweetheart Laura, two mates, the "mulatto" steward, six crewmen, and one passenger. Just before 2 A.M. on the sixth day at sea, the captain, his wife, and the second mate were slaughtered in their individual bunkrooms with the ship's axe, seven or eight blows apiece. Laura Nash was found with her thin nightgown pushed above her hips, her head and upper body smashed and deformed. Incredibly, no one saw or heard the killings . . . except the killer. After a harrowing voyage back to port for the survivors, the killer among them, it didn't take long for Boston's legal system to convict the first mate, a naturalized American of mixed blood from St. Kitts. But another man on board, a twenty-year-old Harvard passenger from a proper family, had his own dark secrets. Who was the real killer, and what became of these two men? Not a Gentleman's Work is the story of the fates of two vastly different men whose lives intersected briefly on one horrific voyage at sea -- a story that reverberates with universal themes: inescapable terror, coerced confession, capital punishment, justice obscured by privilege, perseverance, redemption, and death by tortured soul.

The Rock-Hiram Garcia 2020-09-08 Dynamic, funny, and inspiring photos of global entertainment icon, entrepreneur, and trailblazer, Dwayne "The Rock" Johnson, featuring twenty years' worth of candid, family moments, and snapshots from film and television sets, many never-before-seen. Hiram Garcia, who has known Dwayne Johnson since college, is a longtime collaborator, producing partner, and talented photographer. As a film and television producer as well as in

his role as the President of Production at Seven Bucks Productions, Garcia has unprecedented access to capture images on the sets of Seven Bucks' films including such blockbuster hits as Jumanji: The Next Level, Jungle Cruise, Fast and Furious Presents: Hobbs & Shaw, and more. As one of his closest friends, Garcia knows Johnson inside and out, and that deep relationship informs the photographs he shares in this book. Whether it's an action-packed photo snapped during an intense film take, or a relaxed and candid shot of Johnson with his daughters, Garcia focuses his lens on the qualities he most admires in his friend: his extraordinary work ethic, his infectious smile, his empathy and sense of humor, and the joy and determination Johnson brings to everything he does. With scores of photos—most of them never been seen before and taken over two decades—The Rock: Through the Lens: His Life, His Movies, His World is enhanced by captions revealing the inside stories behind these remarkable images.

Shrinkage: Manhood, Marriage, and the Tumor That Tried to Kill Me-Bryan Bishop 2014-04-29 A New York Times bestseller! An Amazon Best Books of 2014 selection "If you're reading this, it means I'm already dead. Just kidding." In 2009, at thirty years old, Bryan Bishop's life was right on track. Known to millions as "Bald Bryan," the sidekick and soundman on the record-setting podcast, The Adam Carolla Show, his radio career was taking off. He was newly engaged. Then, he and his fiancée Christie were delivered a crushing blow when he was diagnosed with a brain stem glioma—an inoperable brain tumor. Suddenly Bryan's promising future was transformed into a grueling schedule of radiation and chemotherapy while facing his mortality. In this poignant narrative that is alternately heartbreaking and hysterical, Bishop shares the surreal experiences of writing his will with the bravado of a pulp novelist, taking chemo in a strip club, and (technically) the closest he ever got to achieving his lifelong dream of a threesome—when a physical therapist had to show his wife how to bathe him in the shower during his weakened state. Whether recounting his search for the most aggressive form of treatment, how radiation treatment jeopardized his ability to (literally) walk down the aisle or even smile for his wedding photos, or recalling the time his wife inadvertently drugged him in a pool in Maui, Bishop's inimitable voice radiates through his story. As the author celebrates how treatment shrunk his tumor and gave him a new lease on life, Shrinkage reveals the resilience of the human spirit—and the power of laughter—during even the darkest times.

CUCKOO'S EGG-Clifford Stoll 2012-05-23 Before the Internet became widely known as a global tool for terrorists, one perceptive U.S. citizen recognized its ominous potential. Armed with clear evidence of computer espionage, he began a highly personal quest to expose a hidden network of spies that threatened national security. But would the authorities back him up? Cliff Stoll's dramatic firsthand account is "a computer-age detective story, instantly fascinating [and] astonishingly gripping" (Smithsonian). Cliff Stoll was an astronomer turned systems manager at Lawrence Berkeley Lab when a 75-cent accounting error alerted him to the presence of an unauthorized user on his system. The hacker's code name was "Hunter"—a mysterious invader who managed to break into U.S. computer systems and steal sensitive military and security information. Stoll began a one-man hunt of his own: spying on the spy. It was a dangerous game of deception, broken codes, satellites, and missile bases—a one-man sting operation that finally gained the attention of the CIA . . . and ultimately trapped an international spy ring fueled by cash, cocaine, and the KGB.

Deadtown-Nancy Holzner 2009-12-29 Read Nancy Holzner's posts on the Penguin Blog. View our feature on Nancy Holzner's Deadtown. First in a brand new urban fantasy series that's "fresh and funny, with a great new take on zombies" (Karen Chance) and "full of dangerous magic and populated with characters so

realistic, they almost jump off the page" (Ilona Andrews). If you were undead, you'd be home by now... They call it Deadtown: the city's quarantined section for its inhuman and undead residents. Most humans stay far from its borders-but Victory Vaughn, Boston's only professional demon slayer, isn't exactly human.

The White Company-Arthur Conan Doyle 2018-05 The White Company is a historical adventure by Arthur Conan Doyle set during the Hundred Years' War. The story is set in England, France, and Spain, in the years 1366 and 1367, against the background of the campaign of Edward, the Black Prince to restore Peter of Castile to the throne of the Kingdom of Castile. The climax of the book occurs before the Battle of Najera. The "White Company" of the title is a free company of archers, led by one of the main characters. The name is taken from a real-life 14th-Century Italian mercenary company, led by John Hawkwood.

Africa Lost-Dan Tharp 2013-08-06 The Lost Chapter of Special Operations History: Rhodesia. Some of the most explosive combat in Special Operations history is almost completely unknown to the Western World. Everyone knows about Navy SEALs and Green Berets but nobody knows about the deep recce, sabotage, and direct action missions conducted by the Rhodesian SAS. The Rhodesian Light Infantry was a killing machine, participating in combat jumps every night during the heat of the Bush War. The Selous Scouts were perhaps the most innovative and daring unconventional warfare unit in history which would pair white soldiers with turncoat black "former" terrorists who would then infiltrate enemy camps. US military veteran and historian Dan Tharp covers each of these three units in depth in Africa Lost. (18,000 words)

Walking Dead-C.E. Murphy 2009-09-01 For once, Joanne Walker's not out to save the world. She's come to terms with the host of shamanic powers she's been given, her job as a police detective has been relatively calm, and she's got a love life for the first time in memory. Not bad for a woman who started out the year mostly dead. But it's Halloween, and the undead have just crashed Joanne's party. Now, with her mentor Coyote still missing, she has to figure out how to break the spell that has let the ghosts, zombies and even the Wild Hunt come back. Unfortunately, there's no shamanic handbook explaining how to deal with the walking dead. And if they have anything to say about it—which they do—no one's getting out of there alive.

For the Love of Blood-Annie Alvarez 2009-04-01 I can't believe I fell in love with a vampire! Oh, not just any vampire, but Tamara Hightower, Master of the East Coast, whose name and reputation quakes fear in every other vampire, not to mention a few Counsel members that crossed her path. Can this modern day relationship between a half-witch and a vampire work out or am I just fooling myself? No doubt, she stole my heart, but can I command her pleasures?

Shattered Bonds-Faith Hunter 2019-10-29 Jane Yellowrock must dig deep and find strength within herself if she is to survive in the latest novel in this New York Times bestselling series. Jane Yellowrock is vampire-killer-for-hire, but her last battle with an ancient arcane enemy has brought her low. She seeks retreat in the Appalachian Mountains to grieve the loss of her friends, and to heal—or to die—from the disease brought on by her magic. But malevolent elements in the paranormal community still seek to destroy Jane, and a terrifying foe stalks her, even into the safety of the hills. With nowhere to run and her body failing, the rogue-vampire hunter and her inner Beast must discover a way to defeat this new threat, and find a form that gives her a chance to fight another day.

Undead to the World-DD Barant 2012-11-27 Returning to Kansas to work on a brand-new supernatural case involving possession, Jace Valchek puts her own neck on the line when she goes up against the Gallowsman, a spirit that waits for people to hang themselves so that he can steal their bodies. Original. 50,000 first printing.

The Living Years-Mike Rutherford 2015-02-10 The story of Genesis is the rock legend of how a humble schoolboy band grew into a group of global superstars. At its center stood Mike Rutherford, driving the music from pioneering prog rock to chart-topping hits. Now for the first time, he tells the remarkable inside story of Genesis and his own band, Mike + The Mechanics. Against the rhythm of drink, drugs, and lineup changes, Mike's father, a World War II naval officer, always stood in the background. He would watch Genesis grow, supporting them from the very beginning when they toured Britain in the back of a bread van. Through extreme highs and lows, loyal Captain Rutherford was always there, earplugs at the ready. But when his father suddenly died, Mike was forced to reexamine their relationship and only then began to understand how much their lives had overlapped. The Living Years is a revealing memoir of the relationship between father and son and the story of how music, families, and friendship combine.

Footsteps in the Snow-Charles Lachman 2014-11-04 NOW A LIFETIME MOVIE CHANNEL DOCUMENTARY It was a shocking true crime that left two families shattered, and became the coldest case in U.S. history. Who really killed little Maria? The question fueled a real-life nightmare in Sycamore, Illinois... 1957. Sycamore, Illinois. Christmas was three weeks away, and seven-year-old Maria Ridulph went out to play. Soon after, a figure emerged out of the falling snow. He was very friendly. Minutes later, Maria vanished, leaving behind an abandoned doll and footsteps in the snow. In April, a spring thaw gave up Maria's body in a nearby wooded area. The case attracted national attention, including that of the FBI and President Eisenhower. In all, seventy-four men and three women fell under suspicion. But no one was ever charged with the crime. Incredibly, fifty-five years later, the coldest case in the history of American jurisprudence would be reopened. It happened after a seventy-four-year-old former neighbor of the Ridulphs named Eileen Tessier made a stunning deathbed confession to her family about a dark past, and a darker secret they knew nothing about. Two families would be joined by despair and retribution, and in an astounding turn of events, Maria Ridulph's killer would finally be brought to justice. INCLUDES PHOTOGRAPHS

No Stone Unturned-Steve Jackson 2015-04-28 The New York Times bestselling author takes readers on "a fascinating journey into the trenches of crime [investigation]"—now revised and updated (Lowell Cauffiel, New York Times bestselling author). A body stuffed in a car trunk swallowed by the swirling, muddy waters of the Missouri River. A hiker brutally murdered, then thrown off a steep embankment in a remote mountain range. A devious killer who hid his wife's body under a thick cement patio. For investigators, the story is often the same: they know a murder took place, they may even know who did it; but without key evidence, or a body, pursuing a conviction is nearly impossible. That's when they call NecroSearch International, a brain trust of the nation's top scientists in a wide variety of fields, who along with law enforcement, use the latest technology and field techniques to locate clandestine graves and hidden secrets to solve "unsolvable" crimes. In No Stone Unturned, Steve Jackson—who became a member of NecroSearch International in 2015—gives a captivating, insider's look into a realm of crime investigation of which few people are aware. "The book covers the group's quirky beginnings and digs into its most important cases suspensefully; Jackson's sharp eye misses nothing in the painstakingly rendered details. A must-have for true crime fans, it should also be of great interest to anyone fascinated with the practical applications of science."—Publishers Weekly (starred review) "Delves into cases that would make good novels, but they're real. Furthermore, he describes a group of uncommon people performing uncommon tasks, and he does it with respect, accuracy and genuine style."—Ron Franscell, bestselling author of Alice & Gerald: A Homicidal Love Story

Archangel-Margaret Fortune 2017-03-07 Archangel is the second installment of the explosive, pulse-pounding Spectre War science fiction series. An enemy you can't kill. A soldier who can't fight. An interstellar war that can't be won . . . until now. As a soldier of the Celestial Expanse, Guardian First Class Michael Sorenson knows better than anyone that when the Spectres invade, there are only two options. Run or die. However, his defensive war takes on a whole new spin when he's recruited into Division 7, a Research & Development facility with the ultimate mission: to create a large-scale weapon that can kill Spectres en masse. Here Michael joins a team of military elite who have the daring—and dangerous—task of taking new weapons prototypes out into the field for testing on enemy troops. Yet the closer they come to developing a working WMD, the more it becomes clear: There's a saboteur in R&D. With all signs pointing to a massive Spectre attack brewing on the horizon, the creation of a new weapons system yields an opportunity to end the threat once and for all. As the days count down toward its launch, Michael must hunt down the saboteur . . . before the saboteur hunts down him.
