Nambassa was a series of hippie-conceived festivals held between 1976 and 1981 on large farms around Waihi and Waikino in New Zealand. They were music, arts and alternatives festivals that focused on peace, love, and an environmentally friendly lifestyle. In addition to popular entertainment, they featured workshops and displays advocating alternative lifestyle and holistic health issues ...

Mad Men is an American period drama surrounding an advertising firm on Madison Avenue, New York City, during the 1960s. The series deconstructs nostalgia of the "good old days" of America's past and explores the changing American landscape through the eyes of Sterling-Cooper Advertising and the world of advertising at the dawn of the decade that would change America forever.

The game's biggest selling point, however, was the use of Matrix-style Bullet Time (despite the game being in the works before the movie came out), which allowed the players to slow down key points of the game while letting them aim and react as usual. This gave Max an edge over the bad guys as well as looking darn cool, especially since the game was one of the first to use projectile modeling ...
