The Other Side of the World-Stephanie Bishop 2016-09-20 "In the tradition of The Hours and Revolutionary Road, an astonishingly beautiful novel about marriage, motherhood, identity, nostalgia, and

the fantasy of home, set in England, Australia, and India in the early 1960s"--

The Way of Beauty-François Cheng 2009-06-25 Five meditations on the role of beauty in human life and its direct connection with the sacred • Looks at how beauty has the power to elevate and counterbalance the negative side of the reality facing us • Presents the role of beauty in transforming individuals and transforming the world from a Taoist perspective In a time of mindless violence and widespread ecological and natural catastrophes, François Cheng asks if talking about beauty may not seem incongruous even scandalous. Yet this is actually the most appropriate time to revisit a subject that was a philosophical mainstay for millennia. The power of beauty to elevate and transcend counterbalances the negative side of the reality facing us. As John Keats noted in "Ode on a Grecian Urn," beauty is inseparable from truth: "Beauty is truth, truth beauty,--that is all Ye know on earth, and all ye need to know." The ultimate human reality pivots on these two extremes of the living universe--beauty and evil. Cheng begins his teachings with the intrinsic sense of beauty revealed by the landscape, symbolized by the staggeringly beautiful Lu Mountain of his native province in China. His five meditations carry the reader from the understanding of beauty being in the mind of the beholder to its intimate relationship with the sacred, both from a Western and Taoist perspective. He shows that the most telling indication of the importance of beauty in human life and for individual spiritual realization can be grasped by simply imagining a world without it.

Rescuing Mary: A Military Romantic Suspense-Susan Stoker 2018-10-28 Ford "Truck" Laughlin and Mary Weston have weathered their share of storms over the last couple years. Truck's job, Mary's health. His bossiness, her bitchiness. All while dancing around their intense attraction. Mary's tried to push him away for his own good but Truck won't let her give up...on herself or on them. Just when she decides they deserve a fair shot, disaster strikes. Truck has wanted Mary since the moment he saw her. The prickly woman pushes all his buttons and looks beyond his scarred exterior, something few women have managed. His plan to take their relationship to the next level is stalled when he's injured on a mission. And he's barely feeling like his old self again before the couple is dealt another blow, one that could permanently end their chances...and their lives. \*\*Rescuing Mary is the 9th book in the

Delta Force Heroes Series. Usually my books are stand-alones, but in this case, I feel you would get more enjoyment out of the story if you read the other books first, since Mary and Truck's relationship evolves throughout the series. If nothing else, I recommend reading the first book in the series, Rescuing Rayne, where their relationship began. --- Read what others are saying about New York Times bestselling author, Susan Stoker: "Susan Stoker is the master of military romantic suspense. Linguanomics-Gabrielle Hogan-Brun 2017-02-09 Globalization, the Internet and an era of mass travel have combined to produce a world with a language mix on a huge scale. Linguanomics explains this multilingualism in a material, economic and cultural sense. What is the effect of this multilingualism on society, organizations and individuals? What are the economic benefits and drawbacks? Should we invest in language skills? Should there be interventionist policies, and if so, at what level? Should there be a global lingua mundi? The debate surrounding multilingualism is often clouded by emotion and misconception. With an analysis devoid of rhetoric, Gabrielle Hogan-Brun takes an objective look at this charged area. The result is Linguanomics: a major step towards a clearer understanding of the market potential of multilingualism, its benefits, costs and points of contention. Asking significant questions of profound concern to the future of global collaboration, Linguanomics is an essential guide to students, teachers, policy makers and politicians and anyone who cares about the role of

language in the modern world.

Before You Break-Christina Lee 2014-02-18 A sexy, emotional New Adult romance about a bad boy on the edge and a good girl about to lose control... A college baseball star isn't supposed to have skeletons in his closet. But Daniel Quinn is hiding a guilty past so dark he refuses to let anyone get close. Except there's something about gorgeous, studious Ella Abrams that goes beyond the electric attraction between them—something that makes him want to open up. Ella has suffered enough heartache and guilt to fill one of her psychology textbooks, but she keeps that part of herself hidden behind a bubbly exterior. Until she receives an anonymous call while working a suicide helpline and the voice on the other end touches something inside of her that she can't ignore. Soon Ella and Quinn's physical connection heats up, even as their deep and revealing hotline talks intensify. But by the time Ella realizes that her seductive jock and her sensitive caller are the same guy, it might be too late to save him—or to stop herself from falling too far... Weekend Agreement-Barbara Wallace 2012-03-12 Weekend Agreement by Barbara Wallace Cynical billionaire Daniel Moretti works hard, plays harder, and has one ironclad rule. Never trust a woman. Bad news for historian Charlotte Doherty who shows up at exactly the wrong time. Like every other woman in Daniel's life, Charlotte wants something from him—the deed to her family farm. Daniel agrees, but only if he gets something in return: Charlotte's company for the weekend! The property is Charlotte's only link to the mother she never knew. Desperate to keep her history alive, she'll accept Daniel's indecent proposal, but not without a few terms of her own. Namely, a propriety clause. No flirting. No kissing. No sex. Daniel has no intention of honoring her conditions, but after one weekend with Charlotte leaves him hungering for more, he can't help wondering if she could be the exception to his unbreakable rule...

The hippie trail-Sharif Gemie 2017-11-10 This is the first history of the Hippie Trail. It records the joys and pains of budget travel to Kathmandu, India, Afghanistan and other 'points east' in the 1960s and 1970s. Written in a clear, simple style, it provides detailed analysis of the motivations and the experiences of hundreds of thousands of hippies who travelled eastwards. The book is structured around four key debates: were the travellers simply motivated by a search for drugs? Did they encounter love or sexual freedom on the road? Were they basically just tourists? Did they resemble pilgrims? It also considers how the travellers have been represented in films, novels and autobiographical accounts, and will appeal to those interested in the Trail or the 1960s counterculture, as well as students taking courses relating to the 1960s.

Counter-Attack-Brian Tracy 2011-01 With the economic upheaval we have all experienced in the new economy, it's hard not to feel that the way we do business is under attack. Traditions and the status quo have all been replaced with "New Normals," making it more and more difficult to find a clear-cut path to success. In this refreshingly authentic book, thirty-five business leaders from around the world with very diverse backgrounds have teamed up to share what's working now-so you can stop wondering and start profiting. As you read this book, you'll find that the authors and concepts in this book run the full gamut. From rags-to-riches stories of people who have raised themselves up by their bootstraps - from all across the globe to become prominent business leaders - to hard-hitting advice that seems like common sense. Unfortunately, common sense sometimes isn't common knowledge. These leaders also advocate some strategies that seem very "against the grain." The great news is that every author in this book has laid out their best advice from their own experience, so you can find what resonates with you and start implementing - and join in the economic COUNTER ATTACK!
