It includes some of France's greatest writers, such as Balzac, Flaubert and Zola. Chapters are devoted either to individual writers, background and general studies, or a particular movement or genre.

Lessons in French grammar and pronunciation for self-educators. [With] Key-Jules A L. Kunz 1885

Homosexuality in French History and Culture-Jeffrey Merrick 2013-09-13 Deconstruct changing representations of homosexuality with this important new work of cultural criticism! Homosexuality in French History and Culture explores episodes, patterns, and images of same-sex attraction in France from the sixteenth to the twenty-first century, from the essays of Michel de Montaigne to pride parades in contemporary Paris. This groundbreaking book documents the ways homosexuality has been named, experienced, regulated, understood, and imagined. During these centuries, homosexuality has been stigmatized as a sin, crime, or disease, and denounced as a threat to social order and national identity. Yet the rhetoric of condemnation has always co-existed with the reality of toleration. This groundbreaking collection analyzes the ways in which persecutions, as well as differences within minority sexual subcultures, have highlighted stereotypes and anxieties about class and age differences, gendered roles, and separatism. Homosexuality in French History and Culture offers historical and literary studies based on a wide variety of sources, including: novels, plays, and poetry gossip and satires police reports medical texts travel literature newspapers and periodicals memoirs Homosexuality in French History and Culture combines fresh, creative re-interpretation of familiar texts with exciting new explorations of neglected historical episodes and cultures. It is a landmark of meticulous scholarship and rigorous theoretical analysis, and a vital resource for scholars of queer theory, French history and culture, and literary criticism.

Registers of the French Conformed Churches of St. Patrick and St. Mary, Dublin- 1893

French Literature During the Last Half-century-Pierre Dareutiere de Bâcourt 1923

A Century of French Fiction-Benjamin Willis Wells 1903 Discusses 19th century French novelists and their influential works.

French for Success-Philip Ejikeme 2016-03-16 FRENCH FOR SUCCESS is conceived to facilitate rapid mastery of rules governing French grammar. It is the

fruit of reflections on simple, but reliable methods that will enable the non-Francophone to acquire a mindset similar to that of the Francophone. To do that, we strive to simplify the conjugation of verbs, which is what makes the French language appear to be difficult. Accordingly, verbs are placed into categories, instead of groups, depending on their patterns of conjugation. Each category has a conjugation formula. A category is a group of verbs that share similar conjugation patterns in all tenses. While, traditionally, the radical of a verb is repeated six times in a conjugation, the concept exposed in these manuals seeks to use a radical once (unless it is impossible to do so, as in irregular verbs), and replace it with other radicals of the same category. As you will discover, verbs in the same categories share the same six endings which remain unchanged. Examples of radicals are: aim- from aimer; parl- from parler, écout- from écouter or donn- from donner. The groupings and their distinctive features are explained. Understanding that conjugation is just a matter of arrangement of verb endings, and knowing which verbs that belong together makes learning French much easier. Category A comprises over 4000 verbs, and one can learn their conjugation in less than 10 minutes. The curious might wonder why we prefer categories to groups. Currently, there are three main groups - namely the first group which comprises verbs ending in er; the second group which is composed of verbs ending in ir; and the third group composed of verbs ending in re. The first group alone (the er-group) comprises about 13 different groups of verbs, the radicals of which cannot mutually replace one another. We reduce them to 8. For instance, donn-, aim-, parl- and écout- can replace one another but cannot replace céd- or cèd- from céder; or jett and jet- from jeter, etc, although they all end in er and belong to the first group. In the second group, while fini- (finir), agi- (agir), and béni- (bénir) are mutually replaceable, they cannot replace sor- (sortir), par-(partir), men-(mentir); cour-(courir), secour- (secourir); or vien- and ven-(venir). We think that placing in the same group verbs whose patterns of conjugation have nothing to do with one another can lead to confusion. Similarly, in group 3, which comprises verbs ending in re, while attendre, vendre, rendre, perdre can replace one another in a conjugation, they cannot replace prendre, comprendre; and moudre, dissoudre and coudre do not even share common patterns of conjugation. Themes are selected to facilitate visual recognition. Where possible, nouns, adjectives and adverbs are grouped in a manner that help the learner distinguish the gender and number, or show them how those parts of speech are formed. The manuals are divided into four volumes for the progressive acquisition of the rules of French Grammar. While Book 1 introduces such basics as articles /gender (masculine/feminine), and nouns, prepositions, numbers, professions, book 2 seeks to consolidate the knowledge acquired earlier. Other tenses are examined in greater details. Progressively, the users build their confidence as they learn to construct correct sentences.

French for the IB MYP 4&5 (Phases 1-2): by Concept-Fabienne Fontaine 2018-11-19 Develop your skills to become an inquiring learner; ensure you navigate the MYP framework with confidence using a concept-driven and assessment-focused approach to French, presented in global contexts. - Develop conceptual understanding with key MYP concepts and related concepts at the heart of each chapter. - Learn by asking questions for a statement of inquiry in each chapter. - Prepare for every aspect of assessment using support and tasks designed by experienced educators. - Understand how to extend your learning through research projects and interdisciplinary opportunities. - Think internationally with chapters and concepts set in global contexts.

Paul's Mistress-Guy de Maupassant 2018-05-31 Paul's Mistress By Guy de Maupassant In 1880 he published what is considered his first great work, 'Boule de Suif', (translated as 'Dumpling', 'Butterball', 'Ball of Fat', or 'Ball of Lard') which met with a success that was both instant and overwhelming. Flaubert at once acknowledged that it was 'a masterpiece that will endure.' Maupassant had used his talents and experiences in the war to create something unique. This decade from 1880 to 1891 was to be the most pivotal of his career. With an audience now made available by the success of 'Boule de Suif' Maupassant organised himself to work methodically and relentlessly to produce between two and four volumes of work a year. The melding of his talents and business sense and the continual hunger of sources for his works made him wealthy. In his later years he developed a desire for solitude, an obsession for self-preservation, and a fear of death as well as a paranoia of persecution caused by the syphilis he had contracted in his youth. On January 2nd, 1892, Maupassant tried to commit suicide by cutting his throat. Unsuccessful he was committed to the private asylum of Esprit Blanche at Passy, in Paris. It was here on July 6th, 1893

that Henri René Albert Guy de Maupassant died at the age of only 42. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience. Paul's Mistress, Paul's Mistress book, Paul's Mistress pdf, Paul's Mistress review

A Theoretical and Practical Grammar of the French Tongue-Jean-Pons-Victor Lecoutz de Levizac 1843

Sapphic Fathers-Gretchen Schultz 2015-01-15 Literature that explored female homosexuality flourished in late nineteenth-century France. Poets, novelists, and pornographers, whether Symbolists, Realists, or Decadents, were all part of this literary moment. In Sapphic Fathers, Gretchen Schultz explores how these male writers and their readers took lesbianism as a cipher for apprehensions about sex and gender during a time of social and political upheaval. Tracing this phenomenon through poetry (Baudelaire, Verlaine), erotica and the popular novel (Belot), and literary fiction (Zola, Maupassant, Péladan, Mendès), and into scientific treatises, Schultz demonstrates that the literary discourse on lesbianism became the basis for the scientific and medical understanding of female same-sex desire in France. She also shows that the cumulative impact of this discourse left tangible traces that lasted well beyond nineteenth-century France, persisting into twentieth-century America to become the basis of lesbian pulp fiction after the Second World War.
