Les Choses-Georges Perec 1968

Economics and Literature-Çınla Akdere 2017-09-27 Since the Middle Ages, literature has portrayed the economic world in poetry, drama, stories and novels. The complexity of human realities highlights crucial aspects of the economy. The nexus linking characters to their economic environment is central in a new genre, the "economic novel", that puts forth economic choices and events to narrate social behavior, individual desires, and even non-economic decisions. For many authors, literary narration also offers a means to express critical viewpoints about economic development, for example in regards to its ecological or social ramifications. Conflicts of economic interest have social, political and moral causes and consequences. This book shows how economic and literary texts deal with similar subjects, and explores the ways in which economic ideas and metaphors shape literary texts, focusing on the analogies between economic theories and narrative structure in literature and drama. This volume also suggests that connecting literature and economics can help us find a common language to voice new, critical perspectives on crises and social change. Written by an impressive array of experts in their fields, Economics and Literature is an important read for those who study history of economic thought, economic theory and philosophy, as well as literary and critical theory.

Things-Georges Perec 1990 Two trailblazing novels by Georges Perec, Things: Jerome and Sylvie, the young upwardly mobile couple, lust for the good life. They wanted life's enjoyment, but this equated to ownership. A Man Asleep: A nameless student attempts to purify himself entirely of material desires and ambitions.

Georges Perec: A Life in Words-David Bellos 2010-11-30 "It's hard to see how anyone is ever going to better this User's Manual to the life of Georges Perec" - Gilbert Adair, Sunday Times Winner of the Prix Goncourt for Biography, 1994 George Perec (1936-82) was one of the most significant European writers of the twentieth century and undoubtedly the most versatile and innovative writer of his generation. David Bellos's comprehensive biography - which also provides the first full survey of Perec's irreverent, polymathic oeuvre - explores the life of an anguished, comical and endearingly modest man, who worked quietly as an archivist in a medical research library. The French son of Jewish immigrants from Poland, he remained haunted all of his life by his father's death in the war, fighting to defend France, and his mother's in Auschwitz-Birkenau. His acclaimed novel A Void (1969) - written without using the letter "e" - has been seen as an attempt to escape from the words "père", "mere", and even "George Perec". His career made an auspicious start with Things: A Story of the Sixties (1965), which won the Prix Renaudot. He then pursued an idiosyncratic and ambitious literary itinerary through the intellectual ferment of Paris in the 1960s and 1970s. He belonged to the Ouvrier de Littérature Potentielle (OuLiPo), a radically inventive group of writers whose members included Raymond Queneau and Italo Calvino. Perec achieved international celebrity with Life A User's Manual (1978), which won the Prix Medicis and was voted Novel of the Decade by the Salon du Livre. He died in his mid-forties after a short illness, leaving a truly puzzling detective novel, 53 Days, incomplete. "Professor Bellos's book enables us at once to relish the most wilfully bizarre aspects of Perec's oeuvre and to understand the whys and wherefores of his protean nature" - Jonathan Romney, Literary Review

A Void-Georges Perec 2005 A mind-bending novel from the author of Life A User's Manual A Void is a great linguistic adventure and a metaphysical whodunit, chock-full of plots and subplots, of trails in pursuit of trails, all of displays Georges Perec's virtuosity as a verbal magician. It is also an outrageous verbal stunt: a 300-page novel that never once employs the letter E. The year is 1968, and as France is torn apart by social and political anarchy, the noted eccentric and insomniac Anton Vowl goes missing. Ransacking his Paris flat, his best friends scour his diary for clues to his whereabouts. At first glance these pages reveal nothing but Vowl's penchant for word games, especially for "lipograms," compositions in which the use of a particular letter is suppressed. But as the friends work out Vowl's verbal puzzles, and as they investigate various leads discovered among the entries, they too disappear, one by one by one, and under the most mysterious circumstances . . . A book that only Georges Perec could have conceived, Time magazine called A Void, "...an absurdist nirvana of humor, pathos, and loss."

French XX Bibliography-William J. Thompson 2006-09 Provides a listing available of books, articles, and book reviews concerned with French literature since 1885. This work is a reference source in the study of modern French literature and culture. The bibliography is divided into three major divisions: general studies, author subjects (arranged alphabetically), and cinema.

Discursive Geographies-Jeanne Garane 2005 The present collection of essays follows in the wake of recent work in cultural geography challenging the idea that maps are scientifically neutral entities, or that space, unlike time, is immobile. In defining space, place and geography as forms of textuality, the essays collected in this volume examine the ways in which postcolonial and metropolitan literary and filmic texts in French can at once inscribe and produce place and space, and thereby participate in forms of "discursive geographies." Contributors: François Bon; Alexandre Dauge-Roth; Habiba Deming; Zakaria Fatih; Jeanne Garane; Patricia Geesey; Greg Hainge; Sirène Harb; Jean-Luc Joly; Chantal Kalisa; Michel Laronde; Valérie Loichot; Mary McCullough; Michael O'Riley; Pascale Perraudin; Walter Putnam; Antoine Stéphani; Abdourahman A. W, Or, The Memory of Childhood-Georges Perec 2003 Combining fiction and autobiography in a quite unprecedented way, Georges Perec leads the reader inexorably towards the horror that lies at the origin of the post-World War Two world and at the crux of his own identity.

Georges Perec-David Bellos 1993 George Perec is the author of "Life, A User's Manual". This aims to provide a comprehensive biography including a full survey of Perec's varied oeuvre, portraying an anguished, comical and ordinary man.

Original Copies in Georges Perec and Andy Warhol-Priya Wadhwa 2016-12-08 In Original Copies in Georges Perec and Andy Warhol, Priya Wadhwa bridges the works of Perec and Warhol for the first time, illuminating a postmodern aesthetic where the original is devalued and the copy reigns supreme.

Species of Spaces and Other Pieces-Georges Perec 1997 This selection of non-fictional work from the author of Life, a User's Manual, demonstrates Georges Perec's characteristic lightness of touch, wry humour and accessibility.

History of the World in 1000 Objects-DK 2020-09-15 Discover how humans created their world from the objects they left behind - from the US Constitution to the first iPhone - in DK's latest history book. From the beginning of human history, the one thing that has defined us is our talent for making things, from basic technology and everyday objects, such as bowls and hand axes, to high-tech inventions, such as supersonic aircraft, smart devices, and Mars rovers.

Objects speak volumes about a civilization, telling us how our ancestors lived - as well as what they believed in and valued. A bronze cat mummy shows us how highly the ancient Egyptians valued their feline companions, while a mechanical tiger toy tells the story of rising tensions between an Indian sultan and European colonizers. With stunning, exclusive photography, History of the World in 1000 Objects shows you the objects that our ancestors treasured - from the jewelry worn by the Mesopotamians to the prized ritual vessels used by the people of the Shang Dynasty - and gives you insight into what gave each culture its own identity. From astrolabes and airplanes to vacuum cleaners and X-rays, DK uses its hallmark visual style to weave the extraordinary legacy of our creativity into a unique view of world history that will change the way you see the objects all around us.

"53 Days"-Georges Perec 1992-01 Georges Perec planned a mystery novel of 28 chapters: he died before completing it. From his notebooks his friends assembled the elements of the unfinished part. The narrator is sent to the French colonies to teach maths - as well as being entrusted with tracking down an arms dealer.

La Boutique Obscure-Georges Perec 2013-02-19 The beguiling, never-before-translated dream diary of Georges Perec In La Boutique Obscure Perec once again revolutionized literary form, creating the world's first "nocturnal autobiography." From 1968 until 1972—the period when he wrote his most well-known works—the beloved French stylist recorded his dreams. But as you might expect, his approach was far from orthodox. Avoiding the hazy psychoanalysis of most dream journals, he challenged himself to translate his visions and subconscious churnings directly into prose. In laying down the nonsensical leaps of the imagination, he finds new ways to express the texture and ambiguity of dreams—those qualities that prove so elusive. Beyond capturing a universal experience for the first time and being a fine document of literary invention, La Boutique Obscure contains the seeds of some of Perec's most famous books. It is also an intimate portrait of one of the great innovators of modern literature.

Cantatrix Sopranica L.-Georges Perec 2008 Perec, the legendary author of Life: A User's Manual, was fascinated by the possibility of employing non-fictional languages for altogether more mischievous purposes. This volume collects various texts in which he uses the expressionless terminology of sociology, entomology and linguistics to achieve effects they are distinctly designed to avoid. Not surprisingly, it is experimental', but it is also strange, preposterous and highly entertaining. Harry Matthews co-wrote one of the essays.'

Georges Perec-Manet van Montfrans 1999 Jongleur virtuose de mots et de formes, observateur attentif de son époque, conteur intarissable, Georges Perec (1936-1982) est un écrivain dont la renommée ne cesse de croître auprès d'un public très diversifié, en France et à l'étranger. La discrétion et l'humour de Perec ont pu masquer en un premier temps le véritable enjeu de son oeuvre. Depuis le milieu des années quatre-vingt, on voit cependant se développer une sensibilité accrue à la place que l'Histoire tient dans l'oeuvre de cet auteur, né en 1936 à Paris, dans une famille d'immigrants d'origine juive polonaise. Cet ouvrage retrace d'une part l'élaboration progressive de la poétique perecquienne qui s'est nourrie des expérimentations littéraires et des échanges intellectuels au sein de l'Oulipo. D'autre part, il confronte ce projet d'écriture à l'analyse de trois textes narratifs, Un homme qui dort, W ou le souvenir d'enfance et Un cabinet d'amateur. Ecrire est, selon Perec, un jeu qui se joue à deux, entre l'écrivain et le lecteur. Une fois qu'il s'est laissé séduire par les énigmes de ces textes, le lecteur doit accepter de suivre Perec à tâtons dans les méandres de son labyrinthe. Ce n'est que lorsqu'il consent à s'associer patiemment au mouvement de l'auteur qu'il comprendra ce autour de quoi tournent ces textes et vers quoi, sans cesse, ils retournent.

An Attempt at Exhausting a Place in Paris-Georges Perec 2010 By Georges Perec.

Three by Perec-Georges Perec 2004 "One of the most singular literary personalities in the world."--Italo Calvino Three works of short fiction by Georges Perec. The novella The Exeter Text contains all those e's that were omitted from his novel, A Void (Perec hated waste) and no other vowel. In Which Moped with Chrome-Plated Handlebars at the Back of the Yard? we meet Sergeant Henri Pollak and his vehicle that carries him between Vincennes and Montparnasse and A Gallery Portrait about a painting within a painting that became the sensation of the 1913 exhibition in Pittsburgh.

I Remember-Georges Perec 2020-02-13 'Perec is serious fun' The Guardian Both an affectionate portrait of mid-century Paris and a daring memoir, Georges Perec's I Remember is now available for the first time in English, with an introduction by David Bellos. In 480 numbered statements, all beginning identically with 'I remember', Perec records a stream of individual memories of a childhood in post-war France, while posing wider questions about memory and nostalgia. As playful and puzzling as the best of his novels, I Remember is an ode to life: the ordinary, the extraordinary, and the sometimes trivial, as seen through the eyes of the irreplaceable Georges Perec.

Afterlives of Georges Perec-Rowan Wilken 2017-03-08 Examines Perec's impact on architecture, art, design, media, electronic communications, computing and the everydayWhat do Perec's descriptions of the minutiae of everyday life reveal about our use of information and communications technologies?What happens if we read Life: A Users Manual as a toolbox of ideas for games studies? What light does the concept of the ainfra-ordinary shed on social media? What insights does algorithmic writing generate for the digital humanities? What lessons can architects, artists, game-designers and writers draw from Perec's fascination with creative constraints? Through an examination of such questions, this collection takes Perec scholarship beyond its existing limits to offer new ways of rethinking our present.ContributorsTom Apperley, Monash University, Australia.Caroline Bassett, University of Sussex, UK. The Art of Asking Your Boss for a Raise-Georges Perec 2017-01-17 Darkly funny account of the office worker's mindset by the celebrated French novelist A long-suffering employee in a big corporation has summoned up the courage to ask for a raise. But as he runs through the looming encounter in his mind, his neuroses come to the surface: What is the best day to see the boss? What if he doesn't offer you a seat when you go into his office? The Art of Asking Your Boss for a Raise is a hilarious account of an employee losing his identity—and possibly his sanity—as he tries to put on the most acceptable face for the corporate world,with its rigid hierarchies and hostility to new ideas. If he follows a certain course of action, so this logic goes, he will succeed—but, in accepting these conditions, are his attempts to challenge his world of work doomed from the outset? Neurotic and pessimistic, yet endearing, comic and never less than entertaining, Perec's Woody Allen-esque underling presents an acute and penetrating vision of the world of office work, as pertinent today as it was when it was written in 1968. From the Trade Paperback edition.

Les choses communes: Je me souviens-Georges Perec 1978

Djinn-Alain Robbe-Grillet 1982 "A haunting, disorienting, brilliantly constructed novel, Djinn is the story of a young man who joins a clandestine organization under the command of an alluring, androgynous American girl, Djinn. Having agreed to wear dark glasses and carry a can like a blind man, he comes to realize, through bizarre encounters, recurring visual images, and fractured time sequences he experiences as part of his undisclosed mission, that he is, in a sense, helplessly blind. His search for the meaning of his mission and for possible clues to the identity of the mysterious Djinn, becomes a quest for his own identity in an ever-shifting time-space continuum. His growing obsession with solving the mystery becomes the reader's own until, through a surprising shift in narrative perspective, the reader too becomes lost in the dimension between past and future." -- Publisher's description

We are the Birds of the Coming Storm-Lola Lafon 2014 "The story centers on two young women: Voltairine, a dancer who no longer dances but whose body is still haunted by the movement of dance, and her soulmate Emile, a young woman recovering from unexpected cardiac arrest.... Later, at the cinemathèque, Voltairine and Emile meet a young girl whom they call "the little girl at the end of the lane," who is obsessed by the Haymarket Affair of 1886.... We Are the Birds of the Coming Storm explores repression, revolt, and madness, telling a story that is not only revolutionary but also cautionary--of three women who let their spirits fly like birds as the daunting storm ascends."--online abstract  
Portrait of a Man (Le Condottière)-Georges Perec 2014 Gaspard Winckler, master forger, is trapped in a basement studio on the outskirts of Paris, with his paymaster's blood on his hands. The motive for this murder? A perversion of artistic ambition. After a lifetime lived in the shadows, he has strayed too close to the sun. Fittingly for such an enigmatic writer, Portrait of a Man is both Perec's first novel and his last. Frustrated in his efforts to find a publisher, he put it aside, telling a friend: 'I'll go back to it in ten years when it'll turn into a masterpiece, or else I'll wait in my grave until one of my faithful exegetes comes across it in an old trunk.' An apt coda to one of the brightest literary careers of the twentieth century, it is - in the words of David Bellos, the 'faithful exegete' who brought it to light - 'connected by a hundred threads to every part of the literary universe that Perec went on to create - but it's not like anything else that he wrote.

Les choses communes- 1986

Longing to Belong-S. Sasson 2012-12-11 Rising from humble origins to a position of preeminence, galvanized by the possibilities for financial gains made possible by the 'age of capital,' multitudes of social climbers appeared, 'on the make,' bent on conquering society's upper reaches by whatever means available. Yet making it is not the same as fitting in: an emblematic figure of the 'bourgeois century', the parvenu represents the Other on which a society depends. This drama of exclusion is symptomatic of nineteenth-century society as a whole - ambivalent about social mobility and the meaning of social advancement, oscillating between a new sense of opportunity for all and a backward-looking retrenchment to rigid social structures. The parvenu allows us to decipher a culture and its prejudices, its fears and its difficulty in negotiating the advent of modernity.
