Common believes that the phrase "let love have the last word" is not just a declaration; it is a statement of purpose, a daily promise. Fear Us-B. B. Reid 2015-09-22 KEENAN It's been four years since I ran away-from home, my brother, and my maybe father. I created a life free of expectations while pretending I wasn't being hunted by all of the above. I managed to stay under the radar all this time... or so I thought. When big brother shows up and saves my ass, I'm forced to face everything I left behind, including her. SHELDON It's been four years since I became another statistic. I made a lot of mistakes when it came to Keenan Masters. The first was loving him at all. He took something from me the night he left, and when I told him I still loved him, he told me he'd always hate me. After that, I learned how to be okay... until he came back. Gone was the boy who always knew how to make me laugh, and in his place was a cold, arrogant monster. Fear Us is a continuation of the events from book one and two. It's recommended you read the series in order.
