Line and Orbit-Lisa Soem 2014-02 Adam Yuga, a rising young star in the imperialist Terran Protectorate, is on the verge of a massive promotion ... until a routine physical exam reveals something less than perfection. Genetic flaws are taboo, and Adam soon discovers there's a thin line between rising star and starving outcast. Stripped of wealth and position, stricken with a mysterious, worsening illness, Adam resorts to stealing credits to survive. Moments from capture by the Protectorate, help arrives in the form of Lochlan, a brash, cocksure Bideshi fighter. Now the Bideshi, a people long shunned by the Protectorate, are the only ones who will offer him shelter. As Adam learns the truth about the mysterious, nomadic people he was taught to fear, Lochlan offers him not just shelter but a temptation Adam can only resist for so long.

A Brief History of the Future-Sunny Moraine 2014-06-29 As an author, scholar, and essayist, Sunny Moraine has mused on a variety of things in a variety of ways. In this collection, spanning over two years of work, they make their way through thoughts on the form and business of writing, the nature and meaning of games, the interweaving of society and technology, and the anxieties, awkwardnesses, and hopes of the everyday. Gently humorous, self-deprecating, and occasionally painfully honest, these essays offer a journey through a process of body, heart, and mind, and hints of what waits beyond.

Labyrinthian-Sunny Moraine 2015-01-20 A hunter should never fall for his prey. A story set in the Line and Orbit world. Still nursing his latest post-mission hangover, bounty hunter Theseus jumps at a high-paying, high-risk job that sounds ridiculously easy. Yet from the moment he nabs the alleged supersoldier with sedative gas, nothing is as it seems. On the run from the facility where he was created and raised, Taur is desperate to locate his genetically engineered brothers and sisters. To rescue them-and himself-from slavery. Waking aboard Theseus's ship, his fury is tempered by curiosity about his captor. Despite his doubts about his prisoner, Theseus figures it'd be risky to let Taur go-until they're thrown together by a shared betrayal. They declare a tentative truce as they flee from a shadowy and immensely powerful organization that will stop at nothing to find them. But as they wrestle with their growing feelings for each other, Taur and Theseus face an even greater danger. A lethal threat lurking inside Taur's own body, waiting to explode... Warning: Contains explicit violence, sex, and gratuitous quippiness.

Singing with All My Skin and Bone-Sunny Moraine 2016-05-24 The staggeringly brilliant and astonishing debut collection by powerful stylist Sunny Moraine. A heady stew of dark fantasy, dystopia, terror, and transcendence. "Sex, oddity, horror, transfiguration: Sunny Moraine's stories cut straight through to the heart of even the most complicated concepts, turning words inside out with truly offensive skill, wringing them for every last scrap of beautiful terror. They will make readers want to write and writers want to stop writing, on the grounds that any idea they might have has demonstrably been done before, and far better." - Gemma Files, Author of Experimental Film

Popular Science- 2007-08 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

All of the Above-Shelley Pearsall 2008-12-21 Based on a true story, All of the Above is the delightful and suspenseful story of four inner city students and their quest to build the world's largest tetrahedron. Weaving together the different personal stories of the kids, their teacher, and the community that surrounds them, award-winning author Shelley Pearsall has written a vividly engaging story about the math, life and good-tasting barbecue. Filled with unexpected humor, poignant characters and quiet brilliance, All of the Above is a surprising gem.

The Adventures of Tom Sawyer-Mark Twain 2013-03-07 The Adventures of Tom Sawyer, by Mark Twain, is a popular novel about a young boy growing up in a village on the banks of the Mississippi River. Tom Sawyer, a mischievous orphan taken in by his aunt Polly, goes through a series of adventures involving his friends, Joe Harper and Huckleberry Finn. Tom is an escape master and a small crook in a long list of adventures, as a symbol of celebration of childhood.

The Summer of Sunshine and Margot-Susan Mallery 2019-06-11 The Baxter sisters come from a long line of women with disastrous luck in love. But this summer, Sunshine and Margot will turn disasters into destiny... As an etiquette coach, Margot teaches her clients to fit in. But she's never faced a client like Bianca, an aging movie star who gained fame—and notoriety—through a campaign of shock and awe. Schooling Bianca on the fine art of behaving like a proper diplomat's wife requires intensive lessons, forcing Margot to move into the monastery turned mansion owned by the actress's intensely private son. Like his incredible home, Alec's stony exterior hides secret depths Margot would love to explore. But will he trust her enough to let her in? Sunshine has always been the good-time sister, abandoning jobs to chase after guys who used her, then throw her away. No more. She refuses to be “that girl” again. This time, she'll finish college, dedicate herself to her job as a nanny, and she 100 percent will not screw up her life again by falling for the wrong guy. Especially not the tempting single dad who also happens to be her boss. Master storyteller Susan Mallery weaves threads of family drama, humor, romance and a wish-you-were-there setting into one of the most satisfying books of the year! Don't miss Susan Mallery's most irresistible novel yet, The Vineyard at Painted Moon, and join one woman as she searches for the perfect blend of love, family and wine.

Paper Towns-John Green 2013 Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of The Fault in our Stars. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

The Bone Shard Daughter-Andrea Stewart 2020-09-08 "One of the best debut fantasy novels of the year."--BuzzFeed News "An amazing start to a new trilogy."--Cultures "It grabs you by the heart and the throat from the first pages and doesn't let go."-- Sarah J. Maas The Bone Shard Daughter is an unmissable fantasy debut from a major new voice in epic fantasy -- a stunning tale of magic, mystery, and revolution in which the former heir to the emperor will fight to reclaim her power and her place on the throne. The emperor's reign has lasted for decades, his mastery of bone shard magic powering the animal-like constructs that maintain law and order. But now his rule is failing, and revolution is sweeping across the Empire's many islands. Lin is the emperor's daughter and spends her days trapped in a palace of locked doors and dark secrets. When her father refuses to recognise her as heir to the throne, she vows to prove her worth by mastering the forbidden art of bone shard magic. Yet such power carries a great cost, and when the revolution reaches the gates of the palace, Lin must decide how far she is willing to go to claim her birthright - and save her people. "Epic fantasy at its most human and heartfelt. . . inventive, adventurous and wonderfully written." -- Alix E. Harrow "Utterly absorbing. I adored it." -- Emily Duncan "A thoroughly fantastic read." -- Kevin Hearne "Stewart's debut is sharp and compelling. It will hook readers in and make them fiercely anticipate the rest of the series." -- Booklist "Groundbreaking epic fantasy for a new age." -- Tasha Suri "Begins with a spark of intrigue that ignites into a thrilling adventure." -- Hafsa Faizal

The Right Stuff-Tom Wolfe 2008-03-04 From "America's newest journalist" (Newsweek)—a breath-taking epic, a magnificent adventure story, and an investigation into the true heroism and courage of the first Americans to conquer space. "Tom Wolfe at his very best" (The New York Times Book Review) Millions of words have poured forth about man's trip to the moon, but until now few people have had a sense of the most engrossing side of the adventure; namely, what went on in the minds of the astronauts themselves - in space, on the moon, and even during certain odysseys on earth. It is this, the inner life of the astronauts, that Tom Wolfe describes with his almost uncapable empathetic powers, that made The Right Stuff a classic.

Shine Shine Shine-Lydia Netzer 2012-07-03 {vrtf1\ansivansicpg1252deff0{\fonttbl{\f0\swiss\prq2\fccharset0 Arial;}{\f1\nil\fccharset0 Arial;}}{viewkind4uc1\pard\lang2057\fo\fs20 Sunny Mann has done everything in her power to create a run-of-the-mill life for herself in a quiet Virginia suburb. Her house is elegant, her friends are beautiful, and under her quiet supervision, no one ever goes without a casserole when a loved one is ill. But a minor fender bender between minivans sends her perfect blonde wig sailing out the window, exposing her true identity and threatening to crack her white picket fence existence wide open. Now, a meteor is coming, the local weatherman has gone mad, a murderous past has returned to life, her mathematical genius of a husband is helping his robots to stage an uprising on the moon, and it's up to Sunny to keep it all together. \par \fs22 \fs20 This gloriously inventive, funny novel is at once an intimate portrait of a very modern American family and a timeless love story. It's about the choices that make us human, the line between life and death, and is a captivating exploration of marriage, motherhood and self.\f1\fs18 \par }

We All Looked Up-Tommy Wallach 2015-03-24 The lives of four high school seniors intersect weeks before a meteor is set to pass through Earth's orbit, with a 66.6% chance of striking and destroying all life on the planet. Simultaneous eBook.

Her Last Death-Susanna Sonnenberg 2008-01-01 Her Last Death begins as the phone rings early one morning in the Montana house where Susanna Sonnenberg lives with her husband and two young sons. Her aunt is calling to tell Susanna her mother is in a coma after a car accident. She might not live. Any daughter would rush the thousands of miles to her mother's bedside. But Susanna cannot bring herself to go. Her courageous memoir explains why. Glamorous, charismatic and a compulsive liar, Susanna's mother seduced everyone who entered her orbit. With outrageous behavior and judgment tinged by drug use, she taught her kid the art of sex and the benefits of lying. Susanna struggled to break out of this compelling world, determined, as many daughters are, not to become her mother. Sonnenberg mines tender and startling memories as she writes of her fierce resolve to forge her independence, to become a woman capable of trust and to be a good mother to her own children. Her Last Death is riveting, disarming and searingly beautiful.

The Goodbye Book- 2015-11-03 From bestselling author Todd Parr, a poignant and reassuring story about loss. Through the lens of a pet fish who has lost his companion, Todd Parr tells a moving and wholly accessible story about saying goodbye. Touching upon the host of emotions children experience, Todd reminds readers that it's okay not to know all the answers, and that someone will always be there to support them. An invaluable resource for life's toughest moments.

Salt Bride: A Georgian Historical Romance-Lucinda Brant 2018-12-19 Another delicious Georgian gem from Lucinda Brant: High drama, deep emotion, and witty prose, all deftly sprinkled with historical detail to keep you mesmerized from beginning to end. Immerse yourself in the romance and opulence of her eighteenth century aristocratic world. When the Earl of Salt Hendon marries squire's daughter Jane Despard, Society is aghast. But Jane and Salt share a secret past of heartache and mistrust. They are forced into a marriage neither wants; the Earl to honor a dying man's wish, Jane to save her stepbrother from financial ruin. Beautiful inside and out, the patient and ever optimistic Jane believes love conquers all; the Earl will take some convincing. Enter Diana St. John, who has been living in a fool's paradise believing she would be the next Countess of Salt Hendon. She will go to extreme lengths, even murder, to hold Salt's attention. Can the newlyweds overcome past prejudices and sinister opposition to fall in love all over again? As the plot develops and darkens you realize the imagery is spectacular. If you've never met true evil just wait 'till you meet Diana St. John; definitely made me a fan. --Swurman: 5 STAR TOP PICK Night Owl Reviews. A love story that fans of historical romance will relish. The rakish and raucous character of the period is contrasted superbly with the sophistication of the age. --Fiona Ingram: 5 STARS Readers' Favorite. Brant's talent is undeniable and dare I admit... I enjoyed Salt Bride more than many of Georgette Heyer's own beloved works and that is high praise indeed. --Courtney Webb: Siletto Storytime. 2015 B.R.A.G. Medallion Honoree, 2011 Australian Romance Readers Awards Finalist. Full-length novel (117,000 words, about 460 standard pages). Parental Guidance Recommended (mild sensuality). Classic romance with a modern voice, similar to Regency noir.

Life as We Knew it-Susan Beth Pfeffer 2008 Through journal entries, sixteen-year-old Miranda describes her family's struggle to survive after a meteor hits the moon, causing worldwide tsunamis, earthquakes, and volcanic eruptions. Joyful-Ingrid Fetell Lee 2018-09-04 Next Big Idea Club selection -- chosen by Malcolm Gladwell, Susan Cain, Dan Pink, and Adam Grant as one of the "two most groundbreaking new nonfiction reads of the season!" Inc's "10 Most Inspiring Books of 2018"Real Simple's "Best Books of 2018"Elle's "29 Best Books of 2018" TechCrunch's "Favorite Things of 2018" "This book has the power to change everything! Writing with depth, wit, and insight, Ingrid Fetell Lee shares all you need to know in order to create external environments that give rise to inner joy."--Susan Cain, author of Quiet and founder of Quiet Revolution Designer and TED star Ingrid Fetell Lee presents groundbreaking research to explain how making small changes to your surroundings can create extraordinary happiness in your life. Have you ever wondered why we stop to watch the orange glow that arrives before sunset, or why we flock to see cherry blossoms bloom in spring? Is there a reason that people -- regardless of gender, age, culture, or ethnicity -- are mesmerized by baby animals, and can't help but smile when they see a burst of confetti or a cluster of colorful balloons. We are often made to feel that the physical world has little or no impact on our inner joy. Increasingly, experts urge us to find balance and calm by looking inward -- through mindfulness or meditation -- and muting the outside world. But what if the natural vibrancy of our surroundings is actually our most renewable and easily accessible source of joy? In Joyful, designer Ingrid Fetell Lee explores how the seemingly mundane spaces and objects we interact with every day have surprising and powerful effects on our mood. Drawing on insights from neuroscience and psychology, she explains why one setting makes us feel anxious or competitive, while another fosters acceptance and delight -- and, most importantly, she reveals how we can harness the power of our surroundings to live fuller, healthier, and truly joyful lives.

The Hundred Thousand Kingdoms-N. K. Jemisin 2010-02-25 After her mother's mysterious death, a young woman is summoned to the floating city of Sky in order to claim a royal inheritance she never knew existed in the first book in this award-winning fantasy trilogy from the NYT bestselling author of The Fifth Season. Yeine Darr is an outcast from the barbarian north. But when her mother dies under mysterious circumstances, she is summoned to the majestic city of Sky. There, to her shock, Yeine is named an heirress to the king. But the throne of the Hundred Thousand Kingdoms is not easily won, and Yeine is thrust into a vicious power struggle with cousins she never knew she had. As she fights for her life, she draws ever closer to the secrets of her mother's death and her family's bloody history. With the fate of the world hanging in the balance, Yeine will learn how perilous it can be when love and hate - and gods and mortals - are bound inseparably together. Born to wealth and a noted beauty, no door is closed to her, no man can resist her. At twenty-six, she is already onto her third husband when she meets her love match. But he is the one man she can never have, and all the beauty and money in the world can't change it. 2017 and Francesca Hackett is living la dolce vita in Rome, leading tourist groups around the Eternal City and forgetting the ghosts she left behind in London. When she finds a stolen designer handbag in her dustbin and returns it, she is brought into the orbit of her grand neighbour who lives across the piazza - famed socialite Viscontessa Elena dei Damiani Pignatelli della Mirandola. Though the purse is stolen, Elena gets the return of the bag with exultation for it contains an unopened letter written by her husband on his deathbed, twelve years earlier. Mutually intrigued by each other, the two women agree to collaborate on a project, with Cesca interviewing Elena for her memoirs. As summer unfolds, Elena tells her sensational stories, leaving Cesca in her thrall. But when a priceless diamond ring found in an ancient tunnel below the city streets is ascribed to Elena, Cesca begins to suspect a shocking secret at the heart of Elena's life.

Bad Blood-John Carreyrou 2018-05-21 NEW YORK TIMES BEST SELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY: NPR, The New York Times Book Review, Time, Wall Street Journal, Washington Post • The McKinsey Business Book of the Year The full inside story of the breathtaking rise and shocking collapse of Theranos, the one-time multibillion-dollar biotech startup founded by Elizabeth Holmes—now the subject of the HBO documentary The Inventor—by the prize-winning journalist who first broke the story and pursued it to the end. “The story is even crazier than I expected, and I found myself unable to put it down once I started. This book has everything: elaborate scams, corporate intrigue, magazine cover stories, ruined family relationships, and the demise of a company once valued at nearly \$10 billion.” —Bill Gates In 2014, Theranos founder and CEO Elizabeth Holmes was widely seen as the female Steve Jobs: a brilliant Stanford dropout whose startup “unicorn” promised to revolutionize the medical industry with a machine that would make blood testing significantly faster and easier. Backed by investors such as Larry Ellison and Tim Draper, Theranos sold shares in a fundraising round that valued the company at more than \$9 billion, putting Holmes’s worth at an estimated \$4.7 billion. There was just one problem: The technology didn’t work. A riveting story of the biggest corporate fraud since Enron, a tale of ambition and hubris set amid the bold promises of Silicon Valley.

Like Lovers Do-Tracey Livesay 2020-08-25 Tracey Livesay continues her fun-filled Girls Trip series with this romance that will tug at your heartstrings. Sometimes faking it can lead to the real thing... Driven and focused, Dr. Nicole Allen is an accomplished surgeon. With a tough past, Nic's gone above and beyond everyone's expectations. But when she disciplines an intern—a powerful donor's son—a prestigious fellowship she's awaiting is placed in jeopardy. Coming from a successful family who runs a medical business empire, Benjamin Reed Van Mont is the black sheep, having chosen to start his own business instead. Though he's not ready to settle down, he knows when the time comes it definitely won't be with a workaholic doctor like his friend Nic—even if she's had him re-examining his edict...more than once. When Ben's status-climbing ex-girlfriend finds her way back into his orbit, Nic proposes a swap of services. She'll spend the week with Ben on Martha's Vineyard, pretending to be his girlfriend—but only if he'll have his family intervene on her behalf so she won't lose her fellowship. How hard can the charade be? But as they're about to discover, they've sorely underestimated their true feelings for each other...

Record of a Spaceborn Few-Becky Chambers 2018-07-24 Winner of the Hugo Award for Best Series! Brimming with Chambers' signature blend of heart-warming character relationships and dazzling adventure, Record of a Spaceborn few is the third standalone installment of the Wayfarers series, set in the sprawling universe of the Galactic Commons, and following a new motley crew on a journey to another corner corner of the cosmos—one often mentioned, but not yet explored. Return to the sprawling universe of the Galactic Commons, as humans, artificial intelligence, aliens, and some beings yet undiscovered explore what it means to be a community in this exciting third adventure in the acclaimed and multi-award-nominated science fiction Wayfarers series, brimming with heartwarming characters and dazzling space adventure. Hundreds of years ago, the last humans on Earth boarded the Exodus Fleet in search of a new home among the stars. After centuries spent wandering empty space, their descendants were eventually accepted by the well-established species that govern the Milky Way. But that was long ago. Today, the Exodux Fleet is a living relic, the birthplace of many, yet a place few outsiders have ever visited. While the Exodans take great pride in their original community and traditions, their culture has been influenced by others beyond their bulkheads. As many Exodans leave for alien cities or terrestrial colonies, those who remain are left to ponder their own lives and futures: What is the purpose of a ship that has reached its destination? Why remain in space when there are habitable worlds available to live? What is the price of sustaining their carefully balanced way of life—and is it worth saving at all? A young apprentice, a lifelong spacer with young children, a planet-raised traveler, an alien academic, a caretaker for the dead, and an Archivist whose mission is to ensure no one's story is forgotten, wrestle with these profound universal questions. The answers may seem small on the galactic scale, but to these individuals, it could mean everything.

One Night in London-Sandi Lynn 2016-02-01 Have sex with a stranger in a foreign country. It was on my list. It was something I'd never done before and I wasn't sure if I could go through with it. But I did. Don't tell him anything about yourself. No names. No personal information. Nothing. It's all about the thrill. The mystery man. Keep him a stranger. That one night was the best night of my entire life. He was sexy, intense, and made me feel things I had never felt before. The next morning, the thrill was over and he was gone before I woke up. What happened in London should have stayed in London, but it didn't. I was never supposed to see him again, but the universe had other plans and now my happy little world was turned upside down by a man named Sebastian Bennett. She refused to tell me her name. Normally, I wouldn't care. But something inside me needed to know who she was. She was stunningly beautiful and a name would complete her. It didn't matter anyway. In the morning, I'd be gone before she woke up and I'd never see her again. It was probably for the best anyway. I would hurt her and she would ultimately hate me. It's what I did. It's all I knew. I was never supposed to see her again, but I did, and my desire for her was stronger than before. I had money, looks, and a heart made of pure stone. She deserved better than me and I knew it, but I couldn't stay away. Chloe Kane left an imprint on my soul and now my life would never be the same all because of One Night in London.

The Last Astronaut-David Wellington 2019-07-23 Mission Commander Sally Jansen is Earth's last astronaut--and last hope--in this gripping near-future thriller where a mission to make first contact becomes a terrifying struggle for survival in the depths of space. Sally Jansen was NASA's leading astronaut, until a mission to Mars ended in disaster. Haunted by her failure, she lives in quiet anonymity, convinced her days in space are over. She's wrong. A large alien object has entered the solar system on a straight course toward Earth. It has made no attempt to communicate and is ignoring all incoming transmissions. Out of time and out of options, NASA turns to Jansen. For all the dangers of the mission, it's the shot at redemption she always longed for. But as the object slowly begins to reveal its secrets, one thing becomes horribly clear: the future of humanity lies in Jansen's hands. "A terrifying tour de force." --James Rollins "Breathless, compulsive reading." --Christopher Golden "Readers will be riveted." --Publishers Weekly (starred)
