U.S. Army Ranger Handbook-U.S. Department of Defense 2019-10-15 From the US Department of Defense, the Skills, Tactics, and Traits of the Most Highly Skilled Soldiers in the World—Army Rangers. This handbook offers the techniques and tactics that make U.S. Army Rangers the best soldiers in the world. These highly trained, easily deployable, and widely skilled infantrymen specialize in airborne assault, raids, recovery of personnel and equipment, and airfield seizure, among other difficult and dangerous missions. Now, in this recently revised edition of the U.S. Army Ranger Handbook, you can get the latest info on everything from understanding the basics of Army operations and tactics to discovering what makes a soldier with good leadership qualities and character. Although primarily written for Rangers and other light infantry units, it serves as a handy reference for all military units, covering how infantry squad- and platoon-sized elements conduct combat operations in varied terrains. Drawing from over two centuries of lessons learned in special operations combat, this guide provides modern soldiers with best training possible. It effectively combines the lessons of the past with important insights for the future to help make army leaders the absolute best they can be. In straightforward, no-frills language, it covers deception, stealth, communications, escape and evasion, ambush operations, perimeter defense, counterintelligence, and much more. This book is the ultimate resource for anyone who wants to know how Rangers think and function.

The Grow Your Own Food Handbook-Monte Burch 2014-04-01 Growing your own food is a hot topic today because of the high cost of transporting food long distances, the heightened problem of diseases caused by commercially grown foods, concerns of the overuse of chemicals in mass food production, and the uncertain health effects of GMOs. Many people—from White House executives to inner-city kids—have recently discovered the benefits of homegrown vegetables and fruits. Community gardens, and even community canning centers, are increasingly popular and have turned roof-top gardening into a great and healthy food source. And on a smaller scale, some plants can even be grown in containers for the smallest backyard or patio. The possibilities for growing your own food are endless! The Grow Your Own Food Handbook informs you how to grow all types of vegetables, fruits, and even grains on your own land or in any small space available to you and your family. Also included is information on specific health benefits, vitamins, and minerals for each food, as well as detailed instructions for fall and winter food growing. Learn how to grow for your family, harvest and store all types of home-grown produce, and find joy in eating foods planted with your own hands.

TEST PILOTS 2E PB-HALLION RICHARD 1988-05-17 "If you really wish to learn" wrote Wilbur Wright, "you must mount a machine and become acquainted with its tricks by actual trial". And even before the Wright Flyer took off on its history-making first flight, intrepid researchers had been testing many different flying machines: the hapless tower jumpers of the Dark Ages; the balloonist of the eighteenth century; the glider builders of the nineteenth. In Test Pilots, Richard P. Hallion chronicles the history of test pilots from these early explorers to today's military men.

Ranger Handbook (Large Format Edition)-Ranger Training Brigade 2016-02-12 The history of the American Ranger is a long and colorful saga of courage, daring, and outstanding leadership. It is a story of men whose skills in the art of fighting have seldom been surpassed. The United States Army Rangers are an elite military formation that has existed, in some form or another, since the American Revolution. A group of highly-trained and well-organized soldiers, US Army Rangers must be prepared to handle any number of dangerous, life-threatening situations at a moment's notice-and they must do so calmly and decisively. This is their handbook. Packed with down-to-earth, practical information, The Ranger Handbook contains chapters on Ranger leadership, battle drills, survival, and first aid, as well as sections on military mountaineering, aviation, waterborne missions, demolition, reconnaissance and communications. If you want to be prepared for anything, this is the book for you.
