Supercross Motorcycles-Lisa Bullard 2007 Discusses the supercross motorcycle and supercross motorcycle racing. Motorcycles-Lee Sullivan Hill 2004 Introduces the parts and functions of different kinds of motorcycles. Motorcycles-Matt Doeden 2006-07-15 Simple text and large, dynamic photographs put young readers in the driver's seat of some of the mightiest machines in town. The Space Shuttle-Jeffrey Zuehlke 2007-01-01 Simple explanation of the launch and journey of a space shuttle. Garbage Trucks-Marlene Targ Brill 2004-03-01 Describes a garbage truck used to dump garbage in a landfill as well as a truck that carries garbage that can be recycled. Monster Trucks-Sarah Leveto 2004-08 Describes a variety of trucks used for work and recreation, including monster trucks, flatbed trucks, tractor-trailers, and transporter trucks, as well as some of the skills needed to build, maintain, and drive such vehicles. Megafast Cars-John Farndon 2016-03-01 Jump behind the wheel of the sleekest, swiftest automobiles, both on and off the race track. Prepare to burn up the tarmac in the Bugatti Veyron—the latest version of the first supercar reaches 269 mph (433 km/h)! Race in the Ultimate Aero, whose carbon-fiber body weighs less than its driver. Get an adrenaline rush in the jet-powered Thrust SSC, it carries the world land speed record of 760.343 mph (1,223.65 km/h)! These streamlined supercars blast off the page in true-to-life illustrations alongside facts about top design technology, such as wind-tunnel testing and scissor doors. Borderlands-Derek Lundy 2011-10 Derek Lundy recounts how he travelled along both the U.S.-Mexican and Canada-U.S. border in order to analyze the United States' post-911 security practices. American Book Publishing Record- 2005

Zen and the Art of Motorcycle Maintenance-Robert M. Pirsig 2009-04-21 Acclaimed as one of the most exciting books in the history of American letters, this modern epic became an instant bestseller upon publication in 1974, transforming a generation and continuing to inspire millions. This 25th Anniversary Quill Edition features a new introduction by the author; important typographical changes; and a Reader's Guide that includes discussion topics, an interview with the author, and letters and documents detailing how this extraordinary book came to be. A narration of a summer motorcycle trip undertaken by a father and his son, the book becomes a personal and philosophical odyssey into fundamental questions of how to live. The narrator's relationship with his son leads to a powerful self-reckoning; the craft of motorcycle maintenance leads to an austerey beautiful process for reconciling science, religion, and humanism. Resonant with the confusions of existence, *Zen and the Art of Motorcycle Maintenance* is a touching and transcendent book of life.

The Flamethrowers-Rachel Kushner 2013-04-02 NATIONAL BOOK AWARD FINALIST \* NAMED ONE OF THE TEN BEST BOOKS BY THE NEW YORK TIMES BOOK REVIEW \* New York magazine's #1 Book of the Year \* Best Book of 2013 by: The Wall Street Journal; Vogue; O, The Oprah Magazine; Los Angeles Times; The San Francisco Chronicle; The New Yorker; Time; Flavorwire; Salon; Slate; The Daily Beast "Superb...Scintillatingly alive...A pure explosion of now."—The New Yorker Reno, so-called because of the place of her birth, comes to New York intent on turning her fascination with motorcycles and speed into art. Her arrival coincides with an explosion of activity—artists colonize a deserted and industrial SoHo, stage actions in the East Village, blur the line between life and art. Reno is submitted to a sentimental education of sorts—by dreamers, poseurs, and raconteurs in New York and by radicals in Italy, where she goes with her lover to meet his estranged and formidable family. Ardent, vulnerable, and bold, Reno is a fiercely memorable observer, superbly realized by Rachel Kushner.

Motorcycles I've Loved-Lily Brooks-Dalton 2016-04 What the PCT is to Cheryl Strayed, the open road is to Brooks-Dalton. Cosmopolitan A powerful memoir about a young woman whose passion for motorcycles leads her down a road all her own. At twenty-one-years-old, Lily Brooks-Dalton is feeling lost; returning to New England after three and a half years traveling overseas, she finds herself unsettled, unattached, and without the drive to move forward. When a friend mentions buying a motorcycle, Brooks-Dalton is intrigued and inspired. Before long she is diving headlong into the world of gearheads, reconsidering her surroundings through the visor of a motorcycle helmet, and beginning a study of motion that will help her understand her own trajectory. Her love for these powerful machines starts as a diversion, but as she continues riding and maintaining her own motorcycles, she rediscovers herself, her history, and her momentum. Forced to confront her limitations new and old, real and imagined Brooks-Dalton learns focus, patience, and how to navigate life on the road. As she builds confidence, both on her bike and off, she begins to find her way, ultimately undertaking an ambitious ride that leaves her strengthened, revitalized, and prepared for whatever comes next. Honest and lyrical, raw and thoughtful, *Motorcycles I ve Loved*is a bold portrait of one young woman s empowering journey of independence and determination."

Lone Rider-Elspeth Beard 2017-07-06 In 1982, at the age of just twenty-three and halfway through her architecture studies, Elspeth Beard left her family and friends in London and set off on a 35,000-mile solo adventure around the world on her 1974 BMW R60/6. Reeling from a recent breakup and with only limited savings from her pub job, a tent, a few clothes and some tools, all packed on the back of her bike, she was determined to prove herself. She had ridden bikes since her teens and was well travelled. But nothing could prepare her for what lay ahead. When she returned to London nearly two and a half years later she was stoned lighter and decades wiser. She'd ridden through unforgiving landscapes and countries ravaged by war, witnessed civil uprisings that forced her to fake documents, and fended off sexual attacks, biker gangs and corrupt police convinced she was trafficking drugs. She'd survived life-threatening illnesses, personal loss and brutal accidents that had left permanent scars and a black hole in her memory. And she'd fallen in love with two very different men. In an age before email, the internet, mobile phones, satnavs and, in some parts of the world, readily available and reliable maps, Elspeth achieved something that would still seem remarkable today. Told with honesty and wit, this is the extraordinary and moving story of a unique and life-changing adventure.

Make Some Noise-Ken Schmidt 2018-11-13 The former director of communications at Harley-Davidson and one of the most sought-after speakers in the world reveals his exhilarating, innovative approach to creating customer loyalty and marketplace dominance. Ken Schmidt is a wanted man. His role in transforming Harley-Davidson Motor Company—one of the most celebrated corporate success stories in history—led business leaders all over the world to seek his guidance. After all, how many companies can get their customers to tattoo their logo on their arms? After having worked with more than one thousand companies worldwide, Schmidt is ready to share the secrets that spurred Harley-Davidson's remarkable turnaround. An avid motorcycle enthusiast, Schmidt harnessed his passion for riding to create his famed Noise Cubed Trilogy—the three questions he asks every one of his clients. They assess a company's positioning, competitiveness, and reputation, and are the key ingredients for any successful corporation: What do the customers you business served yesterday say about your business when they're talking about you to prospective customers? What do you want them to say? What are you doing to get them to say it? In *Make Some Noise*, Schmidt shares his full-throttle approach for businesses and individuals alike. Anyone looking to become more competitive and grow customer loyalty can learn from the case studies and experiences he shares. From a nondescript heavy construction company, to the most high-end "luxury" gas station in America, to Apple, and to his own personal landscaper, Schmidt illustrates how the answers to his trio of questions will yield a course of action to stand out in today's marketplace.

Devil's Game-Joanna Wylde 2014-06-03 Liam "Hunter" Blake hates the Reapers MC. Born and raised a Devil's Jack, he knows his duty. He'll defend his club from their oldest enemies—the Reapers—using whatever weapons he can find. But why use force when the Reapers' president has a daughter who's alone and vulnerable? Hunter has wanted her from the minute he saw her, and now he has an excuse to take her. Em has lived her entire life in the shadow of the Reapers. Her overprotective father, Picnic, is the club's president. The last time she had a boyfriend, Picnic shot him. Now the men in her life are far more interested in keeping her daddy happy than showing her a good time. Then she meets a handsome stranger—a man who isn't afraid to treat her like a real woman. One who isn't afraid of her father. His name is Liam, and he's The One. Or so she thinks.

Motorcycles and Sweetgrass-Drew Hayden Taylor 2010-12 Maggie Second is the chief of the community in central Ontario and her mother, Lillian, is dying. When the old woman summons a handsome white stranger who has come to town, and only knows to her, she charges him with a mission to help the people she loves the most, her daughter and grandson. Virgil. Maggie finds herself increasingly enamoured with the handsome young White man, but Virgil, is less than enchanted. With the help of his uncle, Wayne they will try and drive the stranger from the reserve.

Tractors on the Go-Beth Bence Reinke 2018-01-01 Carefully leveled text and fresh, vibrant photos engage young readers in learning about how tractors work. Age-appropriate critical thinking questions and a photo glossary help build nonfiction learning skills.

Helicopters-Jeffrey Zuehlke 2004-08-01 Introduces helicopters, how they work, and for what purposes they are used.

Long Way Down-Ewan McGregor 2008-07-15 Eighteen countries. Five shock absorbers. Two bikers. One amazing adventure... After their fantastic trip round the world in 2004, fellow actors and bike fanatics Ewan McGregor and Charley Boorman couldn't shake the travel bug. Inspired by their UNICEF visits to Africa, they knew they had to go back and experience this extraordinary continent in more depth. And so they set off on their 15,000-mile journey with two new BMWs loaded up for the trip. Their route took them from John O'Groats at the northernmost tip of Scotland to Cape Agulhas on the southernmost tip of South Africa. Along the way they rode some of the toughest terrain in the world -- and met some of the friendliest people. They rode their bikes right up to the pyramids in Egypt and visited Luke Skywalker's house in Tunisia. They met people who had triumphed over terrifying experiences -- former childhood soldiers in Uganda and children living amidst the minefields of Ethiopia. They had a close encounter with a family of gorillas in Rwanda and were nearly trampled by a herd of elephants in Botswana. Riding through spectacular scenery, often in extreme temperatures, Ewan and Charley faced their hardest challenges yet. With their trademark humor and honesty they tell their story -- the drama, the dangers and sheer exhilaration of riding through there again, through a continent filled with magic and wonder.

Road Racers-Stephen Davison 2014-08-05 Motorcycle road racers are no ordinary mortals. Riding at extraordinary speeds and desperate to win, they are locked in a life-and-death battle every time they race. Full color photography from road racing's premier photographer.

Two Wheels Down-C. R. Boney 2018-12 Earning its place in the established canon of great motorcycle diaries, *Two Wheels Down* reads like the most illustrative of travelogues, and the most exciting of adventure stories. Touching, harrowing, reflective, and exuberant, here is a narrative that howls with the call of the open road. Rumbling and richly detailed, it is the culmination of several months-long journeys across 20 European countries, on a Harley Davidson named KB—the Knargly Bastard. This book is required reading for motorcycle enthusiasts, but one needn't be a biker to be carried away by the author's fierce passion for living well beyond the edges of safety, comfort, and familiarity. Woven throughout are candid accounts of the tolls such a life exacts on a marriage, as well as the tender willingness to pull through, to lean into the curves of uncertainty, find balance on the road ahead, and ultimately to navigate life with love as its only guidance system. In this sense, there is something Thoreauvian in these journeys of a man getting lost, only to find a stronger, more present version of himself in distant realms both geographic and mystical.

Monster Trucks-Kristin L. Nelson 2003 Introduces monster trucks and explains what happens at a monster truck show.

Harley and Me-Bernadette Murphy 2016-04-18 This memoir of riding a motorcycle at midlife is “a stirring reminder that it’s never too late to become the person you were meant to be” (New York Times–bestselling author Sarah Hepola). It’s a fact that we become more risk averse in our later years —which, according to psychology and neuroscience, is exactly what we shouldn’t do. Here, Bernadette Murphy recounts how she—a forty-eight-year-old woman with a settled career and family—decided to get onto a motorcycle, and how that became the catalyst that transformed her thinking and her life. Murphy also explores how risk changes our brain chemistry, how certain personality types embrace dangerous behavior and why it energizes them, and why women’s expectations change once estrogen levels drop. She also explores cultural portrayals of women and risk—why there are so few stories of the conquering heroine. Surely Thelma and Louise driving off the cliff should not be our only pop culture reference for women finding true freedom. With scientific research and interviews woven through a page-turning road trip narrative, *Harley and Me* is a look at how one woman found deeper meaning out on the open road. “Murphy is a powerful woman. . . . She survived a childhood with a mentally ill mother. She raised three children. She’s a professor, a journalist, a marathoner, an ice climber, a Sierra hiker, and, as she tells us in her gripping memoir, *Harley and Me*, a brave motorcyclist. . . . What’s truly refreshing is that she shows how the path to transformation is a rocky road. No easy 10 Steps to Survive Your Midlife Crisis provided here. Her story inspires without being tritely inspirational, and that is a real gift.” —The Rumpus “Part memoir, part travelogue, part science-psychology . . . a powerful call to reconsider our impulse to ‘settle in’ during the second half of our lives.” —The Chicago Review of Books

Gods of Mischief-George Rowe 2014-02-11 Relates the undercover work of George Rowe, who infiltrated the Vagos motorcycle gang, spending three years working to take down the gang from the inside.

Devils & Thieves-Jennifer Rush 2017-10-03 Devil, take me. A bewitchingly sexy urban fantasy filled with magic and motorcycles from Jennifer Rush, author of the Altered saga. In the world of the “kindled,” Crowe is as close as it gets to being king. Unforgivably gorgeous and in possession of dangerous magic, Crowe is the leader of the Devils' League, a kindled motorcycle gang once headed by his father. Now desperate for answers about his father's mysterious death, Crowe is too preoccupied to resist the pull of Jemmie Carmichael, the only girl who's ever been able to see through his tough-guy persona. But Jemmie has her own problems. The only kindled who can't cast a simple spell without falling apart, she has to prove her own worth every day, and she doesn't have time to worry about Crowe's troubles—especially when she's just moved on from the last time he broke her heart...right into the arms of rival gang prospect Darek. Then the annual kindled festival comes to town, and the powder keg of tension surrounding Jemmie and Crowe explodes. Someone at the festival is practicing forbidden magic, and soon the people closest to Jemmie and Crowe begin to disappear, one by one. With no one else to trust, they'll have to lean on each other to save the people they love most, even if that means confronting everything unspoken between them. Come on a ride that will leave you breathless.

Forthcoming Books-Rose Arny 2003

Ghost Rider-Neil Peart 2002-06 In less than a year, Neil Peart lost both his 19-year-old daughter, Selena, and his wife, Jackie. Faced with overwhelming sadness and isolated from the world in his home on the lake, Peart was left without direction. That lack of direction lead him on a 5

Riding in the Zone-Ken Condon 2019-10-15 Riding motorcycles is fun, but author Ken Condon maintains that there is a state of consciousness to be achieved beyond the simple pleasure of riding down the road. Riding in the Zone helps riders find that state of being. It's the experience of being physically and mentally present in the moment, where every sense is sharply attuned to the ride. Your mind becomes silent to the chatter of daily life, and everyday problems seem to dissolve. You feel a deeper appreciation for life. Your body responds to this state of being with precise, fluid movements, you feel in balance, your muscles are relaxed, and it seems as though every input you make is an expression of mastery. This is "the Zone." Condon identifies all of the factors that affect entering the Zone and addresses each one individually, from the development of awareness and mental skills to mastering physical control of the motorcycle. At the end of each chapter are drills designed to transform the book's ideas into solid, practical riding skills. Riding in the Zone takes riders to the next level in their skill set.

The Horn Book Guide to Children's and Young Adult Books- 2007

Reaper's Property-Joanna Wylde 2016-08-17 Marie doesn't need a complication like Horse. The massive, tattooed badass biker who shows up at her brother's house one afternoon doesn't agree. He wants Marie on his bike and in his bed. Now. But Marie just left her abusive jerk of an ex-husband and she's not looking for a new man. Especially one like Horse. She doesn't know his real name or where he lives. She's ninety percent certain he's a criminal and that the "business" he talked with her brother wasn't website design. She needs him out of her life, which would be a snap if he wasn't so damned sexy. Horse is part of the Reapers Motorcycle Club, and when he wants something, he takes it. What is he wants is Marie, but she's not interested in becoming some biker's property. Then her brother steals from the club. Now Marie can save him by giving Horse what he wants at home, in public, on his bike... and if she's a very, very good girl, he'll let her brother live. Author's Note: This book was originally released through a small publisher in 2013.

Fire Trucks-Judith Jango-Cohen 2002-06-01 Describes the parts of a fire truck, the tools it carries, and the work it helps firemen to do.

Sport Riding Techniques-Nick Ienatsch 2003 Shows you techniques on how to develop real world skills for speed, safety and confidence on the street and track.

Cornering Confidence-Jon DeVecchio 2018-04-26 Cornering Confidence provides motorcycle riders with a simple progression of skills to elevate their riding within a short period of time. The ultimate goal of the book is mastering the often misunderstood trail braking technique. These advanced skills can take years to discover separately, but have been condensed here into a nice little package. Learn the secrets to 100% cornering confidence.

Dangerous Love (Sweet Valley High #6)-Francine Pascal 2012-11-27 Is this the end of Todd and Elizabeth? "No motorcycles." That is the one rule not to be bent or broken in the Wakefield house. Ever since their cousin was killed in a crash, Elizabeth and Jessica are forbidden to go near them. So when Elizabeth's boyfriend Todd drives up on a shiny new Yamaha, she knows there's trouble ahead. She's not allowed to ride Todd's bike, but other girls are—and do. Elizabeth loves Todd, but the sight of these girls with their arms around her boyfriend is making her mad with jealousy. Todd says there's nothing to be worried about, but Elizabeth is scared of losing him. Will another girl come in an swoop Todd off his feet? Will Todd's new bike tear him and Elizabeth apart? Dangerous Love is one of the original Sweet Valley High stories by Francine Pascal.

Children's Books in Print, 2007- 2006

Motorcycle Man-Kristen Ashley 2012-12-11 Get ready to ride . . . Tyra Masters has had enough drama to last a lifetime. Now, she's back on track and looking forward to her new, quiet life. Until she meets the man of her dreams. The tattooed, muscled biker plies her with tequila-and the best sex of her life. She knows it isn't the tequila and hot sex talking. He's the kind of man she's always wanted. Unfortunately, he's also her new boss . . . Kane "Tack" Allen has a rule. He doesn't employ someone he's slept with. So when he learns he spent last night in bed with his new office manager, he quickly fires Tyra. Yet when Tyra stands up to him and fights for her job, Tack is intrigued. He tells her she can keep her job on one condition: no more sex. Ever. But as things heat up between them, Tack finds that he'll be the one breaking all the rules...

Hell's Angels: A Strange and Terrible Saga-Hunter S. Thompson 2012-08-01 Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. “California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . . The Menace is loose again.” Thus begins Hunter S. Thompson’s vivid account of his experiences with California’s most notorious motorcycle gang, the Hell’s Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as The New Yorker pointed out, “For all its uninhibited and sardonic humor, Thompson’s book is a thoughtful piece of work.” As illuminating now as when originally published in 1967, Hell’s Angels is a gripping portrait, and the best account we have of the truth behind an American legend. From the Hardcover edition.

TT: Full Throttle-Nicole Winters 2013-09-13 Scott has one obsession: to fulfill his late father's dream of racing in the Isle of Man Tourist Trophy Races, the most dangerous and prestigious motorcycle road race in the world. Far from their home in British Columbia and still reeling from a recent tragedy, Scott and his roommates-turned-pit crew have only five days during Practice Week to secure a spot in the TT. Scott must qualify with a fast enough time or he doesn't race. But the pressure of working with a rookie crew on the potentially lethal course puts Scott's safety and his friendships on the line. As race day draws near he and his friends will have to swallow their pride to help Scott achieve his dream. This is a high-octane motorcycle racing novel for reluctant teen readers.

Girl on a Motorcycle-Amy Novesky 2020-09-08 A picture book biography by an award-winning team about the first woman to ride a motorcycle around the world One day, a girl gets on her motorcycle and rides away. She wants to wander the world. To go . . . Elsewhere. This is the true story of the first woman to ride a motorcycle around the world alone. Each place has something to teach her. Each place is beautiful. And despite many flat tires and falls, she learns to always get back up and keep riding. Award-winning author Amy Novesky and Governor General's Award-winning illustrator Julie Morstad have teamed up for a spectacular celebration of girl power and resilience. School Library Journal- 2004
