On Demon Wings-Karina Halle 2013-11-07 What happens when you no longer feel like yourself anymore? When fires spontaneously start-up around you, when you hear growling coming from underneath your bed, and you no longer recognise your face in the mirror. What happens then? Ghost hunter Perry Palomino doesn't have much time to find out. Now, the evil she used to hunt is a lot closer to home. It's inside of her, taking over her life bit-by-terrifying bit, and there's only one person who can help her. If part of her doesn't kill him first.

And with Madness Comes the Light-Karina Halle 2013-04-09 The Man. The Mystery. The Madness. Dex Foray has never been anyone's fool - until he missed his chance for happiness with Perry Palomino. Broken and alone, Dex has no choice but to rise from the ashes Perry left behind and find his own path to redemption. But nothing in Dex's life has ever come easily, especially when there's a dark madness waiting in the wings. Told from Dex's POV, And With Madness Comes the Light is short story/novella that spans the time period from the end of Lying Season (Book #4) until the end of On Demon Wings (Book #5)...

Lying Season-Karina Halle 2013-11-07 Amateur ghost hunter Perry Palomino has battled ghosts, fought off skinwalkers and skirted the fine line between life and death. But can she survive bunking down in Seattle for a week with her partner (and the man she secretly loves) Dex and his perfect girlfriend, Jennifer? And can she do so while being tormented by a malicious spirit from Dex's increasingly shady past? With love and life in the balance, Perry must discover the truth among the lies or risk losing everything she's ever cared about.

The Devil's Metal-Karina Halle 2013-12-10 It's the summer of 1974 and 21-year old Dawn Emerson has only three things she wants to do: compete one last time in the Ellensburg Rodeo, win back her ex-boyfriend Ryan, and become the best damn music journalist at Central Washington State College. But all her plans are left in the dust when she's contacted by CREEM MAGAZINE to go on the road with one of her favorite groups, the up-and-coming metal band, Hybrid. At first the assignment reads like a dream come true. Not only will Dawn land some much-needed credibility as a female music journalist, but she'll finally get to experience life from the other side of the stage, and maybe crack the drunken, enigmatic code that is guitarist Sage Knightly. Instead, Dawn finds herself on an aging tour bus filled with ego-maniacs, band politics and a whole lot of sex, drugs and rock n' roll. When monsters start showing up in dressing rooms and some of Sage's groupies become increasingly strange and dangerous, Dawn discovers the band is not only going places—they're going straight to Hell. And Dawn has a backstage pass.

The Devil's Duology-Karina Halle 2014-12-07 This two-book bundle puts fans in the front row in a battle for souls! It's sex, drugs, rock n' roll . . . but so much more in Karina Halle's shocking novels. In The Devil's Metal, Dawn Emerson writes for Creem Magazine because it knows rock better than any other music rag out there. She follows the band Hybrid because their fans are the most devoted, the most obsessive, the most fanatical. To get the article that will make her career, she'll get on a tour bus that is on its way straight to hell, driven by charismatic guitarist Sage Knightly, who gives Dawn the backstage pass that could be her last. The Indie Bookshelf called it "an absolute trip that will leave you feeling like you were right there on the tour bus." In The Devil's Reprise, Dawn and Sage are reunited on his first solo tour. But the only thing more daunting than making a deal with the devil is discovering that you might not be able to pay it back.

Love, in English-Karina Halle 2014

Into the Hollow-Karina Halle 2013-12-02 Perry Palomino has fought her demons - and won - but the battle is far from over. She's now left broken and on her own, leaving behind her life and family in Portland to focus on giving Dex Foray - and the Experiment in Terror show - a second chance. But their past mistakes continue to tease and test their relationship, as does the wild and desolate terrain of the Canadian Rockies. The snow-covered peaks and ravenous forests hide an urban legend too unbelievably frightening to be true and the only way the duo has a chance of surviving is if Perry can let in the very man who sent her to hell and back.

Darkhouse-Karina Halle 2013-09-24 Perry Palomino is not what you would call 'ordinary'. For one thing, there's her past which she likes to pretend never happened, and then there's the fact that she sees ghosts. Luckily for her, that all comes in handy when she stumbles across Dex Foray, an eccentric producer for an upcoming webcast on ghost hunters. Even though the show's budget is non-existent and Dex himself is a maddening enigma, Perry is instantly drawn into a world that both threatens her life and seduces her with a sense of importance. Her uncle's haunted lighthouse provides the perfect catalyst and backdrop for a

Childhood's End-Arthur C. Clarke 2012-11-30 In the Retro Hugo Award-nominated novel that inspired the Syfy miniseries, alien invaders bring peace to Earth—at a grave price: “A first-rate tour de force” (The New York Times). In the near future, enormous silver spaceships appear without warning over mankind’s largest cities. They belong to the Overlords, an alien race far superior to humanity in technological development. Their purpose is to dominate Earth. Their demands, however, are surprisingly benevolent: end war, poverty, and cruelty. Their presence, rather than signaling the end of humanity, ushers in a golden age . . . or so it seems. Without conflict, human culture and progress stagnate. As the years pass, it becomes clear that the Overlords have a hidden agenda for the evolution of the human race that may not be as benevolent as it seems. “Frighteningly logical, believable, and grimly prophetic . . . Clarke is a master.” —Los Angeles Times

Dead Sky Morning-Karina Halle 2013-10-03 Amateur ghost hunters Perry Palomino and Dex Foray embark on their most terrifying investigation yet. A tiny, fog-shrouded island in the rough strait between British Columbia and Washington State has held a dark secret for decades: It was a former leper colony where over forty souls were left to rot, die and bury each other. Now a functioning campground, Perry and Dex spend an isolated weekend there to investigate potential hauntings but as the duo quickly find out, there is more to fear on D'Arcy Island than just ghosts. The island quickly pits partner against partner, spiraling the pair into madness that serves to destroy their sanity, their relationship and their very lives.

Darkhouse-Alex Barclay 2007-05-29 In this electrifying thriller—a bestseller in Great Britain and Ireland—Alex Barclay creates a stunning array of contrasts—from the violence of a cop’s world to the

fragility of an embattled marriage, from the danger of New York's gritty streets to the quiet of a seaside Irish village. With brilliance and subtlety, Barclay delivers a nerve-wracking tale of a troubled family, facing a brutal danger rushing relentlessly out of the past. One year has passed since a kidnapping drama exploded into violence on a New York street. And for NYPD detective Joe Lucchesi, the memory of that terrible moment is still alive. Joe's wife, Anna, has brought him and their teenage son to Ireland, hoping to repair their fragile marriage—and cut the cord between Joe and the job. But when the girlfriend of their son vanishes, Joe begins to suspect that the crime may have its roots in his old life—and that someone has followed him all the way there.... An outsider in Ireland, Joe watches with rising apprehension as local cops try to solve the disappearance—and then reacts with fury when his son becomes the leading suspect. Frantically, Joe tries to piece together clues to the crime, certain that a predator has come to Ireland in a twisted act of vengeance. And in a culture he doesn't understand, among people who may or may not be his friends, Joe must find a way to strike back...against a vicious killer who has Joe's family in his sights.... A novel that plunges like a knife, *Darkhouse* delves into the intimate struggles between a husband and wife, between lovers and desperate friends. Seething with menace and mounting dread, Alex Barclay's ingenious tale of a family under siege ratchets up the suspense one shocking revelation at a time as it races to its shattering climax.... From the Hardcover edition.

The Devil's Dictionary (or The Cynic's Wordbook: Unabridged with all the Definitions)-Ambrose Bierce 2013-08-20 This carefully crafted ebook: "The Devil's Dictionary (or The Cynic's Wordbook: Unabridged with all the Definitions)" is formatted for your eReader with a functional and detailed table of contents. The book is a classic satire in the form of a dictionary on which Bierce worked for decades. It was originally published in 1906 as *The Cynic's Word Book* before being retitled in 1911. A number of the definitions are accompanied by satiric verses, many of which are signed with comic pseudonyms. It offers reinterpretations of terms in the English language which lampoon cant and political double-talk as well as other aspects of human foolishness and frailty. The definitions provide satirical, witty and often politically

The Atlantic Monthly- 1888

Ashes to Ashes-Karina Halle 2014-02-03 They are each other's anchors . . . and the storm is far from over. It's been two months since Perry Palomino and Dex Foray's relationship reached a new turning point, two months since Perry started a new life in Seattle, and two months since their Experiment in Terror show took on a new partner, ex-Wine Babe Rebecca Sims, and a newfound level of success. But whenever there is light in their lives, the madness still has a way of coming back in. When the team is sent back to the stormy Oregon coast to investigate a haunted school, Perry wants to use the opportunity to reconnect with her family and reintroduce Dex into their lives. Only Perry's not the only one who's reaching out - her grandmother Pippa has started appearing to her with disturbing warnings and Perry's presence at the school has ignited a chilling new wave of supernatural phenomenon. Once used a century ago as a sanatorium to house children dying of tuberculosis, the school's past residents are slowly coming back to life and with one thing on their mind: They want someone to play with, someone to join them. Forever. Even when dead, some children get whatever they want. And they want Perry.

Come Alive-Karina Halle 2013-12-02 It's one thing to bring the woman you love back into your life. It's another to try and keep her there. For Dex Foray, convincing Perry Palomino to open herself to their burgeoning relationship has been more challenging than hunting ghosts, battling demons and stalking Sasquatch combined. Add in the fact that the only way they can keep their Experiment in Terror show running is to take on a third partner in the form of the mysterious Maximus Jacobs - all while investigating a sinister voodoo sect in New Orleans - and you've got the perfect Southern storm and a recipe for disaster. Luckily, Dex has never been one to back down, even when his life - and heart - are on the line.

Old Blood-Karina Halle 2020-12-04 A haunting story from the Experiment in Terror Series...it is not a stand-alone novella and it is recommended you read books #1-5 before embarking on this tale.From her harrowing introduction in Darkhouse, the spectre known as "Creepy Clown Lady" has been a constant fixture in Perry Palomino's life. But beyond the horrid makeup and piercing stare lies Pippa, a woman just like everyone else.Well, not quite.When Perry discovered Pippa's message to her and Dex on the EVP recordings, she thought she heard the last of the old woman's message. She was wrong. In the novella Old Blood, Pippa relays the tale of her troubled and tortured past, revealing how an aspiring actress and loving mother fell into madness and how an unfathomable betrayal led to her untimely death. For Perry, the repercussions of her message are life-shattering.Old Blood is #5.5 in the series and occurs between books #5 On Demon Wings and #6 Into the Hollow.

LSD, My Problem Child-Albert Hofmann 2005 This is the story of LSD told by a concerned yet hopeful father, organic chemist Albert Hofmann. He traces LSDs path from a promising psychiatric research medicine to a recreational drug sparking hysteria and prohibition.We follow Dr. Hofmanns trek across Mexico to discover sacred plants related to LSD, and listen in as he corresponds with other notable figures about his remarkable discovery.Underlying it all is Dr. Hofmanns powerful conclusion that mystical experience may be our planets best hope for survival. Whether induced by LSD, meditation, or arising spontaneously, such experiences help us to comprehend the wonder, the mystery of the divine in the microcosm of the atom, in the macrocosm of the spiral nebula, in the seeds of plants, in the body and soul of people.Now, more than sixty years after the birth of Albert Hofmanns problem child, his vision of its true potential is more relevant, and more needed, than ever.

again caught in the middle of something ugly. The children (and pets) of Moonlight Bay, California, are disappearing. The first to go is Jimmy Wing, the son of Snow's former girlfriend, Lilly. Then Snow's own hyper-intelligent dog goes missing. Snow decides that he will find them, but what he uncovers is more than just a simple kidnapping; before he can turn back, he's up against an age-old vendetta, an active time machine, and a genetic experiment gone awry. *Seize the Night* offers up the same eclectic mix of characters that appeared in *Fear Nothing*: boardhead Bobby, disc jockey Sasha, Snow, and all of their friends band together to find the missing kids and figure out why the people of Moonlight Bay are morphing into demonic versions of their former selves. They outsmart corrupt cops, outrun genetically enhanced monkeys, and outlive a time warp with a vengeance--all between nightfall and sunrise, the only time that Snow can be outside. Though the premise is a little bit hard to believe, and the surf lingo occasionally irritating, *Seize the Night* is ultimately fun to read. Koontz successfully draws you in and keeps you entertained through an unexpected climax and an enlightening resolution.

Team of Vipers-Cliff Sims 2019-01-29 THE INSTANT NEW YORK TIMES BESTSELLER "Sims's vivid portrait of Trump shrewdly balances admiration with misgivings, and his intricate, engrossing accounts of White House vendettas and power plays have a good mix of immersion and perspective. The result is one of the best of the recent flood of Trump tell-alls." —Publishers Weekly The first honest insider's account of the Trump administration. If you hate Trump you need the truth; if you love Trump you need the truth. After standing at Donald Trump's side on Election Night, Cliff Sims joined him in the West Wing as Special Assistant to the President and Director of White House Message Strategy. He soon found himself pulled into the President's inner circle as a confidante, an errand boy, an advisor, a punching bag, and a friend. Sometimes all in the same conversation. As a result, Sims gained unprecedented access to the President,

sitting in on private meetings with key Congressional officials, world leaders, and top White House advisors. He saw how Trump handled the challenges of the office, and he learned from Trump himself how he saw the world. For five hundred days, Sims also witnessed first-hand the infighting and leaking, the anger, joy, and recriminations. He had a role in some of the President's biggest successes, and he shared the blame for some of his administration's worst disasters. He gained key, often surprising insights into the players of the Trump West Wing, from Jared Kushner and John Kelly to Steve Bannon and Kellyanne Conway. He even helped Trump craft his enemies list, knowing who was loyal and who was not. And he took notes. Hundreds of pages of notes. In real-time. Sims stood with the President in the eye of the storm raging around him, and now he tells the story that no one else has written—because no one else could. The story of what it was really like in the West Wing as a member of the President's team. The story of power and palace intrigue, backstabbing and bold victories, as well as painful moral compromises, occasionally with yourself. Team of Vipers tells the full story, as only a true insider could.

Dust to Dust (Experiment in Terror #9)-Karina Halle 2014-08-10 ****The dramatic conclusion to the Experiment in Terror Series.**** Perry Palomino and Dex Foray. On their own, they're uniquely brilliant. Together, they're an unstoppable team. Until now. Because after everything the duo has encountered, they haven't come across an evil quite like this. An evil that has been years in the making, an evil that will stop at nothing until they, and everyone they care for, are destroyed. Dex and Perry's love has survived a multitude of sins. But can it survive the end?

Young Goodman Brown Illustrated-Nathaniel Hawthorne 2020-09-20 "Young Goodman Brown" is a short story published in 1835 by American writer Nathaniel Hawthorne. The story takes place in 17th-century Puritan New England, a common setting for Hawthorne's works, and addresses the Calvinist/Puritan belief that all of humanity exists in a state of depravity, but that God has destined some to unconditional election through unmerited grace. Hawthorne frequently focuses on the tensions within Puritan culture, yet steeps his stories in the Puritan sense of sin. In a symbolic fashion, the story follows Young Goodman Brown's

The Demon-Haunted World-Carl Sagan 2011-07-06 A prescient warning of a future we now inhabit, where fake news stories and Internet conspiracy theories play to a disaffected American populace "A glorious book . . . A spirited defense of science . . . From the first page to the last, this book is a manifesto for clear thought."—Los Angeles Times How can we make intelligent decisions about our increasingly technology-driven lives if we don't understand the difference between the myths of pseudoscience and the testable hypotheses of science? Pulitzer Prize-winning author and distinguished astronomer Carl Sagan argues that scientific thinking is critical not only to the pursuit of truth but to the very well-being of our democratic institutions. Casting a wide net through history and culture, Sagan examines and authoritatively debunks such celebrated fallacies of the past as witchcraft, faith healing, demons, and UFOs. And yet, disturbingly, in today's so-called information age, pseudoscience is burgeoning with stories of alien abduction, channeling past lives, and communal hallucinations commanding growing attention and respect. As Sagan demonstrates with lucid eloquence, the siren song of unreason is not just a cultural wrong turn but a dangerous plunge into darkness that threatens our most basic freedoms. Praise for The Demon-Haunted World "Powerful . . . A stirring defense of informed rationality. . . Rich in surprising information and beautiful writing."—The Washington Post Book World "Compelling."—USA Today "A clear vision of what good science means and why it makes a difference. . . A testimonial to the power of science and a warning of the dangers of unrestrained credulity."—The Sciences "Passionate."—San Francisco Examiner-Chronicle

Love, in Spanish-Karina Halle 2014 The companion to the highly emotional, scandalous and USA Today Bestselling love story - Love, in English - is finally here! LOVE, IN SPANISH is a sequel about 60K words, told from Mateo Casalles' POV. This is not a "rehash" of LIE and is instead a whole new story about Mateo and Vera on their quest to a happily-ever-after."She sat beside me on the bus and she changed my whole life."Successful, wealthy and absurdly handsome Spanish ex-football player Mateo Casalles seemed like he had it all. A high-society wife, an adorable little girl, and flashy apartments in Madrid and Barcelona only sweetened the deal. But there was more to Mateo than met the eye a life of uncertainty and regret that colored his black and white world.That was until Vera Miles came into his life like a shooting star.

Tattooed, wild and young, Vera seemed like Mateo's polar opposite at first. But you can't choose who you fall in love with and the two lost souls did everything they could to be together, all while suffering the grave consequences.Now with Mateo divorced and living in Madrid with Vera, there is a whole new set of challenges and setbacks facing the couple and rocking the foundation of their star-crossed relationship.Unfortunately for them, the brighter the star, the faster they burn.

Visions Beyond the Veil-H. A. Baker 1970 The Bakers started Adullam Rescue Mission for street children in Yunnan Province, China. The children in the home, mostly boys aged from six to eighteen, had a revival during which they had visions of heaven, Paradise, angels, and even hell. The children also had visions of the Antichrist, the Rapture, Resurrection, and Day of Judgment. Baker worked for years with little fruit and he almost gave up, until the Holy Spirit came with power, but he never put the spiritual above the Word and searched the Scriptures to make sure what was happening agreed with the Bible. This is reflected in his books as he includes Scripture references in most chapters.

Black Wings-Christina Henry 2010-11-30 The first novel of the Black Wings urban fantasy series, by Christina Henry, author of *Alice and Lost Boy*. As an Agent of Death, Madeline Black is responsible for escorting the souls of the dearly departed to the afterlife. It's a 24/7 job with a lousy benefits package. Maddy's position may come with magical abilities and an impressive wingspan, but it doesn't pay the bills. And then, there are her infuriating boss, tenant woes, and a cranky, popcorn-loving gargoyle to contend with. Things starts looking up, though, when tall, dark, and handsome Gabriel Angeloscuro agrees to rent the empty apartment in Maddy's building. It's probably just a coincidence that as soon as he moves in, demons appear on the front lawn. But when an unholy monster is unleashed upon the streets of Chicago, Maddy discovers powers she never knew she possessed. Powers linked to a family legacy of tarnished halos. Powers that place her directly between the light of Heaven, and the fires of Hell...

The Mindful Way to Study-Jake Gibbs 2013-05-25 The ability to pay attention is a key component of effective learning. Just think of all the times in your life when parents, teachers, bosses, and coaches have told you to pay attention to what you are doing. You would think that with all of the attention paid to paying attention, we would be pretty good at it. The problem is we're not, because most of us have never been taught how. Commonly adopted methods like forced concentration are actually counterproductive to learning and achieving our goals. In addition, too much focus on future goals and rewards takes our attention away from what we need to be doing in order to achieve them. Luckily, there is another way, a

A Nordic King-Karina Halle 2018-09-16 *A STANDALONE ROYAL ROMANCE* from the NYT bestselling author of *The Pact* and *The Swedish Prince*. When I first applied for the job I thought it would be like all the others: working as a nanny for an aristocratic family. Then I got the job and found out how wrong I was. Now I'm the new nanny for two adorable little girls who happen to be princesses. Their father is the widowed King of Denmark. And my new home? The royal palace in Copenhagen. Adjusting to my new life isn't easy but the hardest part hasn't been the girls who still grieve over the loss of their mother. It's their father. Cold, mysterious and moody, with an icy stare that seems to penetrate your soul, King Aksel may have hired me to take care of his daughters but he wants as little to do with me as possible. Yet the longer I share these palace walls with this man, the more that I'm drawn to him. His chiseled face and sexual swagger are only part of the package. It's in the long, intense glances at the dinner table, the way we'll brush up against each other in the halls, the rare glimpses of the man deep inside, like the sun passing through clouds. But no matter how I feel about him, we can never be together. You think it's bad enough being in love with your boss? Try falling in love with a king.
