Association (NRA). This edition is created to teach restaurant and hospitality students the core competencies of the Ten Pillars of Restaurant Management. The Ten Pillars of Restaurant Management is a job task analysis created with the input and validation of the industry that clearly indicates what a restaurant management professional must know in order to effectively and efficiently run a safe and profitable operation. The ManageFirst Program training program is based on a set of competencies defined by the restaurant, hospitality and foodservice industry as those needed for success. This competency-based program features 10 topics each with a textbook, online exam prep for students, instructor resources, a certification exam, certificate, and credential. The online exam prep for students is available with each textbook and includes helpful learning modules on test-taking strategies, practice tests for every chapter, a comprehensive cumulative practice test, and more! This textbook includes an exam answer sheet to be used with the paper-and-pencil version of the ManageFirst certification exam.

listening, and reading skills. The fifth edition has been extensively revised to keep pace with advances in theory and practice, particularly from cognitive science. Now more than ever, teachers will find an extensive range of presentations, activities, and tasks to meet the specific needs of their classes. New to This Edition * A pretest at the start of each chapter allows learners to assess what they already know and orient themselves to the chapter material. * Practice, spaced out over time, helps students learn better. Numerous exercises have been added to provide more incremental practice. * New charts and exercises show patterns to help learners make sense of the information. * Meaning-based practice is introduced at the sentence level. Students do not have to wait for longer passages to work with meaning. * Frequent oral exercises encourage students to speak more naturally and fluidly. * Step-by-step writing activities promote written fluency. All end-of-chapter tasks include writing tips and editing checklists. * A wide range of contextualized exercises, frequently including life skills vocabulary, encourages authentic language use. * Updated grammar charts based on corpus research reflect current usage and highlight the differences between written and spoken English in formal and informal contexts. * The BlackBookBlog focuses on student success, cultural differences, and life-skills strategies. * End-of-the-chapter Learning Checks help students assess their learning. * A Pearson Practice English app with end-of-chapter learning checks, Student Book audio, and guided PowerPoint videos. * Revised MyEnglishLab for a fully blended program.
