Transforming Japanese Workplaces-Takashi Sakikawa 2012-09-25
Although Japanese companies have not have been in the spotlight in recent years, it would be almost impossible to gain an understanding of them and their management practices and organizations without noting the transformations they have undergone in over a decade since the new millennium. It is imperative to bridge the gulf between what is known about Japanese companies in their heyday and what is unknown about them struggling to survive and transform in the past decade or more. In this volume, the author explores the transformations that have taken place in Japanese workplaces in the last twelve years, in terms of management practices, particularly in the areas of human resource management (HRM) and organizational culture.

101 Job Interview Questions You'll Never Fear Again-James Reed

2016-05-03 "An insider's guide to the perfect interview." —Daily

Express What are job interviewers actually looking for in a candidate? What questions will they ask? What does each question really mean? What are the answers that will secure you the job?

James Reed, chairman of one of the world's largest recruiting

agencies, takes you into the minds of top interviewers and reveals the answers that will land your dream job. 101 Job Interview Questions You'll Never Fear Again provides the best strategies for dealing with everything from classic questions like "Tell me about yourself" and "What are your greatest weaknesses?" to puzzlers like "Sell me this pen" and "How many traffic lights are there in New York?" You'll learn: · The "Fateful 15" questions that form the basis of nearly every question you'll be asked. · The 101 most common questions and what the interviewer is really asking. · Top line tactics for formulating winning answers about your career goals, character, competency, and creativity. · How to identify the types of interviewers and adapt accordingly. · How to adopt the right mindset, dress code, and approach to stand out from the pack. "Gives you the answers they really want. Great as interview preparation." —The Sun "Takes much of the fear out of preparing for a job interview." —Sunday Post "Well-written and well-organized. Strongly recommended for anyone preparing for a job interview." —Library Journal
