Bruno, Chief of Police-Martin Walker 2009-03-24 The first installment in the delightful, internationally acclaimed series featuring Chief of Police Bruno. Meet Benoît Courrèges, aka Bruno, a policeman in a small village in the South of France. He's a former soldier who has embraced the pleasures and slow rhythms of country life. He has a gun but never wears it; he has the power to arrest but never uses it. But then the murder of an elderly North African who fought in the French army changes all that. Now Bruno must balance his beloved routines—living in his restored shepherd's cottage, shopping at the local market, drinking wine, strolling the countryside—with a politically delicate investigation. He's paired with a young policewoman from Paris and the two suspect anti-immigrant militants. As they learn more about the dead man's past, Bruno's suspicions turn toward a more complex motive. "Enjoyable.... Martin Walker plots with the same finesse with which Bruno can whip up a truffle omelette, and both have a clear appreciation for a life tied to the land." —The Christian Science Monitor "A nice literary pairing with the slow-food movement.... [It is] lovely...to linger at the table." —Entertainment Weekly "A wonderfully crafted novel as satisfying as a French pastry but with none of the guilt or calories." —Tuscon Citizen's Journal

The Weekly Notes-Frederick Pollock 1909

The Abstainer-Ian McGuire 2020-09-15 "This is Dickens in the present tense, Dickens for the twenty-first century."—Roddy Doyle, The New York Times Book Review An Irishman in nineteenth-century England is forced to take sides when his nephew joins the bloody underground movement for independence in this propulsive novel from the acclaimed author of The North Water. NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY CHICAGO TRIBUNE AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times • The New York Public Library • New Statesman • Publishers Weekly Manchester, England, 1867.

The rebels will be hanged at dawn, and their brotherhood is already plotting its revenge. Stephen Doyle, an Irish-American veteran of the Civil War, arrives in Manchester from New York with a thirst for blood. He has joined the Fenians, a secret society intent on ending British rule in Ireland by any means necessary. Head Constable James O'Connor has fled grief and drink in Dublin for a sober start in Manchester. His job is to discover and thwart the Fenians' plans whatever they might be. When a long-lost nephew arrives on O'Connor's doorstep looking for work, he cannot foresee the way his fragile new life will be imperiled—and how his and Doyle's fates will become fatally intertwined. In this propulsive tale of the underground war for Irish independence, the author of The North Water once again transports readers to a time when blood begot blood. Moving from the dirt and uproar of industrial Manchester to the quiet hills of rural Pennsylvania, The Abstainer is a searing novel in which two men, haunted by their pasts and driven forward by the need for justice and retribution, must fight

for life and legacy.
