Fundraising When Money Is Tight-Mal Warwick 2009-03-27 A Nonprofit Survival Kit for Hard Times "This is a must-read for all of us in fundraising. Mal Warwick includes practical approaches for difficult economic times, from zero-based thinking about our programs to strategies for relating to our donors and making certain our fundraising programs are prepared to succeed not only now but when the economy recovers." —Eugene R. Tempel, president, Indiana University Foundation "Brilliant! No nonprofit organization can afford to ignore the insightful advice Mal Warwick offers in this concise and eminently readable book. It's practical, down-to-earth, and addresses the complex, real-world challenges of raising money in tough times." —Ben Jealous, president, NAACP

"Fundraising When Money Is Tight is an important book in a difficult time for all. This is the right book for anyone who is committed to advancing the public good." —Jane Wales, founder, Global Philanthropy Forum, and vice president, Aspen Institute "This is a must-read book by any fundraising manager. It's timely, it's a good read, and the moment I put it down I made sure my managers got focused, got real, and got with the project today." —Mark Astarita, director of fundraising, British Red Cross "Mal Warwick will leave you with a focusing framework and dozens of practical, immediately actionable how-tos. It is hard to imagine anyone in the citizen sector who will not breathe easier after reading this book." —Bill Drayton, CEO, Ashoka, and chair, Youth Venture

Healthy and Sustainable Fundraising Activities-Jenine M. De Marzo 2012-05-07 For most schools and organizations, fundraisers bridge the gap between budgets and the money they need in order to operate. Despite the continued rise in childhood and adult obesity and increased attention to humankind's ecological impact, many fundraisers still rely on the sale of high-calorie, low-nutrient foods or ask supporters to become consumers of incidental items and

paper products “to support the cause.” Healthy and Sustainable Fundraising Activities offers innovative and thoughtful options that raise money for your cause without contradicting the physical activity, health, and ecological messages emphasized in your school or organization. In contrast to traditional fundraisers involving food and incidental products, the ideas in Healthy and Sustainable Fundraising Activities encourage personal, community, and environmental health and reinforce the health and social responsibility initiatives in place in your school or organization. With Healthy and Sustainable Fundraising Activities you’ll learn how to involve not just your school or organization but the entire community in health-promoting, environmentally friendly activities. With Healthy and Sustainable Fundraising Activities, you’ll find a range of ideas—from ink cartridge recycling to a dance competition—and a unique approach to fundraising sure to energize your students, members, and community to meet and exceed your fundraising goals. For educators, each of the activities outlined in the text is based on National Health Education Standards (NHES) and National Association for Sport and Physical Education (NASPE) standards and 21st-century learning outcomes, making this text a great resource for incorporating the health and wellness initiatives of your school into the fundraising plans for your class, club, sport team, or organization. Activities in the book are grouped according to the level of knowledge, skills, and abilities required for organizing and conducting them. Most activities use similar or commonly used resources often available in a school or organizational setting. You’ll find clear and complete explanations in a standard lesson plan format along with the tools and information you need in order to implement each idea. With background information on various types of fundraisers, how these types are categorized, and guidance on scheduling, implementing, and communication, you’ll have a full picture of what it takes to complete each event. Get your members and community involved in a project that not only raises money but also gives children exposure to important values such as lifelong wellness, hard work, perseverance, integrity, and civic engagement. Regardless of whether you are new to fundraising or simply searching for new ideas for your next project, Healthy and Sustainable Fundraising Activities offers the tools, information, and inspiration to help you reach your monetary goals in ways that contribute to the health and well-being of your students, members, community, and the environment.

The Power of Asking-Loralie Klages 2012-11-08 This book is being written to share ways to save time, money and get more of what you want out of life simply through the power of asking. Many people are afraid to ask for what they want for fear of being told no, however in most cases, you may be surprised that the answer is often yes, and if the answer is no, you will still be in the same situation as before. You have nothing to lose; if you dont ask, the answer is always no. Every day, as consumers we are bombarded by vendors with questions. These questions entice us to purchase additional services or spend more on a product. What would happen if we started asking our own questions to vendors, friends or acquaintances that would allow us to receive better services, additional products or save time and money without compromise? You will discover that by asking simple everyday questions (ones we often hear from the uninhibited mouths of our children) to asking more complex questions, we can live a more enjoyable life by getting more of what we want more often!

Fired-Up Fundraising-Gail A. Perry 2007-06-15 Praise for Fired-Up Fundraising: Turn Board Passion into Action "Fired-Up Fundraising is honest, realistic, practical, and inspiring. It transforms the whole concept of fundraising from obligation and drudgery into passion and fun. Every CEO, development director, development consultant, and board chair needs to have and use this book." —Charles F. (Chic) Dambach President and CEO, Alliance for Peacebuilding Former Senior Consultant, BoardSource "A breakthrough! Fired-Up Fundraising takes the mystery out of engaging your board in the ongoing work of fundraising. In this well-organized little book, Gail Perry lays out a commonsense, four-step process that will fire up your board and help you meet your fundraising goals, year after year." —Mal Warwick author of How to Write Successful Fundraising Letters "Fired-Up Fundraising: Turn Board Passion into Action is by far the best book I have ever read on how to involve board members in the entire process of fundraising, from identifying prospects, cultivating them, and finally making 'the ask.' Just as important, it is an invaluable guide on how to select, enlist, train and especially inspire board members so they take ownership of their institutions.

Every nonprofit CEO and development officer should read this book." —Robert L. Gale President Emeritus, Association of Governing Boards of Universities and Colleges and founder of BoardSource (formerly known as the National Center for Nonprofit Boards) "This is the book for which EVERY nonprofit chief executive has been yearning since time immemorial. Every nonprofit needs money to survive and thrive, and every nonprofit has a board of trustees to help raise it, but few nonprofits come anywhere near using their boards to maximum benefit. Fired-Up Fundraising, a reader-friendly, realistic, and practical playbook written by a richly experienced, highly literate fundraiser turned consultant, takes readers by the hand and leads them step-by-step through eminently doable ways of inspiring the greatest possible engagement of-and return from-their trustees. It will instantly become the gold-standard guide for building successful boards."
—Joel Fleishman Professor of Law and Public Policy and Director, The Foundation Research Program, Duke University

250+ Fundraising Ideas for Your Charity, Society, School and PTA-Paige Robinson 2011-01 Containing over 250 practical and effective fundraising ideas, this is an essential book for anyone raising money for charities, hospices, societies, churches, clubs, as well as schools and their PTA. From the sublime (a sponsored blindfold) to the ridiculous (a fancy dress fun run), there is something for every fundraiser in this book. Covering sponsorship ideas, raffles and lotteries, collections and donations, games and activities, things to sell as well as providing many different events and themes you can organise, this indispensable guide also looks at how to use outside businesses effectively as well as social networking sites and the internet. In addition to all this, it provides a diary of awareness dates and important historical anniversaries so you can link your fundraising to national and international activities for maximum publicity. All royalties from the sale of this book are donated to a national children's charity. Overall, an excellent and affordable source of fundraising ideas, inspiration and advice for charities, hospices, societies, clubs, schools, PTAs and anyone wanting to raise money for a good cause.

Dear Church-Lenny Duncan 2019-07-02 Lenny Duncan is the unlikeliest of pastors. Formerly incarcerated, he is now a black preacher in the whitest denomination in the United States: the Evangelical Lutheran Church in America (ELCA). Shifting demographics and shrinking congregations make all the headlines, but Duncan sees something else at work--drawing a direct line between the church's lack of diversity and the church's lack of vitality. The problems the ELCA faces are theological, not sociological. But so are the answers. Part manifesto, part confession, and all love letter, Dear Church offers a bold new vision for the future of Duncan's denomination and the broader mainline Christian community of faith. Dear Church rejects the narrative of church decline and calls everyone--leaders and laity alike--to the front lines of the church's renewal through racial equality and justice. It is time for the church to rise up, dust itself off, and take on forces of this world that act against God: whiteness, misogyny, nationalism, homophobia, and economic injustice. Duncan gives a blueprint for the way forward and urges us to follow in the revolutionary path of Jesus.

Blitzstein 2014-07-24 Developed from celebrated Harvard statistics lectures, Introduction to Probability provides essential language and tools for understanding statistics, randomness, and uncertainty. The book explores a wide variety of applications and examples, ranging from coincidences and paradoxes to Google PageRank and Markov chain Monte Carlo (MCMC). Additional

The Iron Age- 1908

Tunney-Jack Cavanaugh 2009-04-02 Among the legendary athletes of the 1920s, the unquestioned halcyon days of sports, stands Gene Tunney, the boxer who upset Jack Dempsey in spectacular fashion, notched a 77—1 record as a prizefighter, and later avenged his sole setback (to a fearless and highly unorthodox fighter named Harry Greb). Yet within a few years of retiring from the ring, Tunney willingly receded into the background, renouncing the image of jock celebrity that became the stock in trade of so many of his contemporaries. To this day, Gene Tunney's name is most often recognized only in conjunction with his epic "long count" second bout with Dempsey. In Tunney, the veteran journalist and author Jack Cavanaugh gives an account of the incomparable sporting milieu of the Roaring Twenties, centered around Gene Tunney and Jack Dempsey, the gladiators whose two titanic clashes transfixed a nation. Cavanaugh traces Tunney's life and career, taking us from the mean streets of Tunney's native Greenwich Village to the Greenwich, Connecticut, home of his only love, the heiress Polly Lauder; from Parris Island to Yale University; from Tunney learning fisticuffs as a skinny kid at the knee of his longshoreman father to his reign atop boxing's glamorous heavyweight division. Gene Tunney defied easy categorization, as a fighter and as a person. He was a sex symbol, a master of defensive boxing strategy, and the possessor of a powerful, and occasionally showy, intellect--qualities that prompted the great sportswriters of the golden age of sports to portray Tunney as "aloof." This intelligence would later serve him well in the corporate world, as CEO of several major companies and as a patron of the arts. And while the public craved reports of bad blood between Tunney and Dempsey, the pair were, in reality, respectful ring adversaries who in retirement grew to share a sincere lifelong friendship--with Dempsey even stumping for Tunney's son, John, during the younger Tunney's successful run for Congress. Tunney offers a unique perspective on sports, celebrity, and popular culture in the 1920s. But more than an exciting and insightful real-life tale, replete with heads of state, irrepressible showmen, mobsters, Hollywood luminaries, and the cream of New York society, Tunney is an irresistible story of an American underdog who
