Red China Blues-Jan Wong 2011-12-14 Jan Wong, a Canadian of Chinese descent, went to China as a starry-eyed Maoist in 1972 at the height of the Cultural Revolution. A true believer--and one of only two Westerners permitted to enroll at Beijing University--her education included wielding a pneumatic drill at the Number One Machine Tool Factory. In the name of the Revolution, she renounced rock & roll, hauled pig manure in the paddy fields, and turned in a fellow student who sought her help in getting to the United States. She also met and married the only American draft dodger from the Vietnam War to seek asylum in China. Red China Blues is Wong's startling--and ironic--memoir of her rocky six-year romance with Maoism (which crumbled as she became aware of the harsh realities of Chinese communism); her dramatic firsthand account of the devastating Tiananmen Square uprising; and her engaging portrait of the individuals and events she covered as a correspondent in China during the tumultuous era of capitalist reform under Deng Xiaoping. In a frank, captivating, deeply personal narrative she relates the horrors that led to her disillusionment with the "worker's paradise." And through the stories of the people--an unhappy young woman who was sold into marriage, China's most famous dissident, a doctor who lengthens penises--Wong reveals long-hidden dimensions of the world's most populous nation. In setting out to show readers in the Western world what life is like in China, and why we should care, she reacquaints herself with the old friends--and enemies of her radical past, and comes to terms with the legacy of her ancestral homeland. From the Trade Paperback edition.

Red China Blues (reissue)-Jan Wong 2011-02-04 Jan Wong, a Canadian of Chinese descent, went to China as a starry-eyed Maoist in 1972 at the height of the Cultural Revolution. A true believer -- and one of only two Westerners permitted to enroll at Beijing University -- her education included wielding a pneumatic drill at the Number One Machine Tool Factory. In the name of the Revolution, she renounced rock and roll, hauled pig manure in the paddy fields, and turned in a fellow student who sought her help in getting to the United States. She also met and married the only American draft dodger from the Vietnam War to seek asylum in China. Red China Blues begins as Wong's startling -- and ironic -- memoir of her rocky six-year romance with Maoism that began to sour as she became aware of the harsh realities of Chinese communism and led to her eventual repatriation to the West. Returning to China in the late eighties as a journalist, she covered both the brutal Tiananmen Square crackdown and the tumultuous era of capitalist reforms under Deng Xiaoping. In a wry, absorbing, and often surreal narrative, she relates the horrors that led to her disillusionment with the "worker's paradise." And through the stories of the people -- an unhappy young woman who was sold into marriage, China's most famous dissident, a doctor who lengthens penises -- Wong creates an extraordinary portrait of the world's most populous nation. In setting out to show readers in the Western world what life is like in China, and why we should care, Wong reacquaints herself with the old friends -- and enemies -- of her radical past, and comes to terms with the legacies of her ancestral homeland. From the Trade Paperback edition.

In Leah's Wake-Terri Giuliano Long 2011 The Tyler family had the perfect life - until sixteen-year-old Leah decided she didn't want to be perfect anymore.While Leah's parents fight to save their daughter from destroying her brilliant future, Leah's younger sister, Justine, must cope with the damage her out-of-control sibling leaves in her wake. Will this family survive? Balzac and the Little Chinese Seamstress-Sijie Dai 2001 During the Chinese Cultural Revolution, two boys are sent to the country for reeducation, where their lives take an unexpected turn when they meet the beautiful daughter of a local tailor and stumble upon a forbidden stash of Western literature.

The Ghosts of China-G. I. Lewis 2015-12-14 Merthyr Tydfil in 1844 is a frontier town on the cutting edge of the industrial revolution where wealth and crime walk hand in hand. Introduced just a few years earlier, the Glamorgan Constabulary fight to take control of this hard town by fair means or foul. Working in this violent world Sergeant Ephraim Jones uncovers three murders that link power to the towns most famous of slums, China. Operating outside of the authority of his bosses Ephraim Jones seeks to bring the killer to justice. In 2013 Sergeant Angharad Jones, the latest descendent of Ephraim Jones, finds herself cast adrift into modern Merthyr Tydfil a town that still bares the social scars of its 19th Century development. As people start to die, Angharad realises that there is a familiarity in the tale of her ancestor. Calling on the assistance of her grandfather, Angharad searches for the truth. Can she finally solve the great mystery of Merthyr Tydfil and save her career in the process? Calling on the legends of the town the Ghosts of China is a modern day crime story that brings to life the historical Merthyr Tydfil. In doing so it delivers a quirky and South Wales valleys inspired take on the Police Procedural.

Lunch With-Jan Wong 2011-12-14 Many people have predicted that she'll never eat lunch in this town again. But as "Lunch With" proves each week, there's always another unsuspecting celebrity ready to break bread with columnist Jan Wong. Now's your chance to dine with her while she dishes, disses and dissects the likes of Suzanne Somers, Jeffrey Archer, Margaret Trudeau, Dr. Ruth, Preston Manning, Atom Egoyan, Don Cherry, Margaret Atwood, Mordecai Richler, Bryan Adams, Sarah Polley, Eartha Kitt, Helen Gurley Brown and many more, in sixty of her funniest, most trenchant, often barbed and occasionally moving "Lunch With" columns. With an introduction on the lunching phenomenon, some appetizing background on arranging the interviews, and (for dessert) some reactions from readers and guests, this compilation is a deliciously wicked treat from start to finish. From the Hardcover edition.

Promptings-Kimberly Malkogainnis 2016-11-01 Do you frequently find yourself asking, Why?" This book will, prayerfully, prompt you to see God acting in every circumstance in your life, from the mundane to the monumental; to appreciate that the Creator does, indeed, cause "all things [to] work for good to them that love God, to them who are called according to His purpose." (Romans 8:28) Through prose and poems based on personal experiences, the author shares pieces of her journey through faith-building events. If you have trouble focusing on God and His agenda, this book will sharpen your vision and lead you to reconsider God's purpose for the events in which you may find yourself involved on a daily basis.

The Adventures of Tom Sawyer & Huckleberry Finn - Complete Edition-Mark Twain 2017-12-06 "The Adventures of Tom Sawyer" - Tom Sawyer lives with his Aunt Polly and his half-brother Sid. He skips school to swim and is made to whitewash the fence the next day as punishment. Tom falls in love with Becky Thatcher, a new girl in town, but shortly after Becky shuns him, he accompanies Huckleberry Finn to the graveyard at night, where they witness a trio of body snatchers getting into a fight. Tom and Huck run away to an island. While enjoying their new-found freedom, they become aware that the community is sounding the river for their bodies... "Adventures of Huckleberry Finn" - Huck Finn and his friend Tom Sawyer have each come into a considerable sum of money as a result of their earlier adventures. Huck is placed under the guardianship of the Widow Douglas, who is attempting to "civilize" him. Finding civilized life confining, his spirits are raised somewhat when Tom helps him to escape one night, but his alcoholic father turns up and kidnaps him... "Tom Sawyer Abroad" - Tom, Huck, and their friend Jim set sail to Africa in a futuristic hot air balloon, where they survive encounters with lions, robbers, and fleas to see some of the world's greatest wonders, including the Pyramids and the Sphinx. "Tom Sawyer, Detective" - Tom attempts to solve a mysterious murder in this burlesque of the immensely popular detective novels of the time. Samuel Langhorne Clemens (1835-1910), better known by his pen name Mark Twain, was an American writer, humorist, entrepreneur, publisher, and lecturer.

Boundaries-Douglas B. Carlyle 2013-08 Boundaries is a disturbing story about the blurred lines between love and betrayal, freedom and control, fantasy and treachery, good and evil, past and future. Diane Alders is a successful, workoholic sales executive in the medical field who has a void in her heart as a result of the tragic death of her husband seven years ago. Mickey Rollins is a genius and entrepreneur about to introduce a revolutionary new therapy that will 'repair' injured or impaired brains. Their sputtering romance hits full speed when Mickey invites Diane to accompany him on a lavish and bizarre vacation to the exotic South Seas intended to stretch their senses, fulfill wild dreams, and bring them closer together. Disaster strikes, and it is Diane who becomes Mickey's first human test subject. There's a catch...the healing process requires a surrogate, and Mickey chooses their mutual friend, lover and temptress—the beautiful Suki. The resurrection of Diane that transpires is not only a transfer of physical and cerebral attributes, but a blending of relationships, feelings, and emotions, drawing many into the fray, ending as shockingly as it begins.

Comrade Obama and the "Che" Francisco-Julio Camino 2016-06-09 Was it foreseeable in twentieth century, that a communist militant trained in the "cadre schools" of the belligerent American left, would ever be president of this country? And that a Catholic bishop and adherent to the "Theology of Liberation" would come to sit on the throne of St. Peter in Rome? Or was it predictable that there would be a flourishing capitalist economy in Red China's south, dominated by the Communist Party? Or Russian President identified with the cultural values of Western and Christian heritage, even as the West has been an enemy to Russia as nation? However, all of this has happened in the twenty first century. Because the West has abandoned its principles and values, building on old classic economic Marxism, today reinforced with terrible "cultural Marxism." Find out about these events, unpredictable until just a few years ago. Read this book, and share it with your family, friends and acquaintances.

Summer Break Blues-J. a. Campbell 2015-11-25 I survived my senior year of high school despite being turned into a vampire. Summer break should be a snap. No getting up early or making excuses why I can't make it to class or hang out with my friends. I had hoped to put the events of last year behind me. Unfortunately, the Sidhe won't let me. Nobody holds a grudge like they do, especially when you kill one of their own. They're intent on making my life miserable and considerably shorter. When Ann's parents vanish while vacationing in Maine, we head out to find them. Of course the Sidhe follow and I manage to capture the interest of another vampire. One who wants answers as to what makes me different. Answers I don't have and that might just get me killed for good this time. Dealing with supernatural attacks while trying to find Ann's parents keeps us on our toes but as long we're together, we can handle anything. At least until things really start to fall apart.

Guangzhou - Heart of the South-Lindsey J. Bard 2014-12-27 Welcome to Guangzhou and Canton and Panyu. The city has changed its name at least three times over the centuries, and the people have changed with it. This tour guide for Guangzhou seeks to share with travelers the beauty of the southern capital. A place where each district in the older sections of town has a museum tucked around a corner, while the newer sections of town have modern, larger facilities for art and music presentations. This is the home of Cantonese Opera and the oldest Islamic mosque in China. Neither the city, nor the province it's the capital of brag a lot, but they have plenty to be prideful about. This guide focuses on seven noteworthy sites chosen for their cultural value, interest, fun and insight into China and the Southern Chinese people. Some are old and show case the history of the region; some are modern and focus on the issues facing today's society. Their order is based on the amount of time it takes to see each site, starting with approximately two hours for Chen Clan Academy and ending with Chimelong Safari Park which takes all day. Readers will notice that in each chapter a different Chinese host is featured. To understand the importance of a place it is best to ask those who live there, because they have the best stories. Each of these men and women volunteered to visit a site and share their experiences as a cultural insider. The hosts are native Chinese speakers who have various levels of English mastery. They are funny and sincere and offer a view of their city as few other tour guides have ever attempted. Their stories join the historical research telling the story of Guangzhou, a city of +17 million people and a history of more than 10,000 years in the Zhujiang River (Pearl River) delta. It's been a heart of business and the West's entrance the Middle Kingdom for more than 1,500 years. Follow its story and walk its street with this guide.

The Smuggler's Blues-Jim Carey 2014-09-02 Trade Paperback (6" x 9" hardcover book) size - paperback. A rollicking, fast-paced adventure tale about newbie drug smugglers trying to put together a deal while continually distracted by romance, alcohol and pot. A funny, riveting page-turner. What people are saying about The Smuggler's Blues: "A true page-turner. I couldn't put it down. I highly recommend it." - Manny J. "Jim's damn book kept me up all night. I couldn't stop reading until I finished it." - Ed C. "Your characters make Hemingway look like a sissy." - Jimmy N. "Reading your book was like watching a movie. I could see it in my mind as I read." - Janice Y. "Jim's writing is a combination of Ernest Hemingway and Louis L'Amour. I love it!" - Michael T. "Adventure, romance, suspense - a skillfully constructed story." - Bill C. "Riveting." - Mark R. "I couldn't put it down. A great read. Thank you." - Brad K. "Action, adventure, romance, it's all there. I was sorry when the story was over. I want more!" - Michael B. "Your characters truly drive the story. A great read." - Mike Y. "I didn't expect the insights and self-doubt that the main character had. It added a depth and certain quality to the book that I enjoyed." - Phil W. "Finally, an action-adventure novel with depth." - Danny C. "A real page turner." - Jim D. "Where's the sequel?" - Susan S. Museum Representations of Maoist China-Amy Jane Barnes 2016-04-15 The collection, interpretation and display of art from the People's Republic of China, and particularly the art of the Cultural Revolution, have been problematic for museums. These objects challenge our perception of 'Chineseness' and their style, content and the means of their production question accepted notions of how we perceive art. This book links art history, museology and visual culture studies to examine how museums have attempted to reveal, discuss and resolve some of these issues. Amy Jane Barnes addresses a series of related issues associated with collection and display: how museums deal with difficult and controversial subjects; the role they play in mediating between the object and the audience; the role of the Other in the creation of Self and national identities; the nature, role and function of art in society; the museum as image-maker; the impact of communism (and Maoism) on the cultural history of the twentieth-century; and the appropriation of communist visual iconography. This book will be of interest to researchers and students of museology, visual and cultural studies as well as scholars of Chinese and revolutionary art.

Equality and Justices-T. Just 2014-03-25 It has long been my belief that the greatness of America has arisen in large part out of the diversity of her peoples. Before the war, peoples of Japanese ancestry were a small but valuable element in our population. Their record of law-abiding, industrious citizenship was surpassed by no other group. Their contributions to the arts, agriculture and science were indisputable evidence that the majority of them believed in America and were growing with America. Then war came with the nation of their parental origin. The ensuing two and a half years have brought heartache: to many in our population. Among the casualties of war has been America's Japanese minority. It is my hope that the wounds which it has received in the great uprooting will heal. It is my prayer that other Americana will fully realize that to condone the whittling away of the rights of any one minority group is to pave the way for us all to lose the guarantees of the Constitution. As the President has said "Americanism is a matter of the mind and heart: Americanism is not, and never was, a matter of race or ancestry." This truth is eloquently illustrated by the photographs on the following pages. Harold L. Ickes Secretary of the Interior July, 1944

Eight Days-D. Nichole King 2015-06-18 Suicide. That's what being with Kate Browdy is. She's sick. And now my father has knocked her out because her immune system can't deal with this virus. Seven years of fighting leukemia is destroying her. I can't deal with this. I'm not strong like her. Survival instinct kicks in, so I do what I know-I call Ellie. Numb the pain. But there shouldn't even be pain. What is it about this girl? She's not good for me, and I'm not good for her. I'm a freaking disaster, and Kate deserves better. Maybe it's time to cut my losses.

Through Love's Trials-Julie Coulter Bellon 2011

The Amazing Adventures of 4cents Ned-Benjamin Laskin 2017-01-11 Big worlds come in coin-sized packages. In a world ruled by money, a lone 1938 Jefferson nickel stands a penny short. Minus a cent, but having discovered within him a million bucks of fantastic, Ned Nickel sallies forth to save Coinworld from a worthless future. Shunned by his fellow coins, but sought after by dogged collectors, 4cents Ned learns that he has a most daunting destiny. With the help of a sagacious Indian nickel and a shabby and luckless Lincoln wheat penny, Ned becomes "The Four," champion of small change everywhere. Ned must navigate the ever-changing currents of commerce as he battles for justice and searches for the love of his life, a 1922 Peace Dollar named Franny. Beginning in 1949, Ned and his team of Raider Special Forces roll frolicking forward through the years in their attempt to save Coinworld-and perhaps the entire universe-from a valueless future. 4cents Ned is e pluribus awesome. The Amazing Adventures of 4cents Ned is Book One in the Coinworld

Journey to You-A. J. Adaire 2015-08-26 What do you do if you are one of the few who remain alive after a mysterious, flu-like virus claims most of the global population? This is a question Kim Robins and Peri Henderson have to answer when the world changes and society falls apart. Violent gangs of looters make it unsafe to remain in the city. Hoping to improve their chances for survival, Kim and Peri decide to hike into the remote forest area of Maine. Dangerous circumstances along the trail cause the women to join forces with another hiker and her dog. The longtime friends and their new companions set off on a daunting trek filled with both menacing and kindhearted survivors. With evidence of the illness everywhere they go, will this journey bring each of the women the happiness and safety she seeks?

Red-Summer Donnelly 2017-09 There once were two sisters who were like the two rose-trees. One was called Snow-white and the other Rose-Red. Twenty years after the treaty of the Wicked Witches was signed, odd events began occurring in the town of Thistle Grove, a small village on the edge of the Woods. Bears started to appear in the Woods and small children disappeared. Was Paulina the Malevolent breaking the peace and up to no good? But when Red's beloved, Griffin, goes missing she knows she has to help rescue him. With the help of wolf in sheriff's clothing and their friend Ruby, Snow and Red begin a journey that will take them in conflict with Wicked Witches, Goblins, and bear shifters. Will they be able to solve the disappearance of their friends and town people? Or will the Treaty of the Wicked Witches be smashed and the peace of Thistle Grove destroyed forever?

Stage Business-Gerry Fostaty 2014-10 Crime and Deception in Toronto Michael Dion is an actor, not a detective, but when Amanda, an attractive young actress, asks him to help her find Kyle, her friend's rebellious son, how can he refuse? The gig turns out to be much more than Michael had bargained for. Kyle has fallen into the clutches of small-time drug dealers. Egged on by Amanda, Michael bluffs and blusters his way to secure the boy's release. The thugs overreact, putting Michael's life at risk until his fellow actors and special effects artists come to his rescue."

Jan Wong's China-Jan Wong 2011-01-28 As the fiftieth anniversary of the People's Republic of China approaches on October 1, 1999, Jan Wong reflects on her body of work as a foreign correspondent there. Despite the fact that everything is changing, she discovers that not much really changes, and what she wrote several years ago about love, work and living still holds, as do the conflicts over who rules, who survives, and who gets the bigger slice of Peking Duck. From a peasant tax revolt through the new consumerism (ads on television!) to the closeted world of Chinese gays, Jan Wong's China is a highly personal account of a country in transition. Its perspective is shaped by the author's six-year reporting stint, her life in Beijing in the '70s as a student and a Maoist, and her return visit to China in the spring of 1999. Employing humour and behind-the-scenes detail, Jan Wong brilliantly weaves her adventures into a rich journalistic tapestry.

Beijing Confidential-Jan Wong 2010-02-12 Jan Wong has returned to Beijing. Her quest: to find someone she encountered briefly in 1973, and whose life she was certain she had ruined forever. In the early 70s, Jan Wong travelled from Canada to become one of only two Westerners permitted to study at Beijing University. One day a young stranger, Yin Luoyi, asked for help in getting to the United States. Wong, then a starry-eyed Maoist, immediately reported Yin to the authorities. Thirty-three years on, and more than a decade after the publication of her bestselling Red China Blues, Jan Wong revisits the Chinese capital to begin her search for the person who has haunted her conscience. She wants to apologize, to somehow make amends. At the very least, she wants to discover whether Yin survived. As Jan Wong hunts through the city, she finds herself travelling back through the decades, back to her experiences in the Cultural Revolution, to places that were once of huge importance to her. She has changed, of course, but not as much as Beijing. One of the world's most ancient cities is now one of its most modern. The neon signs no longer say "Long Live Chairman Mao" but instead tout Mary Kay cosmetics and Kentucky Fried Chicken. Places she once knew have vanished, bulldozed into oblivion and replaced by avant-garde architecture, trendy bars, and sleek condos. The people she once knew have changed, too, for better or for worse. Memories are everywhere. By searching out old friends and acquaintances, Jan Wong uncovers tantalizing clues about the woman she wronged. She realizes her deepest fears and regrets were justified. But Yin herself remains elusive-until the day she phones Jan Wong. Emotionally powerful and rich with detail, Beijing Confidential weaves together three distinct stories-Wong's journey from remorse to redemption, Yin's journey from disgrace to respectability, and Beijing's stunning journey from communism to capitalism. From the Hardcover edition.

High Miles Club 3-In-1 Erotic Collections 3-Terri J. Pedersen 2016-07-11 A Collections of erotica stories: 1. High Miles Club Amanda and Melissa walked towards the rest of the crew that was gathered near the gate to the plane. The twins always made a few heads turn round. Tall, thin, but with generous curves, blond hair, fair skin, and the most amazing blue eyes you have ever seen in your life they were simply gorgeous. Amanda was the vivacious and Melissa the quiet, silent one. Together they were a dynamic duo. As adults, they worked as stewardesses for the same airline but it wasn't common for them to work together on the same flight. But this time, they were. On board was Drake Hunter, their high school crush. A devious plan was set by one of the sisters that would make their flight an unforgettable one.. 2. The Vampire's Photographer For \$50,000 and 2 weeks work, all she had to do was taking pre-wed pictures of her clients'. That was what she thought to be the best deal, or probably not.... "His hands dropped my hair, and slid down to the towel that covered my naked body, and loosened it, watching it fall to the ground. So far, he hadn't uttered a word and I seemed unable to do it myself. I couldn't even move. His hands slid to my breasts and captured my nipples, squeezing them a little hard, ripping a surprised moan out of my lips. He picked me in his arms and carried to the bed, lying me there, pulling my hands over my head and tying them with some strips of velvet that hanged from the headboard. He did the same with my ankles and soon I was tied to the bed, eagle spread and completely exposed to this man. I wanted to cry and call for help, but he had to have me under a spell of some sort because I couldn't. I opened my mouth and the only thing that came out were moans." 3. Blackmailed Being blackmailed was never a good experience for anybody. Not when your most intimate forbidden affair was secretly photographed and used as a threat. There was no other way than confronting face to face with the blackmailer....just to findpleasure

The Mukden Disciple-W. E. D. Wilson 2013-01 In Post WW II Communist China a small band of Christians flee... From 1945 to 1949, in the chaos of post WW II Communist China, the persecution of Chinese Christians rose to epic proportions. A small band of these believers found themselves facing certain death from the Communist forces pursuing them. Out of the chaos emerges a young US Marine, who risks everything to deliver the Christians from Mao Tse-tung and the forces of his despotic regime.

The Baggy-Kneed Camel Blues-Daniel McVay 2011-08-01 Tad wanders the cobble-stoned streets of Barcelona, confusing reality, fantasies, mind games and memories...until he meets Günter—easily the most gorgeous Viking ever to set foot on Spanish soil. Their bizarre adventure is filled with camels, bicycles in the Moroccan desert, a hairy alchemist and sex on the edge of a cliff. Add to this a zany little redhead named Stacey and her crazy Gang, and you have some idea what it means to sing "The Baggy-Kneed Camel Blues!"

Lane Changes-Anna Adams 2016-06-23 I waited until the last two years of high school to take Spanish and am now one of only three seniors; Sam and Rob are the others. Every day we have to conjugate verbs and today, the teacher was in a rare mood. Amar: to love That's what I associated with Rob Holland, the newest student at Naylorville High who somehow has the power to make me blush, stammer and trip all at once. Molestar: to annoy That should be Sam Seeley's middle name. Since seventh grade he has annoyed me to the point where I should earn a gold medal for ignoring him. Matar: to kill This is what I want to do to the person putting black origami roses in my locker, writing hateful notes, rude emails and texts and throwing a rock at my bedroom window. Nadar: to swim My one talent. A college scholarship I desperately need. Something I never thought I wouldn't be able to do until an "accident" cuts my swim season short. Aprender: to learn I have a lot to learn. About Rob and how emotionally stunted a person can be. About Sam and how his life isn't better than anyone else's. About how one friend's mental illness can have lasting effects. About love. About myself...Lane Meyers.

NOTE: This is the large print edition of The Severaine, with a larger font / typeface for easier reading.

The China Dream-Joe Studwell 2007-12-01 “An entertaining, if cautionary, tale of Western business woes in China, stretching back seven hundred years” (The Wall Street Journal). In The China Dream, acclaimed business journalist Joe Studwell challenges the predictions that China will become an economic juggernaut on the world stage in the twenty-first century—and instead foresees an economic crisis. Tracing the most recent developments in China from Deng Xiaoping’s “liberalization” of its market in the 1980s through the opening of its economy to foreign investment in the 1990s, Studwell examines the roadblocks to the continuation of the country’s unprecedented expansion and why its economy will fail once more—but this time, harder than ever before, and with potentially catastrophic results. Provocative and flawlessly researched, The China Dream analyzes what’s really going on in China—and what we can do to prepare for the coming crisis. “The much-needed antidote to the delusions . . . about the riches to be made from investing and selling in China. Brimming with . . . statistics.” —The Washington Post “[A] detailed account . . . An excellent examination of the political and economic history of China, fascinating and mostly unknown to Westerners.” —Booklist (starred review) “Lays bare much of the stuff and nonsense that surrounds the China dream, and traces how myth and misunderstandings—compounded by hype and lashings of snake oil—have bewitched some of the world’s most respected corporations and led them to ruin the proverbial \$1.3 billion consumer market . . . As such, it deserves to help redefine the debate on the nature of the China market.” —James Kynge, China bureau chief of the Financial Times

The People's Republic of Amnesia-Louisa Lim 2014-05-05 Finalist for the 2015 Helen Bernstein Book Award for Excellence in Journalism Longlisted for the Lionel Gelber Award for the Best Non-Fiction book in the world on Foreign Affairs An Economist Book of the Year, 2014 A New York Times Book Review Editor's Choice "One of the best analyses of the impact of Tiananmen throughout China in the years since 1989." --The New York Times Book Review On June 4, 1989, People's Liberation Army soldiers opened fire on unarmed civilians in Beijing, killing untold hundreds of people. A quarter-century later, this defining event remains buried in China's modern history, successfully expunged from collective memory. In The People's Republic of Amnesia, Louisa Lim charts how the events of June 4th changed China, and how China changed the events of June 4th by rewriting its own history. Lim reveals new details about those fateful days, including how one of the country's most senior politicians lost a family member to an army bullet, as well as the inside story of the young soldiers sent to clear Tiananmen Square. She also introduces us to individuals whose lives were transformed by the events of Tiananmen Square, such as a founder of the Tiananmen Mothers, whose son was shot by martial law troops; and one of the most important government officials in the country, who post-Tiananmen became one of its most prominent dissidents. And she examines how June 4th shaped China's national identity, fostering a generation of young nationalists, who know little and care less about 1989. For the first time, Lim uncovers the details of a brutal crackdown in a second Chinese city that until now has been a near-perfect case study in the state's ability to rewrite history, excising the most painful episodes. By tracking down eyewitnesses, discovering US diplomatic cables, and combing through official Chinese records, Lim offers the first account of a story that has remained untold for a quarter of a century. The People's Republic of Amnesia is an original, powerfully gripping, and ultimately unforgettable book about a national tragedy and an unhealed wound.
