And the closer Allie and her protectors get to the pieces of the immortal weapon that could save them all, the more destruction Nott manages to unleash-not only on the world Allie loves, but on the friends she'd give her life to save. Darkness is coming. And this time, it won't leave any survivors.

Superhero Ethics-Travis Smith 2018-06-01 Whether in comic books or on movie screens, superhero stories are where many people first encounter questions about how they should conduct their lives. Although these outlandish figures—in their capes, masks, and tights, with their unbelievable origins and preternatural powers—are often dismissed as juvenile amusements, they really are profound metaphors for different approaches to shaping one's character and facing the challenges of life. But, given the choice, which superhero should we follow today? Who is most worthy of our admiration? Whose goals are most noble? Whose ethics should we strive to emulate? To decide, Travis Smith takes ten top superheroes and pits them one against another, chapter by chapter. The hero who better exemplifies how we ought to live advances to

the final round. By the end of the book, a single superhero emerges victorious and is crowned most exemplary for our times. How, then, shall we live? How can we overcome our beastly nature and preserve our humanity? (The Hulk vs. Wolverine) How far can we rely on our willpower and imagination to improve the human condition? (Iron Man vs. Green Lantern) What limits must we observe when protecting our neighborhood from crime and corruption? (Batman vs. Spider-Man) Will the pursuit of an active life or a contemplative life bring us true fulfillment? (Captain America vs. Mr. Fantastic) Should we put our faith in proven tradition or in modern progress to achieve a harmonious society? (Thor vs. Superman) Using superheroes to bring into focus these timeless themes of the human condition, Smith takes us on an adventure as fantastic as any you'll find on a splash page or the silver screen—an intellectual adventure filled with surprising insights, unexpected twists and turns, and a daring climax you'll be thinking about long after it's over.

The Ære Saga Boxed Set (Books 1-4)-S.T. Bende 2018-08-19 "Like a summer superhero movie, this YA fantasy features dazzling adventure and a truly epic romance." -iBooks Official Review, From

international bestselling author S.T. Bende comes the complete story of the Ære Saga (Books 1-4). Book 1: PERFEKT ORDER All's fair when you're in love with War. For seventeen-year-old Mia Ahlström, a world ruled by order is the only world she allows. A lifetime of chore charts, to-do lists and study schedules have helped earn her a spot at Redwood State University's engineering program. And while her five year plan includes finding her very own happily-ever-after, years at an all-girls boarding school left her feeling woefully unprepared for keg parties and co-ed extracurricular activities. So nothing surprises her more than catching the eye of Tyr Fredriksen at her first college party. The imposing Swede is arrogantly charming, stubbornly overprotective, and runs hot-and-cold in ways that defy reason . . . until Mia learns that she's fallen for the Norse God of War; an immortal battle deity hiding on Midgard (Earth) to protect a valuable Asgardian treasure from a feral enemy. With a price on his head, Tyr brings more than a little excitement to Mia's rigidly controlled life. Choosing Tyr may be the biggest distraction—or the greatest adventure—she's ever had.

Book 2: PERFEKT CONTROL Rule the realms. Brynn Aksel is a valkyrie—a battle goddess tasked with protecting both the God of War and the future of Asgard. She fends off giants and dark elves with an iron fist, a glossy smile, and no less than perfekt control. She's focused one-hundred-percent on rising through the valkyrie ranks, and not at all on her lifelong crush on Henrik Andersson—the one guy in all the realms who could be her undoing. Henrik serves as War's other bodyguard, and he's too focused on protecting their shared charge to realize that Brynn's a girl. When an unprecedented surge of darkness abducts the Goddess of Love, Brynn's already-steely focus is singularly directed on her new assignment—accompany Henrik to recover the realms' source of light before the cosmos descends into chaos. While battling demons, dragons, and the not-quite-dead, it becomes clear that immortality does not equal invincibility. And when Hel herself puts a hit on Brynn, the valkyrie has to decide if staying in control is worth losing everything . . . or if it's time to rule the realms.

Ruffhouse-Chris Schwartz 2018-06-18 The Ruffhouse Records founder tells how he overcame poverty, abuse, and addiction to start a label that launched some of music's biggest stars: "Gripping."—Philadelphia Magazine As a struggling musician trying to catch a break in 1980s Philadelphia, Chris Schwartz navigated

the crime-infested, morally bankrupt music industry to found and build one of the most successful hip-hop record labels in the world. That label was Ruffhouse, which launched the careers of Nas, The Fugees, Cypress Hill, and others, dominating the charts and generating global revenues of over a billion dollars. Schwartz and his partner, Joe Nicolo, built Ruffhouse from one desk and a phone to one of hip-hop's most revered record companies while simultaneously struggling with drug addiction and alcoholism. A story of money, greed, envy, betrayal, violence, addiction, loss, and redemption, not to mention a whole lot of music, Ruffhouse reveals the inside story of the record companies, recording studios, tour buses, private jets, mansions, radio stations, and concert halls at the height of hip-hop's 1990s heyday while also uncovering the darker side of the business, from police stations to rehab clinics, courtrooms to prisons. Told in Schwartz's own candid, searing prose, Ruffhouse is a portrayal of hip-hop culture at its tipping point, as it transitioned from urban curiosity to global phenomenon. "[A] story of adversity and perseverance...Fans of these artists will love the insider information on the recording process and the trials and tribulations of getting this music out into the world."—Library Journal "All respect to Chris Schwartz. He is a great visionary."—Nas

Dream Wars-Leia Stone 2018-05-17 A gripping story, of love, loss, and the fight for humanity. My name is Kit Steele and I was ten years old when thousands of alien ships landed all over the world in the year 2020. We thought for sure that we'd be goners, about to be obliterated or terraformed out of existence. But when the ship doors opened, they were... empty. Maybe they were just communication vessels, we thought. But that night, when humanity fell asleep, we were sucked into an alternate dimension. The Dream Wars. A place where the alien ghouls fed off of your body unless you fought back. If you're killed in the Dream War, your body dies on earth. That was ten years ago and I've been training for the Dream War every night since then. Each time I close my eyes and drift off to sleep I become a merciless killer. Taking out as many ghouls as I can. It's earned me the rightful title of Commander and now I protect the rich in their sleep with my team of warriors. But the one thing I didn't expect was that my new client Damien Striker might be able to put

a stop to this war, if I can keep him alive long enough. Meet the team: Commander Kit Steele - Carnivore, protector of billionaires, has a penchant for blue hair and anything sweet, hates cats, despises the color pink, and loves 80's rock music. Medic Ronnie Sotto - Kit's best friend, graduated Harvard medical school at age 15, loves cats, favorite color pink, and once did leg surgery on a cat in the dream war to save its life. Lieutenant Brisk Hutchins - Slept with Kit one time, is in love with Ronnie even though she turns him down because he slept with Kit, pretends to like cats, has one of the highest ghoul kill records second to Kit, secretly loves old Britney Spears songs. Pyrotechnic expert Nox Lightfoot - nickname 'pretty boy', likes to light things on fire, thinks cats are okay, would jump in front of a bus if it would bring bacon back and misses the times when the skies were filled with birds. Maxine Cross - Miss USA runner up, has rage issues but won't go to anger management, is proudly promiscuous, and wouldn't be caught dead in the same room as a cat. She enjoys dancing in the rain, first kisses and killing ghouls. *This book is for upper YA/NA audience, beware of language.

Denver Beer: A History of Mile High Brewing-Jonathan Shikes 2020-03-02 Brewed in 1859 near what is now the heart of downtown, Denver's first beer quenched the thirst of fortune hunters following the gold rush. It lubricated the city's transformation from Wild West town to the Queen City of the Plains until Prohibition brought a sudden end to the brewing culture. By 1979, only the famed Coors brewery remained. But then something frothy happened. Brian Dunn, John Hickenlooper and many others began satiating locals with liquid gold. The craft beer movement blossomed. Now well over seventy breweries strong, it is filled with the same pioneering spirit and irrepressible optimism that the miners embodied. Journalist and author Jonathan Shikes captures the Mile High City's sudsy stories from then until now.
