The Lost-Jonathan Aycliffe A Novel of Dark Discoveries THE LOST It all started when the gypsy fortune-teller looked him in the eye—and ran away, screaming. Michael was a teacher at a prep school in Cambridge. Barely thirty, he felt immensely old. He was tired of his life, tired of his job, tired of dreary England. And though he didn't know it yet—tired of Sophie and her safe, undemanding love. So Michael took a sabbatical and went to Romania, hoping to claim the property his grandparents had abandoned

after World War II. He found he was a titled lord, and more—the owner of an ancient stronghold in the Transylvanian Alps, Castel Vlaicu. Thus Michael Feraru became Count Mihai Vlahuta. It was all a lark; or at most, an adventure. Until the gypsy recognized him—or something about him—in the streets of Bucharest. Until he picked up the doll. And of course, the girl—the unexpected, unexplainable, irresistible dark-eyed girl. At Castel Vlaicu, Michael was to learn of an evil older than time, an evil that reached back to the very origins of his shattered family—and into his own dark future. He was to learn the secret of the strigoï. The undead. Not vampires. Something far, far worse. And far more seductive.... The Lost is a novel of dark discoveries, of a man who loses his soul, and more, in the search for his secret destiny. It is story of passion and horror, and of the doomed love that links the two. The Lost will leave you shaken by your encounter with an ancient darkness. If it leaves you at all.

Lotus 98T-Stephen Slater 2016-05-01 The Lotus 98T was the 1986-season, JPS-liveried F1 car driven by Ayrton Senna and team-mate Johnny Dumfries. Senna took eight podium positions, including two wins in the car, taking the fight to the superior McLarens and Williams. The 98T was one of the ultimate incarnations of an F1 car, powered by a Renault V6 turbo engine, which is conservatively estimated to have produced up to 1,300bhp at full boost. Senna was mighty to behold at the wheel of the 98T - he took pole position at eight of the season's 16 races, with victories in Spain and Detroit, famously crossing the line alongside Nigel Mansell in Spain, to win by 0.014s. This Manual, extensively illustrated with both period photographs and technical illustrations and photographs of a recently restored car, provides a fascinating insight into the design, evolution, operation, maintenance and restoration of the Lotus 98T.
