Into the Wild-Jon Krakauer 2009-09-22 In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. His name was Christopher Johnson McCandless. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and , unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the dries and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity , and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Mesmerizing, heart-breaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page. From the Trade Paperback edition.

For anyone who has fallen under its spell, a car represents freedom and adventure. For decades, the American tradition of the road trip has been bound up with the idea of new possibilities and new horizons. This book is an indispensable guide to the most beautiful, breathtaking, extraordinary, and fun road trips the world has to offer. Each entry provides information about distance, start and finish points, road surfaces, must-see stop-offs, detours, and other details to plan an unforgettable trip. Entries are organized into three categories: Scenic, Adventure, and Culture. One can marvel at the views from Cape Town's scenic Chapman's Peak Drive or central California's Pacific Coast Highway, but the thrill seeker might opt for the hair-raising ride through Montenegro's coastal mountains to reach the medieval walled town of Sveti Stefan on the Adriatic. The culture category features routes inspired by film, literature, and history: re-create Thelma and Louise's heart-pounding joyride (minus the final leap), savor Japan's "Romance Road" through unspoiled small towns, or follow Jack Kerouac's path from On the Road.

Alice Across America-Sarah Glenn Marsh 2020-02-04 Writer Sarah Glenn Marsh and illustrator Gilbert Ford's Alice Across America is a nonfiction picture book account of maverick Alice Ramsey, the first woman to drive a car across America in 1909. When Alice Ramsey was little, she loved to ride horses. As she grew up, more people were driving cars. From the moment Alice slid behind the wheel, she was crazy about cars. So when the Maxwell-Briscoe Company challenged her to drive one of their new cars across the country as a promotional ploy to prove that even a lady could do it, Alice daringly accepted. With several women by her side, these brazen drivers sustained many hardships over the course of a remarkable two-month journey and far surpassed all expectations. With a clever blend of women's history, technological history, and American roading geography, this is a celebration of unstoppable women making strides in twentieth-century America. Real Queer America-Samantha Allen 2019-03-05 LAMBDA LITERARY AWARD FINALIST A transgender reporter's "powerful, profoundly moving" narrative tour through the surprisingly vibrant queer communities sprouting up in red states (New York Times Book Review), offering a vision of a stronger, more humane America. Ten years ago, Samantha Allen was a suit-and-tie-wearing Mormon missionary. Now she's a GLAAD Award-winning journalist happily married to another woman. A lot in her life has changed, but what hasn't changed is her deep love of Red State America, and of queer people who stay in so-called "flyover country" rather than moving to the liberal coasts. In Real Queer America, Allen takes us on a cross-country road-trip stretching all the way from Provo, Utah to the Rio Grande Valley to the Bible Belt to the Deep South. Her motto for the trip: "Something gay every day." Making pit stops at drag shows, political rallies, and hubs of queer life across the heartland, she introduces us to scores of extraordinary LGBT people working for change, from the first openly transgender mayor in Texas history to the manager of the only queer night club in Bloomington, Indiana, and many more. Capturing profound cultural shifts underway in unexpected places and revealing a national network of chosen family fighting for a better world, Real Queer America is a treasure trove of uplifting stories and a much-needed source of hope and inspiration in these divided times.

Don't Make Me Pull Over! offers a nostalgic look at the golden age of family road trips—before portable DVD players, smartphones, and Google Maps. The birth of America's first interstate highways in the 1950s hit the gas pedal on the road trip phenomenon and families were soon streaming—sans seatbelts!—to a range of sometimes stirring, sometimes wacky locations. In the days before cheap air travel, families didn't so much take vacations as survive them. Between home and destination lay thousands of miles and dozens of annoyances, and with his family Richard Ratay experienced all of them—from being crowded into the backseat with noogie-happy older brothers, to picking out a souvenir only to find that a better one might have been had at the next attraction, to dealing with a dad who didn't believe in bathroom breaks. Now, decades later, Ratay offers "an amiable guide...fun and informative" (New York Newsday) that "goes down like a cold lemonade on a hot summer's day" (The Wall Street Journal). In hundreds of amusing ways, he reminds us of what once made the Great American Family Road Trip so great, including twenty-foot "land yachts," oasis-like Holiday Inn "Holidomes," "Smokey"–spotting Fuzzbusters, twenty-eight glorious flavors of Howard Johnson's ice cream, and the thrill of finding a "good buddy" on the CB radio. An "informative, often hilarious family narrative (that) perfectly captures the love-hate relationship many have with road trips" (Publishers Weekly). Don't Make Me Pull Over! reveals how the family road trip came to be, how its evolution mirrored the country's, and why those magical journeys that once brought families together—for better and worse—have largely disappeared.
