The Girl on the Dock: A Dark Fairy Tale-G. Norman Lippert 2008-11-01 A Teenage Witch struggles with the choice between goodness and power as events in her life spiral toward a very final, dark outcome. The Nightmare Pearl-G. Lippert 2016-03-08 Sometimes the dead come back. Whether that's a blessing or a curse is entirely a matter of perspective. David is a twelve-year-old boy in 1976 when he first discovers Rebecca Anne, the young black girl living in the abandoned culvert by the bay. Captivated first by her, and then her harrowing story of murder and ghostly revenge, he joins her in unearthing the secrets of her past. Sheila is a young wife new to Manhattan when the twin towers come down, apparently taking her

husband with them. And yet she insists that he is not dead, only missing. As the months go by, her stubborn hope wanes, leaving her to confront an even older loss, a decades-old emotional scar that will no longer stay buried. Two stories, perfectly intertwined across the decades. Two people awaiting the return of the dead, one with morbid terror, the other with dwindling hope. And in the end, both tales culminate in one kiss between life and death, secret and hidden beneath the canopy of the weeping willow, and the breeze of the bay, and the embalming black shroud of the Nightmare Pearl.

Glastonbury-Donna Fletcher Crow 2000-02-23 Sweeping through 1500 years of history, Glastonbury tells the story of Christianity in England--from the first confrontations between druids and Christians to the dissolution of the monasteries under Henry VIII.

Firelord-Parke Godwin 1982

Riverhouse-G. Norman Lippert 2010-10-04 When painter Shane Bellamy attempts to relaunch his life by moving into a remote summer cottage on the Missouri river, he becomes enthralled by the property's original owners, famed depression-era artist Gustav Wilhelm and his wife, Marlana; painting their long-dead secrets of betrayal and revenge in a series of increasingly bizarre works, Shane finds that he has not only recreated their dark story on canvas, he has brought it dreadfully back to life all around him. Visit the official website: [www.riverhousebook.com](http://www.riverhousebook.com) In the wake of his divorce and the loss of his New York art job, Shane is bereft and directionless. The cottage provides the perfect escape: small, picturesque, and lonely. There, he becomes fascinated with the history of the cottage, and that of its larger sister property, the Riverhouse, now demolished. Shane embarks on an unusual painting project: recreating the Riverhouse on canvas, as it might have looked when it was first built. As the painting develops, surprising Shane both with its style and its strange, silent strength, he finds that the image is a sort of portal, inviting him into the Riverhouse's past. He learns of its owners, portrait artist Gustav Wilhelm, known for his arrogance as much as his genius, and of Wilhelm's wife, the beautiful but ignored Marlana. Their story blooms in Shane's mind like a dark rose, full of deepening mystery and harrowing secrets. Gradually, Shane comes

to realize that the decades' old drama isn't yet finished. Ghosts haunt the cottage, particularly the intriguing Marlana, and Shane finds himself inexplicably drawn to her, despite her otherworldly hatred of his tentative new love, art agent Christiana. Eventually, Shane finds himself caught in the spiraling collision course of his own life and that of the Riverhouse, which has secretly risen from its dead foundation. He knows he should escape and yet he cannot seem to walk away. After all, he thinks, ghosts can't harm the living. Can they?

The Freezing Season-G. Norman Lippert 2015-08-24 Ashley is a young woman broken by choices- some her own, some not. Looking to escape the haunting grip of her past, she embarks on a several-state winter road trip only to pass a sight that changes her life completely: jutting from a dirty snow bank, a small human hand holds its palm up to the sky. Driven by an uncharacteristic need for redemption, Ashley returns to investigate. There, she encounters a seemingly helpful, if disturbed local man and the county sheriff. It isn't until the sheriff begins to question Ashley that the terror of her situation dawns: the body in the snow isn't a snowplow accident, but a murder victim, and by coming back to investigate, Ashley has placed herself directly in the serial killers' path. As the next twenty-two hours unfold, Ashley is confronted with a terrible choice: take advantage of her one chance for escape, or attempt rescue of the killers' last remaining victim, possibly sacrificing herself in the process. Only by embracing the ghosts of her past will Ashley survive her descent into the disturbing madness of the freezing season.

Who Rules the World?-Noam Chomsky 2016-05-10 A New York Times Bestseller The world's leading intellectual offers a probing examination of the waning American Century, the nature of U.S. policies post-9/11, and the perils of valuing power above democracy and human rights In an incisive, thorough analysis of the current international situation, Noam Chomsky argues that the United States, through its military-first policies and its unstinting devotion to maintaining a world-spanning empire, is both risking catastrophe and wrecking the global commons. Drawing on a wide range of examples, from the expanding drone assassination program to the threat of nuclear warfare, as well as the flashpoints of Iraq, Iran,

Afghanistan, and Israel/Palestine, he offers unexpected and nuanced insights into the workings of imperial power on our increasingly chaotic planet. In the process, Chomsky provides a brilliant anatomy of just how U.S. elites have grown ever more insulated from any democratic constraints on their power. While the broader population is lulled into apathy—diverted to consumerism or hatred of the vulnerable—the corporations and the rich have increasingly been allowed to do as they please. Fierce, unsparing, and meticulously documented, *Who Rules the World?* delivers the indispensable understanding of the central conflicts and dangers of our time that we have come to expect from Chomsky.

The Global Industrial Complex—Steven Best 2011 *The Global Industrial Complex: Systems of Domination*, is a groundbreaking collection of essays by leading scholars from wide scholarly and activist backgrounds who examine the entangled array of contemporary industrial complexes—what the editors refer to as "the power complex"—that was first analyzed by C. Wright Mills in his 1956 classic work, *The Power Elite*.

Healing Wounds—Diane Carlson Evans 2020-05-26 As a nurse in Vietnam in 1968–1969, Diane Carlson Evans learned to overcome seemingly impossible odds—including the night she and a corpsman kept twenty-six severely dehydrated soldiers alive in the darkness as artillery barraged their hospital. Fourteen years later, this Wisconsin mother of four felt called to establish the first memorial honoring military women on the National Mall. But she had no idea what she was in for. What followed was a ten-year battle to overcome sexism, bureaucracy, and betrayal within her own rank. Evans was labeled a "feminazi" and received death threats. At a national Veterans of Foreign Wars convention, she was all but booed off the stage. Allies undermined her. Editorial writers opined that a women's memorial adjacent to the Vietnam Veteran Memorials was "like putting an Elvis statue on Mt. Rushmore." But Evans persevered; detailed notebooks reveal that she completed more than twenty thousand tasks in the quest for her decade-long dream. And in November of 1993, she made history: the Vietnam Women's Memorial was dedicated near The Wall, bringing honor, healing, and hope to the 265,000 otherwise forgotten women who served during the Vietnam War.

### Arthur Young's Travels in France-Arthur Young 1905

From Puritanism to Postmodernism-Richard Ruland 2016-04-14 Widely acknowledged as a contemporary classic that has introduced thousands of readers to American literature, *From Puritanism to Postmodernism: A History of American Literature* brilliantly charts the fascinating story of American literature from the Puritan legacy to the advent of postmodernism. From realism and romanticism to modernism and postmodernism it examines and reflects on the work of a rich panoply of writers, including Poe, Melville, Fitzgerald, Pound, Wallace Stevens, Gwendolyn Brooks and Thomas Pynchon. Characterised throughout by a vibrant and engaging style it is a superb introduction to American literature, placing it thoughtfully in its rich social, ideological and historical context. A tour de force of both literary and historical writing, this Routledge Classics edition includes a new preface by co-author Richard Ruland, a new foreword by Linda Wagner-Martin and a fascinating interview with Richard Ruland, in which he reflects on the nature of American fiction and his collaboration with Malcolm Bradbury. It is published here for the first time.

King Arthur-Caleb Howells 2019-05-15 This book explores a part of the King Arthur story often ignored - his exploits on the continent. By reexamining the evidence, Howell challenges convention and offers a compelling argument that connects the legend with a real historical event involving the invasion and conquest of much of Western Europe.

King Arthur-Graham Phillips 2013-02-01 For fifteen hundred King Arthur has remained a mystery. For the first time, *King Arthur - The True Story* discovers the historical King Arthur, his Camelot and his final resting place. The authors uncover vital evidence for Arthur's historical existence. Centuries of myth are peeled away to reveal the truth behind the romance, and the Grail and Excalibur legends. The search for Arthur's Camelot leads to ancient ruins in the heart of Britain - an incredible Dark Age city recently unearthed by archaeology. A medieval manuscript in Oxford's Bodleian Library finally identifies King Arthur's burial site: the real Avalon.

Literature and Society in Medieval France- 1985-11-29

Julia Margaret Cameron's Women-Sylvia Wolf 1998 Profiles the life and work of a nineteenth century pioneer of photography and offers a selection of her portraits of women

The Juggler of Notre Dame and the Medievalizing of Modernity-Jan M (Author) Ziolkowski 2020-10-09 This ambitious and vivid study in six volumes explores the journey of a single, electrifying story, from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries. The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery, but is suspected of blasphemy after dancing his devotion before a statue of the Madonna in the crypt. He is then saved when the statue, delighted by his skill, miraculously comes to life. Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth-century Paris, before its translation into English in Britain and the United States. The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations, and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today. The Juggler of Notre Dame and the Medievalizing of Modernity is a rich case study for the reception of the Middle Ages in modernity. Spanning centuries and continents, the medieval period is understood through the lens of its postmodern reception in Europe and America. Profound connections between the verbal and the visual are illustrated by a rich trove of images, including book illustrations, stained glass, postage stamps, architecture, and Christmas cards. Presented with great clarity and simplicity, his work is accessible to the general reader, while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies, medievalism, philology, literary history, art history, folklore, performance studies, and reception studies. This work was published by Saint Philip Street Press pursuant to a Creative Commons license permitting commercial use. All rights not granted by the work's license are retained by the author or authors.

the Kings of Britain traces the story of the realm from its supposed foundation by Brutus to the coming of the Saxons some two thousand years later. Vividly portraying legendary and semi-legendary figures such as Lear, Cymbeline, Merlin the magician and the most famous of all British heroes, King Arthur, it is as much myth as it is history and its veracity was questioned by other medieval writers. But Geoffrey of Monmouth's powerful evocation of illustrious men and deeds captured the imagination of subsequent generations, and his influence can be traced through the works of Malory, Shakespeare, Dryden and Tennyson.

Misery Bay-G. Norman Lippert 2016-04-29 Bestselling author Norman G. Lippert had ridden his bike around the peninsula hundreds of times before that strange, foggy day, when the way home mysteriously vanished. Now, the peninsula has become an island, dwindling slowly around him, empty of everyone and everything except Norman, the ghosts of his most infamous villains, and his slowly dismantling psyche. In the end, Norman learns that no one deserves a happy ending. Everyone borrows from the dark. And eventually, inevitably, the dark collects.

The Mammoth Book of King Arthur-Mike Ashley 2011-09-01 The most complete guide ever to the real Arthurian world and the legends that surround it He defeated the Saxons so decisively at the Battle of Badon that he held the Saxon invasion of Britain at bay for at least a generation. He has inspired more stories, books and films than any other historical or legendary figure. But who was the real King Arthur? Here is the most comprehensive guide to the real Arthurian world and the legends that surround and often obscure it. Sifting fact from fancy, Mike Ashley reveals the originals not only of King Arthur but also of Merlin. Guinevere, Lancelot and the knights of the Round Table - as well as all the major Arthurian sites. He traces each of the legends as they developed and brilliantly shows how they were later used to inspire major works of art, poetry, fiction and film. There is clear evidence that. The Arthurian legends arose from the exploits of not just one man, but at least three originating in Wales, Scotland and Brittany The true historical Arthur really existed and is distantly related to the present royal family The real Arthur and the

real Merlin never knew each other The real Lancelot was not British but was closer to a sixth-century asylum-seeker The Holy Grail legend probably grew out of a cosmic catastrophe that could have destroyed most of civilization

Women and Arthurian Literature-Marion Wynne-Davies 2016-07-27 This is the first full-length study of the role of women in Arthurian literature. It covers writing from the medieval period, the Renaissance, the Victorian age and in contemporary fiction. Covering the key Arthurian texts, such as Chaucer's Wife of Bath's Tale, Sir Gawain and the Green Knight, Malory's Morte D'arthur, Spenser's The Faerie Queene and Tennyson's Idylls, it also investigates the less well-known works by women: Lady Charlotte Guest's Mabinogion, Julia Margaret Cameron's illustration to Tennyson's works and, finally, the Arthurian women writers of the twentieth century.

The Ivory Tower and Harry Potter-Lana A. Whited 2004 Now available in paper, The Ivory Tower and Harry Potter is the first book-length analysis of J. K. Rowling's work from a broad range of perspectives within literature, folklore, psychology, sociology, and popular culture. A significant portion of the book explores the Harry Potter series' literary ancestors, including magic and fantasy works by Ursula K. LeGuin, Monica Furlong, Jill Murphy, and others, as well as previous works about the British boarding school experience. Other chapters explore the moral and ethical dimensions of Harry's world, including objections to the series raised within some religious circles. In her new epilogue, Lana A. Whited brings this volume up to date by covering Rowling's latest book, Harry Potter and the Order of the Phoenix.

The Psychology of Harry Potter-Neil Mulholland 2009-06-22 Harry Potter has provided a portal to the wizarding world for millions of readers, but an examination of Harry, his friends and his enemies will take us on yet another journey: through the psyche of the Muggle (and wizard!) mind. The twists and turns of the series, as well as the psychological depth and complexity of J. K. Rowling's characters, have kept fans enthralled with and puzzling over the many mysteries that permeate Hogwarts and beyond: Do the Harry Potter books encourage disobedience? Why is everyone so fascinated by Professor Lupin? What exactly

will Harry and his friends do when they finally pass those N.E.W.T.s? Do even wizards live by the ticking of the clock? Is Harry destined to end up alone? And why did it take Ron and Hermione so long to get together? Now, in *The Psychology of Harry Potter*, leading psychologists delve into the ultimate Chamber of Secrets, analyzing human mind and motivation by examining the themes and characters that make the Harry Potter books the bestselling fantasy series of all time. Grab a spot on the nearest couch, and settle in for some fresh revelations about our favorite young wizard!

Hollywood Knights-S. Aronstein 2016-04-30 Hollywood Knights examines Hollywood Arthuriana as political nostalgia offered to American viewers during times of cultural crisis: the red scare of the 1950s, the breakdown of traditional authority in the 1960s and 1970s, the turn to the right in the 1980s and the redemption of masculine and national authority in the 1990s. Its analysis of these films explores their proposal of an ideal past - an Americanized Camelot and a democratized chivalry - as the solution to the problems of a troubled present, a solution that will ensure prosperity in the homeland and a globally beneficial American authority abroad.

The Description of England-William Harrison 1994-01-01 Presents a portrait of daily life in Tudor England, including food and diet, laws, clothing, punishments for criminals, languages, lodging, and the appearance of the people.

Black & Blue-James Patterson 2016-12-06 Is Harriet Blue as great a detective as Lindsay Boxer? Harriet Blue, the most single-minded detective since Lindsay Boxer, won't rest until she stops a savage killer targeting female university students. But new clues point to a more chilling predator than she ever could have imagined. BookShots LIGHTNING-FAST STORIES BY JAMES PATTERSON Novels you can devour in a few hours Impossible to stop reading All original content from James Patterson

An Anthropology of Anthropology-Robert Borofsky 2019-03-21 The book uses anthropological methods and insights to study the practice of anthropology. It calls for a paradigm shift, away from the publication treadmill, toward a more profile-raising paradigm that focuses on addressing a broad array of social

The Handy Geography Answer Book-Paul A Tucci 2016-07-18 Geography is more than just maps and finding your destination. It is about the land, the people on that land, the delicate balance of nature, and our very interdependence upon it, despite the miracles of technology and grocery stores. It’s about the effects of nature on places and people, as well as how politics, borders, cities, and towns affect our lives. The Handy Geography Answer Book traces the history of geography from Eratosthenes and Alexander von Humboldt to latitude and longitude, and the latest advances in the Global Positioning System (GPS). It provides insights into economic, social, historic, culture, religious, political, and climate geography, plus oceanography, demographics, and more. Completely revised and updated, it tours the world, its natural

formerly glorious regions, is nothing like its earlier status. Forgotten about and exhausted, much of its structural environment has been left to decay. The Borscht Belt, which features essays by Stefan Kanfer and Jenna Weissman Joselit, presents Marisa Scheinfeld's photographs of abandoned sites where resorts, hotels, and bungalow colonies once boomed in the Catskill Mountain region of upstate New York. The book assembles images Scheinfeld has shot inside and outside locations that once buzzed with life as year-round havens for generations of people. Some of the structures have been lying abandoned for periods ranging from four to twenty years, depending on the specific hotel or bungalow colony and the conditions under which it closed. Other sites have since been demolished or repurposed, making this book an even more significant documentation of a pivotal era in American Jewish history. The Borscht Belt presents a contemporary view of more than forty hotel and bungalow sites. From entire expanses of abandoned properties to small lots containing drained swimming pools, the remains of the Borscht Belt era now lie forgotten, overgrown, and vacant. In the absence of human activity, nature has reclaimed the sites, having encroached upon or completely overtaken them. Many of the interiors have been vandalized or marked by paintball players and graffiti artists. Each ruin lies radically altered by the elements and effects of time. Scheinfeld's images record all of these developments.

An Introduction to the Study of Local History and Antiquities-John Edward Morris 1910
