Why Won't You Apologize?-Harriet Lerner 2017-01-10 "If you want to know why Harriet Lerner is one of my great heroes, Why Won't You Apologize? is the answer. This book is a game changer." —Brené Brown, PhD, LMSW, author of the #1 New York Times bestseller Rising Strong "Harriet Lerner is one hell of a wise woman. She draws you in with deft and engaging prose, and then changes your life with her rigorous intelligence and her deeply human advice. I promise that you will never see 'the apology' in quite the same way." —Esther Perel, MA, LMFT author of Mating in Captivity Renowned psychologist and bestselling author of The Dance of Anger sheds new light on the two most important words in the English language—I'm sorry—and offers a unique perspective on the challenge of healing broken connections and restoring trust. Dr. Harriet Lerner has been studying apologies—and why some people won't give them—for more than two decades. Now she offers compelling stories and solid theory that bring home how much the simple apology matters and what is required for healing when the hurt we've inflicted (or received) is far from simple. Readers will learn how to craft a deeply meaningful "I'm sorry" and avoid apologies that only deepen the original injury. Why Won't You Apologize? also addresses the compelling needs of the injured party—the one who has been hurt by someone who won't apologize, tell the truth, or feel remorse. Lerner explains what drives both the non-apologizer and the over-apologizer, as well as why the people who do the worst things are the least able to own up. She helps the injured person resist pressure to forgive too easily and challenges the popular notion that forgiveness is the only path to peace of mind. With her trademark humor and wit, Lerner offers a joyful and sanity-saving guide to setting things right.

The Apology-Eve Ensler 2019-05-14 From the bestselling author of The Vagina Monologues--a powerful, life-changing examination of abuse and atonement. "A triumph of artistry and empathy." --Naomi Klein "A crucial step forward . . . This is an urgently needed book right now." --Jane Fonda "Unflinching candor . . . immeasurable grace." --Anita Hill "Courageous, transformative, and yes--healing." --Anne Lamott "Unflinchingly increases our understanding of the human experience." --Michael Cunningham "[The Apology] will change how all of us think about our souls." --Johann Hari "Shatteringly brilliant." --The Times "The geometry of toxic masculinity is contained within these pages." --Marc Maron Like millions of women, Eve Ensler has been waiting much of her lifetime for an apology. Sexually and physically abused by her father, Eve has struggled her whole life from this betrayal, longing for an honest reckoning from a man who is long dead. After years of work as an anti-violence activist, she decided she would wait no longer; an apology could be imagined, by her, for her, to her. The Apology, written by Eve from her father's point of view in the words she longed to hear, attempts to transform the abuse she suffered with unflinching truthfulness, compassion, and an expansive vision for the future. Through The Apology Eve has set out to provide a new way for herself and a possible road for others, so that survivors of abuse may finally envision how to be free. She grapples with questions she has sought answers to since she first realized the impact of her father's abuse on her life: How do we offer a doorway rather than a locked cell? How do we move from humiliation to revelation, from curtailing behavior to changing it, from condemning perpetrators to calling them to reckoning? What will it take for abusers to genuinely apologize? Remarkable and original, The Apology is an acutely transformational look at how, from the wounds of sexual abuse, we can begin to re-emerge and heal. It is revolutionary, asking everything of each of us: courage, honesty, and forgiveness.
