The True History and the Religion of India-Prakashanand Saraswati 2001 ABOUT THE BOOK: The True History and the Religion of India, A concise Encyclopedia of Authentic Hinduism is one of the most comprehensive books on human civilization. It is an authoritative view of the history of world thought. The book provides the

Complete Works of Swami Vivekananda-Swami Vivekananda 2019-11-27 Text from all nine volumes of Complete Works of Swami Vivekananda as well some unpublished material is available here. All proceeds are donated to Advaita Ashrama, India

The Complete Works of Swami Vivekananda - Volume 9- Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, this is Volume 9 of the nine volume series constituting 'The Complete Works of Swami Vivekananda'. In these volumes we have not only a gospel to the world at large, but also, to its own children, the Charter of the Hindu faith. For the first time in history, Hinduism itself forms here the subject of generalization of a Hindu mind of the highest order. What Hinduism had needed was the organizing and consolidating of its own idea, a rock where she could lie at anchor, and an authoritative utterance in which she might recognise herself. What the world had needed was a faith that had no fear of truth. Both are found in the words and writings of Swami Vivekananda. It is the latest gospel of a modern Prophet of religion and spirituality to the mankind.

The Essential Sindhi Cookbook-Aroona Reejhsinghani 2004-08-04 The Sindhi community traces its roots to the Harappan civilization and claims a continuity of tradition and lifestyle that is unique in the Indian subcontinent. As the introduction to this book explains, cuisine is an important aspect of this continuity. While Sindhi food has absorbed elements from various other cuisines, especially Mughlai and Punjabi, it has always retained its own special blend of flavours and fragrances. The famous Sindhi curry, as appealing to the eye as to the palate with its mix of vegetables and curd, the delicately flavoured fish baked in sand, the lotus stems cooked to succulent perfection in earthen pots "the array of dishes is unusual in its variety and range. But this book isn't just about recipes; it's also about the traditions and ceremonies that involve food. What, for instance, is the story behind the Sindhi New Year? What are the dishes customarily prepared to mark the day? What would one eat to break a fast? In what order should you serve the various dishes that form part of a wedding feast? The answers to these and other questions relating to the preparation and serving of Sindhi food are all here in this comprehensive guide to a distinctive culture.
